SENATE BILL DRS15058-LUa-12A (12/01)

Short Title: Youth Development Pilot Program.

(Public)

Sponsors: Senators Rabin, Krawiec, and Sanderson (Primary Sponsors).

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE YOUTH DEVELOPMENT PILOT PROGRAM.

Whereas, Section 15 of Article I of the Constitution of North Carolina provides that "[t]he people have a right to the privilege of education, and it is the duty of the state to guard and maintain that right"; and

Whereas, Section 1 of Article IX of the Constitution of North Carolina provides, in part, that "...the means of education shall forever be encouraged"; and

Whereas, Section 1 of Article IX of the Constitution of North Carolina gives the General Assembly broad powers in certain responsibilities regarding education in our State; and

Whereas, many studies recognize that family background has a strong positive influence on student achievement and that students from two-parent families are the higher achievers; and

Whereas, nearly forty percent (40%) of North Carolina's students' family backgrounds include only one parent or guardian, a situation which studies suggest is not as positive an influence on student achievement as two-parent families; and

Whereas, the data indicate that students in homes with one parent or guardian are more likely to have disciplinary problems; and

Whereas, there is strong evidence that, in some cases, community programs can offset, to some degree, the absence of a strong family background; and

Whereas, it would seem within the scope of the Constitutional responsibilities of the Senate to investigate ways to strengthen community activities that support higher student achievement; and

Whereas, it is the intent of this legislation to take that first investigative step; Now, therefore;

The General Assembly of North Carolina enacts:
