As used in this Subchapter, unless the context clearly requires otherwise, the following words have the listed meanings: (8a) Department. - Each county's child welfare agency. Unless the context clearly implies otherwise, when used in this Subchapter, "department" or "department of social services" shall refer to the county agency providing child welfare services, regardless of the name of the agency or whether the county has consolidated human services, pursuant to G.S. 153A-77. (15a) Nonrelative kin. – An individual having a substantial relationship with the juvenile. In the case of a juvenile member of a State-recognized tribe as set forth in G.S. 143B-407(a), nonrelative kin also includes any member of a State-recognized tribe or a member of a federally recognized tribe, whether or not there is a substantial relationship with the juvenile. **SECTION 2.** G.S. 7B-401.1 reads as rewritten: "§ 7B-401.1. Parties. Petitioner. - Only a county director of social services or the director's authorized representative may file a petition alleging that a juvenile is abused, neglected, or dependent. The petitioner shall remain a party until the court terminates its jurisdiction in the case. Parents. – The juvenile's parent shall be a party unless one of the following applies: (b) The parent's rights have been terminated. The parent has relinquished the juvenile for adoption, unless the court orders (2) that the parent be made a party. The parent has been convicted under G.S. 14-27.2 or G.S. 14-27.3 for an (3) offense that resulted in the conception of the juvenile. Guardian. – A person who is the child's court-appointed guardian of the person or general guardian when the petition is filed shall be a party. A person appointed as the child's

- (d) Custodian. A person who is the juvenile's custodian, as defined in G.S. 7B-101(8), when the petition is filed shall be a party. A person to whom custody of the juvenile is awarded in the juvenile proceeding shall automatically become a party but only if the court has found that the custody arrangement is the permanent plan for the juvenile.
- (e) Caretaker. A caretaker shall be a party only if (i) the petition includes allegations relating to the caretaker, (ii) the caretaker has assumed the status and obligation of a parent, or (iii) the court orders that the caretaker be made a party.
- (e1) Foster Parent.  - (f) The Juvenile. The juvenile shall be a party.
- (g) Removal of a Party. If a guardian, custodian, or caretaker is a party, the court may discharge that person from the proceeding, making the person no longer a party, if the court finds that the person does not have legal rights that may be affected by the action and that the person's continuation as a party is not necessary to meet the juvenile's needs.
- (h) Intervention. Except as provided in G.S. 7B-1103(b), G.S. 7B-1103(b) and subsection (e1) of this section, the court shall not allow intervention by a person who is not the juvenile's parent, guardian, custodian, or caretaker but may allow intervention by another county department of social services that has an interest in the proceeding. This section shall not prohibit the court from consolidating a juvenile proceeding with a civil action or claim for custody pursuant to G.S. 7B-200."

SECTION 3. G.S. 7B-502 reads as rewritten:

"§ 7B-502. Authority to issue custody orders; delegation.

- (a) In the case of any juvenile alleged to be within the jurisdiction of the court, the court may order that the juvenile be placed in nonsecure custody pursuant to criteria set out in G.S. 7B-503 when custody of the juvenile is necessary. The order for nonsecure custody may be entered ex parte. Unless the petition is being filed pursuant to G.S. 7B-404, telephonic communication of intent to seek nonsecure custody shall be given to counsel, or if unavailable, to a partner or employee at the attorney's office when any of the following occur:
 - (1) The department has received written notification that a respondent has counsel for the juvenile matter.

(b) Any district court judge shall have the authority to issue nonsecure custody orders pursuant to G.S. 7B-503. The chief district court judge may delegate the court's authority to persons other than district court judges by administrative order which shall be filed in the office of the clerk of superior court. The administrative order shall specify which persons shall be contacted for approval of a nonsecure custody order pursuant to G.S. 7B-503."

SECTION 4. G.S. 7B-505 reads as rewritten:

"§ 7B-505. Placement while in nonsecure custody.

