4 ENHANCEMENTS.

5 The General Assembly of North Carolina enacts:

6 SECTION 1. Article 36 of Chapter 58 of the General Statutes is amended by
7 adding a new section to read:

8 "**§ 58-36-43. Optional program enhancements authorized not altering coverage under**
9 **Rate Bureau jurisdiction.**

10 (a) Member companies writing private passenger automobile or homeowners' insurance
11 under this Article may incorporate optional enhancements to their automobile and homeowners'
12 programs as an endorsement to an automobile or homeowners' policy issued under this Article
13 if the insurer has filed the proposed enhancement with the Commissioner and if the proposed
14 enhancement is approved by the Commissioner. Any approved optional enhancements shall be
15 considered outside the authority of the Rate Bureau. If the proposed enhancement will include
16 an additional premium charge, the proposed premium charge shall be included with the
17 proposed program enhancements filed with the Commissioner. The Commissioner shall review

19 on sound actuarial principles. Amendments to private passenger automobile or homeowners'
20 program enhancements are subject to the same requirements as initial filings. Neither the
21 acceptance, renewal of a policy, nor any underwriting rating criteria shall be conditioned by a
22 company upon the acceptance by the policyholder of any optional automobile or homeowners'
23 enhancements. A rate amendment authorized by this section is not a rate deviation and is not
24 subject to the requirements for rate deviations set forth in G.S. 58-36-30(a).

25 (b) Insurers shall utilize statistical codes outlined by their statistical organization in
26 reporting premiums and losses resulting from program enhancements filed under this section.
27 Those statistical codes shall be substantially different than the codes utilized for data collected
28 for rate-making purposes in order to avoid commingling of the data."

29 SECTION 2. This act becomes effective July 1, 2015, and applies to optional
30 enhancements filed and approved on or after that date.
