No such merger or other acquisition of control is effective until a statement containing the information required by this section has been filed with the Commissioner and all other provisions of this section have been complied with and the merger or acquisition of control has been approved by the Commissioner under this section. The statement containing the information required by this section shall also be filed with the domestic insurer when it is filed with the Commissioner.

11 ~~disallow such a disclaimer only after furnishing all parties in interest with~~
12 ~~notice and opportunity to be heard and after making specific findings of fact~~
13 ~~to support such disallowance. A disclaimer of affiliation shall be deemed to~~
14 ~~have been granted unless the Commissioner, within 30 days following the~~
15 ~~receipt of a complete disclaimer of affiliation, notifies the filing party that~~

17 (6) Agreements for cost-sharing services and management services shall include
18 such provisions as required by this Article or rule and regulation issued by
19 the Commissioner.

20 (b) The following transactions involving a domestic insurer and any person in its
21 holding company ~~system~~ system, including amendments or modifications of affiliated
22 agreements that were previously filed pursuant to this section and that are subject to any

24 entered into unless the insurer has notified the Commissioner in writing of its intention to enter
25 into the transaction at least 30 days before the transaction, or such shorter period as the
26 Commissioner permits, and the Commissioner has not disapproved it within that period.
27 The notice for amendments or modifications shall include the reason for the change and the
28 financial impact on the domestic insurer. Informal notice shall be given to the Commissioner,
29 within 30 days after termination of a previously filed agreement, so that the Commissioner may
30 determine the type of filing required, if any. An insurer required to give notice of a proposed
31 transaction pursuant to this subsection shall furnish the required information on a Form D, as
32 prescribed by the Commissioner.

- 33 (1) Sales, purchases, exchanges, loans or extensions of credit, or investments,
34 provided the transactions equal or exceed: (i) with respect to nonlife

37 respect to life insurers, three percent (3%) of the insurer's admitted assets;
38 each as of the preceding December 31.
39 (2) Loans or extensions of credit to any person who is not affiliated, where the

42 part, are to be used to make loans or extensions of credit to, to purchase
43 assets of, or to make investments in, any affiliate of the insurer making the
44 loans or extensions of credit provided the transactions equal or exceed: (i)

4 three years equals or exceeds five percent (5%) of the insurer's
5 surplus as regards policyholders, as of the preceding ~~December 31,~~
6 including those agreementsDecember 31.
- 7 c. Agreements that may require as consideration the transfer of assets
8 from an insurer to a nonaffiliate, if an agreement or understanding
9 exists between the insurer and nonaffiliate that any portion of the
10 assets will be transferred to one or more affiliates of the insurer.
- 11 (4) All management agreements, service contracts, ~~guarantees,~~tax allocation
12 agreements, or cost-sharing arrangements. Management agreements, service

16 services.
- 17 b. Set forth the methods to allocate costs.
- 18 c. Require timely settlement, not less frequently than on a quarterly

22 pay for services defined in the agreement.
- 23 e. State that the insurer will maintain oversight for functions provided
24 to the insurer by the affiliate and that the insurer will monitor
25 services annually for quality assurance.

2 receive timely payment for services rendered.

3 (5) Guarantees when made by a domestic insurer; provided, however, that a
4 guarantee which is quantifiable as to amount is not subject to the notice
5 requirements of this subdivision unless it exceeds the lesser of one-half
6 percent (0.5%) of the insurer's admitted assets or ten percent (10%) of
7 surplus as regards policyholders as of the preceding December 31. Further,
8 all guarantees which are not quantifiable as to amount are subject to the
9 notice requirements of this subdivision.

10 (6) Any material transactions, specified by rule, that the Commissioner
11 determines may adversely affect the interests of the insurer's policyholders.

12 Nothing in this section authorizes or permits any transactions that, in the case of an insurer,
13 not a member of the same insurance holding company system, would be otherwise contrary to
14 law. A domestic insurer may not enter into transactions that are part of a plan or series of like
15 transactions with persons within the insurance holding company system if the purpose of those
16 separate transactions is to avoid the statutory threshold amount and thus avoid the review that
17 would otherwise occur. If the Commissioner determines that such separate transactions were
18 entered into over any 12-month period for that purpose, the Commissioner may exercise the
19 Commissioner's authority under G.S. 58-19-50. The Commissioner, in reviewing transactions
20 pursuant to this subsection, shall consider whether the transactions comply with the standards
21 set forth in subsection (a) of this section and whether they may adversely affect the interests of
22 policyholders. The Commissioner shall be notified within 30 days after any investment of a
23 domestic insurer in any one corporation if, as a result of the investment, the total investment in
24 the corporation by the insurance holding company system exceeds ten percent (10%) of the
25 corporation's voting securities.

