The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 2 of Chapter 130A of the General Statutes is amended by adding a new section to read as follows:

"§ 130A-86. Dissolution of certain sanitary districts subject to referendum.

A county board of commissioners in counties having a population in excess of 100,000 may dissolve a Sanitary District (hereinafter "District") upon the following conditions:

- (1) Both the county and at least one city within the county currently provides water and sewer services to its residents.
- (2) The board of commissioners adopts a resolution finding that the interest of the citizens of the District and the county will be best served if the operation and services provided by the District were provided for by either the board of commissioners or the governing body of a city within the county, or both pursuant to a binding agreement.
- (3) Prior to the dissolution, the board of commissioners adopts a plan providing for continued operation and provision of all services previously being performed or rendered to the District. The plan may provide that some or all of the continued services be provided by the county or the city or both, and the county and city may enter into a binding agreement that details the manner in which each shall provide the services and the manner in which the liabilities and assets of the District are to be shared. No plan shall be adopted unless at the time of its adoption any water and sewer or sanitary system being operated by the District is in compliance with all local, State, and federal rules and regulations.
- (4) The dissolution of the District is approved by the voters of the county in a referendum. The referendum shall be conducted by the county board of elections, and the question on the ballot shall be for or against the dissolution of the District, the assumption of outstanding indebtedness by the county or city, and the transfer of District assets to the county or city. If the county and city have entered into a binding agreement under subdivision (3) of this section, the ballot question shall show to what degree each shall assume indebtedness and take possession of assets.
- (5) If a majority of all votes cast in the referendum are in favor of dissolution, the dissolution shall become effective at 12 noon on the following July 1. At
