Referred to: A BILL TO BE ENTITLED AN ACT TO REQUIRE STATE AGENCIES AND CERTAIN NON-STATE ENTITIES TO DEVELOP, IMPLEMENT, AND MAINTAIN INFORMATION SYSTEMS THAT PROVIDE UNIFORM, PROGRAM-LEVEL ACCOUNTABILITY INFORMATION REGARDING THE PROGRAMS OPERATED BY THOSE AGENCIES. The General Assembly of North Carolina enacts: PART I. TAXPAYER INVESTMENT ACCOUNTABILITY INFORMATION FRAMEWORK. SECTION 1. Chapter 143 of the General Statutes is amended by adding a new Article to read: "Article 2E. "Accountability for Taxpayer Investment Act. "§ 143-47.30. Definitions. The following definitions apply in this Article: (1) Benchmarks. — A broad societal indicator used for gauging ultimate outcomes of programs, such as U.S. Census data. Multiple programs among several agencies may be benchmarked to the same indicator. (2) Board. — The Taxpayer Investment Accountability Board established by this Article. (3) Efficiency. — The verifiable total direct and indirect cost per output and per outcome. (4) Evidence-based. — Having had multiple-site random controlled trials across heterogeneous populations that demonstrate that a program or practice is effective for the populations. (5) Non-State entity. — Any of the following that is not a State agency and that must be discretely presented as a component unit in the State Comprehensive Annual Financial Report by the Governmental Accounting Standards Board: an individual, a firm, a partnership, an association, a corporation, or any other organization or group acting as a unit. The term does not include a local government unit or any other non-State entity that is subject to the audit and other requirements of the Local Government Commission. (6) Outcome. — The verifiable quantitative effects or results attributable to a program compared to a performance standard.	Short Title:	NC Accountability. (Public

- The Board members shall receive no salary or other monetary compensation for (e) serving on the Board.

"§ 143-47.33. Taxpayer Investment Accountability Board – information framework.

The Board shall design and establish a framework for providing the citizens of North Carolina uniform, program-level accountability information in State government. As part of the framework, the Board shall adopt comprehensive standards, policies, and procedures, including recurring oversight procedures, to implement the framework's use.

1 The framework shall provide a way for each State agency and each non-State (b) 2 agency to provide the following information in a uniform manner on a Web site: 3 The mission, responsibilities, and activities of the State agency or non-State (1) 4 entity. 5 (2) An inventory of programs administered by the State agency or non-State 6 entity, consisting of a title and a summary description of each program. 7 For each program, a clear description of the problem the program is seeking <u>(3)</u> 8 to remedy or the public service the program is seeking to provide. 9 For each program, a description of the sources of program resources, total <u>(4)</u> 10 resources invested, activities and processes, outputs, and outcomes. This 11 information may include an identification of impediments to the program's success and a description of the ways the State agency or non-State entity 12 13 plans to address them. 14 Revenues by source and expenditures by purchasing category aligned with <u>(5)</u> 15 each program individually. 16 For each program, a statement identifying the program as evidence-based, <u>(6)</u> 17 research-based, based on promising practices, or, if none of these apply, a 18 statement describing the basis for the program and the reasons why the 19 program is expected or perceived to be successful. 20 <u>(7)</u> Performance measures for each program sufficient for a citizen to determine 21 the outcome, output, and efficiency of the program, including a description 22 of any benchmarks used in evaluating the program. 23 Organization charts and manager-to-employee ratios in the format specified <u>(8)</u> 24 by the Office of State Human Resources under G.S. 143-47.38. In addition 25 to a comprehensive chart, the Board shall require each State agency and 26 non-State entity to have separate charts for each organizational division and 27 in turn for each subordinate division or work unit in sufficient detail that a 28 citizen may determine the organizational location of every employee 29 30 (9) A listing of employees. The Board may require the listing to contain the 31 following fields for each employee: last name; first name; job title; and, as 32 appropriate, organizational division and program. The Board may also 33 require the directory to have a search feature to enable searching or listing 34 by field. 35 (10)At least one telephone number that complies with the requirements of 36 G.S. 143-162.1 that members of the public may use to contact the State agency or non-State entity for service or information. 37 38 A list of the reports required by law to be prepared and submitted by the <u>(11)</u> 39 State agency or non-State entity, organized by recipient and by due date. 40 Any additional information deemed necessary or appropriate by the Board. 41 The standards, policies, and procedures adopted by the Board shall include all of the (c) 42 following: 43 <u>(1)</u> Policies and standards to determine when a non-State entity may limit the 44 information required under this Article to those programs and activities for 45 which the non-State entity received State funds. 46 (2) A policy allowing State agencies and non-State entities to withhold or redact 47 information about individual employees, including telephone listings, when 48 the disclosure of the information would foreseeably result in harm to the 49 employee, when required by law or a court order, or for other good cause 50 described in the policy.