26 (c) No domestic insurer shall pay any extraordinary dividend or make any other
27 extraordinary distribution to its shareholders until (i) 30 days after the Commissioner has
28 received notice of the declaration thereof and has not within that period disapproved the
29 payment or (ii) the Commissioner has approved the payment within the 30-day period.

30 For the purposes of this section, an "extraordinary dividend" or "extraordinary distribution"
31 includes any dividend or distribution of cash or other property, whose fair market value
32 together with that of other dividends or distributions made within the preceding 12 months
33 exceeds the greater of (i) ten percent (10%) of the insurer's surplus as regards policyholders as
34 of the preceding December 31, or (ii) the net gain from operations of the insurer, if the insurer
35 is a life insurer, or the net income, if the insurer is not a life insurer, not including realized
36 capital gains, for the 12-month period ending the preceding December 31; but does not include
37 pro rata distributions of any class of the insurer's own securities.

38 Notwithstanding any other provision of law, an insurer may declare an extraordinary
39 dividend or distribution that is conditional upon the Commissioner's approval, and the
40 declaration shall confer no rights upon shareholders until (i) the Commissioner has approved
41 the payment of the dividend or distribution or (ii) the Commissioner has not disapproved the
42 payment within the 30-day period referred to above.

43 (d) For the purposes of this Article, in determining whether an insurer's surplus as
44 regards policyholders is reasonable in relation to the insurer's outstanding liabilities and
45 adequate to its financial needs, ~~all of the following factors, among others, shall be~~
46 ~~considered; the factors set forth in subdivisions (1) through (11) of this subsection, among~~
47 others, shall be considered. In determining the adequacy of an insurer's surplus, no single factor
48 is controlling. The Commissioner will consider the net effect of all of the factors in
49 subdivisions (1) through (11) of this subsection, plus other factors bearing on the financial
50 condition of the insurer.

- 1 (1) The size of the insurer as measured by its assets, capital and surplus,
2 reserves, premium writings, insurance in force, and other appropriate
3 criteria.
 - 4 (2) The extent to which the insurer's business is diversified among the several
5 kinds of insurance.
 - 6 (3) The number and size of risks insured in each kind of insurance.
 - 7 (4) The extent of the geographic dispersion of the insurer's insured risks.
 - 8 (5) The nature and extent of the insurer's reinsurance program.
 - 9 (6) The quality, diversification, and liquidity of the insurer's investment
10 portfolio. In determining the quality and liquidity of investments in
11 subsidiaries, the Commissioner will consider the individual subsidiary and
12 may discount or disallow its valuation to the extent that the individual
13 investments so warrant.
 - 14 (7) The recent past and projected future trend in the size of the insurer's surplus
15 as regards policyholders.
 - 16 (8) The surplus as regards policyholders maintained by other comparable
17 insurers. In comparing the surplus maintained by other insurers, the
18 Commissioner will consider the extent to which each of these factors varies
19 from company to company.
 - 20 (9) The adequacy of the insurer's reserves.
 - 21 (10) The quality and liquidity of investments in affiliates. The Commissioner
22 may treat any such investment as a disallowed asset for purposes of
23 determining the adequacy of surplus as regards policyholders whenever in
24 his judgment such investment so warrants.
 - 25 (11) The quality of the insurer's earnings and the extent to which the reported
26 earnings of the insurer include extraordinary items.
- 27 (e) Requests for approval of extraordinary dividends or any other extraordinary
28 distribution to shareholders made pursuant to subsection (c) of this section and prior notice of
29 an ordinary dividend or any other ordinary distribution to shareholders under G.S. 58-19-25(d)
30 shall include the following:
- 31 (1) The amount of the proposed dividend or distribution.
 - 32 (2) The date established for payment of the dividend or distribution.
 - 33 (3) A statement as to whether the dividend or distribution is to be in cash or
34 other property and, if in property, a description thereof, its cost, and its fair
35 market value together with an explanation of the basis for valuation.
 - 36 (4) A statement identifying the dividend or distribution as an ordinary dividend
37 or other ordinary distribution subject to G.S. 58-19-25(d) or as an
38 extraordinary dividend or other extraordinary distribution as defined in
39 subsection (c) of this section.
 - 40 (5) A copy of the calculations determining whether the proposed dividend or
41 distribution is an ordinary dividend or other ordinary distribution subject to
42 G.S. 58-19-25(d), or an extraordinary dividend or other extraordinary
43 distribution as defined in subsection (c) of this section. The work paper shall
44 include the following information:
 - 45 a. The amounts, dates, and form of payment of all dividends or
46 distributions (including regular dividends but excluding distributions
47 of the insurer's own securities) paid within the period of 12
48 consecutive months ending on the date fixed for payment of the
49 proposed dividend for which notification is being given or approval
50 is sought and commencing on the day after the same day of the same
51 month in the last preceding year.

