 - (9) Related services. As defined in G.S. 115C-106.3(18).
 - (10) Scholarship. Funds awarded by the Authority to eligible students to be used to receive special education on a daily basis while attending either a nonpublic school or a North Carolina public school for which payment of tuition is required.
 - (11) Special education. Specially designed instruction to meet the unique needs of a child with a disability. The term includes instruction in physical education and instruction conducted in a classroom, the home, a hospital or institution, and other settings.

"§ 115C-567.6. Scholarships.

- (a) Scholarship Applications. The Authority shall make available no later than May 1 annually applications to eligible students for the award of a scholarship. Information about scholarships and the application process shall be made available on the Authority's Web site. The Authority shall give priority in awarding funds for a scholarship to eligible students who received funds during the previous semester. Funds for scholarships shall be awarded to eligible students in the order in which the applications are received.
- (b) Web Site Availability. Information about scholarships and the application process shall be made available on the Authority's Web site. The Authority shall also include information on the Web site notifying parents that federal regulations adopted under IDEA provide that no parentally placed private school child with a disability has an individual right to receive some or all of the special education and related services that the child would receive if enrolled in a public school.
- (c) Scholarship Awards. Scholarships awarded to eligible students shall be in an amount equal to the statewide average per pupil allocation for average daily membership plus the per pupil allocation for a child with disabilities for the fiscal year in which the application is received. Eligible students awarded scholarships may not be enrolled in a public school to which that student has been assigned as provided in G.S. 115C-366. Scholarships shall be awarded only for the reimbursement of tuition, special education, related services, and educational technology, as provided in subsection (d) of this section. The Authority shall notify parents in writing of their eligibility to receive scholarships for costs incurred by July 1.
- (d) <u>Disbursement of Scholarship Funds. The Authority shall disburse scholarship funds for tuition and for the reimbursement of costs incurred by the parent of an eligible student as follows:</u>
 - (1) Scholarship endorsement for tuition. The Authority shall remit, at least two times each school year, scholarship funds awarded to eligible students for endorsement by at least one of the student's parents or guardians for tuition to attend (i) a North Carolina public school other than the public school to which that student has been assigned as provided in G.S. 115C-366 or (ii) a nonpublic school that meets the requirements of Part 1 or Part 2 of Article 39 of this Chapter as identified by the Department of Administration, Division of Nonpublic Education. Scholarship funds shall not be provided for tuition for home schooled students. If the student is attending a nonpublic school, the school must be deemed eligible by the Division of Nonpublic Education, pursuant to G.S. 115C-562.4, and the school shall be subject to the requirements of G.S. 115C-562.5. The parent or guardian shall restrictively endorse the scholarship funds awarded to the eligible student to the school

for deposit into the account of the school. The parent or guardian shall not designate any entity or individual associated with the school as the parent's attorney-in-fact to endorse the scholarship funds but shall endorse the scholarship funds in person at the site of the school. A parent's or guardian's failure to comply with this section shall result in forfeiture of the scholarship funds. A scholarship forfeited for failure to comply with this section shall be returned to the Authority to be awarded to another student.

- (2) <u>Scholarship reimbursements for costs. Scholarship reimbursement for costs incurred shall be provided quarterly as follows:</u>
 - a. Preapproval process. At the beginning of each fiscal quarter, the parent of an eligible student may submit documentation of the special education, related services, or educational technology the parent anticipates incurring costs on in that quarter for preapproval by the Authority.
 - b. Reimbursement submissions. Following the conclusion of each fiscal quarter, the parent of an eligible student shall submit to the Authority any receipts or other documentation approved by the Authority to demonstrate the costs incurred during the quarter. In addition, parents shall provide documentation of the following to seek reimbursement:
 - 1. Special education reimbursement. Parents may only receive reimbursement for special education if the parent provides documentation that the student received special education for no less than 35 days of the quarter for which the parent seeks reimbursement. Special education reimbursement shall not be provided for special education instruction provided to a home schooled student by a member of the household of a home school, as defined in G.S. 115C-563(a).
 - 2. Related services reimbursement. Parents may only receive reimbursement for related services if the parent provides documentation that the student also received special education for no less than 35 days of the quarter for which the parent seeks reimbursement for the related services. Related services reimbursement shall not be provided for related services provided to a home schooled student by a member of the household of a home school, as defined in G.S. 115C-563(a).
 - 3. Educational technology reimbursement. Parents may only receive reimbursement for educational technology if the parent provides documentation that the student used the educational technology for no less than 35 days of the quarter for which the parent seeks reimbursement.
- (e) Contributions to the Parental Savings Trust Fund. If the costs incurred by the parent do not meet the maximum amount in accordance with subsection (d) of this section, the Authority shall apply the remainder of those funds as a contribution towards the Parental Savings Trust Fund as provided in G.S. 116-209.25. Any contributions made to the Parental Savings Trust Fund under this subsection shall be eligible for disbursement for tuition or fees at an eligible postsecondary institution and any textbooks required by an eligible postsecondary institution. Upon the eligible student's graduation from a postsecondary institution or, if after four consecutive years after high school graduation, the student is not continuously enrolled in