- (d) The Board shall design the framework to ensure that the information required in subsection (b) of this section is accessible through the main State government Web site. The framework shall require each State agency and non-State entity to include in its information system a Web-based dashboard that uses a uniform format and reports all required performance information in a graphical format. The format shall be sufficient to inform a citizen how the State is investing money consistent with purposes described in subsection (b) of this section.
- (e) The Board shall provide an explanation in clear, simple language of key terms to be used by State agencies.

'§ 143-47.34. Taxpayer Accountability Board – opportunity for State agency and non-State entity comments on proposed framework.

After the Board completes its initial framework design and draft of implementing standards, policies, and procedures, the Board shall cause the framework design and draft standards, policies, and procedures to be posted on the Web site of the Office of State Budget and Management. The Board shall then notify each State agency and each non-State agency subject to this Article of the posting. The notification may be sent to (i) the principal executive officer of a State agency or the principal executive officer of a non-State entity, (ii) the State agency's rule-making coordinator, or (iii) another individual designated by the State agency or non-State entity. The Board shall allow a period of at least 30 days after the notice required in this subsection is sent for a State agency or non-State entity to comment, and the Board shall review and consider all comments received before finalizing the framework and the standards, policies, and procedures. The Board in its discretion may allow other opportunities for comment.

"§ 143-47.35. Taxpayer Accountability Board – report.

The Board shall publish an annual report by January 1 of each year setting out the standards, policies, and procedures to be used by agencies in providing and maintaining the information required by this Article within the framework established by the Board. The Board shall provide a copy of the report to each State agency and each non-State entity subject to this Article and to the Program Evaluation and Fiscal Research Divisions of the General Assembly.

'§ 143-47.36. Required State agency and non-State entity information.

<u>a system that provides the information required under G.S. 143-47.33 within the framework established by the Board. Each non-State entity, as a condition of receiving State funds, shall establish, implement, and maintain within that non-State entity a system that provides the information required pursuant to G.S. 143-47.33 within the framework established by the Board. The system shall comply with the framework design and the standards, policies, and procedures established by the Board.</u>

The information shall be updated on a timely basis. Each information system shall be readily and easily accessible to the citizens of North Carolina.

- (b) The principal executive officer of each State agency and the principal executive officer of each non-State entity are responsible for ensuring that the State agency or non-State entity, as appropriate, complies with the requirements of this Article.
- (c) Except as permitted under a policy adopted by the Board under G.S. 143-47.33(c)(2), each State agency and non-State entity subject to this Article shall also list its employees in the directory available through the main State government Web site.

"§ 143-47.37. Verification of compliance by State Auditor; statement of compliance.

- (a) Internal auditors in State agencies required to have auditors pursuant to Article 79 of Chapter 143 of the General Statutes shall conduct annual audits for compliance with the requirements of this Article. The internal auditor shall submit an audit report annually to the State Auditor and the Director of the Office of State Budget and Management no later than April 1.
- (b) Every other State agency, and each non-State entity that must comply with this Article, shall submit annually to the State Auditor and the Director of the Office of State

 Budget and Management no later than July 1 of each year a statement that the State agency or non-State entity has reviewed the information provided by it as required by G.S. 143-47.36 and that it is in compliance with the Article requirements. The statement shall be signed by the principal executive officer of each State agency or the principal executive officer of each non-State entity, as applicable.

(c) The State Auditor may verify compliance with this Article by each State agency and each non-State entity on an annual basis. Upon the determination of the State Auditor that a State agency or non-State entity has failed to substantially comply with the provisions of this Article, the State Auditor shall report the noncompliance to the Board, the Governor, the Joint Legislative Commission on Governmental Operations, and the Fiscal Research Division of the General Assembly.

"§ 143-47.38. Availability of technical assistance from the Office of State Human Resources, the Office of State Budget and Management, and the Office of Information Technology.

