- 33 ...
- 34 (c) (1) ~~Election of a Teacher to Career Status.— Except as otherwise provided in
35 subdivision (3) of this subsection, when a teacher has been employed by a
36 North Carolina public school system for four consecutive years, the board,
37 near the end of the fourth year, shall vote upon whether to grant the teacher
38 career status. The teacher has a right to notice and hearing prior to the
39 board's vote as provided in G.S. 115C-325(m)(3) and G.S. 115C-325(m)(4).
40 The board shall give the teacher written notice of that decision by June 15 or
41 such later date as provided in G.S. 115C-325(m)(7). If a majority of the
42 board votes to grant career status to the teacher, and if it has notified the
43 teacher of the decision, it may not rescind that action but must proceed under
44 the provisions of this section for the demotion or dismissal of a teacher if it
45 decides to terminate the teacher's employment. If a majority of the board
46 votes against granting career status, the teacher shall not teach beyond the
47 current school term. If the board fails to vote on granting career status, the
48 teacher shall be entitled to an additional month's pay for every 30 days or
49 portion thereof after June 16 or such later date as provided in~~

~~G.S. 115C-325(m)(7) if a majority of the board belatedly votes against granting career status.~~

~~(2) Employment of a Career Teacher. — A teacher who has obtained career status in any North Carolina public school system need not serve another probationary period of more than one year. The board may grant career status immediately upon employing the teacher, or after the first year of employment. The teacher has a right to notice and hearing prior to the board's vote as provided in G.S. 115C-325(m)(3) and G.S. 115C-325(m)(4). The board shall give the teacher written notice of that decision by June 15 or such later date as provided in G.S. 115C-325(m)(7). If a majority of the board votes against granting career status, the teacher shall not teach beyond the current term. If after one year of employment, the board fails to vote on the issue of granting career status, the teacher shall be entitled to one additional month's pay for every 30 days or portion thereof beyond June 16 or such later date as provided in G.S. 115C-325(m)(7) if a majority of the board belatedly voted against granting career status.~~

~~(2a) Notice of Teachers Eligible to Achieve Career Status. — At least 30 days prior to any board action granting career status, the superintendent shall submit to the board a list of the names of all teachers who are eligible to achieve career status. Notwithstanding any other provision of law, the list shall be a public record under Chapter 132 of the General Statutes.~~

~~(3) Ineligible for Career Status. — No employee of a local board of education except a teacher as defined by G.S. 115C-325(a)(6) is eligible to obtain career status or continue in a career status as a teacher if he no longer performs the responsibilities of a teacher as defined in G.S. 115C-325(a)(6). No person who is employed as a school administrator who did not acquire career status as a school administrator by June 30, 1997, shall have career status as an administrator. Further, no director or assistant principal is eligible to obtain career status as a school administrator unless he or she has already been conferred that status by the local board of education.~~

~~(4) Leave of Absence. — A career teacher who has been granted a leave of absence by a board shall maintain his career status if he returns to his teaching position at the end of the authorized leave.~~

~~(5) Consecutive Years of Service. —~~

~~a. If a probationary teacher in a full-time permanent position does not work for at least 120 workdays in a school year because the teacher is on sick leave, disability leave, or both, that school year shall not be deemed to constitute (i) a consecutive year of service for the teacher or (ii) a break in the continuity in consecutive years of service for the teacher.~~

~~b. If a probationary teacher in a full-time permanent position is nonrenewed because of a decrease in the number of positions due to decreased funding, decreased enrollment, or a district reorganization, and is subsequently rehired by the same school system within three years, the intervening years when the teacher was not employed by the local school administrative unit shall not be deemed to constitute (i) a consecutive year of service for the teacher or (ii) a break in the continuity of years of service. However, if at the time of the teacher's nonrenewal for the reasons described in this subsection, the teacher was eligible for career status after being employed four consecutive~~

1 years pursuant to G.S. 115C-325(c)(1), or one year pursuant to
2 G.S. 115C-325(c)(2), and the board subsequently rehires the teacher
3 within three years, the teacher will be eligible for a career status
4 decision after one additional year of employment. Unless the
5 superintendent unilaterally grants a teacher the benefit set forth in
6 this subsection pursuant to a policy adopted by the board of
7 education for this purpose, the teacher is entitled to such benefit only
8 if the teacher notifies the head of human resources for the local
9 school administrative unit in writing within 60 calendar days after the
10 first day of employment upon being rehired that the teacher was
11 nonrenewed because of a decrease in the number of positions
12 triggered by decreased funding, decreased enrollment, or a district
13 reorganization, and therefore the teacher's nonrenewal did not
14 constitute a break in service for purposes of determining eligibility
15 for career status. The local school administrative unit shall notify the
16 teacher of the 60-day deadline as described herein in the employment
17 application, contract, or in some other method reasonably calculated
18 to provide the teacher actual notice within 30 calendar days after the
19 first day of employment for the rehired teacher. The burden is on the
20 teacher to submit information establishing that the teacher was
21 nonrenewed because of a decrease in the number of positions
22 triggered by decreased funding, decreased enrollment, or a district
23 reorganization. If the local school administrative unit fails to provide
24 notice to the teacher within this 30-day period, then the teacher's
25 obligation to notify the local school administrative unit within 60
26 days does not commence until such time that the teacher is notified
27 of the 60-day deadline.

