SENATE BILL DRS45221-LG-42 (03/07)

Short Title: 9/11 as First Responders Day. (Public)

Sponsors: Senator Sanderson (Primary Sponsor).

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO DESIGNATE SEPTEMBER ELEVEN OF EACH YEAR AS A DAY TO  
3 HONOR AND REMEMBER FIRST RESPONDERS.

4 Whereas, millions of North Carolinians have benefited from the courageous service  
5 of first responders across the State; and

6 Whereas, the police, firefighters, emergency medical workers, State troopers, and  
7 public health personnel (commonly known as first responders) work devotedly and selflessly  
8 on behalf of the people of this nation, regardless of the peril or hazard to themselves; and

9 Whereas, in emergency situations, first responders carry out the critical role of  
10 protecting and ensuring public safety; and

11 Whereas, the men and women who bravely serve as first responders have found  
12 themselves on the frontlines of homeland defense in the war against terrorism; and

13 Whereas, first responders are called upon in the event of a natural disaster, such as  
14 Hurricane Matthew and the western North Carolina wild fires in 2016; and

15 Whereas, North Carolina has 504 law enforcement agencies, 24,000 police officers,  
16 51,000 firefighters, 1,600 State Troopers, and 40,500 emergency medical technicians that risk  
17 their lives every day to make our communities safe; and

18 Whereas, these 24,000 sworn police officers from State, tribal, city, and county law  
19 enforcement agencies protect lives and property, detect and prevent crimes, uphold the law, and  
20 ensure justice; and

21 Whereas, these 51,000 firefighters, both volunteer and career, provide fire  
22 suppression, emergency medical services, search and rescue, hazardous materials response,  
23 suspected terrorism response, and critical fire prevention and safety education; and

24 Whereas, the 1,600 State Troopers protect the lives and property, uphold the law,  
25 and ensure justice throughout our State; and

26 Whereas, the 40,500 emergency medical professionals in the State respond to and  
27 treat a variety of life-threatening emergencies, from cardiac and respiratory arrest to traumatic  
28 injuries; and

29 Whereas, according to the National Law Enforcement Officers Memorial Fund, a  
30 total of 1,649 law enforcement officers throughout our country died in the line of duty during  
31 the past 10 years, an average of one death every 53 hours or 165 per year; and

32 Whereas, according to the United States Fire Administration, from 1996 through  
33 2005 over 1,500 firefighters were killed in the line of duty and tens of thousands were injured;  
34 and

35 Whereas, four in five medics are injured on the job, more than one in two (50%)  
36 have been assaulted by a patient, and one in two (50%) have been exposed to an infectious

1 disease; emergency medical service personnel in the United States have an estimated fatality  
2 rate of 12.7 per 100,000 workers, more than twice the national average for all occupations; and

3       Whereas, hundreds of first responders have made the ultimate sacrifice in North  
4 Carolina; and

5       Whereas, North Carolina's 117,100 first responders make personal sacrifices to  
6 protect our communities every day; and

7       Whereas, in the aftermath of the terrorist attacks of September 11, 2001, America's  
8 firefighters, law enforcement officers, and emergency medical workers were universally  
9 recognized for the sacrifices they made on that tragic day and should be honored each year as  
10 these tragic events are remembered; and

11       Whereas, there currently exists no national day to honor the brave men and women  
12 of the first responder community, who give so much of themselves for the sake of others; and

13       Whereas, these men and women by their service and their dedicated efforts have  
14 earned the gratitude of the people of North Carolina; Now, therefore,  
15 The General Assembly of North Carolina enacts:
