3 "Subpart B. Job Catalyst Fund.

4 **"§ 143B-437.67. Job Catalyst Fund.**

5 (a) Creation and Purpose of Fund. – There is created in the Department of Commerce a
6 special, nonreverting account to be known as the Job Catalyst Fund to provide funds to a local
7 governmental unit for projects that result in the creation of jobs. The Secretary of Commerce is
8 solely responsible for the administration of the program and shall adopt guidelines applicable to
9 program administration. The guidelines shall include the following provisions, which shall
10 apply to each grant from the account:

11 (1) The funds are reserved for a project for which a business agrees to create and
12 maintain, for the greater of 10 years or a time period not less than the sum of
13 the full term of the grant plus five years, the number of new worker positions
14 at the project as follows:

15 a. For development tier one areas, 500 full-time workers.

16 b. For development tier two areas, 800 full-time workers.

17 c. For development tier three areas, 1,200 full-time workers.

18 (2) The funds are reserved for a project for which a business agrees to make an
19 investment at the project as provided in this subdivision. The investment
20 required by this subdivision must be private funds in improvements to real
21 property and additions to tangible personal property located at the project for
22 the greater of 10 years or a time period not less than the sum of the full term
23 of the grant plus five years. The investment must be commenced no later
24 than the time when the first disbursement is made to the business and must
25 be completed no later than five years from the time the first disbursement is
26 made to the business. Tangible personal property transferred by the business
27 or from a related member of the business from one area in the State to the
28 project is not considered an investment in tangible personal property located
29 at the project for purposes of this section. The Department shall certify the
30 amount of the investment made by the business at the project. The minimum
31 investment at the project the business agrees to make is as follows:

32 a. For development tier one areas, twenty million dollars (\$20,000,000).

33 b. For development tier two areas, thirty-five million dollars
34 (\$35,000,000).

35 c. For development tier three areas, fifty million dollars (\$50,000,000).

36 (3) The funds are (i) used to acquire or improve land or infrastructure, for
37 facility development, or for capital investment and (ii) used for
38 manufacturing projects. For purposes of this subdivision, "manufacturing" is
39 defined in G.S. 143B-437.01.

40 (4) The funds are provided to a local governmental unit, and the local
41 governmental unit matches a portion of the funds allocated by the
42 Department as provided in this subdivision. A local match may include cash,
43 fee waivers, in-kind services, the donation of assets, the provision of
44 infrastructure, or a combination. The local match requirement is as follows:

45 a. For development tier one areas, a local match of at least three dollars
46 (\$3.00) for every one hundred dollars (\$100.00) from the State is
47 required.

48 b. For development tier two areas, a local match of at least six dollars
49 (\$6.00) for every one hundred dollars (\$100.00) from the State is
50 required.

