14 student that the county could be able to provide given the county's wealth and an average effort  
15 to fund public schools, multiply the county's wealth as a percentage of State average wealth by  
16 the State average current expense appropriations per student. The funds for the local school  
17 administrative units located in whole or in part in the county shall be allocated to each local  
18 school administrative unit located in whole or in part in the county based on the average daily

28 supplemental funds for low-wealth counties.

29 **SECTION 7.3.(f) Minimum Effort Required.** – A county shall receive full funding  
30 under this section if the county (i) maintains an effective county tax rate that is at least one

32 data are available or (ii) maintains a county appropriation per student to the school local current  
33 expense fund of at least one hundred percent (100%) of the current expense appropriations per  
34 student to the school local current expense fund that the county could provide given the  
35 county's wealth and an average effort to fund public schools. A county that maintains a county  
36 appropriation per student to the school local current expense fund of less than one hundred  
37 percent (100%) of the current expense appropriations per student to the school local current  
38 expense fund that the county could provide given the county's wealth and an average effort to  
39 fund public schools shall receive funding under this section at the same percentage that the  
40 county's appropriation per student to the school local current expense fund is of the current

19 parent or legal guardian of a child who (i) is at least 15 years old but less than 18 years old and  
20 (ii) successfully obtains a Level 1 limited learner's permit, in accordance with G.S. 20-11, on

25 direct costs for one driver education course.

26 If a local board of education reduces or waives the driver education course fee for a student

32 education direct costs shall apply to the Department of Public Instruction within 90 days of the  
33 child obtaining the limited learner's permit. The application shall be submitted in the form

51 the prior fiscal year that were not paid due to lack of available funds.

1        (d) Administration. – The State Board of Education, in consultation with the  
2 Department of Transportation, Division of Motor Vehicles, shall establish any rules necessary

5 of a parent or legal guardian and (ii) submission of applications in accordance with the  
6 provisions of this section. For the purposes of this Program, the Division of Motor Vehicles  
7 shall implement a process to provide documentation to drivers obtaining their limited learner's  
8 permits on the first attempt. The Department of Public Instruction may use up to five percent  
9 (5%) of the funds appropriated for the Program each fiscal year for administrative costs,

## 30 **COOPERATIVE INNOVATIVE HIGH SCHOOL FUNDING CHANGES**

31        **SECTION 7.22.(a)** Legislative Findings. – The General Assembly finds the  
32 following in regard to the State's long-term, ongoing investment in providing high school  
33 students with opportunities to obtain postsecondary credit and career credentials at no cost to  
34 the student in order to maximize cost savings to students in obtaining a postsecondary  
35 education:

36        (1) Dual enrollment opportunities for high school students have been available  
37 in the State for many years but began to significantly grow in the early-  
38 mid-2000s as a result of the General Assembly's enactment of the Innovative  
39 Education Initiatives Act and the establishment of the cooperative innovative  
40 high school program pursuant to Part 9 of Article 16 of Chapter 115C of the  
41 General Statutes. This act demonstrated the State's commitment in  
42 prioritizing cooperative efforts between secondary schools and institutions of  
43 higher education so as to reduce the high school dropout rate, increase high  
44 school and college graduation rates, decrease the need for remediation in  
45 institutions of higher education, and raise certificate, associate, and bachelor  
46 degree completion rates.

47        (2) To ensure continued efficiency in the investment of State funds to provide  
48 postsecondary dual enrollment programs for high school students, the  
49 General Assembly directed the State Board of Education and the State Board  
50 of Community Colleges to jointly establish the Career and College Promise  
51 Program pursuant to Section 7.1A of S.L. 2011-145, effective January 1,

