14

"SECTION 6. While the study required pursuant to Section 3 of this act is underway and until the General Assembly has adjourned the session following the submission of the Environmental Management Commission's report to the Environmental Review Commission, the Environmental Management Commission shall only consider or approve basinwide hydrologic models pursuant to G.S. 143-355(o)(6) that do not include ecological flow based on the report entitled "Recommendations for Estimating Flows to Maintain Ecological Integrity in Streams and Rivers in North Carolina" dated November 2013 as a component of the model and the Commission and the Department shall not make ecological flow determinations based on the report entitled "Recommendations for Estimating Flows to Maintain Ecological Integrity in Streams and Rivers in North Carolina" dated November 2013."