- 1 c. For development tier three areas, a local match of at least nine dollars
2 (\$9.00) for every one hundred dollars (\$100.00) from the State is
3 required.
- 4 (5) The funds are reserved for a project for which a business agrees to meet, for
5 the greater of 10 years or a time period not less than the sum of the full term
6 of the grant plus five years, the wage standard provided in this subdivision
7 for all full-time workers at the project. In making the wage calculation, all
8 full-time position jobs filled during the year for at least 1,600 hours are
9 included. The required wage standard is as follows:
- 10 a. For development tier one and two areas, an average weekly wage that
11 is at least equal to the lesser of one hundred percent (100%) of the
12 average wage for all insured private employers in the county.
- 13 b. For development tier three areas, an average weekly wage that is at
14 least equal to the lesser of one hundred ten percent (110%) of the
15 average wage for all insured private employers in the county.
- 16 (6) The funds are reserved for projects for which a business agrees to meet, for
17 the greater of 10 years or a time period not less than the sum of the full term
18 of the grant plus five years, a requirement to provide health insurance for all
19 full-time workers at the project. For purposes of this subdivision, a business
20 provides health insurance if it pays at least fifty percent (50%) of the
21 premiums for health care coverage that equals or exceeds the minimum
22 provisions of the basic health care plan of coverage recommended by the
23 Small Employer Carrier Committee pursuant to G.S. 58-50-125. A business
24 shall provide a certification that it continues to provide health insurance as
25 required by this subdivision.
- 26 (7) The funds are not used for a project at which is located, during the greater of
27 10 years or a time period not less than the sum of the full term of the grant
28 plus five years, a business that has received a notice of an overdue tax debt
29 and that overdue tax debt has not been satisfied or otherwise resolved.
- 30 (8) The funds are not used in favor of jobs created or property investments made
31 for which a business receives a tax credit under Article 3J of Chapter 105 of
32 the General Statutes.
- 33 (9) The funds are reserved for projects for a business that has no citations under
34 the Occupational Safety and Health Act that have become a final order
35 within the past three years for willful serious violations or for failing to abate
36 serious violations. In addition, the business must, for the greater of 10 years
37 or a time period not less than the sum of the full term of the grant plus five
38 years, have no citations under the Occupational Safety and Health Act that
39 have become a final order within the past three years for willful serious
40 violations or for failing to abate serious violations with respect to the project.
41 For purposes of this subsection, "serious violation" has the same meaning as
42 in G.S. 95-127.
- 43 (10) The funds are not used for a project that consists of a professional or
44 semiprofessional sports team or club or a project that consists solely of retail
45 facilities. If a project consists of both retail facilities and nonretail facilities,
46 only the portion of the project consisting of nonretail facilities is eligible for
47 a grant, and only full-time workers employed exclusively in the portion of
48 the project that represents nonretail facilities may be counted for purposes of
49 fulfilling the new worker position requirement. If a warehouse facility is part
50 of a retail facility and supplies only that retail facility, the warehouse facility
51 investment and full-time workers are not counted for purposes of the

1 requirements of this section. For the purposes of this Subpart, catalog
2 distribution centers are not retail facilities.

3 (b) Forfeiture. – If the business at the project fails to timely create and maintain the
4 required new jobs, to timely make the required level of investment, or to otherwise meet the
5 requirements of this section, the local governmental unit shall provide a means to recapture
6 from the business at the project an amount equal to the amount disbursed from the Fund for the
7 project, and the local governmental unit must reimburse the Fund for that disbursement.

8 (c) Records. – A business located at a project for which a grant was made from the
9 Fund shall maintain records and make available for inspection by the Secretary of Commerce
10 any records the Secretary considers necessary to determine and verify the business has met the
11 requirements of this section.

12 (d) Report. – The Department shall publish a report on the Job Catalyst Fund on or
13 before April 30 of each year. The Department shall submit the report electronically to the
14 House of Representatives Finance Committee, the Senate Finance Committee, the House of
15 Representatives Appropriations Subcommittee on Natural and Economic Resources, the Senate
16 Appropriations Committee on Natural and Economic Resources, and the Fiscal Research
17 Division. The report shall include the following:

19 including the name of the business locating at the project, a description of
20 the project, the term of the grant, and the liability under the grant.

22 preceding calendar year.

26 respect to which grants have been awarded and any changes in those levels
27 from the level of the next preceding year.
- 28 (5) The wage levels of all new worker positions to be created at projects with
29 respect to which grants have been awarded, aggregated, and listed in
30 increments of ten thousand dollars (\$10,000) or other appropriate

33 of awards made for projects for existing, expanding businesses in the
34 preceding calendar year.

36 grants have been awarded.

40 Department to implement this Subpart, a copy of such guidelines, and, for
41 subsequent reports, identification of any changes in those guidelines from
42 the previous calendar year."

43 **SECTION 3.(f)** The Secretary of Commerce shall develop guidelines related to the
44 administration of the Jobs Catalyst Fund, as authorized by this section, and to the selection of
45 projects. At least 20 days before the effective date of any guidelines or nontechnical
46 amendments to guidelines, the proposed guidelines must be published on the Department's Web
47 site and provide notice to persons who have requested notice of proposed guidelines. In
48 addition, the Department of Commerce shall accept oral and written comments on the proposed
49 guidelines during the 15 business days beginning on the first day the notice requirement of this
50 subsection have been completed. For purposes of this subsection, a technical amendment is one
51 that corrects a spelling or grammatical error or that makes a clarification based on public

1 comment and could have been anticipated by the public notice that immediately preceded the
2 public comment.