- 1 2012, to consolidate existing cooperative efforts between secondary schools  
2 and institutions of higher education by providing (i) for specific pathways  
3 for obtaining college credit that is transferable to community colleges and  
4 institutions of higher education, (ii) for college credit leading to a  
5 subject-area certificate, diploma, or degree, and (iii) through enrollment at a  
6 cooperative innovative high school, enabling students to concurrently obtain  
7 a high school diploma and to begin or complete an associate degree  
8 program, master a certificate or vocational program, or earn up to two years  
9 of college credit within five years.
- 10 (3) The recent growth in the establishment of cooperative innovative high  
11 school programs has resulted in a steady increase in full-time equivalent  
12 (FTE) student enrollment at community colleges due to the maturation of  
13 those programs, including an increase of one hundred forty percent (140%)  
14 in FTE enrollment for these students between 2008-2009 and 2013-2014.
- 15 (4) The implementation of other Career and College Promise pathways enabling  
16 certain traditional high school students to concurrently enroll in  
17 postsecondary courses leading to a defined academic goal has also resulted  
18 in a recent rise in student enrollment at community colleges with a thirty  
19 percent (30%) increase in the College Transfer pathway and a twenty-one  
20 percent (21%) increase in the Career and Technical Education pathway  
21 between 2012-2013 and 2013-2014.
- 22 (5) For the 2013-2014 academic year, the General Assembly appropriated  
23 fifty-seven million dollars (\$57,000,000) in State funds to cover community  
24 college FTE for 11,389 students during the first year of full implementation  
25 of the Career and College Promise Program.
- 26 (6) For the 2015-2016 fiscal year, the General Assembly appropriated the  
27 following amounts to cover the cost of cooperative innovative high schools  
28 and other Career and College Promise programs as follows:
- 29 a. For the cooperative innovative high school allotment, the sum of  
30 twenty-five million four hundred eighty-eight thousand seven  
31 hundred twenty-five dollars (\$25,488,725).
- 32 b. For community college FTE for the following:
- 33 1. For students enrolled in cooperative innovative high schools,  
34 the sum of forty-two million two hundred ninety-one  
35 thousand three hundred eighty-six dollars (42,291,386).
- 36 2. For students enrolled in courses that count toward the College  
37 Transfer pathway, the sum of twenty-one million three  
38 hundred forty-three thousand five hundred seven dollars  
39 (\$21,343,507).
- 40 3. For students enrolled in courses that count toward the Career  
41 and Technical Education pathway, the sum of twenty-one  
42 million seven hundred eight thousand nine hundred thirty-two  
43 dollars (\$21,708,932).
- 44 c. For the reimbursement of tuition for constituent institutions of the  
45 University of North Carolina as a partner institution of higher  
46 education to a cooperative innovative high school, the sum of one  
47 million nine hundred forty-five thousand two hundred one dollars  
48 (\$1,945,201).
- 49 d. For the reimbursement of tuition for private colleges located in North  
50 Carolina that are a partner institution of higher education to a

1 cooperative innovative high school, the sum of four hundred  
2 fifty-seven thousand six hundred thirty-nine dollars (\$457,639).

- 3 (7) Since considerable State funds have been appropriated on an ongoing basis  
4 to cover the cost of high school student enrollment at community colleges,  
5 constituent institutions, and approved private colleges pursuant to  
6 G.S. 115C-238.54 and G.S. 115D-5(b)(12) as part of the Career and College  
7 Promise programs, it is necessary to examine the total cost of these programs  
8 and prioritize the appropriation of State funds to achieve the General  
9 Assembly's goal of maximizing cost savings to students in obtaining a  
10 postsecondary education. This includes reducing funds allocated for the  
11 cooperative innovative high school allotment for local school administrative  
12 units with established programs and new programs in areas of the State with  
13 significant resources to support those schools and to more effectively utilize  
14 these funds in supporting and establishing cooperative innovative high  
15 schools in economically distressed areas of the State.

16 **SECTION 7.22.(b)** Study. – In accordance with the legislative finding set forth in  
17 subdivision (7) of subsection (a) of this section, by February 15, 2018, the State Board of  
18 Community Colleges, the Board of Governors of The University of North Carolina, and the  
19 State Board of Education shall study and report to the Senate Appropriations Committee on  
20 Education/Higher Education, the House Appropriations Committee on Education, the Fiscal  
21 Research Division, and the Joint Legislative Education Oversight Committee on the costs  
22 associated with the Career and College Promise Program, including operation of cooperative  
23 innovative high schools and the cost of concurrent enrollment in the high school and the  
24 institution of higher education, student outcomes related to the Program, and any legislative  
25 recommendations on modifications to the administration and funding for the Program,  
26 including the use of State funds for the planning and establishment of new cooperative  
27 innovative high schools in economically distressed areas of the State. Legislative  
28 recommendations shall also specifically address the use of the funds for the cooperative  
29 innovative high school allotment, whether the allotment is necessary for the operation of the  
30 schools, and how modification or discontinuation of the allotment would impact the programs.

31 **SECTION 7.22.(c)** Established Cooperative Innovative High Schools Located in  
32 Tier III Areas. – For the 2017-2018 fiscal year, notwithstanding G.S. 115C-238.54 and any  
33 other provision of law to the contrary, for a cooperative innovative high school that, as of July  
34 1, 2017, (i) was approved under G.S. 115C-238.51A(c), (ii) has received a cooperative  
35 innovative high school allotment for at least three of the prior fiscal years, and (iii) is located in  
36 a development tier three area as defined in G.S. 143B-437.08, the cooperative innovative high  
37 school allotment amount established by the Department of Public Instruction for the 2017-2018  
38 fiscal year shall be reduced by twenty-five percent (25%). For the 2018-2019 fiscal year and  
39 subsequent fiscal years, these same schools shall receive a fifty percent (50%) reduction of the  
40 cooperative innovative high school allotment amount established by the Department of Public  
41 Instruction for each fiscal year in which the allotment is allocated to local school administrative  
42 units for approved cooperative innovative high schools. For the 2017-2019 fiscal biennium,  
43 these schools shall continue to receive additional State funds for community college FTE and  
44 tuition reimbursement for institutions of higher education, as applicable.