- 1 b. Surplus as regards policyholders as of the preceding December 31.
2 c. If the insurer is a life insurer, the net gain from operations for the
3 12-month period ending the preceding December 31.
4 d. If the insurer is not a life insurer, the net income less realized capital
5 gains for the 12-month period ending the preceding December 31.

6 (6) A balance sheet and statement of income for the period between the last
7 annual statement filed with the Commissioner and the end of the month
8 preceding the month in which the request for approval or the prior
9 notification of a dividend or distribution is submitted. The insurer shall
10 indicate the amount of all unrealized capital gains included in unassigned
11 funds.

12 (7) A brief statement as to the effect of the proposed dividend or distribution
13 upon the insurer's surplus and the reasonableness of surplus in relation to the
14 insurer's outstanding liabilities and the adequacy of surplus relative to the
15 insurer's financial needs.

16 (8) A brief statement as to the intended use or uses of the proposed dividend or
17 distribution by the parent, and if applicable, any upstream parent of the
18 insurer.

19 A request for approval of an extraordinary dividend or any other extraordinary distribution
20 shall be deemed to be incomplete unless all of the information required by this subsection has
21 been included."

22 **SECTION 1.6.** G.S. 58-19-35 reads as rewritten:

23 **"§ 58-19-35. Examination.**

24 (a) Subject to the limitation contained in this section and in addition to the powers that
25 the Commissioner has under other provisions of Articles 1 through 64 of this Chapter relating
26 to the examination of insurers, the Commissioner also has the power to ~~order~~ examine any
27 insurer registered under ~~G.S. 58-19-25~~ G.S. 58-19-25, its affiliates, or any acquiring party ~~to~~

29 ~~affiliates or the acquiring party as are reasonably necessary to ascertain the financial condition~~
30 ~~of such insurer-insurer, its affiliates, or acquiring party or to determine compliance with~~
31 ~~Articles 1 through 64 of this Chapter~~ party, including the enterprise risk to the insurer by the
32 ultimate controlling person, by any entity or combination of entities within the insurance
33 holding company system, or by the insurance holding company system on a consolidated basis.
34 ~~In the event such insurer or acquiring party fails to comply with such order, the Commissioner~~
35 ~~shall have the power to examine such insurer or its affiliates or such acquiring party to obtain~~
36 ~~such information.~~

37 (b) The Commissioner may retain, at the expense of the registered insurer or acquiring
38 party that is being examined, such attorneys, actuaries, economists, accountants, and other
39 experts not otherwise a part of the Commissioner's staff as are reasonably necessary to assist in
40 the conduct of the examination under subsection (a) of this section. Any persons so retained
41 shall be under the direction and control of the Commissioner and shall act in a purely advisory
42 capacity.

43 (c) Repealed by Session Laws 1995, c. 360, s. 2(h).

44 ~~(d) The Commissioner shall exercise his power under subsection (a) of this section only~~
45 ~~if the examination of the insurer or acquiring party under other provisions of Articles 1 through~~
46 ~~64 of this Chapter is inadequate or the interests of the policyholders of such insurer may be~~
47 ~~adversely affected.~~

48 (e) The Commissioner may order any insurer registered under G.S. 58-19-25 or any
49 acquiring party to produce such records, books, or other information in the possession of the
50 insurer, its affiliates, or acquiring party as reasonably necessary to determine compliance with
51 this Chapter.

1 (f) To determine compliance with this Chapter, the Commissioner may order any
2 insurer registered under G.S. 58-19-25 to produce information not in the possession of the
3 insurer if the insurer can obtain access to such information pursuant to contractual
4 relationships, statutory obligations, or other method. In the event the insurer cannot obtain the
5 information requested by the Commissioner, the insurer shall provide the Commissioner a
6 detailed explanation of the reason that the insurer cannot obtain the information and the identity
7 of the holder of that information. Whenever it appears to the Commissioner that the detailed
8 explanation is without merit, the Commissioner may require, after notice and hearing, the
9 insurer to pay a penalty of one thousand dollars (\$1,000) for each day's delay or may suspend
10 or revoke the insurer's license.

11 (g) In the event the insurer fails to comply with an order, the Commissioner shall have
12 the power to examine the affiliates to obtain the information. The Commissioner shall also have
13 the power to issue subpoenas, to administer oaths, and to examine under oath any person for
14 purposes of determining compliance with this section. Upon the failure or refusal of any person
15 to obey a subpoena, the Commissioner may petition a court of competent jurisdiction, and upon
16 proper showing, the court may enter an order compelling the witness to appear and testify or
17 produce documentary evidence. Failure to obey the court order shall be punishable as contempt
18 of court. Every person shall be obligated to attend as a witness at the place specified in the
19 subpoena, when subpoenaed, anywhere within the state. He or she shall be entitled to the same
20 fees and mileage, if claimed, as a witness in the courts of the county specified in the subpoena
21 as the site of the examination. Any fees, mileage, and actual expense necessarily incurred in
22 securing the attendance of witnesses, and their testimony, shall be itemized and charged
23 against, and be paid by, the company being examined."

24 **SECTION 1.7.** Article 19 of Chapter 58 of the General Statutes is amended by
25 adding a new Section to read:

26 **"§ 58-19-37. Supervisory colleges.**

27 (a) With respect to any insurer registered under G.S. 58-19-25, and in accordance with
28 subsection (c) of this section, the Commissioner shall also have the power to participate in a
29 supervisory college for any domestic insurer that is part of an insurance holding company
30 system with international operations in order to determine compliance by the insurer with this
31 Chapter. The powers of the Commissioner with respect to supervisory colleges include, but are
32 not limited to, the following:

- 34 (2) Clarifying the membership and participation of other supervisors in the
35 supervisory college.

- 38 (4) Coordinating the ongoing activities of the supervisory college, including
39 planning meetings, supervisory activities, and processes for information
40 sharing.
- 41 (5) Establishing a crisis management plan.

42 (b) Each registered insurer subject to this section shall be liable for and shall pay the
43 reasonable expenses of the Commissioner's participation in a supervisory college in accordance
44 with subsection (c) of this section, including reasonable travel expenses. For purposes of this
45 section, a supervisory college may be convened as either a temporary or permanent forum for
46 communication and cooperation between the regulators charged with the supervision of the
47 insurer or its affiliates, and the Commissioner may establish a regular assessment to the insurer
48 for the payment of these expenses.

49 (c) In order to assess the business strategy, financial position, legal and regulatory
50 position, risk exposure, risk management, and governance processes, and as part of the
51 examination of individual insurers in accordance with G.S. 58-19-35, the Commissioner may

1 participate in a supervisory college with other regulators charged with supervision of the
2 insurer or its affiliates, including other state, federal, and international regulatory agencies. The
3 Commissioner may enter into agreements in accordance with G.S. 58-19-40 providing the basis
4 for cooperation between the Commissioner and the other regulatory agencies and the activities
5 of the supervisory college. Nothing in this section shall delegate to the supervisory college the
6 authority of the Commissioner to regulate or supervise the insurer or its affiliates within its
7 jurisdiction."

20 action brought as a part of the Commissioner's official duties. The Commissioner shall not
21 otherwise make the documents, materials, or other information public ~~by the Commissioner,~~
22 the NAIC, or any other person, except to insurance regulators of other states, without the prior
23 written consent of the insurer ~~or acquiring party~~ to which it pertains unless the Commissioner,
24 after giving the insurer and its affiliates ~~or the acquiring party that~~who would be affected
25 thereby notice and opportunity to be heard, determines that the interest of ~~the insurer's~~
26 policyholders ~~policyholders, shareholders,~~ or the public will be served by the publication

28 information in such manner as ~~he considers~~may be deemed appropriate.

29 (b) Neither the Commissioner nor any person who received documents, materials, or

38 subsection (a) of this section, with other state, federal, and international
39 regulatory agencies, with the NAIC and its affiliates and subsidiaries, and
40 with state, federal, and international law enforcement authorities, including

44 verified in writing the legal authority to maintain confidentiality.