28 The superintendent or designee will inform the teacher on
29 whether the teacher qualifies for the benefit of this subsection within
30 a reasonable period of time after receiving the information submitted
31 by the teacher. This decision is final and the teacher has no right to a
32 hearing or appeal except that the teacher may petition the board in
33 writing within 10 calendar days after receiving the decision of the
34 superintendent or designee, and the board or board panel shall review
35 the matter on the record and provide the teacher a written decision.
36 Notwithstanding any other provision of law, no appeal to court or
37 otherwise is permitted in regard to the benefits provided under this
38 subsection. This subsection creates no private right of action or basis
39 for any liability on the part of the school system, nor does it create
40 any reemployment rights for a nonrenewed probationary teacher.

41 The provisions of this subsection also shall apply to a
42 probationary teacher in a full-time permanent position who resigns
43 effective the end of the school year in good standing after receiving
44 documentation that the teacher's position may be eliminated because
45 of a decrease in the number of positions triggered by decreased
46 funding, decreased enrollment, or a district reorganization, and is
47 subsequently rehired by the same school system.

- 48 (6) Status of Exchange Teachers. — Exchange teachers shall not be eligible to
49 obtain career status. However, for purposes of determining eligibility to
50 receive employment benefits under this Chapter, including personal leave,

~~annual vacation leave, and sick leave, an exchange teacher shall be considered a permanent teacher if employed with the expectation of at least six full consecutive monthly pay periods of employment and if employed at least 20 hours per week.~~

(d) ~~Career Teachers and Career School Administrators.~~ Teachers.

(1) A career teacher ~~or career school administrator~~ shall not be subjected to the requirement of annual appointment nor shall he be dismissed, demoted, or employed on a part-time basis without his consent except as provided in subsection (e).

(2) a. ~~The provisions of this subdivision do not apply to a person who is ineligible for career status as provided by G.S. 115C-325(e)(3).~~

b. Repealed by Session Laws 1997, c. 221, s. 13(a).

c. Subject to G.S. 115C-287.1, when a teacher has performed the duties of supervisor or principal for three consecutive years, the board, near the end of the third year, shall vote upon his employment for the next school year. The board shall give him written notice of that decision by June 1 of his third year of employment as a supervisor or principal. If a majority of the board votes to reemploy the teacher as a principal or supervisor, and it has notified him of that decision, it may not rescind that action but must proceed under the provisions of this section. If a majority of the board votes not to reemploy the teacher as a principal or supervisor, he shall retain career status as a teacher if that status was attained prior to assuming the duties of supervisor or principal. A supervisor or principal who has not held that position for three years and whose contract will not be renewed for the next school year shall be notified by June 1 and shall retain career status as a teacher if that status was attained prior to assuming the duties of supervisor or principal.

A year, for purposes of computing time as a probationary principal or supervisor, shall not be less than 145 workdays performed as a full-time, permanent principal or supervisor in a contract year.

~~A principal or supervisor who has obtained career status in that position in any North Carolina public school system may be required by the board of education in another school system to serve an additional three year probationary period in that position before being eligible for career status. However, he may, at the option of the board of education, be granted career status immediately or after serving a probationary period of one or two additional years. A principal or supervisor with career status who resigns and within five years is reemployed by the same school system need not serve another probationary period in that position of more than two years and may, at the option of the board, be reemployed immediately as a career principal or supervisor or be given career status after only one year. In any event, if he is reemployed for a third consecutive year, he shall automatically become a career principal or supervisor.~~

...

(3) Inadequate Performance. – In determining whether the professional performance of a career employee is adequate, consideration shall be given to regular and special evaluation reports prepared in accordance with the

1 published policy of the employing local school administrative unit and to
2 any published standards of performance which shall have been adopted by
3 the board. Failure to notify a career employee of an inadequacy or deficiency
4 in performance shall be conclusive evidence of satisfactory performance.
5 Inadequate performance for a teacher shall mean (i) the failure to perform at
6 a proficient level on any standard of the evaluation instrument or (ii)
7 otherwise performing in a manner that is below standard. ~~However, for a~~
8 ~~probationary teacher, a performance rating below proficient may or may not~~
9 ~~be deemed adequate at that stage of development by a superintendent or~~
10 ~~designee.~~ For a career teacher, a performance rating below proficient shall
11 constitute inadequate performance unless the principal noted on the
12 instrument that the teacher is making adequate progress toward proficiency
13 given the circumstances.

