D

HOUSE BILL 894
PROPOSED SENATE COMMITTEE SUBSTITUTE H894-PCS30777-MH-24

Short Title: Source Water Protection Planning.

(Public)

Sponsors:

Referred to:

April 15, 2013

1 A BILL TO BE ENTITLED
2 AN ACT TO IMPROVE SOURCE WATER PROTECTION PLANNING.
3 The General Assembly of North Carolina enacts:

4 SECTION 1. G.S. 130A-320 reads as rewritten:

5 "**§ 130A-320. Sanitation of watersheds; rules; ~~inspections~~inspections; local source**
6 **protection planning.**

7 (a) The Commission shall adopt rules governing the sanitation of watersheds from
8 which public drinking water supplies are obtained. In adopting these rules the Commission is
9 authorized to consider the different classes of watersheds, taking into account general
10 topography, nature of watershed development, density of population and need for frequency of
11 sampling of raw water. The rules shall govern the keeping of livestock, operation of
12 recreational areas, maintenance of residences and places of business, disposal of sewage,
13 establishment of cemeteries or burying grounds, and any other factors which would endanger
14 the public water supply.

15 (b) Any ~~person~~supplier of water operating a public water system and furnishing water
16 from unfiltered surface supplies shall inspect the watershed area at least quarterly, and more
17 often when the Department determines that more frequent inspections are necessary.

18 (c) Every supplier of water shall create and implement a source water protection plan
19 (SWPP). The Commission shall adopt rules that provide all of the following:

20 (1) A standardized format for use by suppliers of water in creating their SWPP.
21 The Commission may create different formats and required plan elements
22 for public water systems based on the system type, source type, watershed
23 classification, population served, source susceptibility to contamination,
24 proximity of potential contamination sources to the intake, lack of water
25 supply alternatives, or other characteristics the Commission finds to be
26 relevant.

27 (2) Schedules for creating a SWPP, implementing mandatory provisions of the
28 SWPP, and for review and update of the SWPP by suppliers of water.

29 (3) Reporting requirements sufficient for the Department to monitor the
30 creation, implementation, and revision by suppliers of water. The
31 Commission may provide different reporting requirements based on the
32 public water system characteristics set forth in subdivision (1) of this
33 subsection."

34 SECTION 2. The Commission shall provide an interim report to the
35 Environmental Review Commission no later than April 1, 2015, regarding its progress in

- 1 implementing the requirements of this act and a final report within six months of adopting final
2 rules implementing the requirements of this act.
3 **SECTION 3.** This act is effective when it becomes law.
