- 3 (4) Department. – The Department of Commerce.
- 4 (5) Long-term debt security. – Any debt instrument issued by a qualified
5 community development entity, at par value or a premium, with an original
6 maturity date of at least seven years from the date of its issuance, with no
7 acceleration of repayment, amortization, or prepayment features prior to its
8 original maturity date. The qualified community development entity that
9 issues the debt instrument may not make cash interest payments on the debt
10 instrument during the period beginning on the date of issuance and ending
11 on the final reduction allowance date in an amount that exceeds the
12 cumulative operating income, as defined by regulations adopted under
13 section 45D of the Internal Revenue Code of 1986, as amended, of the
14 qualified community development entity for that period prior to giving effect
15 to the interest expense of such long-term debt security. The foregoing shall
16 in no way limit the holder's ability to accelerate payments on the debt
17 instrument in situations where the qualified community development entity
18 has defaulted on covenants designed to ensure compliance with this section
19 or section 45D of the Internal Revenue Code of 1986, as amended.

25 size eligibility standards established in 13 C.F.R. § 121.101-201 at the time
26 the qualified low-income community investment is made. A business shall
27 be considered a qualified active low-income community business for the
28 duration of the qualified community development entity's investment in or
29 loan to the business if the entity reasonably expects, at the time it makes the
30 investment or loan, that the business will continue to satisfy the requirements
31 for being a qualified active low-income community business, other than the
32 SBA size standards, throughout the entire period of the investment or loan.
33 The term excludes any business that derives or projects to derive fifteen
34 percent (15%) or more of its annual revenue from the rental or sale of real
35 estate. This exclusion does not apply to a business that is controlled by or
36 under common control with another business if the second business (i) does
37 not derive or project to derive fifteen percent (15%) or more of its annual

39 the real estate leased from the first business.
- 40 (8) Qualified community development entity. – The meaning given such term in
41 section 45D of the Internal Revenue Code of 1986, as amended; provided
42 that such entity has entered into, for the current year or any prior year, an

44 Institutions Fund of the U.S. Treasury Department with respect to credits
45 authorized by section 45D of the Internal Revenue Code of 1986, as
46 amended, which includes the State of North Carolina within the service area
47 set forth in the allocation agreement. The term shall include qualified
48 community development entities that are controlled by or are under common
49 control with the qualified community development entity.

- 1 (9) Qualified equity investment. – Any equity investment in or long-term debt
2 security issued by a qualified community development entity that meets each
3 of the following requirements:

5 solely in exchange for cash.
6 b. Has at least eighty-five percent (85%) of its cash purchase price used
7 by the qualified community development entity to make qualified
8 low-income community investments in qualified active low-income
9 community businesses located in this State by the first anniversary of
10 the initial reduction allowance date.
11 c. Is designated by the qualified community development entity as a
12 qualified equity investment under this subdivision and is certified by
13 the Department as not exceeding the limitation contained in
14 G.S. 105-129.102(d)(5). This term shall include any qualified equity
15 investment that does not meet the provisions of sub-subdivision a. of
16 this subdivision if such investment was a qualified equity investment
17 in the hands of a prior holder.
18 (10) Qualified low-income community investment. – Any capital or equity
19 investment in or loan to any qualified active low-income community
20 business. With respect to any one qualified active low-income community

22 investments made in such business, on a collective basis with all of the
23 businesses' affiliates, with the proceeds of qualified equity investments
24 certified under G.S. 105-129.102(d) that shall count toward satisfaction of
25 the requirements of sub-subdivision b. of subdivision (9) of this section and
26 sub-subdivision c. of G.S. 105-129.102(e)(1) shall be seven million dollars
27 (\$7,000,000), exclusive of qualified low-income community investments
28 made with repaid or redeemed qualified low-income community investments
29 or interest or profits realized thereon.

31 the date on which the investment is initially made and each of the six
32 anniversary dates thereafter.
33 (12) Rural census tracts. – Any census tract in which a qualified active
34 low-income community business is located that also is located in a county
35 designated as Tier 1 or Tier 2 by the North Carolina Department of
36 Commerce as of or after 2015.
37 (13) Secretary. – The Secretary of Commerce.
38 (14) State premium tax liability. – Any liability incurred by any entity under the
39 gross premiums tax or the retaliatory premium tax levied in Article 8B of
40 this Chapter, or, if the tax liability under the gross premiums tax or the
41 retaliatory premium tax levied in Article 8B of this Chapter is eliminated or
42 reduced, the term shall also mean any tax liability imposed on an insurance
43 company or other person that had premium tax liability under the laws of
44 this State.

45 **§ 105-129.102. Reduction for qualified equity investment.**

46 (a) Reduction Established. – An entity that makes a qualified equity investment earns a
47 vested contractual right to a below-the-line reduction of tax applicable to the entity's State
48 premium tax liability on future premium tax reports filed under Article 8B of Chapter 105 of
49 the General Statutes. On or after each reduction allowance date of the qualified equity
50 investment, the taxpayer or subsequent holder of the qualified equity investment may utilize a
51 portion of the tax reduction during the taxable year, including the reduction allowance date.

1 The tax reduction amount is equal to the applicable percentage for the reduction allowance date
2 multiplied by the purchase price paid to the qualified community development entity. The
3 amount of the tax reduction claimed in that taxable year by a taxpayer shall not exceed the
4 amount of such taxpayer's State tax liability for the tax year for which the tax reduction is
5 claimed. Any amount of tax reduction that the taxpayer is prohibited from claiming in a taxable
6 year as a result of this section may be carried forward for use in any subsequent taxable year.

7 (b) Transferability. – A tax reduction claimed pursuant to this Article is not refundable
8 or saleable on the open market. Tax reductions earned by or allocated to a partnership, limited
9 liability company, or S Corporation may be allocated to the partners, members, or shareholders
10 of such entity for their use in accordance with the provisions of any agreement among such
11 partners, members, or shareholders. These allocations are not considered a sale for purposes of
12 this section. The Department shall issue a certificate to each entity allocated a tax reduction
13 under this Article.

14 (c) Certification of Qualified Equity Investments. – A qualified community
15 development entity that seeks to have an equity investment or long-term debt security
16 designated as a qualified equity investment and eligible for tax reductions under this section
17 shall apply to the Department, which shall begin accepting applications on July 1, 2015. The
18 qualified community development entity must submit an application on a form that the
19 Department provides that includes each of the following:

20 (1) Evidence of the entity's certification as a qualified community development
21 entity, including evidence of the service area of the entity that includes this
22 State.

23 (2) A copy of an allocation agreement executed by the entity or its controlling
24 entity and the Community Development Financial Institutions Fund.

25 (3) A certificate executed by an executive officer of the entity attesting that the
26 allocation agreement remains in effect and has not been revoked or cancelled
27 by the Community Development Financial Institutions Fund.

28 (4) A description of the proposed amount, structure, and purchaser of the
29 qualified equity investment.

30 (5) If known, identifying information for any taxpayer eligible to utilize tax
31 reductions earned as a result of the issuance of the qualified equity
32 investment.

33 (6) Examples of the types of qualified active low-income businesses in which
34 the applicant, its controlling entity, or affiliates of its controlling entity have
35 invested under the federal New Markets Tax Credit Program. Applications
36 are not required to identify qualified active low-income community
37 businesses in which they will invest when submitting an application.

38 (7) A nonrefundable application fee of five thousand dollars (\$5,000).

39 (8) The refundable performance deposit required by G.S. 105-129.104.

40 (9) Whether the application is for the Rural Reserve under G.S. 105-129.109.

41 (d) (1) Within 30 days after receipt of a completed application containing the
42 information set forth in subsection (c) of this section, including the payment
43 of the application fee and the performance deposit, the Department shall
44 grant or deny the application in full or in part. If the Department denies any
45 part of the application, it shall inform the qualified community development
46 entity of the grounds for the denial. If the qualified community development
47 entity provides any additional information required by the Department or
48 otherwise completes its application within 15 days of the notice of denial,
49 the application shall be considered completed as of the original date of
50 submission. If the qualified community development entity fails to provide
51 the information or complete its application within the 15-day period, the

- 1 application is denied and must be resubmitted in full with a new submission
2 date.
- 3 (2) If the application is deemed complete, the Department shall certify the
4 proposed equity investment or long-term debt security as a qualified equity
5 investment that is eligible for a reduction under this section, subject to the
6 limitations contained in subdivision (5) of this subsection; provided that the
7 Department shall not certify qualified equity investments for any applicant,
8 on a combined basis with all of its affiliates, in excess of sixty million
9 dollars (\$60,000,000) unless such applicant has (i) already had qualified
10 equity investments certified under this section, (ii) satisfied the requirements
11 of subdivision (6) of this subsection with respect to such qualified equity
12 investments, and (iii) filed a new application after satisfying the
13 requirements of (i) and (ii) of this subdivision. The Department shall provide
14 written notice of the certification to the qualified community development
15 entity. The notice shall include the names of those taxpayers who are eligible
16 to utilize the reductions and their respective reduction amounts. If the names
17 of the taxpayers who are eligible to utilize the reductions change due to a
18 transfer of a qualified equity investment or a change in an allocation
19 pursuant to subsection (b) of this section, the qualified community
20 development entity shall notify the Department of such change.
- 21 (3) Once the Department has certified a qualified equity investment, the
22 qualified community development entity may suballocate all or any portion
23 of the amount of the certified qualified equity investment to one or more
24 qualified community development entities with the same controlling entity
25 as the applicant qualified community development entity, provided that the
26 applicant qualified community development entity files a notice of such
27 suballocation with the Department and the recipient of the suballocation
28 meets all the requirements of a qualified community development entity
29 under this section. The notice of suballocation shall include the information
30 required in the application for all suballocates.
- 31 (4) The Department shall certify qualified equity investments in the order
32 applications are received by the Department. Applications received on the
33 same day shall be deemed to have been received simultaneously. For
34 applications received on the same day and deemed complete, the Department
35 shall certify, consistent with remaining tax reduction capacity, qualified
36 equity investments in proportionate percentages based upon the ratio of the
37 amount of qualified equity investment requested in an application to the total
38 amount of qualified equity investments requested in all applications received
39 on the same day.
- 40 (5) The Department shall certify two hundred eight million three hundred
41 thirty-three thousand three hundred thirty-three dollars (\$208,333,333) in
42 qualified equity investment authority pursuant to two allocations, one for the
43 Rural Reserve and one for the Statewide Reserve, each as described in
44 G.S. 105-129.109(a). If a pending request cannot be fully certified due to
45 this limit, the Department shall certify the portion that may be certified
46 unless the qualified community development entity elects to withdraw its
47 request rather than receive partial certification.
- 48 (6) Within 45 days after receiving notice of certification, the qualified
49 community development entity or any transferee under this section shall
50 issue the qualified equity investment and receive cash in the amount of the
51 certified amount. The qualified community development entity or transferee

1 must provide the Department with evidence of the receipt of the cash
2 investment within 50 days of the applicant receiving notice of certification.
3 If the qualified community development entity or transferee does not receive
4 the cash investment and issue the qualified equity investment within 45 days
5 following receipt of the certification notice, the certification shall lapse and
6 the entity may not issue the qualified equity investment without reapplying
7 to the Department for certification. A certification that lapses reverts back to
8 the Department and shall be reissued pro rata to other applicants whose
9 qualified equity investment allocations were reduced under this section and
10 thereafter in accordance with the application process.

11 (e) Disallowance. –

12 (1) The Department may determine that reductions previously claimed or to be
13 claimed by a taxpayer under this Article should be disallowed. Notice that a
14 reduction shall be disallowed shall be transmitted in writing to the taxpayer
15 and the Department of Revenue. Disallowance may be determined if any of
16 the following occurs:

17 a. Any amount of the federal tax credit available with respect to a
18 qualified equity investment that is eligible for a tax reduction under
19 this section is recaptured under section 45D of the Internal Revenue
20 Code of 1986, as amended. In such case, the Department's
21 disallowance shall be proportionate to the federal recapture with
22 respect to such qualified equity investment.

23 b. The qualified community development entity redeems or makes
24 principal repayment with respect to a qualified equity investment
25 prior to the seventh anniversary of the issuance of such qualified
26 equity investment. In such case, the Department's disallowance shall
27 be proportionate to the amount of the redemption or repayment with
28 respect to such qualified equity investment.

29 c. The qualified community development entity fails to (i) invest at
30 least eighty-five percent (85%) of the purchase price of the qualified
31 equity investment in qualified low-income investments in the State
32 within 12 months of the issuance of the qualified equity investment
33 and (ii) maintain such level of investment in qualified low-income
34 community investments in the State until the last reduction allowance
35 date for the qualified equity investment. For qualified equity
36 investments made under the Rural Reserve, all qualified low-income
37 community investments required to meet the requirements of this
38 subsection must be made in qualified active low-income community
39 businesses located in rural census tracts within this State.

40 d. Any distribution or debt payment in violation of
41 G.S. 105-129.107(a).

42 e. Failure to comply with G.S. 105-129.108, 105-129.109, or
43 105-129.110.

44 (2) For purposes of this section, an investment shall be considered held by a
45 qualified community development entity even if the investment has been
46 sold or repaid if the qualified community development entity reinvests an
47 amount equal to the capital returned to or recovered by the qualified
48 community development entity from the original investment, exclusive of
49 any profits realized, in another qualified low-income community investment
50 within 12 months of the receipt of such capital. Periodic amounts received as
51 repayment of principal on a loan that is a qualified low-income community

1 investment shall be treated as continuously invested in a qualified
2 low-income community investment if the amounts are reinvested in one or
3 more qualified low-income community investments by the end of the
4 following calendar year. A qualified community development entity shall
5 not be required to reinvest capital returned from qualified low-income
6 community investments after the sixth anniversary of the issuance of the
7 qualified equity investment, and the qualified low-income community
8 investment shall be considered held by the qualified community
9 development entity through the seventh anniversary of the issuance of the
10 qualified equity investment.