45 (2) Notwithstanding subdivision (1) of this subsection, may only share
46 confidential and privileged documents, material, or information reported
47 pursuant to G.S. 58-19-25 with Commissioners of states having statutes or

8 use of information provided pursuant to this Article consistent with this
9 subsection that shall:

13 protocols for sharing by the NAIC with other state, federal, or
14 international regulators;

15 b. Specify that ownership of information shared with the NAIC and its
16 affiliates and subsidiaries pursuant to this Article remains with the
17 Commissioner, and the NAIC's use of the information is subject to
18 the direction of the Commissioner;

19 c. Require prompt notice to be given to an insurer whose confidential
20 information in the possession of the NAIC pursuant to this Article is
21 subject to a request or subpoena to the NAIC for disclosure or
22 production; and

23 d. Require the NAIC and its affiliates and subsidiaries to consent to
24 intervention by an insurer in any judicial or administrative action in
25 which the NAIC and its affiliates and subsidiaries may be required to
26 disclose confidential information about the insurer shared with the

28 Chapter.

29 (d) The sharing of information by the Commissioner pursuant to this Article shall not

41 **SECTION 1.9.** G.S. 58-19-50 is amended by adding a new subsection to read:

42 "(f) Whenever it appears to the Commissioner that any person has committed a violation
43 of G.S. 58-19-15, and which prevents the full understanding of the enterprise risk to the insurer
44 by the affiliates or by the insurance holding company system, the violation may serve as an
45 independent basis for disapproving dividends or distributions and for placing the insurer under
46 an order of supervision in accordance with Article 30 of this Chapter."

47 **SECTION 1.10.** G.S. 58-19-60 reads as rewritten:

48 "**§ 58-19-60. Recovery.**

49 (a) If an order for liquidation or rehabilitation of a domestic insurer has been entered,
50 the receiver appointed under such order has a right to recover on behalf of the insurer, (i) from
51 any parent corporation or insurance holding company or person or affiliate who otherwise

1 controlled the insurer, the amount of distributions (other than distributions of shares of the
2 same class of stock) paid by the insurer on its capital stock, or (ii) any payment in the form of a
3 bonus, termination settlement, or extraordinary lump sum salary adjustment made by the
4 insurer or its subsidiary or subsidiaries to a director, officer, or employee, where the
5 distribution or payment pursuant to (i) or (ii) above is made at any time during the one year
6 preceding the petition for liquidation or rehabilitation, as the case may be, subject to the
7 limitations of subsections (b), (c), and (d) of this section.

8 (b) No such distribution is recoverable if the parent or affiliate shows that when paid
9 such distribution was lawful and reasonable, and that the insurer did not know and could not
10 reasonably have known that such distribution might adversely affect the ability of the insurer to
11 fulfill its contractual obligations.

12 (c) Any person that was a parent corporation or insurance holding company or a person
13 that otherwise controlled the insurer or affiliate at the time such distributions were paid is liable
14 up to the amount of distributions or payments under subsection (a) of this section such person
15 received. Any person who otherwise controlled the insurer at the time such distributions were
16 declared is liable up to the amount of distributions he would have received if they had been
17 paid immediately. If two or more persons are liable with respect to the same distributions, they
18 are jointly and severally liable.

19 (d) The maximum amount recoverable under this section is the amount needed in
20 excess of all other available assets of the insurer to pay its contractual obligations and to
21 reimburse any guaranty funds.

22 (e) To the extent that any person liable under subsection (c) of this section is insolvent
23 or otherwise fails to pay claims due from it pursuant to that subsection, its parent corporation,
24 insurance holding company, or person who otherwise controlled it at the time that the
25 distribution was paid, are jointly and severally liable for any resulting deficiency in the amount
26 recovered from such parent corporation or insurance holding company or person who otherwise

28 **SECTION 1.11.** Article 19 of Chapter 58 of the General Statutes is amended by
29 adding four new sections to read:

30 **"§ 58-19-75. Forms – general requirements.**

31 (a) Forms A, B, C, D, E, and F are intended to be guides in the preparation of the
32 statements required by G.S. 58-19-15, 58-19-25, and 58-19-30. They are not intended to be
33 fill-in-the-blank forms. The statements filed shall contain the numbers and captions of all items,
34 but the text of the items may be omitted, provided the answers are prepared in such a manner as
35 to indicate clearly the scope and coverage of the items. All instructions, whether appearing
36 under the items of the form or elsewhere, are to be omitted. Unless expressly provided
37 otherwise, if any item is inapplicable or the answer to the item is in the negative, an appropriate
38 statement to that effect shall be made.

39 (b) A complete copy of each statement, including exhibits and all other papers and
40 documents filed as a part of the statement, shall be filed with the Commissioner by personal
41 delivery or mail addressed to the Commissioner and shall be signed in the manner prescribed
42 on the form. Unsigned copies shall be conformed. If the signature of any person is affixed
43 pursuant to a power of attorney or other similar authority, a copy of the power of attorney or
44 other authority shall also be filed with the statement.

