"(c) A charter school shall operate under the written charter signed by the State Board and the applicant. A charter school is not required to enter into any other contract. The charter shall incorporate the information provided in the application, as modified during the charter approval process, and any terms and conditions imposed on the charter school by the State Board of Education. The State Board of Education shall not impose any terms and conditions that restrict membership of the board of directors of a nonprofit corporation operating a charter school, other than a virtual charter school, but shall require all boards of directors to adopt a conflict of interest policy.