- 11 (3) A recaptured reduction and the related qualified equity investment authority
12 under the Rural Reserve or the Statewide Reserve, as applicable, reverts
13 back to the Department and shall be reissued pro rata to other applicants
14 whose qualified equity investment allocations were reduced under this
15 section and thereafter in accordance with the application process.

16 **"§ 105-129.103. Notice of noncompliance.**

17 Enforcement of the disallowance under this Article shall not occur until the qualified
18 community development entity shall have been given notice of noncompliance and afforded six
19 months from the date of such notice to cure the noncompliance.

20 **"§ 105-129.104. Refundable performance deposit.**

21 (a) For each application submitted, a qualified community development entity that
22 seeks to have an equity investment or long-term debt security designated as a qualified equity
23 investment and eligible for a reduction under this Article shall make a performance deposit in
24 the amount of the greater of one-quarter of one percent (1/4 of 1%) of the amount of the equity
25 investment or long-term debt security requested to be designated as a qualified equity
26 investment or five hundred thousand dollars (\$500,000) to the Department for deposit in the
27 New Markets performance guarantee account, which is hereby established. The entity shall
28 forfeit the amount deposited if (i) the qualified community development entity together with
29 any qualified community development entities to which it has suballocated qualified equity
30 investment authority pursuant to G.S. 105-129.102(d), if any, fail to issue the total amount of
31 qualified equity investments certified by the Department and receive cash in the total amount
32 certified under G.S. 105-129.102 within 45 days after receiving notice of certification, or (ii)
33 the qualified community development entity or any qualified community development entity
34 that issues suballocated qualified equity investment authority pursuant to G.S. 105-129.102(d)
35 certified under this Article fails to invest at least eighty-five percent (85%) of the purchase
36 price of any qualified equity investment issued in qualified low-income community
37 investments within 12 months of the issuance of the qualified equity investment; provided that
38 forfeiture for the failure under clauses (i) and (ii) of this subsection is not subject to the cure
39 period established in G.S. 105-129.103.

40 (b) The performance deposit required under this section shall be paid to the Department
41 and held in the New Markets performance guarantee account without any portion being repaid
42 until such time as compliance with clause (ii) of subsection (a) of this section has been
43 established. The qualified community development entity may request a refund of the
44 performance deposit from the Department no sooner than 30 days after having met the
45 requirements of clause (ii) of subsection (a) of this section. The State Treasurer shall have 30
46 days to comply with the request or give notice of noncompliance.

47 **"§ 105-129.105. Letter rulings.**

48 (a) The Secretary shall issue letter rulings regarding the tax reduction program
49 authorized under this Article, subject to the terms and conditions set forth in this section. For
50 the purposes of this Article, the term "letter ruling" means a written interpretation of law to a
51 specific set of facts provided by the applicant requesting a letter ruling.

1 (b) The Secretary shall respond to a request for a letter ruling within 60 days of receipt
2 of such request. The applicant may provide a draft letter ruling for the Secretary's
3 consideration. The applicant may withdraw the request for a letter ruling, in writing, prior to the
4 issuance of the letter ruling. The Secretary may refuse to issue a letter ruling for good cause but
5 must list the specific reasons for refusing to issue the letter ruling. Good cause includes any of
6 the following:

7 (1) The applicant requests the director to determine whether a statute is
8 constitutional or a regulation is lawful.

9 (2) The request involves a hypothetical situation or alternative plan.

10 (3) The facts or issues presented in the request are unclear, overbroad,
11 insufficient, or otherwise inappropriate as a basis upon which to issue a letter
12 ruling.

13 (4) The issue is currently being considered in a rule-making procedure,
14 contested case, or other agency or judicial proceeding that may definitely
15 resolve the issue.

16 (c) Letter rulings shall bind the Secretary and the Secretary's agents and their successors
17 and all other State agencies until such time as the entity or its shareholders, members, or
18 partners, as applicable, claim all of the reductions on a North Carolina tax return or report,
19 subject to the terms and conditions set forth in properly published regulations. The letter ruling
20 shall apply only to the applicant.

21 (d) In rendering letter rulings and making other determinations under this Article, to the
22 extent applicable, the Department and the Department of Revenue shall look for guidance to
23 section 45D of the Internal Revenue Code of 1986, as amended, and the rules and regulations
24 issued thereunder.

25 **"§ 105-129.106. Retaliatory tax.**

26 An entity claiming a reduction under this Article is not required to pay any additional
27 retaliatory tax levied under G.S. 105-228.8 as a result of claiming the reduction. It is the intent
28 of the General Assembly that an entity claiming a reduction under this Article is not required to
29 pay any additional tax that may arise as a result of claiming that reduction.

30 **"§ 105-129.107. Decertification.**

31 (a) Once certified under this Article, a qualified equity investment may not be
32 decertified unless all of the requirements of this section have been met. Until all qualified
33 equity investments issued by a qualified community development entity or any transferee
34 qualified community development entity under G.S. 105-129.102(d) are decertified under this
35 section, the qualified community development entity or any transferee qualified community
36 development entity under G.S. 105-129.102(d) shall not be entitled to distribute to its equity
37 holders or make cash payments on long-term debt securities that have been designated as
38 qualified equity investments in an amount that exceeds the sum of (i) the cumulative operating
39 income, as defined by regulations adopted under section 45D of the Internal Revenue Code of
40 1986, as amended, earned by the qualified community development entity since issuance of the
41 qualified equity investment, prior to giving effect to any interest expense of long-term debt
42 securities designated as qualified equity investments and (ii) fifty percent (50%) of the
43 purchase price of the qualified equity investments issued by the qualified community
44 development entity.

45 (b) To be decertified, all of the following conditions must be met:

46 (1) The qualified equity investment is beyond its seventh reduction allowance
47 date.

48 (2) The qualified equity investment was in compliance with the requirements of
49 this Article through its seventh reduction allowance date, including any
50 cures.

1 (3) The qualified equity investment has its proceeds invested in qualified active
2 low-income community investments such that the total qualified active
3 low-income community investments made, cumulatively including
4 reinvestments, exceeds one hundred fifty percent (150%) of its qualified
5 equity investment. For purposes of making this calculation, qualified
6 low-income community investments to any one qualified active low-income
7 community business, on a collective basis with affiliates, in excess of seven
8 million dollars (\$7,000,000) are not included unless the investments are
9 made with capital returned or repaid from qualified low-income community
10 investments made by the qualified community development entity in other
11 qualified active low-income community businesses or interest earned on or
12 profits realized from any qualified low-income community investments.

