HOUSE DRH10117-TH-7 (02/05)

Short Title: Fair and Legal Redistricting Process.

(Public)

Sponsors: Representative Jones.

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO CODIFY REDISTRICTING PRINCIPLES ESTABLISHED BY THE NORTH  
3 CAROLINA SUPREME COURT IN STEPHENSON V. BARTLETT.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. Chapter 163 of the General Statutes is amended by adding a new  
6 Article to read:

7 "Article 12B.

8 "Redistricting.

9 "**§ 163-133. Definitions.**

10 As used in this Article, the following definitions apply:

- 11 (1) Ideal population. – The number determined by dividing the number of  
12 members in a plan into the population of the State as reported in the federal  
13 census.  
14 (2) Majority-minority district. – A district in which minorities make up more  
15 than fifty percent (50%) of the voting age population in the relevant  
16 geographic area.  
17 (3) Sufficient population. – A population that is within five percent (5%) of the  
18 ideal population for that district.  
19 (4) Voting Rights Act district. – A majority-minority district that must be  
20 created to comply with section 2 of the Voting Rights Act of 1965.  
21 (5) Whole County Provision. – The requirement in Article II, Section 3(3) and  
22 Article II, Section 5(3) of the North Carolina Constitution that no county be  
23 divided in the formation of legislative districts.

24 "**§ 163-134. Redistricting principles for legislative districts.**

25 (a) Purpose. – The purpose of this section is to codify the principles established by the  
26 North Carolina Supreme Court in interpreting the requirements of the North Carolina  
27 Constitution for the drawing of State legislative districts.

28 (b) Requirements for All Districts. – The following requirements shall apply to all  
29 legislative districts:

- 30 (1) All legislative districts shall be single-member districts.  
31 (2) To meet the requirements of equal representation as required by the equal  
32 protection provisions of the United States Constitution, no district may be  
33 drawn to encompass a population that is more than five percent (5%) greater  
34 than the ideal population or more than five percent (5%) less than the ideal  
35 population.

(3) The General Assembly shall achieve compactness of districts and preservation of communities of interest to the maximum extent possible.

(c) Compliance With the Whole County Provision. – The following principles shall apply with respect to the Whole County Provision:

(1) Majority-minority districts required for compliance with section 2 of the federal Voting Rights Act of 1965 shall be drawn prior to any other districts. In the drawing of Voting Rights Act districts, the General Assembly shall comply, to the maximum extent practicable, with the Whole County Provision.

(2) After the drawing of districts required under subdivision (1) of this subsection, to ensure compliance with the Whole County Provision, districts shall be drawn as follows:

a. In every instance in which a single county has sufficient population to form one district, a district shall be formed consisting entirely of that single county.

b. In every instance in which a single county can form two or more districts of sufficient population, those districts shall be formed within that single county.

c. In every instance when contiguous whole counties can be grouped to form districts of sufficient population, the minimum number of counties to achieve sufficient population shall be grouped.

d. County boundaries within a grouping may be crossed to create a district, but only to the extent necessary to achieve sufficient population.

**§ 163-134.1. Redistricting principles for United States House of Representatives districts.**

(a) All United States House of Representatives districts shall be single-member districts.

(b) All United States House of Representatives districts shall be drawn as nearly equal as practicable to the ideal population.

**§ 163-134.2. Redistricting principles for local electoral districts.**

No county commissioner, city council, or local board of education district may be drawn to encompass a population that is more than five percent (5%) greater than the ideal population or more than five percent (5%) less than the ideal population."

**SECTION 2.** This act is effective when it becomes law.