45 (c) If an applicant requests a hearing on a consolidated basis under G.S. 58-19-15, in
46 addition to filing the Form A with the Commissioner, the applicant shall file a copy of the Form
47 A with the NAIC in electronic form.

48 (d) Statements should be prepared electronically. Statements shall be easily readable
49 and suitable for review and reproduction. Debits in credit categories and credits in debit
50 categories shall be designated so as to be clearly distinguishable as such on photocopies.
51 Statements shall be in the English language and monetary values shall be stated in United

1 States dollars. If any exhibit or other paper or document filed with the statement is in a foreign
2 language, it shall be accompanied by a translation into the English language and any monetary
3 value shown in a foreign currency normally shall be converted into United States dollars.

4 **"§ 58-19-80. Forms – incorporation by reference, summaries and omissions.**

5 (a) Information required by any item of Form A, Form B, Form D, Form E, or Form F
6 may be incorporated by reference in answer or partial answer to any other item. Information
7 contained in any financial statement, annual report, proxy statement, statement filed with a
8 governmental authority, or any other document may be incorporated by reference in answer or
9 partial answer to any item of Form A, Form B, Form D, Form E, or Form F provided the
10 document is filed as an exhibit to the statement. Excerpts of documents may be filed as exhibits
11 if the documents are extensive. Documents currently on file with the Commissioner which were
12 filed within three years need not be attached as exhibits. References to information contained in
13 exhibits or in documents already on file shall clearly identify the material and shall specifically
14 indicate that such material is to be incorporated by reference in answer to the item. Such
15 materials shall not be incorporated by reference in any case where the incorporation would
16 render the statement incomplete, unclear, or confusing.

17 (b) Where an item requires a summary or outline of the provisions of any document,
18 only a brief statement shall be made as to the pertinent provisions of the document. In addition
19 to the statement, the summary or outline must incorporate by reference particular parts of any
20 exhibit or document currently on file with the Commissioner which was filed within three years
21 and may be qualified in its entirety by such reference. In any case where two or more
22 documents required to be filed as exhibits are substantially identical in all material respects
23 except as to the parties thereto, the dates of execution, or other details, a copy of only one of the
24 documents need be filed with a schedule identifying the omitted documents and setting forth
25 the material details in which those documents differ from the documents, a copy of which is
26 filed.

27 **"§ 58-19-85. Forms – information unknown or unavailable and extension of time to**
28 **furnish.**

29 If it is impractical to furnish any required information, document, or report at the time it is
30 required to be filed, there shall be filed with the Commissioner a separate document:

- 31 (1) Identifying the information, document, or report in question.
- 32 (2) Stating why the filing thereof at the time required is impractical.
- 33 (3) Requesting an extension of time for filing the information, document, or
34 report to a specified date. The request for extension shall be deemed granted
35 unless the Commissioner after receipt of the request denies the request prior
36 to the time the information, document, or report is required.

37 **"§ 58-19-90. Forms – additional information and exhibits.**

38 In addition to the information expressly required to be included in Form A, Form B, Form
39 C, Form D, Form E, and Form F, the Commissioner may request such further material
40 information, if any, as may be necessary to make the information contained therein not
41 misleading. The person filing may also file such exhibits as it may desire in addition to those
42 expressly required by the statement. The exhibits shall be so marked as to indicate clearly the
43 subject matters to which they refer. Changes to Form A, B, C, D, or F shall include on the top
44 of the cover page the phrase: "Change No. [insert number] to" and shall indicate the date of the
45 change and not the date of the original filing."

46 **SECTION 1.12.** G.S. 58-10-12(e) reads as rewritten:

47 "(e) Except as specifically provided in a plan of conversion, for five years following the
48 effective date of the conversion, no person or persons acting in concert (other than the former

51 any manner the beneficial ownership of five percent (5%) or more of the outstanding shares of

 2 approval of the Commissioner of a statement filed by that person with the Commissioner. The
 3 statement shall contain the information required by ~~G.S. 58-19-15(b)~~G.S. 58-19-15(g) and any

 5 acquisition under this subsection unless the Commissioner finds that:

 7 conditions set forth in G.S. 58-19-15(i) will exist.
- 8 (2) The acquisition will not ~~frustrate~~impede the plan of conversion or the
 9 amendment to the articles of incorporation as approved by the members and
 10 the Commissioner.
- 11 (3) The boards of directors of the former mutual and any parent company have
 12 approved the acquisition.
- 13 (4) The acquisition would be in the best interest of the present and future