13 (c) A qualified community development entity that seeks to have a qualified equity
14 investment decertified under this section shall send notice to the Department of its request for
15 decertification along with evidence supporting the request. The provisions of subdivision (2) of
16 subsection (b) of this section are met if no disallowance action has been commenced by the
17 Department as of the seventh reduction allowance date. A request under this section shall not
18 be unreasonably denied and shall be responded to within 30 days of receiving the request. If the
19 request is denied for any reason, the burden of proof shall be on the Department in any
20 administrative or legal proceeding that follows.

21 **"§ 105-129.108. Limitation on fees.**

22 No qualified community development entity shall be entitled to pay any affiliate of such
23 qualified community development entity any fees in connection with any activity under this
24 Article prior to decertification under G.S. 105-129.107 of all qualified equity investments
25 issued by the qualified community development entity. The foregoing shall not prohibit a
26 qualified community development entity from allocating or distributing income earned by it to
27 the affiliates or paying reasonable interest on amounts lent to the qualified community
28 development entity by such affiliates.

29 **"§ 105-129.109. Rural Investment Reserve.**

30 (a) Of the maximum total two hundred eight million three hundred thirty-three
31 thousand three hundred thirty-three dollars (\$208,333,333) of qualified equity investments
32 eligible for certification by the Department under G.S. 105-129.102, one hundred fifty-six

6 transfer takes place before the structure is placed in service. In this event, no other taxpayer
7 may claim such credit. A taxpayer is allowed to claim a credit under this section no more than

34 Historic Preservation Officer, may adopt rules needed to administer any certification process
35 required by this Article.

36 **(b) Fees.** – The North Carolina Historical Commission, in consultation with the State
37 Historic Preservation Officer, may adopt a schedule of fees for providing any certifications
38 required by this Article, or Article 3D or 3H as they provided as of December 31, 2014. In
39 establishing the fee schedule, the Commission shall consider the administrative and personnel
40 costs incurred by the Department of Cultural Resources. An application fee may not exceed one
41 percent (1%) of the completed qualifying rehabilitation expenditures. The proceeds of the fees
42 are receipts of the Department of Cultural Resources and must be used for performing its duties
43 under this Article.

44 **"§ 105-129.103. Tax credited; credit limitations.**

45 **(a) Tax Credited.** – The credits provided in this Article are allowed against the franchise
46 tax imposed in Article 3 of this Chapter, the income taxes levied in Article 4 of this Chapter, or
47 the gross premiums tax imposed in Article 8B of this Chapter. The taxpayer may take a credit
48 allowed by this Article against only one of the taxes against which it is allowed. The taxpayer
49 must elect the tax against which a credit will be claimed when filing the return on which it is
50 claimed, and this election is binding. Any carryforwards of a credit must be claimed against the
51 same tax.

1 (b) Return. – A taxpayer may claim a credit allowed by this Article on a return filed for
2 the taxable year in which the certified historic structure was placed into service. When an
3 income-producing certified historic structure as defined in G.S. 105-129.100 is placed into
4 service in two or more phases in different years, the amount of credit that may be claimed in a
5 year is the amount based on the qualified rehabilitation expenditures associated with the phase
6 placed into service during that year.

7 (c) Cap. – A credit allowed under this Article may not exceed the amount of the tax
8 against which it is claimed for the taxable year reduced by the sum of all credits allowed,
9 except payments of tax made by or on behalf of the taxpayer. Any unused portion of the credit
10 may be carried forward for the succeeding nine years.

11 (d) Forfeiture for Disposition. – A taxpayer who is required under section 50 of the
12 Code to recapture all or part of the federal credit for rehabilitating an income-producing historic
13 structure located in this State forfeits the corresponding part of the State credit allowed under
14 G.S. 105-129.100 with respect to that historic structure. If the credit was allocated among the
15 owners of a pass-through entity, the forfeiture applies to the owners in the same proportion that
16 the credit was allocated.

17 (e) Forfeiture for Change in Ownership. – If an owner of a pass-through entity that has
18 qualified for the credit allowed under G.S. 105-129.100 disposes of all or a portion of the
19 owner's interest in the pass-through entity within five years from the date the rehabilitated
20 historic structure is placed in service and the owner's interest in the pass-through entity is
21 reduced to less than two-thirds of the owner's interest in the pass-through entity at the time the
22 historic structure was placed in service, the owner forfeits a portion of the credit. The amount
23 forfeited is determined by multiplying the amount of credit by the percentage reduction in
24 ownership and then multiplying that product by the forfeiture percentage. The forfeiture
25 percentage equals the recapture percentage found in the table in section 50(a)(1)(B) of the
26 Code.

27 (f) Exceptions to Forfeiture. – Forfeiture as provided in subsection (e) of this section is
28 not required if the change in ownership is the result of any of the following:

29 (1) The death of the owner.

30 (2) A merger, consolidation, or similar transaction requiring approval by the
31 shareholders, partners, or members of the taxpayer under applicable State
32 law, to the extent the taxpayer does not receive cash or tangible property in
33 the merger, consolidation, or other similar transaction.

34 (g) Liability From Forfeiture. – A taxpayer or an owner of a pass-through entity that
35 forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus
36 interest at the rate established under G.S. 105-241.21, computed from the date the taxes would
37 have been due if the credit had not been allowed. The past taxes and interest are due 30 days
38 after the date the credit is forfeited. A taxpayer or owner of a pass-through entity that fails to
39 pay the taxes and interest by the due date is subject to the penalties provided in G.S. 105-236.

40 (h) Substantiation. – To claim a credit allowed by this Article, the taxpayer must
41 provide any information required by the Secretary of Revenue, including a copy of the
42 certification obtained from the State Historic Preservation Office verifying that the historic
43 structure has been rehabilitated in accordance with the requirements set out in this Article, and
44 a copy of the eligibility certification if the historic structure is located in an eligible targeted
45 investment site and the target investment bonus is claimed. Every taxpayer claiming a credit
46 under this Article must maintain and make available for inspection by the Secretary of Revenue
47 any records the Secretary considers necessary to determine and verify the amount of the credit
48 to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount
49 of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to
50 maintain adequate records or to make them available for inspection.

1 (i) No Double Credit. – A taxpayer that claims a credit under this Article may not also
2 claim a credit under Article 3D or Article 3H of this Chapter with respect to the same activity.

3 **"§ 105-129.104. Report; tracking.**

4 (a) The Department must include in the economic incentives report required by
5 G.S. 105-256 the following information itemized by taxpayer:

7 (2) The amount of rehabilitation expenses and qualified rehabilitation
8 expenditures with respect to which credits were taken.

13 taken against current taxes, by type of tax, during the relevant tax year.

14 (2) The total amount of tax credits carried forward, by type of tax.

17 incurred on or after January 1, 2021."

18 **SECTION 3.(b)** G.S. 105-129.75 reads as rewritten:

41 may be entered into that, when considered together with other existing agreements governing
42 grants awarded during a single calendar year, could cause the State's potential total annual
43 liability for grants awarded in a single calendar year to exceed this amount.