- (a) The Office of State Human Resources shall adopt rules setting the standards and format for the organization charts and manager-to-employee ratios required by G.S. 143-47.33. The Office of State Human Resources also shall provide templates and technical assistance to State agencies and non-State entities as needed to assure the uniformity required by this Article.
- (b) The Office of State Budget and Management, the Office of the State Controller, and the Office of Information Technology shall also provide technical assistance and software to State agencies and non-State entities as needed to assure the uniformity required by this Article. "\$ 143-47.39. Remedy for noncompliance.
- (a) Any taxpayer may bring a civil action in the superior court requesting the entry of a judgment that a State agency or a non-State entity, as appropriate, has failed to comply with this Article. Specific performance compelling the State agency or non-State entity to comply with this Article shall be the available remedy. The taxpayer need not allege or prove special damage different from that suffered by the public at large.
- (b) Upon the presentation by the taxpayer plaintiff of a prima facie case that a State agency or non-State entity has failed to comply with this Article, the burden shall be on the State agency or non-State entity, as appropriate, to show that it is in compliance with this Article.
- (c) No State agency or non-State entity shall be held in noncompliance with this Article if it establishes that it has made a good-faith effort to comply with the provisions of this Article.
- (d) In any action brought pursuant to this section in which a party successfully compels compliance, the court shall allow the plaintiff to recover the plaintiff's reasonable attorneys' fees. Any attorneys' fees assessed against a State agency or non-State entity under this section shall be charged against the operating expenses of the State agency or non-State entity, as appropriate.
- (e) If the court determines that an action brought pursuant to this section was filed in bad faith or was frivolous, the court shall assess reasonable attorneys' fees against the person instituting the action and award it to the State agency or non-State entity, as appropriate, as part of the costs."

SECTION 2. G.S. 150B-1(c) is amended by adding a new subdivision to read:

'(9) The Taxpayer Investment Accountability Board established in G.S. 143-47.32."

SECTION 3. Each State agency or a non-State entity subject to this act shall, if necessary, revise its information system to comply with this act. Each State agency, whether implementing a new information system or revising an existing system to bring it into compliance with the provisions of this act, shall use the State agency's existing resources allocated for computers and computer maintenance to comply with this act.

SECTION 4.(a) The Taxpayer Information Accountability Board established under G.S. 143-47.32, as enacted by Section 1 of this act, shall finalize the framework and associated standards, policies, and procedures required under G.S. 143-47.33, as enacted by Section 1 of this act, no later than March 1, 2016.

PART II. NORTH CAROLINA ACCOUNTABILITY REPORT.

SECTION 5. G.S. 120-36.12 is amended by adding a new subdivision to read as follows:

"§ 120-36.12. Duties of Program Evaluation Division.

The Program Evaluation Division of the Legislative Services Commission has the following powers and duties:

(11)To create and maintain the North Carolina Accountability Report, as required by G.S. 120-36.19."

SECTION 6. Article 7C of Chapter 120 of the General Statutes is amended by adding a new section to read as follows:

"§ 120-36.19. North Carolina Accountability Report.

- The Program Evaluation Division shall create and maintain the North Carolina Accountability Report. The report shall be published in a publically available Web-based format. The report shall list the inventory of programs in each State department and State agency and a profile of each program. The profile shall (i) describe why it exists, how it is funded, and what current issues exist and (ii) include references to pertinent information, including technical studies, audit reports, Program Evaluation Division reports, and similar research. The report shall be easily searchable and shall be indexed by categories defined by the Program Evaluation Division.
- Each program profile shall contain an accountability rating based on the degree of (b) compliance with the standards established by the Taxpayer Investment Accountability Board and a categorization of the program as one of the following:
 - (1) Evidence-based.
 - Research-based. (2)
 - (3) Based on promising practices.
 - Presenting no evidence of effectiveness.
 - The definitions in G.S. 143-47.30 apply to this section." (c)

SECTION 7. The Program Evaluation Division shall complete the initial North Carolina Accountability Report required under G.S. 120-36.19, as enacted by Section 6 of this act, no later than July 1, 2018. The Division shall establish a schedule for ongoing review and update of the Report.

SECTION 8. The Governor shall include in the Governor's Recommended Budget for the 2019-2020 biennium the accountability rating established by the Program Evaluation Division for each program and a list of programs by department or agency in the following order: evidence-based, research-based, based on promising practices, and other programs.

PART III. EFFECTIVE DATE.

SECTION 9. Except as otherwise provided, this act is effective when it becomes law.