- (a) A juvenile meeting the criteria set out in G.S. 7B-503 may be placed in nonsecure custody with the department of social services or a person designated in the order for temporary residential placement in:

- Any other home or facility, including a relative's home approved by the (3) court and designated in the order.
- The court shall order the department to make diligent efforts to notify relatives and any custodial parents of the juvenile's siblings that the juvenile is in nonsecure custody and of any hearings scheduled to occur pursuant to G.S. 7B-506, unless the court finds the notification would be contrary to the juvenile's best interest. In placing a juvenile in nonsecure custody under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the relative unless the court finds that placement with the relative would be contrary to the best interests of the juvenile.
- If the court does not place the juvenile with a relative, the court may consider whether nonrelative kin or a custodial parent of the juvenile's sibling is willing and able to provide proper care and supervision of the juvenile in a safe home. Nonrelative kin is an individual having a substantial relationship with the juvenile. In the case of a juvenile member of a State recognized tribe as set forth in G.S. 143B-407(a), nonrelative kin also includes any member of a State-recognized tribe or a member of a federally recognized tribe, whether or not there is a substantial relationship with the juvenile. The court may order the Department department to notify the juvenile's State-recognized tribe of the need for nonsecure custody for the purpose of locating relatives or nonrelative kin for placement. The court may order placement of the juvenile with nonrelative kin if the court finds the placement is in the juvenile's best interests.
- In placing a juvenile in nonsecure custody under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. In placing a juvenile in nonsecure custody under this section, the court shall consider the Indian Child Welfare Act, Pub. L. No. 95-608, 25 U.S.C. §§ 1901, et seq., as amended, and the Howard M. Metzenbaum Multiethnic Placement Act of 1994, Pub. L. No. 103-382, 108 Stat. 4056, as amended, as they may apply. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children, Article 38 of this Chapter."

SECTION 5. Article 5 of Chapter 7B of the General Statutes is amended by adding a new section to read:

"§ 7B-505.1. Juvenile placed in nonsecure custody of a department of social services.

- Unless the court orders otherwise, when a juvenile is placed in the nonsecure custody of a county department of social services, the director may arrange for, provide, or consent to any of the following:
 - (1) Routine medical and dental care or treatment.
 - Emergency medical, surgical, psychiatric, psychological, or mental health **(2)** care or treatment.
- When placing a juvenile in nonsecure custody of a county department of social services pursuant to G.S. 7B-502, the court may authorize the director to consent to a Child Medical Evaluation upon written findings that demonstrate the director's compelling interest in having the juvenile evaluated prior to the hearing required by G.S. 7B-506.
- The director shall obtain consent from the juvenile's parent, guardian, or custodian for all care or treatment not covered by subsection (a) or (b) of this section, except that the court may authorize the director to provide consent after a hearing at which the court finds by clear and convincing evidence that the care, treatment, or evaluation requested is in the juvenile's best interest. Care and treatment covered by this subsection includes:
 - Prescriptions for psychotropic medications. (1)
 - Participation in clinical trials. (2)

- (3) Immunizations when it is known that the parent has a bona fide religious objection to the standard schedule of immunizations.
- (4) Child Medical Evaluations not governed by subsection (b), comprehensive clinical assessments, or other mental health evaluations.
- (5) Surgical, medical, or dental procedures or tests that require informed consent.
- (6) <u>Psychiatric, psychological, or mental health care or treatment that requires informed consent.</u>
- (d) For any care or treatment provided, the director shall make reasonable efforts to promptly notify the parent, guardian, or custodian that care or treatment will be or has been provided and give the parent or guardian frequent status reports on the juvenile's treatment and the care provided. Upon request of the juvenile's parent, guardian, or custodian, the director shall make available to the parent, guardian, or custodian any results or records of the aforementioned evaluations, except when prohibited by G.S. 122C-53(d). The results of a Child Medical Evaluation shall only be disclosed according to the provisions of G.S. 7B-700.
- (e) To the extent provided by federal law, the department may disclose confidential information deemed necessary for the juvenile's assessment and treatment to a health care provider serving the juvenile.
- (f) Unless the court has ordered otherwise, to the extent provided by federal law, a health care provider shall disclose confidential information about a juvenile to a director of a county department of social services with custody of the juvenile and a parent, guardian, or custodian.
- (g) The director is immune from any civil or criminal liability that might otherwise be incurred or imposed as a result of any action taken or omission pursuant to the requirements of this section as long as the director was acting in good faith. The immunity established by this subsection does not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable."