14 ...

15 (m) ~~Probationary Teacher.~~

- 16 (1) ~~The board of any local school administrative unit may not discharge a~~
17 ~~probationary teacher during the school year except for the reasons for and by~~
18 ~~the procedures by which a career employee may be dismissed as set forth in~~
19 ~~subsections (e), (f), (f1), and (h) to (j3) above.~~
- 20 (2) ~~The board, upon recommendation of the superintendent, may refuse to renew~~
21 ~~the contract of any probationary teacher or to reemploy any teacher who is~~
22 ~~not under contract for any cause it deems sufficient. Provided, however, that~~
23 ~~the cause may not be arbitrary, capricious, discriminatory or for personal or~~
24 ~~political reasons.~~
- 25 (3) ~~The superintendent shall provide written notice to a probationary teacher no~~
26 ~~later than May 15 of the superintendent's intent to recommend nonrenewal~~
27 ~~and the teacher's right, within 10 days of receipt of the superintendent's~~
28 ~~recommendation, to (i) request and receive written notice of the reasons for~~
29 ~~the superintendent's recommendation for nonrenewal and the information~~
30 ~~that the superintendent may share with the board to support the~~
31 ~~recommendation for nonrenewal; and (ii) request a hearing for those teachers~~
32 ~~eligible for a hearing under G.S. 115C-325(m)(4). The failure to file a timely~~
33 ~~request within the 10 days shall result in a waiver of the right to this~~
34 ~~information and any right to a hearing. If a teacher files a timely request, the~~
35 ~~superintendent shall provide the requested information and arrange for a~~
36 ~~hearing, if allowed, and the teacher shall be permitted to submit~~
37 ~~supplemental information to the superintendent and board prior to the board~~
38 ~~making a decision or holding a hearing as provided in this section. The board~~
39 ~~shall adopt a policy to provide for the orderly exchange of information prior~~
40 ~~to the board's decision on the superintendent's recommendation for~~
41 ~~nonrenewal.~~
- 42 (4) ~~If the probationary teacher is eligible for career status pursuant to~~
43 ~~G.S. 115C-325(c)(1) and (c)(2) and the superintendent recommends not to~~
44 ~~give the probationary teacher career status, the probationary teacher has the~~
45 ~~right to a hearing before the board unless the reason is a justifiable board or~~
46 ~~superintendent approved decrease in the number of positions due to district~~
47 ~~reorganization, decreased enrollment, or decreased funding.~~
- 48 (5) ~~For probationary contracts that are not in the final year before the~~
49 ~~probationary teacher is eligible for career status, the probationary teacher~~
50 ~~shall have the right to petition the local board of education for a hearing, and~~

~~the local board may grant a hearing regarding the superintendent's recommendation for nonrenewal. The local board of education shall notify the probationary teacher making the petition of its decision whether to grant a hearing.~~

~~(6) Any hearing held according to this subsection shall be pursuant to the provisions of G.S. 115C-45(e).~~

~~(7) The board shall notify a probationary teacher whose contract will not be renewed for the next school year of its decision by June 15; provided, however, if a teacher submits a request for information or a hearing, the board shall provide the nonrenewal notification by July 1 or such later date upon the written consent of the superintendent and teacher.~~

~~(n) Appeal. — Any career employee who has been dismissed or demoted under G.S. 115C-325(e)(2), or under G.S. 115C-325(j2), or who has been suspended without pay under G.S. 115C-325(a)(4a), or any school administrator whose contract is not renewed in accordance with G.S. 115C-287.1, or any probationary teacher whose contract is not renewed under G.S. 115C-325(m)(2) shall have the right to appeal from the decision of the board to the superior court for the superior court district or set of districts as defined in G.S. 7A-41.1 in which the career employee is employed. This appeal shall be filed within a period of 30 days after notification of the decision of the board. The cost of preparing the transcript shall be determined under G.S. 115C-325(j2)(8) or G.S. 115C-325(j3)(10). A career employee who has been demoted or dismissed, or a school administrator whose contract is not renewed, who has not requested a hearing before the board of education pursuant to this section shall not be entitled to judicial review of the board's action.~~

~~(o) Resignation. —~~

~~...~~

~~(2) A teacher, career or probationary, career teacher who is not recommended for dismissal should not resign without the consent of the superintendent unless he or she has given at least 30 days' notice. If a teacher who is not recommended for dismissal does resign without giving at least 30 days' notice, the board may request that the State Board of Education revoke the teacher's license for the remainder of that school year. A copy of the request shall be placed in the teacher's personnel file.~~

~~(p) Section Applicable to Certain Institutions. — Notwithstanding any law or regulation to the contrary, this section shall apply to all persons who are employed as career teachers in teaching and related educational classes in the schools and institutions of the Departments of Health and Human Services and Public Instruction and the Divisions of Juvenile Justice and Adult Correction of the Department of Public Safety regardless of the age of the students.~~