45 **SECTION 7.22.(d)** Certain New Cooperative Innovative High Schools Located in  
46 Tier I Areas. – Of the funds made available to the Department of Public Instruction for the  
47 2017-2019 fiscal biennium from the reduction in the cooperative innovative high school  
48 allotment for certain schools in accordance with subsection (c) of this section, the Department  
49 shall allocate the sum of three hundred sixteen thousand six hundred forty-six dollars  
50 (\$316,646) in each fiscal year to Northampton County Schools for the Northampton County

1 New Tech Early College and to Washington County Schools for the Washington County Early  
2 College High School.

3 **SECTION 7.22.(e)** Other New Cooperative Innovative High Schools Located in  
4 Tier I Areas. – For the 2017-2019 fiscal biennium, the Department of Public Instruction shall  
5 allocate funds to local school administrative units located in a development tier one area as  
6 defined in G.S. 143B-437.08 as of July 1, 2017, with a cooperative innovative high school that  
7 (i) was approved by the State Board of Education under G.S. 115C-238.51A(c) and (ii) did not  
8 receive cooperative innovative high school allotment funds in a prior fiscal year as follows:

9 (1) For the 2017-2018 fiscal year, any of the remaining funds available after the  
10 Department allocates funds to the local school administrative units as  
11 required by subsection (d) of this section shall be allocated in equal amounts  
12 by the Department to local school administrative units for each eligible  
13 cooperative innovative high school located in the unit.

14 (2) For the 2018-2019 fiscal year, any of the remaining funds available after the  
15 Department allocates funds to the local school administrative units as  
16 required by subsection (d) of this section shall be allocated in equal amounts  
17 of up to three hundred sixteen thousand six hundred forty-six dollars  
18 (\$316,646) to local school administrative units for each eligible cooperative  
19 innovative high school located in the unit.

20 **SECTION 7.22.(f)** Reporting Requirement on the Career and College Promise  
21 Programs. – G.S. 115D-5 is amended by adding a new subsection to read:

22 "(x) In addition to the evaluation of cooperative innovative high schools by the State  
23 Board of Education pursuant to G.S. 115C-238.55, the State Board of Community Colleges, in

27 immediate career pathways for students to enter high demand jobs in the  
28 development of mobile software applications.

29 **SECTION 7.23.(c)** Selection of Recipients. – In selecting recipients for the  
30 Program, the Superintendent of Public Instruction shall consider diversity among the pool of  
31 applicants, including geographic location, the positive impact on the community of industry  
32 partnerships, and the size of the student population served by the recipient, in order to award  
33 funds to the extent possible to grant recipients that represent different characteristics of the  
34 State. The Superintendent of Public Instruction shall select initial grant recipients by November  
35 15, 2017, to begin implementation of the partnership initiatives under the Program as early as

10 grade for each subgroup using the same method as set forth in subsection (d) of this section.  
11 School performance scores for subgroups of students shall not be included in the calculation of  
12 the overall school performance scores and grades under subsection (d) of this section.

13 The State Board shall establish the minimum number of students in a subgroup served by a

27 achievement, growth, and performance and the performance grade, using EVAAS, the State  
28 Board shall designate that a school has met, exceeded, or has not met expected growth. The  
29 designation of student growth shall be clearly displayed in the annual school report card  
30 provided under G.S. 115C-12(9)c1., 115C-218.65, 115C-238.66, and 116-239.8.

- 46 (2) ~~The superintendent of the local school administrative unit and the county~~  
47 ~~manager or either's designee;~~
- 48 (3) ~~The finance officer of each board; and~~
- 49 (4) ~~The attorney for each board.~~

50 ~~Members of both boards, their chairs, and representatives shall cooperate with and respond~~  
51 ~~to all reasonable requests of the mediator to participate in the mediation. Notwithstanding~~

1 Article 33C of Chapter 143 of the General Statutes, the mediation proceedings involving the  
2 two working groups shall be conducted in private. Evidence of statements made and conduct  
3 occurring in a mediation are not subject to discovery and are inadmissible in any court action.  
4 However, no evidence otherwise discoverable is inadmissible merely because it is presented or  
5 discussed in a mediation. The mediator shall not be compelled to testify or produce evidence  
6 concerning statements made and conduct occurring in a mediation in any civil proceeding for  
7 any purpose, except disciplinary hearings before the State Bar or any agency established to  
8 enforce standards of conduct for mediators. Reports by members of either working group to  
9 their respective boards shall be made in compliance with Article 33C of Chapter 143 of the  
10 General Statutes.

11 Unless both boards agree otherwise, or unless the boards have already resolved their  
12 dispute, the mediation shall end no later than August 1. The mediator shall have the authority to  
13 determine that an impasse exists and to discontinue the mediation. The mediation may continue  
14 beyond August 1 provided both boards agree. If both boards agree to continue the mediation  
15 beyond August 1, the board of county commissioners shall appropriate to the local school  
16 administrative unit for deposit in the local current expense fund a sum of money sufficient to  
17 equal the local contribution to this fund for the previous year.

