HOUSE BILL DRH40229-MT-114 (03/15)

Short Title: School Cal. Flex./Warren County. (Local)

Sponsors: Representative Garrison.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO PROVIDE ADDITIONAL FLEXIBILITY TO WARREN COUNTY SCHOOLS
3 IN ADOPTING THE SCHOOL CALENDAR.

4 Whereas, State law has usurped local control of school calendars by imposing a
5 one-size-fits-all mandate on when the year can begin and end for traditional public schools; and

6 Whereas, the State-mandated, late-August start date combined with the instructional
7 time requirement means that high schools cannot complete the first semester until mid-January;
8 and

9 Whereas, completing the first semester in mid-January results in high school
10 students having to take first semester exams after winter break, which can negatively impact
11 their preparation and performance; and

12 Whereas, the State-mandated, late-August start date puts high school calendars out
13 of alignment with community colleges and four-year universities, which typically begin the
14 first semester in early August and the second semester weeks before high school students
15 complete the fall semester; and

16 Whereas, superintendents have reported that the calendar misalignment creates
17 barriers for high school students who want to take community college courses and creates
18 challenges for high school students who graduate early; and

19 Whereas, the late-August start date and mid-June end date squeeze local school
20 administrative units, particularly those in mountain counties, that need to schedule makeup
21 days for inclement weather closings, leaving them no recourse but to schedule makeup days on
22 unpopular days like holidays, Saturdays, or spring break days; and

23 Whereas, practices and tryouts for interscholastic sports can start as early as August
24 1, and many student-athletes are required to be available, while some sports, such as football,
25 have already played games before the school year has started, negatively impacting ticket and
26 booster club revenues; and

27 Whereas, the late-August start date and other requirements of the calendar law make
28 it more difficult for school districts to schedule professional development days during the
29 school year, when it is most beneficial to teachers; and

30 Whereas, the North Carolina General Statutes give the powers of supervision and
31 control of local school systems to local boards of education; and

32 Whereas, allowing local boards of education to have additional flexibility with
33 setting a start date for their school calendar will help alleviate the issues delineated above while
34 giving more authority to the locally elected bodies statutorily empowered to govern their school
35 systems; Now, therefore,

36 The General Assembly of North Carolina enacts:

1 **SECTION 1.** G.S. 115C-84.2(d) reads as rewritten:

2 "(d) Opening and Closing Dates. – Local boards of education shall determine the dates
3 of opening and closing the public schools under subdivision (a)(1) of this section. Except for
4 year-round schools, the opening date for students shall be no earlier than the Monday closest to
5 August ~~26, 10,~~ and the closing date for students shall be no later than the Friday closest to June
6 11. ~~On a showing of good cause, the State Board of Education may waive the requirement that~~
7 ~~the opening date for students be no earlier than the Monday closest to August 26 and may allow~~
8 ~~the local board of education to set an opening date no earlier than the Monday closest to August~~
9 ~~19, to the extent that school calendars are able to provide sufficient days to accommodate~~
10 ~~anticipated makeup days due to school closings. A local board may revise the scheduled~~
11 ~~closing date if necessary in order to comply with the minimum requirements for instructional~~
12 ~~days or instructional time. For purposes of this subsection, the term "good cause" means that~~
13 ~~schools in any local school administrative unit in a county have been closed eight days per year~~
14 ~~during any four of the last 10 years because of severe weather conditions, energy shortages,~~
15 ~~power failures, or other emergency situations.~~

16 The required opening and closing dates under this subsection shall not apply to any school
17 that a local board designated as having a modified calendar for the 2003-2004 school year or to
18 any school that was part of a planned program in the 2003-2004 school year for a system of
19 modified calendar schools, so long as the school operates under a modified calendar."

20 **SECTION 2.** G.S. 115C-174.12(a)(4) reads as rewritten:

21 "(4) All annual assessments of student achievement adopted by the State Board
22 of Education pursuant to G.S. 115C-174.11(c)(1) and (3) and all final exams
23 for courses shall be administered within the final 10 instructional days of the
24 school year for year-long courses and within the final five instructional days
25 of the semester for semester courses. Exceptions shall be permitted to
26 accommodate a student's individualized education program and section 504
27 (29 U.S.C. § 794) plans and for the administration of final exams for courses
28 with national or international curricula required to be held at designated
29 times. A local board of education that has implemented a school calendar
30 that concludes the fall semester prior to December 31 shall be permitted to
31 administer assessments prior to the conclusion of that semester."

32 **SECTION 3.** This act applies only to Warren County Schools.

33 **SECTION 4.** This act is effective when it becomes law and applies beginning with
34 the 2017-2018 school year.