~~(p1) Procedure for Dismissal of School Administrators and Teachers Employed in Low-Performing Residential Schools. —~~

~~(1) Notwithstanding any other provision of this section or any other law, this This subdivision shall govern the dismissal by the Secretary of Health and Human Services of teachers, principals, assistant principals, directors, supervisors, and other licensed personnel who are career employees and are assigned to a residential school that the State Board has identified as low-performing and to which the State Board has assigned an assistance team under Part 3A of Article 3 of Chapter 143B of the General Statutes. The Secretary shall dismiss a teacher, principal, assistant principal, director, supervisor, or other licensed personnel when the Secretary receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team.~~

1 These findings and recommendations shall be substantial evidence of the
2 inadequate performance of the teacher or school administrator.

3 The Secretary may dismiss a teacher, principal, assistant principal,
4 director, supervisor, or other licensed personnel when:

- 5 a. The Secretary determines that the school has failed to make
6 satisfactory improvement after the State Board assigned an assistance
7 team to that school under Part 3A of Article 3 of Chapter 143B of the
8 General Statutes; and
9 b. That assistance team makes the recommendation to dismiss the
10 teacher, principal, assistant principal, director, supervisor, or other
11 licensed personnel for one or more grounds established in
12 G.S. 115C-325(e)(1) for dismissal or demotion of a career employee.

13 Within 30 days of any dismissal under this subdivision, a teacher, principal,
14 assistant principal, director, supervisor, or other licensed personnel may
15 request a hearing before a panel of three members designated by the
16 Secretary. The Secretary shall adopt procedures to ensure that due process
17 rights are afforded to persons recommended for dismissal under this
18 subdivision. Decisions of the panel may be appealed on the record to the
19 Secretary, with further right of judicial review under Chapter 150B of the
20 General Statutes.

22 (q) ~~Procedure for Dismissal of School Administrators and Teachers Employed in~~
23 ~~Low-Performing Schools. –~~

- 24 ~~(1) Notwithstanding any other provision of this section or any other law, this~~
25 ~~subdivision governs the State Board's dismissal of principals assigned to~~
26 ~~low-performing schools to which the Board has assigned an assistance team:~~
27 ~~a. The State Board through its designee may, at any time, recommend~~
28 ~~the dismissal of any principal who is assigned to a low performing~~
29 ~~school to which an assistance team has been assigned. The State~~
30 ~~Board through its designee shall recommend the dismissal of any~~
31 ~~principal when the Board receives from the assistance team assigned~~
32 ~~to that principal's school two consecutive evaluations that include~~
33 ~~written findings and recommendations regarding the principal's~~
34 ~~inadequate performance.~~
35 ~~b. If the State Board through its designee recommends the dismissal of~~
36 ~~a principal under this subdivision, the principal shall be suspended~~
37 ~~with pay pending a hearing before a panel of three members of the~~
38 ~~State Board. The purpose of this hearing, which shall be held within~~
39 ~~60 days after the principal is suspended, is to determine whether the~~
40 ~~principal shall be dismissed.~~
41 ~~c. The panel shall order the dismissal of the principal if it determines~~
42 ~~from available information, including the findings of the assistance~~

18 the following method when allocating federal and State child care funds, not including the
19 aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc.,
20 subsidy allocation:

- 21 (1) Funds shall be allocated to a county based upon the projected cost of serving
22 children under age 11 in families with all parents working who earn less than
23 seventy five percent (75%) of the State median income, the applicable
24 federal poverty level percentage set forth in Section 12B.3(a) of this act, as

42 43 **SUBPART XII-C. DIVISION OF SOCIAL SERVICES**

44 45 **CHILD PROTECTIVE SERVICES IMPROVEMENT INITIATIVE**

46 **SECTION 12C.1.(a)** Findings and Intent. – The General Assembly makes the
47 following findings:

- 48 (1) Child Protective Services' policy from the Department of Health and Human
49 Services, Division of Social Services, recommends that the average child
50 protective services caseload be no greater than 10 families at any time for

1 workers performing child protective services assessments and 10 families at
2 any time for staff providing in-home services. However, data suggests that in
3 43 of the counties in this State, 21 have a caseload size of over 15 cases per
4 worker; and further, in nine of those 21 counties, there is an average
5 caseload size of over 20 cases per worker.

6 (2) During the 2013-2014 fiscal year, county departments of social services lost
7 federal funding for child protective services under the Temporary Assistance
8 of Needy Families (TANF) Block Grant and Title IV-E funding. However,
9 the number of Child Protective Services investigations has grown by twenty
10 percent (20%) from fiscal year 2002 to fiscal year 2012.

11 (3) There is no current, statewide data available on the performance of county
12 departments of social services regarding child protective services.