18 If the working groups reach a proposed agreement, the terms and conditions must be  
19 approved by each board. If no agreement is reached, the mediator shall announce that fact to  
20 the chairs of both boards, the Senior Resident Superior Court Judge, and the public. The  
21 mediator shall not disclose any other information about the mediation. The mediator shall not  
22 make any recommendations or public statement of findings or conclusions.

23 The local board of education and the board of county commissioners shall share equally the  
24 mediator's compensation and expenses. The mediator's compensation shall be determined  
25 according to rules adopted under Chapter 7A of the General Statutes.

26 (c) Within five days after an announcement of no agreement by the mediator, the local  
27 board of education may file an action in the superior court division of the General Court of  
28 Justice. Either board has the right to have the issues of fact tried by a jury. When a jury trial is  
29 demanded, the cause shall be set for the first succeeding term of the superior court in the  
30 county, and shall take precedence over all other business of the court. However, if the judge  
31 presiding certifies to the Chief Justice of the Supreme Court, either before or during the term,  
32 that because of the accumulation of other business, the public interest will be best served by not  
33 trying the cause at the term next succeeding the filing of the action, the Chief Justice shall  
34 immediately call a special term of the superior court for the county, to convene as soon as  
35 possible, and assign a judge of the superior court or an emergency judge to hold the court, and  
36 the cause shall be tried at this special term. The judge shall find, or if the issue is submitted to  
37 the jury, the jury shall find the facts as to the following in order to maintain a system of free  
38 public schools as defined by State law and State Board of Education policy: (i) the amount of  
39 money legally necessary from all sources and (ii) the amount of money legally necessary from  
40 the board of county commissioners. In making the finding, the judge or the jury shall consider  
41 the educational goals and policies of the State and the local board of education, the budgetary  
42 request of the local board of education, the financial resources of the county and the local board  
43 of education, and the fiscal policies of the board of county commissioners and the local board  
44 of education.

45 All findings of fact in the superior court, whether found by the judge or a jury, shall be  
46 conclusive. When the facts have been found, the court shall give judgment ordering the board  
47 of county commissioners to appropriate a sum certain to the local school administrative unit,  
48 and to levy such taxes on property as may be necessary to make up this sum when added to  
49 other revenues available for the purpose.

50 (d) An appeal may be taken to the appellate division of the General Court of Justice,  
51 and notice of appeal shall be given in writing within 10 days after entry of the judgment. All

1 papers and records relating to the case shall be considered a part of the record on appeal. The  
 2 conclusion of the school or fiscal year shall not be deemed to resolve the question in  
 3 controversy between the parties while an appeal is still pending. Any final judgment shall be  
 4 legally binding on the parties at the conclusion of the appellate process. The payment of any  
 5 final judgment by the county in favor of the local school administrative unit shall not be  
 6 considered, or used in any manner, to deny or reduce appropriations to the local school  
 7 administrative unit by the county in fiscal years subsequent to the one at issue to offset such  
 8 payment of a final judgment.

9 (e) If, in an action filed under this section, the final judgment of the General Court of  
 10 Justice is rendered after the due date prescribed by law for property taxes, the board of county  
 11 commissioners is authorized to levy such supplementary taxes as may be required by the  
 12 judgment, notwithstanding any other provisions of law with respect to the time for doing acts  
 13 necessary to a property tax levy. Upon making a supplementary levy under this subsection, the  
 14 board of county commissioners shall designate the person who is to compute and prepare the  
 15 supplementary tax receipts and records for all such taxes. Upon delivering the supplementary  
 16 tax receipts to the tax collector, the board of county commissioners shall proceed as provided in  
 17 G.S. 105-321.

18 The due date of supplementary taxes levied under this subsection is the date of the levy, and  
 19 the taxes may be paid at par or face amount at any time before the one hundred and twentieth  
 20 day after the due date. On or after the one hundred and twentieth day and before the one  
 21 hundred and fiftieth day from the due date there shall be added to the taxes interest at the rate  
 22 of two percent (2%). On or after the one hundred and fiftieth day from the due date, there shall  
 23 be added to the taxes, in addition to the two percent (2%) provided above, interest at the rate of  
 24 three-fourths of one percent (3/4 of 1%) per 30 days or fraction thereof until the taxes plus  
 25 interest have been paid. No discounts for prepayment of supplementary taxes levied under this  
 26 subsection shall be allowed."

27 **SECTION 7.30.(b)** G.S. 115C-432(a) reads as rewritten:

28 "(a) After the board of county commissioners has made its appropriations to the local  
 29 school administrative unit, or after the appeal procedure set out in G.S. 115C-431 has been  
 30 concluded, the board of education shall adopt a budget resolution making appropriations for the  
 31 budget year in such sums as the board may deem sufficient and proper. The budget resolution  
 32 shall conform to the uniform budget format established by the State Board of Education."

33 **SECTION 7.30.(c)** This section applies beginning with budget ordinances adopted  
 34 on or after the date this act becomes law.

