34 Contribution Rate for Experience-Rated Employer. - The contribution rate for an (c) 35 experience-rated employer who does not qualify as a beginning employer under subsection (b) of 36 this section is determined in accordance with the table set out below and then rounded to the 37 nearest one-hundredth percent (0.01%), subject to the minimum and maximum contribution rates. 38 The minimum contribution rate is six-hundredths of one percent (0.06%). The maximum 39 contribution rate is five and seventy-six hundredths percent (5.76%). "Total insured wages" are the 40 total wages reported by all insured employers for the 12-month period ending on June 30 41 preceding the computation date. The calculations in the table set out below are applied as of 42 September 1 following the computation date. An employer's reserve ratio percentage (ERRP) is the 43 employer's reserve ratio multiplied by sixty-eight hundredths.