13 (4) There exists the potential for a conflict of interest to arise when a county
14 department of social services has been appointed as guardian for both (i) a
15 child who is the subject of a report of abuse, neglect, or dependency that
16 would be investigated by Child Protective Services and (ii) for the parent or
17 legal guardian of the child.

18 It is the intent of the General Assembly to (i) reduce caseload size for Child
19 Protective Services' workers to the recommended standard, (ii) provide adequate resources for
20 county departments of social services to provide child protective services for abused, neglected,
21 and dependent children, (iii) provide for a comprehensive evaluation of various functions and
22 funding regarding child protective services, and (iv) study ways to reduce conflicts of interest
23 regarding guardianship and child protective services. To that end, the General Assembly
24 supports the initiatives and the allocation of funds for child welfare services as described in this
25 section.

26 **SECTION 12C.1.(b)** Funds for Child Protective Services. – Of the funds
27 appropriated in this act to the Department of Health and Human Services, Division of Social
28 Services, the sum of eight million three hundred twenty-six thousand six hundred twenty-seven
29 dollars (\$8,326,627) shall be allocated to provide additional child protective services workers at
30 county departments of social services to reduce caseloads to the recommended standard.

31 **SECTION 12C.1.(c)** Funds for In-Home Services. – Of the funds appropriated in
32 this act to the Department of Health and Human Services, Division of Social Services, the sum
33 of four million five hundred thousand dollars (\$4,500,000) shall be allocated for Child Welfare
34 in-home services to provide and coordinate interventions and services that focus on child safety
35 and protection, family preservation, and the prevention of further abuse or neglect.

36 **SECTION 12C.1.(d)** Funds for Oversight of Child Welfare Services. – Of the
37 funds appropriated in this act to the Department of Health and Human Services, Division of
38 Social Services, the sum of seven hundred fifty thousand dollars (\$750,000) shall be allocated
39 to fund nine positions to the Division to enhance oversight of child welfare services in county
40 departments of social services. These positions shall be used to monitor, train, and provide
41 technical assistance to the county departments of social services to ensure children and families
42 are provided services that address the safety, permanency, and well-being of children served by
43 child welfare services.

44 **SECTION 12C.1.(e)** Pilot Program. – Of the funds appropriated in this act to the
45 Department of Health and Human Services, Division of Social Services, the sum of three
46 hundred thousand dollars (\$300,000) shall be used to establish and implement a child protective
47 services pilot program. The funds shall be used to enhance coordination of services and
48 information among county departments of social services, local law enforcement agencies, the
49 court system, guardian ad litem programs, and other agencies as deemed appropriate by the

1 Department. The Department shall determine the number of sites that may participate in the
2 pilot program and include regions that are geographically diverse.

3 The Division shall make a progress report on the pilot program to the Senate
4 Appropriations Committee on Health and Human Services, the House of Representatives
5 Appropriations Subcommittee on Health and Human Services, and the Fiscal Research
6 Division no later than March 1, 2015. The Division shall make a final report of its findings and
7 recommendations on the pilot program to the Joint Legislative Oversight Committee on Health
8 and Human Services no later than March 1, 2016.

9 **SECTION 12C.1.(f) Statewide Evaluation.** – Of the funds appropriated in this act
10 to the Department of Health and Human Services, Division of Social Services, the sum of
11 seven hundred thousand dollars (\$700,000) shall be used to provide for a comprehensive,
12 statewide evaluation of the State's child protective services system. The Division of Social
13 Services shall contract for an independent evaluation of the system, which evaluation shall
14 include developing recommendations on the following:

- 15 (1) The performance of county departments of social services as related to child
16 protective services.
- 17 (2) Caseload sizes.
- 18 (3) The administrative structure of the child protective services system in the
19 State.
- 20 (4) Any funding needs.
- 21 (5) Child protective services' worker turnover.
- 22 (6) Monitoring and oversight of county departments of social services.

23 The Division shall report the findings and recommendations from the evaluation to
24 the Joint Legislative Oversight Committee on Health and Human Services no later than January
25 1, 2016.

26 **SECTION 12C.1.(g) Study Conflicts of Interest/Public Guardianship and Child**
27 **Protective Services.** – The Department of Health and Human Services, Division of Social
28 Services, shall study the issue of conflicts of interest in child welfare cases as related to public
29 guardianship. In conducting the study, the Department shall consider the following regarding
30 addressing potential conflicts of interest:

- 31 (1) Creating internal firewalls to prevent information sharing and influence
32 among staff members involved with the conflicting cases.
- 33 (2) Creating a formal or an informal "buddy system" allowing a county with a
34 conflict to refer a case to a neighboring county.
- 35 (3) Referring the guardianship to a corporate guardian until the child welfare
36 case is resolved.
- 37 (4) Having the Department assume responsibility for either the guardianship or
38 the child welfare case.
- 39 (5) Recommending legislation to permit the clerk the option to appoint a public
40 agency or official, other than the Director of Social Services, to serve as a
41 disinterested public agent in exceptional circumstances only.
- 42 (6) Any other issues specific to this matter the Department deems appropriate.