 40 **PART III. UPDATE CORPORATE GOVERNANCE REQUIREMENTS FOR RISK**
 41 **RETENTION GROUPS**

42 **SECTION 3.** G.S. 58-22-15 reads as rewritten:

43 **"§ 58-22-15. Risk retention groups chartered in this State.**

44 (a) General Requirements. – A risk retention group shall, pursuant to the provisions of
 45 Part 9 of Article 10 of this Chapter, be chartered and licensed to write only liability insurance
 46 pursuant to this Article and, except as provided elsewhere in this Article, must comply with all
 47 of the laws and rules applicable to such insurers chartered and licensed in this State and with
 48 G.S. 58-22-20 to the extent such requirements are not a limitation on laws, administrative rules,
 49 or requirements of this State.

50 (b) Plan of Operation. – Before it may offer insurance in any state, each risk retention
 51 group shall also submit for approval to the Commissioner of this State a plan of operation or

1 feasibility study. The Commissioner may limit the net amount of risk retained by a risk
2 retention group for any individual risk. The risk retention group shall submit an appropriate
3 revision in the event of any subsequent material change in any item of the plan of operation or
4 feasibility study, within 10 days after any such change. The group shall not offer any additional
5 kinds of liability insurance, in this State or in any other state, until a revision of such plan or
6 study is approved by the Commissioner.

7 (c) Required Information. – At the time of filing its application for a charter, the risk
8 retention group shall provide to the Commissioner in summary form the following information:
9 the identity of the initial members of the group, the identity of those individuals who organized
10 the group or who will provide administrative services or otherwise influence or control the
11 activities of the group, the amount and nature of initial capitalization, the coverages to be
12 afforded, and the states in which the group intends to operate. Upon receipt of this information,
13 the Commissioner shall forward such information to the NAIC. Providing notification to the
14 NAIC is in addition to and shall not be sufficient to satisfy the requirements of G.S. 58-22-20
15 or any other sections of this Article.

16 (d) Governance Standards. – Risk retention groups shall comply with the following
17 governance standards:

18 (1) Board of directors. – The following standards apply to the board of directors
19 of the risk retention group:

20 a. Definitions. – The following definitions apply in this subdivision:

21 1. Board of directors or board. – The governing body of the risk
22 retention group elected by the shareholders or members to
23 establish policy, elect or appoint officers and committees, and
24 make other governing decisions.

25 2. Director. – A natural person designated in the articles of the
26 risk retention group, or designated, elected, or appointed by
27 any other manner, name, or title to act as a director.

28 b. Independent directors. – The board of directors of the risk retention
29 group shall have a majority of independent directors. If the risk
30 retention group is a reciprocal, then the attorney-in-fact would be
31 required to adhere to the same standards regarding independence of
32 operation and governance as imposed on the risk retention group's
33 board of directors or subscribers advisory committee under these
34 standards; and, to the extent permissible under State law, service
35 providers of a reciprocal risk retention group should contract with the
36 risk retention group and not the attorney-in-fact.

37 c. Determination of independence. – No director qualifies as
38 independent unless the board of directors affirmatively determines
39 that the director has no material relationship, as partially specified in
40 sub-subdivision d. of this subdivision, with the risk retention group.
41 Each risk retention group shall disclose these determinations to the
42 Commissioner at least annually. For the purpose of this subdivision,
43 any person that is a direct or indirect owner of or subscriber in the
44 risk retention group (or is an officer, director, or employee of such an
45 owner and insured, unless some other position of such officer,
46 director, or employee constitutes a material relationship), as
47 contemplated by Section 3901(a)(4)(E)(ii) of the federal Liability
48 Risk Retention Act, is considered to be "independent."

49 d. Material relationship. – "Material relationship" of a person with the
50 risk retention group includes, but is not limited to, the following:

- 1 1. The receipt in any one 12-month period of compensation or
2 payment of any other item of value by such person, a member
3 of such person's immediate family, or any business with
4 which such person is affiliated from the risk retention group
5 or a consultant or service provider to the risk retention group
6 is greater than or equal to five percent (5%) of the risk
7 retention group's gross written premium for such 12-month
8 period or two percent (2%) of its surplus, whichever is
9 greater, as measured at the end of any fiscal quarter falling in
10 such a 12-month period. Such person or immediate family
11 member of such person is not independent until one year after
12 his/her compensation from the risk retention group falls
13 below the threshold.
 - 14 2. A relationship with an auditor as follows: a director or an
15 immediate family member of a director who is affiliated with
16 or employed in a professional capacity by a present or former
17 internal or external auditor of the risk retention group is not
18 independent until one year after the end of the affiliation,
19 employment, or auditing relationship.
 - 20 3. A relationship with a related entity as follows: a director or
21 immediate family member of a director who is employed as
22 an executive officer of another company where any of the risk
23 retention group's present executives serve on that other
24 company's board of directors is not independent until one
25 year after the end of such service or the employment
26 relationship.
- 27 (2) Service provider contracts. – The term of any material service provider
28 contract with the risk retention group shall not exceed five years. Any such
29 contract, or its renewal, shall require the approval of the majority of the risk
30 retention group's independent directors. The risk retention group's board of
31 directors shall have the right to terminate any service provider, audit, or
32 actuarial contracts at any time for cause after providing adequate notice as
33 defined in the contract. The service provider contract is deemed material if
34 the amount to be paid for such contract is more than or equal to the greater
35 of five percent (5%) of the risk retention group's annual gross written
36 premium or two percent (2%) of its surplus.
- 37 a. For purposes of this standard, "service providers" shall include
38 captive managers, auditors, accountants, actuaries, investment
39 advisors, lawyers, managing general underwriters, or other party
40 responsible for underwriting, determination of rates, collection of
41 premium, adjusting and settling claims, or the preparation of
42 financial statements. Any reference to "lawyers" in the prior sentence
43 of this sub-subdivision does not include defense counsel retained by
44 the risk retention group to defend claims, unless the amount of fees
45 paid to such lawyers are "material" under the standard set forth in
46 this subdivision for a service provider contract.
 - 47 b. No service provider contract shall be entered into with a person
48 meeting the definition of "material relationship" contained in
49 sub-subdivision (1)d. of this subsection unless the risk retention
50 group has notified the Commissioner in writing of its intention to

- 1 enter into such transaction at least 30 days prior thereto and the
2 Commissioner has not disapproved it within such period.
- 3 (3) Written policy. – The risk retention group's board of directors shall adopt a
4 written policy in the plan of operation as approved by the board that requires
5 the board to do all of the following:
- 6 a. Assure that all owner/insureds of the risk retention group receive
7 evidence of ownership interest.
- 8 b. Develop a set of governance standards applicable to the risk retention
9 group.
- 10 c. Oversee the evaluation of the risk retention group's management
11 including, but not limited to, the performance of the captive manager,
12 managing general underwriter, or other party or parties responsible
13 for underwriting, determination of rates, collection of premium,
14 adjusting or settling claims, or the preparation of financial
15 statements.
- 16 d. Review and approve the amount to be paid for all material service
17 providers.
- 18 e. Review and approve, at least annually, all of the following:
- 19 1. Risk retention group's goals and objectives relevant to the
20 compensation of officers and service providers.
- 21 2. The officers' and service providers' performance in light of
22 those goals and objectives.
- 23 3. The continued engagement of the officers and material
24 service providers.
- 25 (4) Governance standards. – The board of directors shall adopt and disclose
26 governance standards. For purposes of this subdivision, "disclose" means
27 making such information available through electronic or other means, such
28 as posting on the risk retention group's Web site, and providing such
29 information to members or insureds upon request. The standards to be
30 disclosed shall include all of the following:
- 31 a. A process by which the directors are elected by the owner/insureds.
- 32 b. Director qualification standards.
- 33 c. Director responsibilities.
- 34 d. Director access to management and, as necessary and appropriate,
35 independent advisors.
- 36 e. Director compensation.
- 37 f. Director orientation and continuing education.
- 38 g. The policies and procedures that are followed for management
39 succession.
- 40 h. The policies and procedures that are followed for annual
41 performance evaluation of the board.
- 42 (5) Business conduct and ethics. – The board of directors shall adopt and
43 disclose a code of business conduct and ethics for directors, officers, and
44 employees and promptly disclose to the board of directors any waivers of the
45 code for directors or executive officers. The code of business conduct and
46 ethics shall include the following topics:
- 47 a. Conflicts of interest.
- 48 b. Matters covered under the corporate opportunities doctrine as that
49 doctrine has been interpreted by the courts of this State.
- 50 c. Confidentiality.
- 51 d. Fair dealing.

- 1 e. Protection and proper use of risk retention group assets.
2 f. Duty of compliance with all applicable laws, rules, and regulations.
3 g. A requirement to report any illegal or unethical behavior which
4 affects the operation of the risk retention group.
5 (6) Reporting noncompliance. – The captive manager or the president or chief
6 executive officer of the risk retention group shall promptly notify the
7 Commissioner in writing if either becomes aware of any material
8 noncompliance with the governance standards set forth in this subsection."