SECTION 6. G.S. 7B-506(h)(2a) reads as rewritten:

"(h) At each hearing to determine the need for continued custody, the court shall determine the following:

. .

(2a) If the court does not place the juvenile with a relative, the court may consider whether nonrelative kin is willing and able to provide proper care and supervision of the juvenile in a safe home. Nonrelative kin is an individual having a substantial relationship with the juvenile. In the case of a juvenile member of a State recognized tribe as set forth in G.S. 143B-407(a), nonrelative kin also includes any member of a State recognized tribe or a member of a federally recognized tribe, whether or not there is a substantial relationship with the juvenile. The court may order the Department department to notify the juvenile's State-recognized tribe of the need for nonsecure custody for the purpose of locating relatives or nonrelative kin for placement. The court may order placement of the juvenile with nonrelative kin if the court finds the placement is in the juvenile's best interests."

SECTION 7. G.S. 7B-507 reads as rewritten:

"§ 7B-507. Reasonable efforts. Juvenile placed in nonsecure custody of a department of social services.

The court may find that efforts to prevent the need for the juvenile's placement were precluded by an immediate threat of harm to the juvenile. A finding that reasonable efforts were not made by a county department of social services shall not preclude the entry of an order authorizing the juvenile's placement when the court finds that placement is necessary for the protection of the juvenile.
- (3) Shall contain findings as to whether a county department of social services should continue to make reasonable efforts to prevent or eliminate the need for placement of the juvenile, unless the court has previously determined or determines under subsection (b) of this section that such efforts are not required or shall cease;

Where efforts to prevent the need for the juvenile's placement were precluded by an immediate threat of harm to the juvenile, the court may find that the placement of the juvenile in the absence of such efforts was reasonable.

- (b) In any order placing a juvenile in the custody or placement responsibility of a county department of social services, whether an order for continued nonsecure custody, a dispositional order, or a review order, the court may direct that reasonable efforts to eliminate the need for placement of the juvenile shall not be required or shall cease if the court makes written findings of fact that:

If the court's determination to cease reunification efforts is made in a hearing that was duly and timely noticed as a permanency planning hearing, then the court may immediately proceed to consider all of the criteria contained in G.S. 7B 906.1(e), make findings of fact, and set forth the best plan of care to achieve a safe, permanent home within a reasonable period of time. If the court's decision to cease reunification efforts arises in any other hearing, the court shall schedule a subsequent hearing within 30 days to address the permanent plan in accordance with G.S. 7B 906.1. At any hearing at which the court orders that reunification efforts shall cease, the affected parent, guardian, or custodian may give notice to preserve the right to appeal that order in accordance with G.S. 7B 1001. The party giving notice shall be permitted to make a detailed offer of proof as to any evidence that party sought to offer in opposition to cessation of reunification that the court refused to admit.

"§ 7B-901. Dispositional Initial dispositional hearing.

- (a) The dispositional hearing shall take place immediately following the adjudicatory hearing and shall be concluded within 30 days of the conclusion of the adjudicatory hearing. The dispositional hearing may be informal and the court may consider written reports or other evidence concerning the needs of the juvenile. The juvenile and the juvenile's parent, guardian, or custodian shall have the right to present evidence, and they may advise the court concerning the disposition they believe to be in the best interests of the juvenile. The court may consider any evidence, including hearsay evidence as defined in G.S. 8C-1, Rule 801, including testimony or evidence from any person who is not a party, that the court finds to be relevant, reliable, and necessary to determine the needs of the juvenile and the most appropriate disposition. The court may exclude the public from the hearing unless the juvenile moves that the hearing be open, which motion shall be granted.
- (b) At the dispositional hearing, the court shall inquire as to the identity and location of any missing parent and whether paternity is at issue. The court shall include findings of the efforts undertaken to locate the missing parent and to serve that parent and efforts undertaken to establish paternity when paternity is an issue. The order may provide for specific efforts in determining the identity and location of any missing parent and specific efforts in establishing paternity.  - (2) A court of competent jurisdiction has terminated involuntarily the parental rights of the parent to another child of the parent.

