GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2015

Н

HOUSE BILL 943 PROPOSED COMMITTEE SUBSTITUTE H943-PCS10425-MC-20

Short Title: Connect NC Bond Act of 2015.

(Public)

Sponsors:

Referred to:

		August 3, 2015				
1		A BILL TO BE ENTITLED				
2	AN ACT TO AUT	THORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS FOR				
3		E OF ACCOMPLISHING CERTAIN INTERRELATED AND UNITED				
4		TO FURTHER ECONOMIC DEVELOPMENT IN THE STATE				
5		WITH THE CONNECT NC PLAN.				
6		bly of North Carolina enacts:				
7		ON 1.(a) Short Title. – This section shall be known as the "Connect NC				
8	Bond Act of 2015.'					
9		ON 1.(b) Purpose. – It is the intent of the General Assembly by this act to				
10		a vote of the qualified voters of the State, for the issuance of two billion				
11		ty-nine million seventy-six thousand nine hundred fifty-two dollars				
12		eneral obligation bonds of the State for the purpose of providing funds, with				
13		e funds, to update the State's public facilities for the twenty-first century,				
14	0	including, without limitation, construction, repair, renovation, and furnishing of new facilities				
15		nd renovation of highways, roads, bridges, and related road infrastructure in				
16		e other economic development efforts of the State and (ii) attract new and				
17		stry, business, technology, and tourism for the benefit of the State and its				
18	citizenry.					
19		ON 1.(c) Findings. – The General Assembly finds the following:				
20		The University of North Carolina is in need of new and renovated facilities				
21		to conduct research and recruit, retain, and prepare researchers, faculty, and				
22		students for the twenty-first century for the purpose of enhancing the				
23		economic attractiveness of the State.				
24 25		The North Carolina Community College System is in need of new and				
23 26		renovated facilities to train and prepare students and workers for the				
20 27		twenty-first century for the purpose of enhancing the economic attractiveness of the State.				
27		The public schools of the State are in need of new and renovated facilities to				
28 29		train and prepare students and teachers for the twenty-first century for the				
2) 30		purpose of expanding opportunities for students by use of innovative				
31	-	educational programs that will attract new employers with workforces				
32		dependent on such programs.				
33		New and renovated cultural resources and facilities and State Parks are vital				
33 34		to the attractiveness of the State for recruitment of new industry, business,				
35		technology, and tourists, thereby benefitting the State's economic				
36		development.				
20	· · · · ·					

D

Gener	al Assemb	ly Of North Carolina Session 2013
	(5)	New facilities for agriculture will assist current agricultural endeavors in the
		State and will attract bioscience and other related industries, thereby
		benefitting the State's economic development.
	(6)	Parks and public facilities that are accessible to children with disabilities and
		veterans with disabilities are essential for the twenty-first century to attrac
		new and assist existing industry, business, technology, and tourism for the
		benefit of the State and its citizenry.
	(7)	Clean water and sewer systems are essential for the twenty-first century to
		attract new and assist existing industry, business, technology, and tourisn
		for the benefit of the State and its citizenry.
	(8)	Adequate National Guard and military facilities attract new defense industry
		companies and suppliers.
	(9)	Adequate public safety and court facilities are essential for the twenty-firs
	(-)	century to attract new and assist existing industry, business, technology, and
		tourism for the benefit of the State and its citizenry.
	(10)	State and local facilities need routine repair and renovations in order for the
	()	facilities to be up-to-date for the twenty-first century to attract new and assis
		existing industry, business, technology, and tourism for the benefit of the
		State and its citizenry.
	(11)	Highways, roads, bridges, and related road infrastructure of the State is vita
	()	for all the components set forth above, as well as individually, to help retain
		and attract new and assist existing industry, business, technology, and
		tourism for the benefit of the State and its citizenry.
	(12)	The components set forth above are all interrelated and united and comprise
	()	a single plan for updating the State's infrastructure for the twenty-firs
		century and for providing the State with necessary economic developmen
		tools to attract new and assist existing industry, business, technology, and
		tourism for the benefit of the State and its citizenry.
	SECT	TION 1.(d) Definitions. – Unless the context otherwise requires, the following
definit		in this section:
	(1)	Bonds. – Bonds issued under this section.
	(2)	Cost. – Without intending thereby to limit or restrict any proper definition o
		this term in financing the cost of facilities or purposes authorized by thi
		section, any of the following:
		a. The cost of constructing, reconstructing, enlarging, acquiring, and
		improving facilities and acquiring equipment and land therefor.
		b. The cost of engineering, architectural, and other consulting service
		as may be required.
		c. Administrative expenses and charges. Nothing in this section shal
		permit use of bond funds to pay salaries or fees for bond
		administration; such salaries and fees shall come from fund
		appropriated by the General Assembly.
		d. Finance charges and interest prior to and during construction and, i
		deemed advisable by the State Treasurer, for a period not exceeding
		three years after the estimated date of completion of construction.
		e. The cost of bond insurance, investment contracts, credit enhancemen
		and liquidity facilities, interest-rate swap agreements or othe
		derivative products, financial and legal consultants, and related cost
		of bond and note issuance, to the extent and as determined by the
		α

proceeds and installed or replaced as part of a renovation or rehabilitation must have a useful life of at least 10 years or must extend the life of the facility by at least 10 years once renovated or rehabilitated.

- b. The proceeds of public improvement bonds and notes, including premium thereon, if any, for the Department of Environment and Natural Resources for Statewide Children With Disabilities and Veterans With Disabilities Local Parks (Matching Grants), as provided in subdivision (1) of this subsection, shall be allocated to the Parks and Recreation Trust Fund established in G.S. 113-44.15 and shall be used exclusively for grants to local government units or public authorities, as defined in G.S. 159-7, for construction of special facilities or adaptation of existing facilities that meet the unique needs of children with physical and developmental disabilities and veterans with physical and developmental disabilities and enable them to participate in recreational and sporting activities, regardless of their abilities. In order to receive such proceeds under this sub-subdivision, a local government unit or public authority shall provide matching funds in the amount of one dollar (\$1.00) of local funds for every four dollars (\$4.00) of such proceeds. Grants made using such proceeds under this sub-subdivision shall not exceed five hundred thousand dollars (\$500,000) per project.
 - c. The proceeds of public improvement bonds and notes, including premium thereon, if any, for the Department of Environment and Natural Resources for Statewide Water/Sewer Loans, as provided in subdivision (1) of this subsection, shall be allocated to the Water Infrastructure Fund established in G.S. 159G-22 and shall be used exclusively and in equal proportion for low-interest loans from the Clean Water State Revolving Fund and the Drinking Water State Revolving Fund.
 - d. The proceeds of public improvement bonds and notes, including premium thereon, if any, for NC Community Colleges, as provided in subdivision (1) of this subsection, shall be used for new construction or rehabilitation of existing facilities and repairs and renovations. Any items purchased with such proceeds and installed or replaced as part of a renovation or rehabilitation must have a useful life of at least 10 years or must extend the life of the facility by at least 10 years once renovated or rehabilitated.
 - The proceeds of public improvement bonds and notes, including premium thereon, if any, for public instruction for public schools capital assistance, as provided in subdivision (1) of this subsection, shall be allocated as follows:
 - 1. One hundred fifty million dollars (\$150,000,000) of such proceeds shall be allocated equally to each county. Each county's allocation shall be distributed to the local school administrative units located in whole or in part in the county based on the average daily membership of the county's students in the school units.
- 2. Two hundred eighty million dollars (\$280,000,000) of such proceeds shall be allocated among local school administrative units located in counties whose wealth is less than the State

Any additional monies that may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source for deposit to the Public Improvement Bonds Fund may be placed in the Public Improvement Bonds Fund or in a separate account or fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this section.

Monies in the Public Improvement Bonds Fund or any separate account established under this section may be invested from time to time by the State Treasurer in the same manner permitted for investment of monies belonging to the State or held in the State treasury, except with respect to grant money to the extent otherwise directed by the terms of the grant. Investment earnings, except investment earnings with respect to grant monies to the extent otherwise directed or restricted by the terms of the grant, may be (i) credited to the Public Improvement Bonds Fund, (ii) used to pay debt service on the bonds authorized by this section, (iii) used to satisfy compliance with applicable requirements of the federal tax law, or (iv) transferred to the General Fund of the State.

The proceeds of public improvement bonds and notes, including premium thereon, if any, may be used with any other monies made available by the General Assembly for funding the projects authorized by this section, including the proceeds of any other State bond issues, whether heretofore made available or that may be made available at the session of the General Assembly at which this section is ratified or any subsequent sessions. The proceeds of public improvement bonds and notes, including premium thereon, if any, shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this section shall be disbursed for the purposes provided in this section upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the State Budget Act, Chapter 143C of the General Statutes.

- (2) Tracking of bond proceeds. The State Treasurer or the State Treasurer's designee is hereby authorized and directed to set up a comprehensive system of tracking the proceeds of the public improvement bonds and notes, including premium thereon, if any, to the extent necessary to enable the State Treasurer or the State Treasurer's designee to properly account for the use of such proceeds for compliance with applicable requirements of the federal tax law or otherwise. All recipients of such proceeds shall comply with any tracking system implemented by the State Treasurer or the State Treasurer's designee for this purpose. The State Treasurer may withhold such proceeds from any State agency or department not complying with this subdivision.
- (3) Costs. Allocations to the costs of a capital improvement or undertaking in each case may include allocations to pay the costs set forth in sub-subdivisions c. through g. of subdivision (2) of subsection (d) of this section in connection with the issuance of bonds for that capital improvement or undertaking.

48 **SECTION 1.(i)** Election. – The question of the issuance of the bonds authorized by 49 this section shall be submitted to the qualified voters of the State at an election to be held in 50 November of 2015. Any other primary, election, or referendum validly called or scheduled by 51 law at the time the election on the bond question provided for in this subsection is held may be held as called or scheduled. Notice of the election shall be given in the manner and at the times
required by G.S. 163-33(8). The election and the registration of voters therefor shall be held
under and in accordance with the general laws of the State. Absentee ballots shall be authorized
in the election.

5 The State Board of Elections shall reimburse the counties of the State for all 6 necessary expenses incurred in holding the election that are in addition to those that would have 7 otherwise been incurred, the same to be paid out of the Contingency and Emergency Fund or 8 other funds available to the State Board of Elections.

Ballots, voting systems authorized by Article 14A of Chapter 163 of the General
Statutes, or both may be used in accordance with rules prescribed by the State Board of
Elections. The bond question to be used in the ballots or voting systems shall be in substantially
the following form:

13

"[] FOR [] AGAINST

14 The issuance of two billion eight hundred fifty-nine million seventy-six thousand nine hundred fifty-two dollars (\$2,859,076,952) State of North Carolina Public Improvement 15 16 Bonds constituting general obligation bonds of the State secured by a pledge of the faith and 17 credit and taxing power of the State for the purpose of providing funds, with any other available funds, to fund capital improvements and new facilities for the State, including, 18 19 without limitation, the construction and furnishing of new facilities; renovation and 20 rehabilitation of existing facilities; the construction and renovation of highways, roads, bridges, 21 and related road infrastructure for, without limitation, the University of North Carolina System, the North Carolina Community College System, the public schools in the State, cultural 22 23 resources and State Parks, water and sewer systems, the State's National Guard, the Department 24 of Public Safety, the Administrative Office of the Courts, the Department of Agriculture and 25 Consumer Services, and the Department of Transportation."

If a majority of those voting on a bond question in the election vote in favor of the issuance of the bonds described in the question, those bonds may be issued as provided in this section. If a majority of those voting on a bond question in the election do not vote in favor of the issuance of the bonds described in the question, those bonds shall not be issued.

The results of the election shall be canvassed and declared as provided by law for elections for State officers; the results of the election shall be certified by the State Board of Elections to the Secretary of State in the manner and at the time provided by the general election laws of the State.

34

SECTION 1.(j) Issuance of Bonds and Notes. -

- 35 Terms and conditions. – Bonds or notes may bear such date or dates, may be (1)36 serial or term bonds or notes, or any combination thereof, may mature in 37 such amounts and at such time or times, not exceeding 40 years from their 38 date or dates, may be payable at such place or places, either within or 39 without the United States of America, in such coin or currency of the United 40 States of America as at the time of payment is legal tender for payment of 41 public and private debts, may bear interest at such rate or rates, which may 42 vary from time to time, and may be made redeemable before maturity, at the 43 option of the State or otherwise as may be provided by the State, at such price or prices, including a price less than the face amount of the bonds or 44 45 notes, and under such terms and conditions, all as may be determined by the State Treasurer by and with the consent of the Council of State. 46
- 47 (2) Signatures; form and denomination; registration. Bonds or notes may be
 48 issued as certificated or uncertificated obligations. If issued as certificated
 49 obligations, bonds or notes shall be signed on behalf of the State by the
 50 Governor or shall bear the Governor's facsimile signature, shall be signed by
 51 the State Treasurer or shall bear the State Treasurer's facsimile signature, and

51 improvement bonds and notes, including premium thereon, if any, issued pursuant to and	tor

projects listed in Section 1 of this act shall report by January 1, 2017, and quarterly thereafter, 1 2 to the Department of Public Instruction on the projects funded from public improvement 3 general obligation bonds authorized by Section 1 of this act, and the Department of Public 4 Instruction shall combine the reports and submit them to the Joint Legislative Capital Oversight 5 Committee. Community colleges receiving the proceeds of public improvement bonds and 6 notes, including premium thereon, if any, issued pursuant to and for projects listed in Section 1 7 of this act shall report by January 1, 2017, and quarterly thereafter, to the North Carolina 8 Community Colleges System Office on the projects funded from public improvement general 9 obligation bonds authorized by Section 1 of this act, and the System Office shall combine the 10 reports and submit them to the Joint Legislative Capital Oversight Committee. Each report shall 11 include the total project costs, the amount to be funded from the bonds, the expenditures to date 12 from the bonds and other sources, and the percentage of each project completed.

13 **SECTION 3.** The State Treasurer shall not issue bonds or notes otherwise 14 authorized by Section 1 of this act in an amount or year where the issuance of the bonds or 15 notes would violate the Debt Affordability Advisory Committee's recommendations on debt 16 capacities required under G.S. 142-101.

17 SECTION 4.(a) Other than for projects for DENR Statewide Children With 18 Disabilities and Veterans With Disabilities Local Parks (Matching Grants), NC Community 19 Colleges, projects for Public Instruction, DENR Statewide Water/Sewer Loans, and AOC 20 Statewide Courthouse Grants, projects funded in whole or in part with the proceeds of public 21 improvement bonds and notes, including premium thereon, if any, issued pursuant to Section 1 22 of this act, that portion of funds estimated to be needed for escalation of costs shall remain with 23 the Office of State Budget and Management and shall be disbursed only for the following 24 purposes:

- 25
- 26

27

(1) To address unforeseen contingencies related to the specific project for which the funds were made available.

(2) To address inflation costs related to that specific project.

SECTION 4.(b) Any funds retained by the Office of State Budget and Management pursuant to subsection (a) of this section at the time a project is completed shall be retained by the Office of State Budget and Management until reallocated for other purposes by the General Assembly. The Office of State Budget and Management shall report on any funds retained pursuant to this subsection within 90 days of a project's completion.

33 **SECTION 5.** Notwithstanding the period of time provided in G.S. 163-128(a) for 34 which transfers are effective, transfers of voters from a given precinct, for the purpose of 35 voting, to an adjacent precinct for the election held in November of 2015 shall be for that 36 election only and shall not apply to any subsequent election.

37 **SECTION 6.** The Department of Public Safety shall take appropriate measures, 38 including maximizing the use of the Inmate Construction Program, to reduce costs related to 39 construction of correctional projects authorized in S.L. 2007-323, as amended by S.L. 40 2009-209 and S.L. 2009-451, and S.L. 2008-107, as amended by S.L. 2009-209 and S.L. 41 2009-451. The Department, with the approval of the Office of State Budget and Management, 42 may use the funds from any savings generated, together with available funds, to finance the 43 capital facility costs of renovating existing space at Central Prison for bed space for long-term 44 palliative care. No additional special indebtedness may be issued or incurred to finance the 45 construction of bed space for such care. The use of funds authorized by this section shall not 46 require further approval by the Council of State pursuant to Chapter 142 of the General 47 Statutes.