44 (d) Substantiation. – The Secretary shall work with the North Carolina Film Office to
45 adopt guidelines to provide a process to verify the actual qualifying expenses of a certified
46 production. The Secretary may not release grant funds until the substantiation process required
47 by this subsection is complete and the final verified amount of qualified expenses is
48 determined. The process shall require each of the following:

49 (1) The production company shall submit all the qualifying expenses for the
50 production and data substantiating the qualifying expenses, including
51 documentation on the net expenditure on equipment and other tangible

- 1 personal property to an independent certified public accountant licensed in
2 this State.
- 3 (2) The accountant shall conduct a compliance audit, at the certified
4 production's expense, pursuant to guidelines established by the Secretary and
5 submit the results as a report, along with the required substantiating data, to
6 the production company and the North Carolina Film Office.
- 7 (3) The North Carolina Film Office shall review the report and advise the
8 Department on the final verified amount of qualifying expenses made by the
9 certified production.
- 10 (e) Report. – The Department shall provide to the Department of Revenue, and the
11 Department of Revenue must include in the economic incentives report required by
12 G.S. 105-256, the following information, itemized by production company:
- 13 (1) The location of sites used in a production for which a grant was awarded.
14 (2) The qualifying expenses, classified by whether the expenses were for goods,
15 services, or compensation paid by the production company.
16 (3) The number of people employed in the State with respect to grants awarded,
17 including the number of residents of the State employed.
18 (4) The total cost of the grants awarded.
- 19 (f) NC Film Office. – To claim a grant under this section, a production company must
20 notify the Division of Tourism, Film, and Sports Development in the Department of Commerce
21 of its intent to apply for a grant. The notification must include the title of the production, the
22 name of the production company, a financial contact for the production company, the proposed
23 dates on which the production company plans to begin filming the production, and any other
24 information required by the Division.
- 25 (g) Guidelines. – The Department of Commerce shall develop guidelines related to the
26 administration of the Film and Entertainment Grant Fund and to the selection of productions
27 that will receive grants from the Fund. At least 20 days before the effective date of any
28 guidelines or nontechnical amendments to the guidelines, the Department of Commerce shall
29 publish the proposed guidelines on the Department's Web site and provide notice to persons
30 who have requested notice of proposed guidelines. In addition, the Department must accept oral
31 and written comments on the proposed guidelines during the 15 business days beginning on the
32 first day that the Department has completed these notifications.
- 33 (h) Clawback. – If a production company receiving a grant fails to meet or comply with
34 any condition or requirement set forth in an agreement or with criteria developed by the
35 Department, the Department shall reduce the amount of the grant or the term of the agreement
36 or both. The reduction in the amount or the term must, at a minimum, be proportional to the
37 failure to comply measured relative to the condition or criterion with respect to which the
38 failure occurred. The Department may reduce the amount or term of a grant by notifying the
39 production company of the reduction of the grant in accordance with program policies adopted
40 by the Department for the treatment of failures by production companies to meet or comply
41 with a condition or requirement set forth in the grant agreement, and it shall not be necessary to
42 execute an amendment to the applicable grant agreement. The notification to an affected
43 production company shall indicate the reduction in the amount or the term.
- 44 (i) Study. – The Department shall conduct a study to determine the minimum funding
45 level required to implement the Film and Entertainment Grant Fund successfully. The
46 Department shall report the results of this study to the House of Representatives Finance
47 Committee, the Senate Finance Committee, the House of Representatives Appropriations
48 Subcommittee on Natural and Economic Resources, the Senate Appropriations Committee on
49 Natural and Economic Resources, and the Fiscal Research Division no later than April 1 of
50 each year."

1 **SECTION 4.(b)** This Part is effective when it becomes law and applies to awards
2 from the Film and Entertainment Grant Fund made on or after that date.

4 **PART V. LOW-INCOME HOUSING TAX CREDITS**

5 **SECTION 5.(a)** Article 3H of Subchapter I of Chapter 105 of the General Statutes
6 is reenacted as it existed immediately before its repeal and reads as rewritten:

7 "Article 3E.

8 "Low-Income Housing Tax Credits.

9 **"§ 105-129.40. Scope and definitions.**

10 (a) Scope. – G.S. 105-129.41 applies to buildings that are awarded a federal credit
11 allocation before January 1, 2003. G.S. 105-129.42 applies to buildings that are awarded a
12 federal credit allocation on or after January 1, 2003.

13 (b) Definitions. – The definitions in section 42 of the Code and the following
14 definitions apply in this Article:

15 (1) Housing Finance Agency. – The North Carolina Housing Finance Agency
16 established in G.S. 122A-4.

17 (2) Pass-through entity. – Defined in G.S. 105-228.90.

18 ...

19 **"§ 105-129.42. Credit for low-income housing awarded a federal credit allocation on or
20 after January 1, 2003.**

21 (a) Definitions. – The following definitions apply in this section:

22 (1) Qualified Allocation Plan. – The plan governing the allocation of federal
23 low-income housing tax credits for a particular year, as approved by the
24 Governor after a public hearing and publication in the North Carolina
25 Register.

26 (2) Qualified North Carolina low-income housing development. – A qualified
27 low-income project or building that is allocated a federal tax credit under
28 section 42(h)(1) of the Code and is described in subsection (c) of this
29 section.

30 (3) Qualified residential unit. – A housing unit that meets the requirements of
31 section 42 of the Code.

32 (b) Credit. – A taxpayer who is allocated a federal low-income housing tax credit under
33 section 42 of the Code to construct or substantially rehabilitate a qualified North Carolina
34 low-income housing development located in a development tier one or two area, as defined in
35 G.S. 143B-437.08, an urban progress zone, as defined in G.S. 143B-437.09, or an agrarian
36 growth zone, as defined in G.S. 143B-437.010, is allowed a credit equal to a percentage of the
37 development's qualified basis, as determined pursuant to section 42 of the Code. For the
38 purpose of this section, qualified basis is calculated based on the information contained in the
39 carryover allocation and is not recalculated to reflect subsequent increases or decreases. No
40 credit is allowed for a development that uses tax-exempt bond financing.

41 (c) Developments and Amounts. – The following table sets out the housing
42 developments that are qualified North Carolina low-income housing developments and are
43 allowed a credit under this section. The table also sets out the percentage of the development's
44 qualified basis for which a credit is allowed. The designation of a county or city as Low
45 Income, Moderate Income, or High Income and determinations of affordability are made by the
46 Housing Finance Agency in accordance with the Qualified Allocation Plan in effect as of the
47 time the federal credit is allocated. A change in the income designation of a county or city after
48 a federal credit is allocated does not affect the percentage of the developer's qualified basis for
49 which a credit is allowed. The affordability requirements set out in the chart apply for the
50 duration of the federal tax credit compliance period. If in any year a taxpayer fails to meet these
51 affordability requirements, the credit is forfeited under subsection (h) of this section.