43 The Division shall submit a final report of its findings and recommendations to the
44 Senate Appropriations Committee on Health and Human Services, the House of
45 Representatives Appropriations Subcommittee on Health and Human Services, and the Fiscal
46 Research Division no later than February 1, 2015.

SUBPART XII-H. DIVISION OF MEDICAL ASSISTANCE (MEDICAID)**MEDICAID REORGANIZATION TO WORK TOWARDS REFORM**

SECTION 12H.1.(a) It is the intent of the General Assembly to transfer the Medicaid and NC Health Choice programs to a new state entity that will define a new, more successful direction for the programs and that will be able to focus more clearly on the operation of the programs. Specifically, the Medicaid program shall move away from unmanaged fee-for-service towards a system that manages care. To that end, Medicaid shall include all dimensions of care for a recipient through full-risk, provider-led and non-provider-led, capitated health plans. Such full-risk capitated health plans shall include all aspects of care, without exceptions, so that the State will bear only the risk of enrollment numbers and enrollment mix.

The governance structure of the new State entity shall include a board. In the short-term, the new State entity shall do the following:

- (1) Strategically design a program that meets the primary goal of providing budget predictability as well as the following goals:
 - a. Controls the growth of program expenditures.
 - b. Reduces programmatic spending, both on payments to providers of services or insurance and on administrative spending.
 - c. Provides "whole person" care.
 - d. Establishes provider accountability for budget and program outcomes, while integrating quality into the basic payment model.
 - e. Maintains administrative accountability for budget and program outcomes.

- 1 f. Ensures transparency of reporting, provider information, decision
2 making, and administrative functions.
3 g. Ensures recipient access to appropriate care and services.
4 (2) Carefully select individuals to serve in the key leadership positions within
5 the new State entity.
6 (3) Develop a detailed timeline for a reform.
7 (4) Propose statutory changes or other legal authorization to allow the reform to
8 be implemented.
9 (5) Prepare draft State Plan Amendments and waivers necessary to effectuate
10 the reform.
11 (6) Design a robust information technology infrastructure, including a strategy
12 to transfer existing data and resources at the Department of Health and
13 Human Services to the new entity.

14 **SECTION 12H.1.(b)** The Department of Health and Human Services shall cease
15 any activities related to implementing Medicaid reform based on its proposed accountable care
16 organization (ACO) model.

17 **SECTION 12H.1.(c)** Funds appropriated elsewhere in this act to the Department of
18 Health and Human Services, Division of Medical Assistance, for Medicaid reform shall be
19 transferred to the Office of State Budget and Management, which shall then transfer the funds
20 to the appropriate new entity that is contemplated in subsection (a) of this section. Such funds
21 may be used only for Medicaid reorganization and reform and, notwithstanding the State
22 Budget Act, may not be used for any other purpose such as funding any shortfalls in the
23 Medicaid program.

24 25 **REINSTATE MEDICAID ANNUAL REPORT**

26 **SECTION 12H.2.** The Department of Health and Human Services, Division of
27 Medical Assistance, shall reinstate the publication of the Medicaid Annual Report and

37 the State is prohibited from eliminating by the maintenance of effort
38 requirement of the Patient Protection and Affordable Care Act. Effective
39 October 1, 2019, coverage for all medically needy categories is eliminated.

40 **SECTION 12H.3.(b)** It is the intent of the General Assembly to reduce optional
41 coverage for certain aged, blind, and disabled persons effective July 1, 2015, while meeting the
42 State's obligation under the Americans with Disabilities Act and the United States Supreme
43 Court decision in *Olmstead v. L.C. ex rel. Zimring*, 527 U.S. 581 (1999). No later than March 1,
44 2015, the Department of Health and Human Services, Division of Medical Assistance, shall
45 submit to the House Appropriations Subcommittee on Health and Human Services and the
46 Senate Appropriations Committee on Health and Human Services a draft waiver or other
47 proposal that limits Medicaid coverage for the aged, blind, and disabled to the minimum
48 required to meet mandatory requirements of the Medicaid program and the Americans with
49 Disabilities Act. The Department may submit drafts of the waiver to the Centers for Medicare

1 and Medicaid Services (CMS) to solicit feedback but shall not submit the waiver for CMS

9 10 **STUDY ADDITIONAL 1915(c) WAIVER**

11 **SECTION 12H.5.** The Department of Health and Human Services, Division of
12 Medical Assistance, shall design and draft a 1915(c) wavier that meets the following
13 requirements:

- 14 (1) The waiver should create 1,000 new slots each year for 3 years, to serve a
15 total of 3,000 additional adults with developmental disabilities from January
16 1, 2016, to June 30, 2019.
- 17 (2) The budget for each slot should be capped at twenty thousand dollars
18 (\$20,000) per plan year per beneficiary, and slots will target individuals on
19 the registry of unmet needs.
- 20 (3) The slots should be managed as part of the LME/MCO managed care
21 system.