**SECTION 11B.2.(d)** The Department of Health and Human Services shall report on the development of the standardized transition program required pursuant to subsection (c) of this section, including any findings and recommendations and any legislative proposals, to the Joint Legislative Oversight Committee on Health and Human Services and the Joint Legislative Education Oversight Committee on or before January 1, 2018.

**CHILD CARE SUBSIDY RATES**

**SECTION 11B.3.(a)** The maximum gross annual income for initial eligibility, adjusted biennially, for subsidized child care services shall be determined based on a percentage of the federal poverty level as follows:

<b>AGE</b>	<b>INCOME PERCENTAGE LEVEL</b>
0 – 5	200%
6 – 12	133%

The eligibility for any child with special needs, including a child who is 13 years of age or older, shall be two hundred percent (200%) of the federal poverty level.

**SECTION 11B.3.(b)** Fees for families who are required to share in the cost of care are established based on ten percent (10%) of gross family income. When care is received at the blended rate, the co-payment shall be eighty-three percent (83%) of the full-time co-payment. Co-payments for part-time care shall be seventy-five percent (75%) of the full-time co-payment.

**SECTION 11B.3.(c)** Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

- (1) Religious sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (f) of this section.
- (2) Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (g) of this section.
- (3) Nonlicensed homes shall receive fifty percent (50%) of the county market rate or the rate they charge privately paying parents, whichever is lower.
- (4) No payments shall be made for transportation services or registration fees charged by child care facilities.
- (5) Payments for subsidized child care services for postsecondary education shall be limited to a maximum of 20 months of enrollment.

- 1 (6) The Department of Health and Human Services shall implement necessary  
2 rule changes to restructure services, including, but not limited to, targeting  
3 benefits to employment.

4 **SECTION 11B.3.(d)** Provisions of payment rates for child care providers in  
5 counties that do not have at least 50 children in each age group for center-based and  
6 home-based care are as follows:

- 7 (1) Except as applicable in subdivision (2) of this subsection, payment rates  
8 shall be set at the statewide or regional market rate for licensed child care  
9 centers and homes.
- 10 (2) If it can be demonstrated that the application of the statewide or regional  
11 market rate to a county with fewer than 50 children in each age group is  
12 lower than the county market rate and would inhibit the ability of the county  
13 to purchase child care for low-income children, then the county market rate  
14 may be applied.

15 **SECTION 11B.3.(e)** A market rate shall be calculated for child care centers and  
16 homes at each rated license level for each county and for each age group or age category of  
17 enrollees and shall be representative of fees charged to parents for each age group of enrollees  
18 within the county. The Division of Child Development and Early Education shall also calculate  
19 a statewide rate and regional market rate for each rated license level for each age category.

20 **SECTION 11B.3.(f)** The Division of Child Development and Early Education  
21 shall continue implementing policies that improve the quality of child care for subsidized  
22 children, including a policy in which child care subsidies are paid, to the extent possible, for  
23 child care in the higher quality centers and homes only. The Division shall define higher  
24 quality, and subsidy funds shall not be paid for one- or two-star rated facilities. For those  
25 counties with an inadequate number of four- and five-star rated facilities, the Division shall  
26 continue a transition period that allows the facilities to continue to receive subsidy funds while  
27 the facilities work on the increased star ratings. The Division may allow exemptions in counties  
28 where there is an inadequate number of four- and five-star rated facilities for non-star rated  
29 programs, such as religious programs.

30 **SECTION 11B.3.(g)** Facilities licensed pursuant to Article 7 of Chapter 110 of the  
31 General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the  
32 program that provides for the purchase of care in child care facilities for minor children of  
33 needy families. Except as authorized by subsection (f) of this section, no separate licensing  
34 requirements shall be used to select facilities to participate. In addition, child care facilities  
35 shall be required to meet any additional applicable requirements of federal law or regulations.  
36 Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of  
37 the General Statutes shall meet the requirements established by other State law and by the  
38 Social Services Commission.

39 County departments of social services or other local contracting agencies shall not  
40 use a provider's failure to comply with requirements in addition to those specified in this  
41 subsection as a condition for reducing the provider's subsidized child care rate.

42 **SECTION 11B.3.(h)** Payment for subsidized child care services provided with  
43 Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations  
44 and policies issued by the Division of Child Development and Early Education for the  
45 subsidized child care program.

46 **SECTION 11B.3.(i)** Noncitizen families who reside in this State legally shall be  
47 eligible for child care subsidies if all other conditions of eligibility are met. If all other  
48 conditions of eligibility are met, noncitizen families who reside in this State illegally shall be  
49 eligible for child care subsidies only if at least one of the following conditions is met:

- 50 (1) The child for whom a child care subsidy is sought is receiving child  
51 protective services or foster care services.

- 1 (2) The child for whom a child care subsidy is sought is developmentally  
2 delayed or at risk of being developmentally delayed.
- 3 (3) The child for whom a child care subsidy is sought is a citizen of the United  
4 States.