24		

25 (d) Election. – When a taxpayer to whom a federal low-income housing credit is
 26 allocated submits to the Housing Finance Agency a request to receive a carryover allocation for
 27 that credit, the taxpayer must elect a method for receiving the tax credit allowed by this section.
 28 A taxpayer may elect to receive the credit in the form of either a direct tax refund or a loan
 29 generated by transferring the credit to the Housing Finance Agency. Neither a direct tax refund
 30 nor a loan received as the result of the transfer of the credit is considered taxable income under
 31 this Chapter.

32 Under the direct tax refund method, a taxpayer elects to apply the credit allowed by this
 33 section to the taxpayer's liability under Article 4 of this Chapter. If the credit allowed by this
 34 section exceeds the amount of tax imposed by Article 4 for the taxable year, reduced by the
 35 sum of all other credits allowable, the Secretary must refund the excess. In computing the
 36 amount of tax against which multiple credits are allowed, nonrefundable credits are subtracted
 37 before this credit. The provisions that apply to an overpayment of tax apply to the refundable
 38 excess of a credit allowed under this section.

39 Under the loan method, a taxpayer elects to transfer the credit allowed by this section to the
 40 Housing Finance Agency and receive a loan from that Agency for the amount of the credit. The
 41 terms of the loan are specified by the Housing Finance Agency in accordance with the
 42 Qualified Allocation Plan.

43 (e) Exception When No Carryover. – If a taxpayer does not submit to the Housing
 44 Finance Agency a request to receive a carryover allocation, the taxpayer must elect the method
 45 for receiving the credit allowed by this section when the taxpayer submits to the Agency
 46 federal Form 8609. A taxpayer to whom this subsection applies claims the credit for the taxable
 47 year in which the taxpayer submits federal Form 8609.

48 (f) Pass-Through Entity. – Notwithstanding the provisions of G.S. 105-131.8 and
 49 G.S. 105-269.15, a pass-through entity that qualifies for the credit provided in this Article does
 50 not distribute the credit among any of its owners. The pass-through entity is considered the
 51 taxpayer for purposes of claiming the credit allowed by this Article. If a return filed by a

1 pass-through entity indicates that the entity is paying tax on behalf of the owners of the entity,
2 the credit allowed under this Article does not affect the entity's payment of tax on behalf of its
3 owners.

4 (g) Return and Payment. – A taxpayer may claim the credit allowed by this section on a
5 return filed for the taxable year in which the taxpayer receives a carryover allocation of a
6 federal low-income housing credit. The return must state the name and location of the qualified
7 low-income housing development for which the credit is claimed.

8 If a taxpayer chooses the loan method for receiving the credit allowed under this section,
9 the Secretary must transfer to the Housing Finance Agency the amount of credit allowed the
10 taxpayer. The Agency must loan the taxpayer the amount of the credit on terms consistent with
11 the Qualified Allocation Plan. The Housing Finance Agency is not required to make a loan to a
12 qualified North Carolina low-income housing development until the Secretary transfers the
13 credit amount to the Agency.

14 If the taxpayer chooses the direct tax refund method for receiving the credit allowed under
15 this section, the Secretary must transfer to the Housing Finance Agency the refundable excess
16 of the credit allowed the taxpayer. The Agency holds the refund due the taxpayer in escrow,
17 with no interest accruing to the taxpayer during the escrow period. The Agency must release
18 the refund to the taxpayer upon the occurrence of the earlier of the following:

- 19 (1) The Agency determines that the taxpayer has complied with the Qualified
20 Allocation Plan and has completed at least fifty percent (50%) of the
21 activities included in the development's qualified basis.
- 22 (2) Within 30 days after the date the development is placed in service.

23 (h) Forfeiture. – A taxpayer that receives a credit under this section must immediately
24 report any recapture event under section 42 of the Code to the Housing Finance Agency. If the
25 taxpayer or any of its owners are required under section 42(j) of the Code to recapture all or
26 part of a federal credit with respect to a qualified North Carolina low-income development, the
27 taxpayer forfeits the corresponding part of the credit allowed under this section. This
28 requirement does not apply in the following circumstances:

- 29 (1) When the recapture of part or all of the federal credit is the result of an event
30 that occurs in the sixth or a subsequent calendar year after the calendar year
31 in which the development was awarded a federal credit allocation.
- 32 (2) The taxpayer elected to transfer the credit allowed by this section to the
33 Housing Finance Agency.

34 (i) Liability From Forfeiture. – A taxpayer that forfeits all or part of the credit allowed
35 under this section is liable for all past taxes avoided and any refund claimed as a result of the
36 credit plus interest at the rate established under G.S. 105-241.21. The interest is computed from
37 the date the Secretary transferred the credit amount to the Housing Finance Agency. The past
38 taxes, refund, and interest are due 30 days after the date the credit is forfeited. A taxpayer that
39 fails to pay the taxes, refund, and interest by the due date is subject to the penalties provided in
40 G.S. 105-236.

42 "§ 105-129.45. Sunset.

43 This Article is repealed effective January 1, ~~2015-2020~~. The repeal applies to developments
44 to which federal credits are allocated on or after January 1, ~~2015-2020~~."

45 **SECTION 5.(b)** This Part is effective when it becomes law and applies to
46 developments to which federal credits are allocated on or after that date.

47

48 **PART VI. CREDIT FOR MANUFACTURING CIGARETTES FOR EXPORTATION**

49 **SECTION 6.(a)** G.S. 105-130.45 reads as rewritten:

50 **"§ 105-130.45. Credit for manufacturing cigarettes for exportation.**

51 (a) Definitions. – The following definitions apply in this section:

- 1 (1) Base year exportation volume. – The number of cigarettes manufactured and
- 2 exported by a corporation during the calendar year 2003.
- 3 (2) Exportation. – The shipment of cigarettes manufactured in the United States
- 4 to any of the following sufficient to relieve the cigarettes in the shipment of
- 5 the federal excise tax on cigarettes:
- 6 a. A foreign country.
- 7 b. A possession of the United States.
- 8 c. A commonwealth of the United States that is not a state.
- 9 (3) Successor in business. – A corporation that through amalgamation, merger,
- 10 acquisition, consolidation, or other legal succession becomes invested with
- 11 the rights and assumes the burdens of the predecessor corporation and
- 12 continues the cigarette exportation business.

