**"PART IV-A. UMSTEAD ACT STUDY**

**SECTION 4A.1.** In order to mitigate inefficient and nonproductive underutilization of State property, the Department of Administration shall study and report on recommended legislative changes concerning means by which the Umstead Act may be modified so as to balance (i) the State's legitimate interest in self-limiting governmental participation in business through the leasing or subleasing of State-owned property, including parking spaces, and (ii) the State's legitimate interest in properly stewarding assets of the State that are currently unneeded and underutilized by finding alternative uses that maintain State ownership while maximizing and accommodating economic exploitation of such assets. The Department shall submit the report required by this section, along with recommended legislative changes, to the Joint Legislative Commission on Governmental Operations no later than November 1, 2016.

**SECTION 4A.2.** This Part is effective when it becomes law."