5 **SECTION 11B.3.(j)** The Department of Health and Human Services, Division of  
6 Child Development and Early Education, shall require all county departments of social services  
7 to include on any forms used to determine eligibility for child care subsidy whether the family  
8 waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

9 **SECTION 11B.3.(k)** Department of Defense-certified child care facilities licensed  
10 pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that  
11 provides for the purchase of care in child care facilities for minor children in needy families,  
12 provided that funds allocated from the State-subsidized child care program to Department of  
13 Defense-certified child care facilities shall supplement and not supplant funds allocated in  
14 accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose  
15 Department of Defense-certified child care facilities and who are eligible to receive subsidized  
16 child care shall be as set forth in this section.

#### 17 18 **CHILD CARE SUBSIDY MARKET RATE INCREASES/CERTAIN AGE GROUPS** 19 **AND COUNTIES**

20 **SECTION 11B.4.(a)** Beginning October 1, 2017, the Department of Health and  
21 Human Services, Division of Child Development and Early Education (Division), shall  
22 increase the child care subsidy market rates to the rates recommended by the 2015 Child Care  
23 Market Rate Study for school-aged children in three-, four-, and five-star-rated child care  
24 centers and homes in tier one and tier two counties.

25 **SECTION 11B.4.(b)** Beginning October 1, 2017, the Division shall increase the  
26 child care subsidy market rates by seventy percent (70%) of the difference between the current  
27 market rates and the rates recommended by the 2015 Child Care Market Rate Study for  
28 children birth through two years of age in three-, four-, and five-star-rated child care centers  
29 and homes in tier three counties.

30 **SECTION 11B.4.(c)** Beginning July 1, 2018, the Division shall increase the child  
31 care subsidy market rates to the rates recommended by the 2015 Child Care Market Rate Study  
32 for children birth through two years of age in three-, four-, and five-star-rated child care centers  
33 and homes in tier three counties.

34 **SECTION 11B.4.(d)** For purposes of this section, tier one, tier two, and tier three  
35 counties shall have the same designations as those established by the N.C. Department of  
36 Commerce's 2015 County Tier Designations.

#### 37 38 **CHILD CARE ALLOCATION FORMULA**

39 **SECTION 11B.5.(a)** The Department of Health and Human Services, Division of  
40 Child Development and Early Education (Division), shall allocate child care subsidy voucher  
41 funds to pay the costs of necessary child care for minor children of needy families. The  
42 mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy  
43 allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child  
44 care subsidy allocation. The Department of Health and Human Services shall use the following  
45 method when allocating federal and State child care funds, not including the aggregate  
46 mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy  
47 allocation:

- 48 (1) Funds shall be allocated to a county based upon the projected cost of serving  
49 children under age 11 in families with all parents working who earn less than  
50 the applicable federal poverty level percentage set forth in Section 11B.3(a)  
51 of this act.

1 (2) The Division may withhold up to two percent (2%) of available funds from  
2 the allocation formula for (i) preventing termination of services throughout  
3 the fiscal year and (ii) repayment of any federal funds identified by counties  
4 as overpayments, including overpayments due to fraud. The Division shall  
5 allocate to counties any funds withheld before the end of the fiscal year  
6 when the Division determines the funds are not needed for the purposes  
7 described in this subdivision.

8 (3) The Division shall set aside four percent (4%) of child care subsidy  
9 allocations for vulnerable populations, which include a child identified as  
10 having special needs and a child whose application for assistance indicates  
11 that the child and the child's family is experiencing homelessness or is in a  
12 temporary living situation. A child identified by this subdivision shall be  
13 given priority for receiving services until such time as set-aside allocations  
14 for vulnerable populations are exhausted.

15 **SECTION 11B.5.(b)** The Division may reallocate unused child care subsidy  
16 voucher funds in order to meet the child care needs of low-income families. Any reallocation of  
17 funds shall be based upon the expenditures of all child care subsidy voucher funding, including  
18 North Carolina Partnership for Children, Inc., funds within a county. Counties shall manage  
19 service levels within the funds allocated to the counties. A county with a spending coefficient  
20 over one hundred percent (100%) shall submit a plan to the Division for managing the county's  
21 allocation before receiving any reallocated funds.

22 **SECTION 11B.5.(c)** When implementing the formula under subsection (a) of this  
23 section, the Division shall include the market rate increase in the formula process, rather than  
24 calculating the increases outside of the formula process. Additionally, the Department shall do  
25 the following:

26 (1) Implement the final one-third change in a county's allocation beginning  
27 fiscal year 2018-2019. A county's initial allocation shall be the county's  
28 expenditure in the previous fiscal year. With the exception of market rate  
29 increases consistent with any increases approved by the General Assembly, a  
30 county whose spending coefficient is less than ninety-five percent (95%) in  
31 the previous fiscal year shall receive its prior year's expenditure as its  
32 allocation and shall not receive an increase in its allocation in the following  
33 year. A county whose spending coefficient is at least ninety-five percent  
34 (95%) in the previous fiscal year shall receive, at a minimum, the amount it  
35 expended in the previous fiscal year and may receive additional funding, if  
36 available. The Division may waive this requirement and allow an increase if  
37 the spending coefficient is below ninety-five percent (95%) due to  
38 extraordinary circumstances, such as a State or federal disaster declaration in  
39 the affected county. However, effective for the 2018-2019 fiscal year,  
40 "extraordinary circumstances" shall only include a State or federal disaster  
41 declaration in the affected county or a State directive restricting the  
42 expenditure of funds that prohibits the county from meeting the ninety-five  
43 percent (95%) spending coefficient. By October 1 of each year, the Division  
44 shall report to the Joint Legislative Oversight Committee on Health and  
45 Human Services and the Fiscal Research Division the counties that received  
46 a waiver pursuant to this subdivision and the reasons for the waiver.