22 The Department shall report the draft waiver, other findings, and any other options
23 or recommendations to best serve the additional adults with developmental disabilities on the
24 registry of unmet needs to the House Appropriations Subcommittee on Health and Human
25 Services and the Senate Appropriations Committee on Health and Human Services by March 1,

34 2010 report on a waiver to serve individuals with traumatic brain injury. The Department shall
35 report the draft waiver, other findings, and any other options to provide Medicaid services to
36 those suffering from TBI to the House Appropriations Subcommittee on Health and Human
37 Services and the Senate Appropriations Committee on Health and Human Services by February
38 1, 2015. The Department may submit drafts of the waiver to the Centers for Medicare and
39 Medicaid Services (CMS) to solicit feedback but shall not submit the waiver for CMS approval

44 **"SECTION 12H.13.(b)** Effective July 1, 2013, any rate methodologies that contain an
45 automatic inflationary or increase factor shall not increase above the rate in effect on June 30,
46 2013, unless the rate is otherwise increased by the General Assembly. Interim hospital
47 outpatient services' percentage of cost used for payment shall be adjusted to compensate for
48 expected inflation that hospitals would be eligible for, and cost settlement will only be up to the
49 percentage in subsection (e) of this section. The following rates are excluded from this
50 subsection: Federally Qualified Health Centers, Rural Health Centers, critical access hospitals,

9 **SECTION 12H.8.(a)** The Department of Health and Human Services, Division of
10 Medical Assistance, shall adopt an average acquisition cost methodology for brand and generic
11 drug ingredient pricing to be effective beginning on January 1, 2015. The drug ingredient
12 pricing methodology shall be consistent with new federal requirements or, if the new federal
13 requirements have not yet been finalized by October 1, 2014, consistent with the draft federal
14 requirements. In adopting a new drug ingredient pricing methodology, the Department shall
15 also adjust the rates for dispensing drugs as follows:

- 16 (1) Raise dispensing fees so that the average acquisition cost ingredient pricing
17 plus the dispensing fees, net of any drug rebates, generates nine hundred
18 seventy-five thousand dollars (\$975,000) in savings in General Fund
19 appropriations.
- 20 (2) Maintain a distinction between the dispensing fees for preferred and brand
21 drugs.

22 **SECTION 12H.8.(b)** The Department of Health and Human Services, Division of
23 Medical Assistance, shall issue a request for proposals (RFP) for a contractor to perform a
24 statewide drug dispensing fee study to begin on July 1, 2015. The Department shall, no later
25 than May 1, 2015, submit a cost estimate of such a study (i) to the chairs of the House

32 **SECTION 12H.9.(b)** Effective January 1, 2015, the Department of Health and
33 Human Services, Division of Medical Assistance, shall impose prior authorization
34 requirements, when such prior authorization requirements are cost-effective, or other
35 restrictions on medications prescribed to Medicaid and Health Choice recipients for the
36 treatment of mental illness that are sufficient to produce twelve million dollars (\$12,000,000),
37 net of rebates, in recurring annual savings to General Fund appropriations to the Medicaid
38 program. Notwithstanding the foregoing, because of the effective date of this section, savings
39 in fiscal year 2014-2015 shall be six million dollars (\$6,000,000).

40 **SECTION 12H.9.(c)** No later than October 1, 2015, the Department of Health and
41 Human Services, Division of Medical Assistance, shall report to the Joint Legislative Oversight
42 Committee on Health and Human Services on the Department's fiscal year 2014-2015 savings

"GENERAL PROVISIONS

"SECTION 12J.1.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

"SECTION 12J.1.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall develop a plan to adjust the block grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2013-2014 and 2014-2015, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care in four- or five-star rated facilities for four-year-old ~~children-children~~ and shall not be used to supplant State funds.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Oversight Committee on Health and Human Services, the Joint Legislative Commission on Governmental Operations, and the Fiscal Research Division.

1 "SECTION 12J.1.(d) Except as otherwise provided, appropriations from federal Block
2 Grant funds are made for each year of the fiscal biennium ending June 30, 2015, according to
3 the schedule enacted for State fiscal years 2013-2014 and 2014-2015 or until a new schedule is
4 enacted by the General Assembly.

5 "SECTION 12J.1.(e) All changes to the budgeted allocations to the Block Grants or
6 contingency funds and other grants related to existing Block Grants administered by the
7 Department of Health and Human Services that are not specifically addressed in this section
8 shall be approved by the Office of State Budget and Management, and the Office of State
9 Budget and Management shall consult with the Joint Legislative Commission on Governmental
10 Operations for review prior to implementing the changes. The report shall include an itemized
11 listing of affected programs, including associated changes in budgeted allocations. All changes
12 to the budgeted allocations to the Block Grants shall be reported immediately to the Joint
13 Legislative Oversight Committee on Health and Human Services and the Fiscal Research
14 Division. This subsection does not apply to Block Grant changes caused by legislative salary
15 increases and benefit adjustments.

