8 **"§ 160A-314.2. System development fees for water and sewer.**

9 (a) In addition to monthly or periodic rates, the governing board of a water or sewer, or

11 section. The system development fee shall be comprised of two parts as follows:

12 (1) A charge for a portion of the infrastructure existing at the time the new
13 customer asks for additional infrastructure or new services to be provided.

14 (2) A charge for a portion of the future needs of the water or sewer, or water and
15 sewer, system that bears a reasonable relationship to the service requested
16 and its impact on the water or sewer, or water and sewer, system.

17 (b) A system development fee may be charged and collected from only the following:

18 (1) Real property not previously served by the water or sewer, or water and
19 sewer, system.

20 (2) A developer or other owner of real property that agrees to pay the system

1 (e) Notwithstanding the provisions of any local act, it is the intent of the General
2 Assembly that, effective October 1, 2017, the authority set out in this statute is the exclusive
3 authority to impose fees of property owners connecting to the water or sewer, or water and
4 sewer, system for the availability of the services and future needs of the service. Effective
5 October 1, 2017, a local act granting the authority to impose an impact fee or other type of
6 system development fee for connecting to a water or sewer, or water and sewer, system, is not
7 effective for that use or purpose. Provided that any fee properly imposed under such a local act
8 prior to October 1, 2017, may be lawfully collected pursuant to the provisions of that local act.

9 (f) For purposes of this section, "governing board" means the governing body of the

9 90-day period in which the governing body is required to act.

10 **SECTION 12.(d) Civil Actions.** – Civil actions brought pursuant to subsection (c)
11 of this section shall be brought in the appropriate division of the general court of justice of the
