Short Title: Contraceptive Education for Women in Recovery. (Public)

Sponsors: Representative Fisher.

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT REQUIRING THE DEPARTMENT OF HEALTH AND HUMAN SERVICES,  
3 DIVISION OF MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND  
4 SUBSTANCE ABUSE SERVICES, TO DEVELOP AND MAKE AVAILABLE TO  
5 WOMEN RECEIVING TREATMENT OR SERVICES FOR ALCOHOL OR  
6 SUBSTANCE USE DISORDERS EDUCATIONAL MATERIALS ON LONG-ACTING,  
7 REVERSIBLE CONTRACEPTION.

8 The General Assembly of North Carolina enacts:

9 SECTION 1. Article 3A of Chapter 122C of the General Statutes is amended by  
10 adding a new section to read:

11 **"§ 122C-82. Contraceptive education for women in treatment for alcohol or substance**  
12 **use disorder.**

13 (a) As used in this section, "long-acting, reversible contraceptive drug or device" or  
14 "LARC method" means a contraceptive drug or device that meets all of the following criteria:

- 15 (1) Is a method of birth control that provides effective contraception for an  
16 extended period of time without depending upon user action.  
17 (2) Is designed as a temporary method of birth control that the user can elect to  
18 discontinue.  
19 (3) Has been approved by the United States Food and Drug Administration for  
20 use as a contraceptive.  
21 (4) Is obtained under a prescription written by a health care provider authorized  
22 to prescribe medications under the laws of this State.

23 (b) The Division, in consultation with the Division of Public Health, shall develop and  
24 make available, free of charge to the general public on its Internet Web site, in a format that can  
25 be downloaded, printable publications containing medically accurate information that is  
26 sufficient to allow a woman receiving treatment or services for alcohol or substance use  
27 disorder to make an informed decision about whether to use a LARC method while in recovery  
28 from alcohol or substance use disorder. The publications shall include at least all of the  
29 following information:

- 30 (1) An explanation of the LARC methods approved by the United States Food  
31 and Drug Administration.  
32 (2) An explanation of the medical processes involved in initiating and  
33 discontinuing the LARC methods approved by the United States Food and  
34 Drug Administration.  
35 (3) An explanation of the benefits associated with the use of LARC methods  
36 approved by the United States Food and Drug Administration.

- 1           (4)    An explanation of the contraindications, risks, and side effects associated  
2           with each of the LARC methods approved by the United States Food and  
3           Drug Administration.
- 4           (5)    An explanation of the effects of prenatal alcohol or drug exposure to  
5           developing fetuses.
- 6           (6)    An explanation of the short-term and long-term effects of prenatal alcohol or  
7           drug exposure to newborns.
- 8           (c)    The Division shall make available, free of charge to the following entities by  
9           request, printed copies of the educational materials developed pursuant to subsection (b) of this  
10          section:
- 11           (1)    Local health departments. Each local health department shall distribute these  
12           educational materials to female clients in conjunction with the provision of  
13           any alcohol or substance use disorder treatment or services.
- 14           (2)    Alcohol and drug treatment centers operated under the authority of the  
15           Secretary of Health and Human Services pursuant to G.S. 122C-181. Each  
16           alcohol and drug treatment center shall distribute these educational materials  
17           to female clients in conjunction with the provision of any alcohol or  
18           substance use disorder treatment or services.
- 19           (3)    Federally qualified health centers (FQHCs) participating in the  
20           medication-assisted treatment pilot program authorized by Section 12F.1 of  
21           S.L. 2016-94. Each participating FQHC shall distribute these educational  
22           materials to female clients in conjunction with the provision of any alcohol  
23           or substance use disorder treatment or services.
- 24           (4)    All private providers of alcohol and substance use disorder services. The  
25           Department shall encourage providers to distribute these educational  
26           materials to female clients as a part of the services they provide.
- 27           (d)    Nothing in this section shall be construed to require, or authorize another entity to  
28           require, a woman to use a LARC method as a condition for receiving alcohol or substance use  
29           disorder treatment or services."

30           **SECTION 2.** This act becomes effective October 1, 2017.