13 (b) Credit. – A corporation engaged in the business of manufacturing cigarettes for
 14 exportation to a foreign country and that waterborne exports cigarettes and other tobacco
 15 products through the North Carolina State Ports during the taxable year is allowed a credit
 16 against the taxes levied by this Part. The amount of credit allowed under this section is
 17 determined by comparing the exportation volume of the corporation in the year for which the
 18 credit is claimed with the corporation's base year exportation volume, rounded to the nearest
 19 whole percentage. In the case of a successor in business, the amount of credit allowed under
 20 this section is determined by comparing the exportation volume of the corporation in the year
 21 for which the credit is claimed with all of the corporation's predecessor corporations' combined
 22 base year exportation volume, rounded to the nearest whole percentage. The amount of credit
 23 allowed may not exceed six million dollars (\$6,000,000) and is computed as follows:

24	25 Current Year's Exportation	26 Volume Compared to its	27 Base Year's Exportation Volume	28 Amount of Credit
29				30 per Thousand
31				32 Cigarettes Exported
33	120% or more			40¢
34	119% – 100%			35¢
35	99% – 80%			30¢
36	79% – 60%			25¢
37	59% – 50%			20¢
38	Less than 50%			None

39 (c) Cap. – The credit allowed under this section may not exceed the lesser of six million
 40 dollars (\$6,000,000) or fifty percent (50%) of the amount of tax imposed by this Part for the
 41 taxable year reduced by the sum of all other credits allowable, except tax payments made by or
 42 on behalf of the taxpayer. This limitation applies to the cumulative amount of the credit
 43 allowed in any tax year, including carryforwards claimed by the taxpayer under this section for
 44 previous tax years. Any unused portion of a credit allowed in this section may be carried
 45 forward for the next succeeding ten years.

46 (d) Documentation of Credit. – A corporation that claims the credit under this section
 47 must include the following with its tax return:

- 48 (1) A statement of the base year exportation volume.
- 49 (2) A statement of the exportation volume on which the credit is based.
- 50 (3) A list of the corporation's export volumes shown on its monthly reports to
 the Alcohol and Tobacco Tax and Trade Bureau of the United States
 Treasury for the months in the tax year for which the credit is claimed.

(e) No Double Credit. – A taxpayer may not claim this credit and the credit allowed
 under G.S. 105-130.46 for the same activity.

1 (f) Report. – The Department must include in the economic incentives report required
2 by G.S. 105-256 the following information itemized by taxpayer:

- 3 (1) The number of taxpayers taking a credit allowed in this section.
- 4 (2) The total amount of exports with respect to which credits were taken.
- 5 (3) The total cost to the General Fund of the credits taken.

6 (g) Sunset. – This section is repealed effective for cigarettes exported on or after
7 January 1, 2020."

8 **SECTION 6.(b)** G.S. 105-130.46 reads as rewritten:

9 **"§ 105-130.46. Credit for manufacturing cigarettes for exportation while increasing**
10 **employment and utilizing State Ports.**

11 (a) Purpose. – The credit authorized by this section is intended to enhance the economy
12 of this State by encouraging qualifying cigarette manufacturers to increase employment in this
13 State with the purpose of expanding this State's economy, the use of the North Carolina State
14 Ports, and the use of other State goods and services, including tobacco.

15 (b) Definitions. – The following definitions apply in this section:

- 16 (1) Employment level. – The total number of full-time jobs and part-time jobs
17 converted into full-time equivalences. A job is included in the employment
18 level for a year only if that job is located within the State for more than six
19 months of the year. A job is located in this State if more than fifty percent
20 (50%) of the employee's duties are performed in this State.
- 21 (2) Exportation. – The shipment of cigarettes manufactured in the United States
22 to a foreign country sufficient to relieve the cigarettes in the shipment of the
23 federal excise tax on cigarettes.
- 24 (3) Full-time job. – A position that requires at least 1,600 hours of work per year
25 and is intended to be held by one employee during the entire year.
- 26 (4) Successor in business. – A corporation that through amalgamation, merger,
27 acquisition, consolidation, or other legal succession becomes invested with
28 the rights and assumes the burdens of the predecessor corporation and
29 continues the cigarette exportation business.

30 (c) Employment Level. – In order to be eligible for a full credit allowed under this
31 section, the corporation must maintain an employment level in this State for the taxable year
32 that exceeds the corporation's employment level in this State at the end of the 2004 calendar
33 year by at least 800 full-time jobs. In the case of a successor in business, the corporation must
34 maintain an employment level in this State for the taxable year that exceeds all its predecessor
35 corporations' combined employment levels in this State at the end of the 2004 calendar year by
36 at least 800 full-time jobs.

37 (d) Credit. – A corporation that satisfies the employment level requirement under
38 subsection (c) of this section, is engaged in the business of manufacturing cigarettes for
39 exportation, and exports cigarettes and other tobacco products through the North Carolina State
40 Ports during the taxable year is allowed a credit as provided in this section. The amount of
41 credit allowed under this section is equal to forty cents (40¢) per one thousand cigarettes
42 exported. The amount of credit earned during the taxable year may not exceed ten million
43 dollars (\$10,000,000).

44 (e) Reduction of Credit. – A corporation that has previously satisfied the qualification
45 requirements of this section but that fails to satisfy the employment level requirement in a
46 succeeding year may still claim a partial credit for the year in which the employment level
47 requirement is not satisfied. The partial credit allowed is equal to the credit that would
48 otherwise be allowed under subsection (d) of this section multiplied by a fraction. The
49 numerator of the fraction is the number of full-time jobs by which the corporation's
50 employment level in this State for the taxable year exceeds the corporation's employment level
51 in this State at the end of the 2004 calendar year. The denominator of the fraction is 800. In the

1 case of a successor in business, the numerator of the fraction is the number of full-time jobs by
2 which the corporation's employment level in this State for the taxable year exceeds all its
3 predecessor corporations' combined employment levels in this State at the end of the 2004
4 calendar year.

5 (f) Allocation. – The credit allowed by this section may be taken against the income
6 taxes levied under this Part or the franchise taxes levied under Article 3 of this Chapter. When
7 the taxpayer claims a credit under this section, the taxpayer must elect the percentage of the
8 credit to be applied against the taxes levied under this Part with any remaining percentage to be
9 applied against the taxes levied under Article 3 of this Chapter. This election is binding for the
10 year in which it is made and for any carryforwards. A taxpayer may elect a different allocation
11 for each year in which the taxpayer qualifies for a credit.

12 (g) Ceiling. – The total amount of credit that may be taken in a taxable year under this
13 section may not exceed the lesser of the amount of credit which may be earned for that year
14 under subsection (d) of this section or fifty percent (50%) of the amount of tax against which
15 the credit is taken for the taxable year reduced by the sum of all other credits allowable, except
16 tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative
17 amount of the credit allowed in any tax year, including carryforwards claimed by the taxpayer
18 under this section or G.S. 105-130.45 for previous tax years.

19 (h) Carryforward. – Any unused portion of a credit allowed in this section may be
20 carried forward for the next succeeding 10 years. All carryforwards of a credit must be taken
21 against the tax against which the credit was originally claimed. A successor in business may
22 take the carryforwards of a predecessor corporation as if they were carryforwards of a credit
23 allowed to the successor in business.

24 (i) Documentation of Credit. – A corporation that claims the credit under this section
25 must include the following with its tax return:

- 26 (1) A statement of the exportation volume on which the credit is based.
- 27 (2) A list of the corporation's export volumes shown on its monthly reports to
28 the Alcohol and Tobacco Tax and Trade Bureau of the United States
29 Treasury for the months in the tax year for which the credit is claimed.
- 30 (3) Any other information required by the Department of Revenue.