47 (2) Effective immediately following the next new decennial census data release,  
48 implement (i) one-third of the change in a county's allocation in the year  
49 following the data release, (ii) an additional one-third of the change in a  
50 county's allocation beginning two years after the initial change under this

1 subdivision, and (iii) the final one-third change in a county's allocation  
2 beginning the following two years thereafter.

#### 4 **CODIFY CERTAIN CHILD CARE SUBSIDY PROVISIONS**

5 **SECTION 11B.6.** Article 3 of Chapter 143B of the General Statutes is amended by  
6 adding a new Part to read:

7 "Part 10C. Child Care Subsidy.

##### 8 **"§ 143B-168.25. Child care funds matching requirements.**

9 No local matching funds may be required by the Department of Health and Human Services  
10 as a condition of any locality's receiving its initial allocation of child care funds appropriated by  
11 this act unless federal law requires a match. If the Department reallocates additional funds  
12 above twenty-five thousand dollars (\$25,000) to local purchasing agencies beyond their initial  
13 allocation, local purchasing agencies must provide a twenty percent (20%) local match to  
14 receive the reallocated funds. Matching requirements shall not apply when funds are allocated  
15 because of an emergency as defined in G.S. 166A-19.3(6).

##### 16 **"§ 143B-168.26. Child care revolving loan.**

17 Notwithstanding any law to the contrary, funds budgeted for the Child Care Revolving  
18 Loan Fund may be transferred to and invested by the financial institution contracted to operate  
19 the Fund. The principal and any income to the Fund may be used to make loans, reduce loan  
20 interest to borrowers, serve as collateral for borrowers, pay the contractor's cost of operating the  
21 Fund, or pay the Department's cost of administering the program.

##### 22 **"§ 143B-168.27. Administrative allowance for county departments of social services; use** 23 **of subsidy funds for fraud detection.**

24 (a) The Department of Health and Human Services, Division of Child Development and  
25 Early Education (Division), shall fund the allowance that county departments of social services  
26 may use for administrative costs at four percent (4%) of the county's total child care subsidy  
27 funds allocated in the Child Care and Development Fund Block Grant plan or eighty thousand  
28 dollars (\$80,000), whichever is greater.

29 (b) Each county department of social services may use up to two percent (2%) of child  
30 care subsidy funds allocated to the county for fraud detection and investigation initiatives.

31 (c) The Division may adjust the allocations in the Child Care and Development Fund  
32 Block Grant according to (i) the final allocations for local departments of social services under  
33 subsection (a) of this section and (ii) the funds allocated for fraud detection and investigation  
34 initiatives under subsection (b) of this section. The Division shall submit a report on the final  
35 adjustments to the allocations of the four percent (4%) administrative costs to the Joint  
36 Legislative Oversight Committee on Health and Human Services and the Fiscal Research  
37 Division no later than September 30 of each year."

#### 40 **SERVICES**

41 **SECTION 11B.7.(a)** Beginning January 1, 2018, the Department of Health and  
42 Human Services, the Division of Child Development and Early Education (DCDEE) and the  
43 Division of Social Services (DSS), shall implement the plan developed pursuant to S.L.  
44 2015-51 requiring a custodial parent or other relative or person with primary custody of the  
45 child who is receiving child care subsidy payments to cooperate with the county child support  
46 services program as a condition of receiving child care subsidy payments. DCDEE and DSS  
47 shall implement the plan, which shall include, at a minimum, the components described in  
48 Section 1(a) of S.L. 2015-51, as well as any criteria DCDEE and DSS identified in its report on  
49 the plan as submitted to the Joint Legislative Oversight Committee on Health and Human  
50 Services dated February 1, 2016.

1           **SECTION 11B.7.(b)** The Division of Child Development and Early Education and  
2 the Division of Social Services shall report on the implementation of the plan to the Joint  
3 Legislative Oversight Committee on Health and Human Services and the Fiscal Research  
4 Division no later than October 1, 2018.