16 "SECTION 12J.1.(e1) Except as otherwise provided, the Department of Health and
17 Human Services shall have flexibility to transfer funding between the Temporary Assistance to
18 Needy Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block
19 Grant so long as the total allocation for the line items within those block grants remains the
20 same.

45 **SECTION 16C.1.(f)** G.S. 148-32.1 reads as rewritten:

46 **"§ 148-32.1. Local confinement, costs, alternate facilities, parole, work release.**

47 (a) Repealed by Session Laws 2009-451, s. 19.22A, effective July 1, 2009.

48 (b) In the event that the custodian of the local confinement facility certifies in writing to
49 the clerk of the superior court in the county in which the local confinement facility is located
50 that the local confinement facility is filled to capacity, or that the facility cannot reasonably

1 accommodate any more prisoners due to segregation requirements for particular prisoners, or
2 that the custodian anticipates, in light of local experiences, an influx of temporary prisoners at
3 that time, or if the local confinement facility does not meet the minimum standards published
4 pursuant to G.S. 153A-221, any judge of the district court in the district court district as defined
5 in G.S. 7A-133 where the facility is located, or any superior court judge who has jurisdiction
6 pursuant to G.S. 7A-47.1 or G.S. 7A-48 in a district or set of districts as defined in
7 G.S. 7A-41.1 where the facility is located may order that a prisoner not housed pursuant to the
8 Statewide Misdemeanant Confinement Program established in subsection (b2) of this section
9 be transferred to any other qualified local confinement facility within that district or within
10 another such district where space is available, including a satellite jail unit operated pursuant to
11 G.S. 153A-230.3 if the prisoner is a non-violent misdemeanor, which local facility shall accept
12 the transferred prisoner.

13 If no other local confinement facility is available and the reason for the requested transfer is
14 that the local confinement facility that would be required to house the prisoner cannot
15 reasonably accommodate any more prisoners due to segregation requirements for particular
16 prisoners or the local facility does not meet the minimum standards published pursuant to
17 G.S. 153A-221, then the judge may order that a prisoner not housed pursuant to the Statewide
18 Misdemeanant Confinement Program established in subsection (b2) of this section be
19 transferred to a facility operated by the Division of Adult Correction of the Department of
20 Public Safety as designated by the Division of Adult Correction. In no event, however, shall a

24 Correction to enter into voluntary agreements with counties to provide housing for
25 misdemeanants serving periods of confinement of more than 90 days and up to 180 days,
26 except for those serving a sentence for an impaired driving offense. It is further the intent of the
27 General Assembly that the Division of Adult Correction, in conjunction with the North
28 Carolina Sheriffs' Association, Inc., establish a program for housing misdemeanants serving
29 periods of confinement of more than 90 days ~~and up to 180 days, except for those serving~~
30 ~~sentences for an impaired driving offense.~~ and for all sentences imposed for impaired driving
31 under G.S. 20-138.1, regardless of length. It is also the intent of the General Assembly that the
32 Division of Adult Correction contract with the North Carolina Sheriffs' Association, Inc., to
33 provide a service that identifies space in local confinement facilities that is available for
34 housing these misdemeanants.

35 The General Assembly intends that the cost of housing and caring for these misdemeanants,
36 including, but not limited to, care, supervision, transportation, medical, and any other related
37 costs, be covered by State funds and not be imposed as a local cost. Therefore, the General
38 Assembly intends that the funds in the Statewide Misdemeanant Confinement Fund established
39 in G.S. 148-10.4 be used to provide funding to cover the costs of managing a system for
40 providing that housing of misdemeanants in local confinement facilities as well as reimbursing
41 the counties for housing and related expenses for those misdemeanants.

42 (b2) The Statewide Misdemeanant Confinement Program is established. The Program
43 shall provide for the housing of misdemeanants from all counties serving sentences imposed for
44 a period of more than 90 days ~~and up to 180 days, except for those serving sentences for an~~
45 ~~impaired driving offense under G.S. 20-138.1~~ and for all sentences imposed for impaired
46 driving under G.S. 20-138.1, regardless of length. Those misdemeanants shall be confined in
47 local confinement facilities except as provided in subsections (b3) and (b4) of this section. The
48 Program shall address methods for the placement and transportation of inmates and
49 reimbursement to counties for the housing of those inmates. Any county that voluntarily agrees

1 to house misdemeanants from that county or from other counties pursuant to the Program may
2 enter into a written agreement with the Division of Adult Correction to do so.

3 This Program shall only operate as long as sufficient State funds are available through the
4 Statewide Misdemeanant Confinement Fund established in G.S. 148-10.4(c).