31 (j) No Double Credit. – A taxpayer may not claim this credit and the credit allowed
32 under G.S. 105-130.45 for the same activity.

33 (k) Report. – The Department must include in the economic incentives report required
34 by G.S. 105-256 the following information itemized by taxpayer:

- 35 (1) The number of taxpayers that took the credit allowed in this section.
- 36 (2) The amount of cigarettes and other tobacco products exported through the
37 North Carolina State Ports with respect to which credits were taken.
- 38 (3) The percentage of domestic leaf content in cigarettes produced during the
39 previous year, as reported by the taxpayer.
- 40 (4) The total cost to the General Fund of the credits taken.

41 (l) Sunset. – This section expires for exports occurring on or after January 1, 2020."

42 **SECTION 6.(c)** This Part is effective when it becomes law.

43 44 **PART VII. USE OF NORTH CAROLINA PORTS CREDIT**

45 **SECTION 7.(a)** G.S. 105-130.41 is reenacted as it existed immediately before its
46 repeal and reads as rewritten:

47 "**§ 105-130.41. Credit for North Carolina State Ports Authority wharfage, handling, and**
48 **throughput charges.**

49 (a) Credit. – A taxpayer whose waterborne cargo is loaded onto or unloaded from an
50 ocean carrier calling at the State-owned port terminal at Wilmington or Morehead City, without
51 consideration of the terms under which the cargo is moved, is allowed a credit against the tax

1 imposed by this Part. The amount of credit allowed is equal to the excess of the wharfage,
2 handling (in or out), and throughput charges assessed on the cargo for the current taxable year
3 over an amount equal to the average of the charges for the current taxable year and the two
4 preceding taxable years. The credit applies to forest products, break-bulk cargo and container
5 cargo, including less-than-container-load cargo, that is loaded onto or unloaded from an ocean
6 carrier calling at either the Wilmington or Morehead City port terminal and to bulk cargo that is
7 loaded onto or unloaded from an ocean carrier calling at the Morehead City port terminal. To
8 obtain the credit, taxpayers must provide to the Secretary a statement from the State Ports
9 Authority certifying the amount of charges for which a credit is claimed and any other
10 information required by the Secretary.

11 (b) Limitations. – This credit may not exceed fifty percent (50%) of the amount of tax
12 imposed by this Part for the taxable year reduced by the sum of all credits allowable, except tax
13 payments made by or on behalf of the corporation. Any unused portion of the credit may be
14 carried forward for the succeeding five years. The maximum cumulative credit that may be
15 claimed by a corporation under this section is two million dollars (\$2,000,000).

16 (c) Definitions. – For purposes of this section, the terms "handling" (in or out) and
17 "wharfage" have the meanings provided in the State Ports Tariff Publications, "Wilmington
18 Tariff, Terminal Tariff #6," and "Morehead City Tariff, Terminal Tariff #1." For purposes of
19 this section, the term "throughput" has the same meaning as "wharfage" but applies only to
20 bulk products, both dry and liquid.

21 (c1) Report. – The Department must include in the economic incentives report required
22 by G.S. 105-256 the following information itemized by taxpayer:

23 (1) The number of taxpayers taking a credit allowed in this section.

24 (2) The total amount of charges assessed for the taxable year.

25 (2a) The amount of the charges attributable to imports.

26 (2b) The amount of the charges attributable to exports.

27 (3) The total cost to the General Fund of the credits taken.

28 (d) Sunset. – This section is repealed effective for taxable years beginning on or after
29 January 1, ~~2014~~2020.

30 **SECTION 7.(b)** This Part is effective for taxable years beginning on or after
31 January 1, 2015.

32 **PART VIII. QUALIFIED BUSINESS INVESTMENTS**

33 **SECTION 8.(a)** Part 5 of Article 4 of Subchapter I of Chapter 105 of the General
34 Statutes is reenacted as it existed immediately before its repeal and reads as rewritten:

37 **"§ 105-163.011. Tax credits allowed.**

38 (a) No Credit for Brokered Investments. – No credit is allowed under this section for a
39 purchase of equity securities or subordinated debt if a broker's fee or commission or other
40 similar remuneration is paid or given directly or indirectly for soliciting the purchase.

41 (b) Individuals. – Subject to the limitations contained in G.S. 105-163.012, an
42 individual who purchases the equity securities or subordinated debt of a qualified business
43 directly from that business is allowed as a credit against the tax imposed by Part 2 of this
44 Article for the taxable year an amount equal to twenty-five percent (25%) of the amount
45 invested. The aggregate amount of credit allowed an individual for one or more investments
46 made in a single taxable year under this Part, whether directly or indirectly as owner of a
47 pass-through entity, may not exceed fifty thousand dollars (\$50,000). The credit may not be
48 taken for the year in which the investment is made but may be taken for the taxable year
49 beginning during the calendar year in which the application for the credit becomes effective as
50 provided in subsection (c) of this section.
51

(b1) Pass-Through Entities. – This subsection does not apply to a pass-through entity that has committed capital under management in excess of five million dollars (\$5,000,000) or to a pass-through entity that is a qualified business or a North Carolina Enterprise Corporation. Subject to the limitations provided in G.S. 105-163.012, a pass-through entity that purchases the equity securities or subordinated debt of a qualified business directly from the business is eligible for a tax credit equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit allowed a pass-through entity for one or more investments made in a single taxable year under this Part, whether directly or indirectly as owner of another pass-through entity, may not exceed seven hundred fifty thousand dollars (\$750,000). The pass-through entity is not eligible for the credit for the year in which the investment by the pass-through entity is made but is eligible for the credit for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section.

Each individual who is an owner of a pass-through entity is allowed as a credit against the tax imposed by Part 2 of this Article for the taxable year an amount equal to the owner's allocated share of the credits for which the pass-through entity is eligible under this subsection. The aggregate amount of credit allowed an individual for one or more investments made in a single taxable year under this Part, whether directly or indirectly as owner of a pass-through entity, may not exceed fifty thousand dollars (\$50,000).

If an owner's share of the pass-through entity's credit is limited due to the maximum allowable credit under this section for a taxable year, the pass-through entity and its owners may not reallocate the unused credit among the other owners.

(c) Application. – To be eligible for the tax credit provided in this section, the taxpayer must file an application for the credit with the Secretary. The application should be filed on or before April 15 of the year following the calendar year in which the investment was made. The Secretary may not accept an application filed after October 15 of the year following the calendar year in which the investment was made. An application is effective for the year in which it is timely filed. The application must be on a form prescribed by the Secretary and must include any supporting documentation that the Secretary may require. If an investment for which a credit is applied for was paid for other than in money, the taxpayer must include with the application a certified appraisal of the value of the property used to pay for the investment. The application for a credit for an investment made by a pass-through entity must be filed by the pass-through entity.