- an eligible postsecondary institution, any of the remaining funds from scholarships contributed
 to the Parental Savings Trust Fund shall be returned to the State.
 - (f) Student Reevaluation. After an eligible student's initial receipt of a scholarship, the Authority shall ensure that the student is reevaluated at least every three years by the local educational agency in order to verify that the student continues to be a child with a disability.
 - (g) <u>Limitations to Eligibility. An otherwise eligible student shall not be eligible for a scholarship if the student is receiving State funds as a result of participation in the Special Education Scholarship Grants for Children with Disabilities established under Part 1H of Article 9 of this Chapter.</u>
 - (h) Rule Making. The Authority shall establish rules and regulations for the administration and awarding of scholarships. The Authority shall annually develop a list of educational technology for which scholarships may be used and shall provide scholarship recipients with information about the list.
 - (i) Public Records Exception. Scholarship applications and personally identifiable information related to eligible students receiving scholarships shall not be a public record under Chapter 132 of the General Statutes. For the purposes of this section, personally identifiable information means any information directly related to a student or members of a student's household, including the name, birthdate, address, Social Security number, telephone number, e-mail address, financial information, or any other information or identification number that would provide information about a specific student or members of a specific student's household.

"§ 115C-567.7. Verification of eligibility.

- (a) The Authority may seek verification of information on any application for scholarships from eligible students. If a parent fails to cooperate with verification efforts, the Authority shall revoke the award of the scholarship to the eligible student.
- (b) Parents of applicants for scholarships shall authorize the Authority to access any information held by the local educational agency that is needed for verification efforts.

"§ 115C-567.8. Authority reporting requirements.

- (a) The Authority shall report annually, no later than October 1, to the Joint Legislative Education Oversight Committee on the Personal Education Savings Scholarship Program.
 - (b) The annual report shall include all of the following information:
 - (1) Total number, age, and grade level of eligible students receiving scholarships.
 - (2) Total amount of scholarship funding awarded.
 - (3) Nonpublic schools in which scholarship recipients are enrolled and the number of scholarship students at that school.
 - (4) The type of special education or related services for which scholarships were awarded.

"§ 115C-567.9. Duties of State agencies.

- (a) The State Board, as part of its duty to monitor all local educational agencies to determine compliance with this Article and IDEA as provided in G.S. 115C-107.4, shall ensure that local educational agencies do the following:
 - (1) Conduct evaluations requested by a child's parent or guardian of suspected children with disabilities, as defined in G.S. 115C-107.3, in a timely manner as required by IDEA.
 - (2) Provide reevaluations to identified children with disabilities receiving scholarships as provided in Article 39A of this Chapter at the request of the parent or guardian to ensure compliance with G.S. 115C-567.6(f).
- (b) The Authority shall analyze, in conjunction with the Department of Public Instruction, past trends in scholarship data on an annual basis to ensure that the amount of funds transferred each fiscal year by the Authority to the Department for reevaluations of

eligible students pursuant to subdivision (a)(2) of this section are sufficient and based on actual annual cost requirements."

SECTION 2.(a) There is appropriated from the General Fund to the Board of Governors of The University of North Carolina the sum of four hundred fifty thousand dollars (\$450,000) for the 2016-2017 fiscal year to allocate to the North Carolina State Education Assistance Authority (Authority) to administer the program in accordance with this act.

SECTION 2.(b) It is the intent of the General Assembly to appropriate from the General Fund to the Board of Governors of The University of North Carolina the sum of five million dollars (\$5,000,000) for the 2017-2018 fiscal year in recurring funds to allocate to the Authority for the following purposes:

(1) To award scholarship grants to eligible students. Any unexpended funds for this purpose shall not revert at the end of each fiscal year but shall remain available to award scholarship grants to eligible students.

(2) To transfer funds to the Department of Public Instruction for reevaluations of eligible students as required by G.S. 115C-567.6(f), as enacted by this act. The Authority shall transfer an amount each fiscal year to the Department in accordance with the analysis conducted pursuant to G.S. 115C-567.9(b), as enacted by this act.

(3) The Authority may retain up to five percent (5%) annually for administrative costs associated with the Personal Education Savings Scholarship Program.

SECTION 3. This act becomes effective July 1, 2016. Section 1 of this act applies to the award of scholarships beginning with the 2017-2018 school year.
