37           shall be required for license renewal for a school that has been continuously  
38           licensed to operate for at least six years in the State, as follows:

39           a.    If the balance of the Student Protection Fund is below the catastrophic  
40           loss amount, the school shall file a guaranty bond in an amount equal to  
41           the maximum amount of prepaid tuition held by the school during the  
42           prior fiscal year multiplied by the percentage of the amount the fund is  
43           deficient.

44           b.    If the school held prepaid tuition in excess of the catastrophic loss  
45           amount during the prior fiscal year, in addition to any bond amount  
46           required by sub-subdivision a. of this subdivision, the school shall file a  
47           guaranty bond for the difference between the prepaid tuition amount  
48           held in the previous fiscal year and the catastrophic loss amount.

49       Notwithstanding the amounts set forth in this subsection, the Board may require any licensed  
50       school to increase its bond if it determines the increase is necessary to provide indemnification to

1 any student or a student's parent or legal guardian who may suffer a loss of tuition, fees, or any  
 2 other instructional-related expenses paid to the school.

3 (d) An applicant for a proprietary school license who is unable to secure a bond may seek a

 5 set forth in this subsection. With the approval of the Board, an applicant may obtain in lieu of a  
 6 bond any of the following:

 9 (iii) that is executed by a state or federal savings and loan association, state  
 10 bank, or national bank that is doing business in North Carolina and whose  
 11 accounts are insured by a federal depositors corporation, and (iv) for which  
 12 access to the account in favor of the State is subject to the same conditions as  
 13 for a bond in subsection (c) of this section.

14 (2) A certificate of deposit (i) that is executed by a state or federal savings and loan  
 15 association, state bank, or national bank that is doing business in North  
 16 Carolina and whose accounts are insured by a federal depositors corporation,  
 17 (ii) that is payable to North Carolina, (iii) that, if a negotiable certificate of  
 18 deposit, is unrestrictedly endorsed to the Board or, if a nonnegotiable certificate  
 19 of deposit, is assigned to the Board in a form satisfactory to the Board, and (iv)  
 20 for which access to the certificate of deposit in favor of the State is subject to  
 21 the same conditions as for a bond in subsection (c) of this section.

22 **"§ 115F-13. Student Protection Fund; payments; assessments.**

23 (a) The Student Protection Fund is established in the Department of State Treasurer as a  
 24 statewide fee-supported fund collected pursuant to this section. Interest accruing to the Student  
 25 Protection Fund shall be credited to the Fund. The Board shall administer the Student Protection  
 26 Fund in accordance with this section. The purpose of the Student Protection Fund is to compensate  
 27 students enrolled in a proprietary school licensed under this Chapter who have suffered a loss of  
 28 tuition, fees, or any other instructional-related expenses paid to the school by reason of the failure  
 29 of the school to offer or complete student instruction, academic services, or other goods and  
 30 services related to course enrollment if the school ceases to operate for any reason, including  
 31 bankruptcy, foreclosure, or the suspension, revocation, or nonrenewal of a school's license.

32 (b) Prior to its first year of operation in the State, each proprietary school shall pay an  
 33 initial amount of one thousand two hundred fifty dollars (\$1,250) into the Student Protection  
 34 Fund.

35 (c) Each proprietary school operating in the State shall pay annually into the Student  
 36 Protection Fund an amount based on its annual gross tuition revenue generated in the State as

3 (d) If the Student Protection Fund balance is equal to or exceeds the fund cap amount, the  
4 Board shall suspend payments into the Fund for schools that have been continuously licensed in  
5 the State for more than eight years. The Board shall require schools to resume payments into the  
6 Student Protection Fund if the balance of the Fund is less than the catastrophic loss amount.

7 (e) If claims against the Student Protection Fund exceed the catastrophic loss amount, the  
8 Board may assess additional fees to the extent necessary to compensate students qualified for  
9 repayment under the Fund. The amount of the catastrophic assessment shall not exceed one-half of  
10 the amount of the annual revenue payment required by subsection (c) of this section. If the amount  
11 of the catastrophic assessment is insufficient to cover qualified claims, the Board shall develop a  
12 method of allocating funds among claims.

13 (f) The full and timely payment into the Student Protection Fund pursuant to this section is  
14 a condition of licensure.

15 (g) No payment to the Student Protection Fund shall be refunded in the event that a  
16 school's license application is rejected or a school's license is suspended or revoked.

17 (h) A student or the student's parent or guardian who has suffered a loss of tuition, fees, or

21 Student Protection Fund. The Board first must issue repayment from the bonds issued under  
22 G.S. 115F-12. If the Student Protection Fund is insufficient to cover the qualified claims, the

32 opens and operates a proprietary school without first obtaining the license required by this  
33 Chapter, executing the bond required under G.S. 115F-12, and paying the assessments into the  
34 Student Protection Fund under G.S. 115F-13 shall be guilty of a Class 3 misdemeanor. Each day

42 instituted as a result of the violation. Actions under this section shall be brought in the county  
43 where the defendant resides or maintains his or her principal place of business or where the  
44 alleged acts occurred.

45 (b) The Board may assess a civil penalty not in excess of one thousand dollars (\$1,000) for  
46 the violation of any section of this Chapter or the violation of any rules adopted by the Board to  
47 implement this Chapter. The continuation of the same act for which the penalty is imposed shall  
48 not be the basis for an additional penalty unless the penalty is imposed against the same party who  
49 has repeated the same act for which the discipline has previously been imposed. The clear  
50 proceeds of any civil penalty assessed under this section shall be remitted to the Civil Penalty and  
51 Forfeiture Fund in accordance with G.S. 115C-457.2. The Board shall establish a schedule of civil

11 (d) The Board may assess the costs of enforcement actions taken under this Chapter,