- (d) When the court determines that reunification efforts are not required, the court shall order a permanent plan as soon as possible, after providing each party with a reasonable opportunity to prepare and present evidence. The court shall schedule a subsequent hearing within 30 days to address the permanent plans in accordance with G.S. 7B-906.1 and G.S. 7B-906.2."

SECTION 10. G.S. 7B-903 reads as rewritten:

"§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.

- (a) The following alternatives for disposition shall be available to any court exercising jurisdiction, and the court may combine any of the applicable alternatives when the court finds the disposition to be in the best interests of the juvenile:
 - (1) The court may dismiss <u>Dismiss</u> the case or continue the case in order to allow the parent, guardian, custodian, caretaker or others to take appropriate action.
 - (2) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the court may: Require that the juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county or by another individual as may be available to the court, subject to conditions applicable to the parent, guardian, custodian, or caretaker as the court may specify.
 - a. Require that the juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county, or by other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, custodian, or caretaker as the court may specify; or
 - b. Place the juvenile in the custody of a parent, relative, private agency offering placement services, or some other suitable person; or
 - e. Place the juvenile in the custody of the department of social services in the county of the juvenile's residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of the department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. The director may, unless otherwise ordered by the court, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act

on behalf of the juvenile, the director may, unless otherwise ordered by the court, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a court or the court's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent or guardian of the affected juvenile. If the director cannot obtain such consent, the director shall promptly notify the parent or guardian that care or treatment has been provided and shall give the parent frequent status reports on the circumstances of the juvenile. Upon request of a parent or guardian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to such parent or guardian by the director unless prohibited by G.S. 122C-53(d). If a juvenile is removed from the home and placed in custody or placement responsibility of a county department of social services, the director shall not allow unsupervised visitation with, or return physical custody of the juvenile to, the parent, guardian, custodian, or caretaker without a hearing at which the court finds that the juvenile will receive proper care and supervision in a safe home.

In placing a juvenile in out-of-home care under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the relative unless the court finds that the placement is contrary to the best interests of the juvenile. In placing a juvenile in out of home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children.

- (3) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile:
 - a. Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other treatment and who should pay the cost of the treatment. The county manager, or such person who shall be designated by the chairman of the county commissioners, of the juvenile's residence shall be notified of the hearing, and allowed to be heard. If the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other treatment, the court shall permit the parent or other responsible persons to arrange for treatment. If the parent declines or is unable to make necessary arrangements, the court may order the needed treatment, surgery, or care, and the court may order the parent to pay the cost of the care pursuant to G.S. 7B 904. If the court finds the

b.

51

parent is unable to pay the cost of treatment, the court shall order the county to arrange for treatment of the juvenile and to pay for the cost of the treatment. The county department of social services shall recommend the facility that will provide the juvenile with treatment. If the court believes, or if there is evidence presented to the effect that the juvenile is mentally ill or is developmentally disabled, the court shall refer the juvenile to the area mental health, developmental disabilities, and substance abuse services director for appropriate action. A juvenile shall not be committed directly to a State hospital or mental retardation center; and orders purporting to commit a juvenile directly to a State hospital or mental retardation center except for an examination to determine capacity to proceed shall be void and of no effect. The area mental health, developmental disabilities, and substance abuse director shall be responsible for arranging an interdisciplinary evaluation of the juvenile and mobilizing resources to meet the juvenile's needs. If institutionalization is determined to be the best service for the juvenile, admission shall be with the voluntary consent of the parent or guardian. If the parent, guardian, custodian, or caretaker refuses to consent to a mental hospital or retardation center admission after such institutionalization is recommended by the area mental health, developmental disabilities, and substance abuse director, the signature and consent of the court may be substituted for that purpose. In all cases in which a regional mental hospital refuses admission to a juvenile referred for admission by a court and an area mental health, developmental disabilities, and substance abuse director or discharges a juvenile previously admitted on court referral prior to completion of treatment, the hospital shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile's diagnosis, indications of mental illness, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question.

- Place the juvenile in the custody of a parent, relative, private agency offering placement services, or some other suitable person. If the court determines that the juvenile should be placed in the custody of an individual other than a parent, the court shall verify that the person receiving custody of the juvenile understands the legal significance of the placement and will have adequate resources to care appropriately for the juvenile.
- (5) Appoint a guardian of the person for the juvenile as provided in G.S. 7B-600.
- Place the juvenile in the custody of the department of social services in the county of the juvenile's residence. In the case of a juvenile who has legal residence outside the State, the court may place the juvenile in the physical custody of the department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state.
- (a1) In placing a juvenile in out-of-home care under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of

the juvenile with the relative unless the court finds that the placement is contrary to the best interests of the juvenile. In placing a juvenile in out-of-home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children.

- (a2) An order under this section placing or continuing the juvenile in out-of-home care shall contain a finding that the juvenile's continuation in or return to the juvenile's own home would be contrary to the juvenile's health and safety.
- (a3) An order under this section placing the juvenile in out-of-home care shall contain specific findings as to whether the department has made reasonable efforts to prevent the need for placement of the juvenile. In determining whether efforts to prevent the placement of the juvenile were reasonable, the juvenile's health and safety shall be the paramount concern.

The court may find that efforts to prevent the need for the juvenile's placement were precluded by an immediate threat of harm to the juvenile. A finding that reasonable efforts were not made by a county department of social services shall not preclude the entry of an order authorizing the juvenile's placement when the court finds that placement is necessary for the protection of the juvenile.

- (b) When the court has found that a juvenile has suffered physical abuse and that the individual responsible for the abuse has a history of violent behavior against people, the court shall consider the opinion of the mental health professional who performed an evaluation under G.S. 7B-503(b) before returning the juvenile to the custody of that individual.
- (c) If the court determines that the juvenile shall be placed in the custody of an individual other than the parents, the court shall verify that the person receiving custody of the juvenile understands the legal significance of the placement and will have adequate resources to care appropriately for the juvenile.
- (d) The court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile. Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other treatment and who should pay the cost of the treatment. The county manager, or such person who shall be designated by the chairman of the county commissioners, of the juvenile's residence shall be notified of the hearing, and allowed to be heard. Subject to G.S. 7B-903.1, if the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other treatment, the court shall permit the parent or other responsible persons to arrange for treatment. If the parent declines or is unable to make necessary arrangements, the court may order the needed treatment, surgery, or care and the court may order the parent to pay the cost of the care pursuant to G.S. 7B-904. If the court finds the parent is unable to pay the cost of treatment, the court shall order the county to arrange for treatment of the juvenile and to pay for the cost of the treatment. The county department of social services shall recommend the facility that will provide the juvenile with treatment.
- (e) If the court determines that the juvenile may be mentally ill or developmentally disabled, the court may order the county department of social services to coordinate with the appropriate representative of the area mental health, developmental disabilities, and substance abuse services authority or other managed care organization responsible for managing public funds for mental health and developmental disabilities to develop a treatment plan for the juvenile. The court shall not commit a juvenile directly to a State hospital or developmental center for persons with intellectual and developmental disabilities and orders purporting to commit a juvenile directly to a State hospital or developmental center for persons with intellectual and developmental disabilities shall be void and of no effect. If the court determines that institutionalization is the best service for the juvenile, admission shall be with the voluntary consent of the parent, guardian, or custodian. If the parent, guardian, or custodian

refuses to consent to admission to a mental hospital or developmental center for persons with intellectual and developmental disabilities, the signature and consent of the court may be substituted for that purpose. A State hospital or developmental center for persons with intellectual and developmental disabilities that refuses admission to a juvenile referred for admission by a court, or discharges a juvenile previously admitted on court referral prior to completion of treatment, shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile's diagnosis, indications of mental illness or intellectual and developmental disabilities, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question."