5  
6 **SMART START INITIATIVES**

7           **SECTION 11B.8.(a)** Policies. – The North Carolina Partnership for Children, Inc.,  
8 and its Board shall ensure policies focus on the North Carolina Partnership for Children, Inc.'s  
9 mission of improving child care quality in North Carolina for children from birth to five years  
10 of age. North Carolina Partnership for Children, Inc.-funded activities shall include assisting  
11 child care facilities with (i) improving quality, including helping one-, two-, and  
12 three-star-rated facilities increase their star ratings, and (ii) implementing prekindergarten  
13 programs. State funding for local partnerships shall also be used for evidence-based or  
14 evidence-informed programs for children from birth to five years of age that do the following:

- 15           (1) Increase children's literacy.
- 16           (2) Increase the parents' ability to raise healthy, successful children.
- 17           (3) Improve children's health.
- 18           (4) Assist four- and five-star-rated facilities in improving and maintaining  
19 quality.

20           **SECTION 11B.8.(b)** Administration. – Administrative costs shall be equivalent to,  
21 on an average statewide basis for all local partnerships, not more than eight percent (8%) of the  
22 total statewide allocation to all local partnerships. For purposes of this subsection,  
23 administrative costs shall include costs associated with partnership oversight, business and  
24 financial management, general accounting, human resources, budgeting, purchasing,  
25 contracting, and information systems management. The North Carolina Partnership for  
26 Children, Inc., shall continue using a single statewide contract management system that  
27 incorporates features of the required standard fiscal accountability plan described in  
28 G.S. 143B-168.12(a)(4). All local partnerships are required to participate in the contract  
29 management system and, directed by the North Carolina Partnership for Children, Inc., to  
30 collaborate, to the fullest extent possible, with other local partnerships to increase efficiency  
31 and effectiveness.

32           **SECTION 11B.8.(c)** Salaries. – The salary schedule developed and implemented  
33 by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State  
34 funds that may be used for the salary of the Executive Director of the North Carolina  
35 Partnership for Children, Inc., and the directors of the local partnerships. The North Carolina  
36 Partnership for Children, Inc., shall base the schedule on the following criteria:

- 37           (1) The population of the area serviced by a local partnership.
- 38           (2) The amount of State funds administered.
- 39           (3) The amount of total funds administered.
- 40           (4) The professional experience of the individual to be compensated.
- 41           (5) Any other relevant factors pertaining to salary, as determined by the North  
42 Carolina Partnership for Children, Inc.

43           The salary schedule shall be used only to determine the maximum amount of State  
44 funds that may be used for compensation. Nothing in this subsection shall be construed to  
45 prohibit a local partnership from using non-State funds to supplement an individual's salary in  
46 excess of the amount set by the salary schedule established under this subsection.

47           **SECTION 11B.8.(d)** Match Requirements. – The North Carolina Partnership for  
48 Children, Inc., and all local partnerships shall, in the aggregate, be required to match one  
49 hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the  
50 2017-2019 biennium. Of the funds the North Carolina Partnership for Children, Inc., and the  
51 local partnerships are required to match, contributions of cash shall be equal to at least thirteen

1 percent (13%) and in-kind donated resources shall be equal to no more than six percent (6%)  
2 for a total match requirement of nineteen percent (19%) for each year of the 2017-2019 fiscal  
3 biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in  
4 excess of the required match for a fiscal year in order to meet the match requirement of the  
5 succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the  
6 in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the  
7 purpose of the match requirement of this subsection. Volunteer services that qualify as  
8 professional services shall be valued at the fair market value of those services. All other  
9 volunteer service hours shall be valued at the statewide average wage rate as calculated from  
10 data compiled by the Division of Employment Security of the Department of Commerce in the  
11 Employment and Wages in North Carolina Annual Report for the most recent period for which  
12 data are available. Expenses, including both those paid by cash and in-kind contributions,  
13 incurred by other participating non-State entities contracting with the North Carolina  
14 Partnership for Children, Inc., or the local partnerships also may be considered resources  
15 available to meet the required private match. In order to qualify to meet the required private  
16 match, the expenses shall:

- 17 (1) Be verifiable from the contractor's records.
- 18 (2) If in-kind, other than volunteer services, be quantifiable in accordance with  
19 generally accepted accounting principles for nonprofit organizations.
- 20 (3) Not include expenses funded by State funds.
- 21 (4) Be supplemental to and not supplant preexisting resources for related  
22 program activities.
- 23 (5) Be incurred as a direct result of the Early Childhood Initiatives Program and  
24 be necessary and reasonable for the proper and efficient accomplishment of  
25 the Program's objectives.
- 26 (6) Be otherwise allowable under federal or State law.
- 27 (7) Be required and described in the contractual agreements approved by the  
28 North Carolina Partnership for Children, Inc., or the local partnership.
- 29 (8) Be reported to the North Carolina Partnership for Children, Inc., or the local  
30 partnership by the contractor in the same manner as reimbursable expenses.

31 Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the  
32 2017-2019 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for  
33 the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc.,  
34 shall be responsible for compiling information on the private cash and in-kind contributions  
35 into a report that is submitted to the Joint Legislative Oversight Committee on Health and  
36 Human Services in a format that allows verification by the Department of Revenue. The same  
37 match requirements shall apply to any expansion funds appropriated by the General Assembly.

38 **SECTION 11B.8.(e) Bidding.** – The North Carolina Partnership for Children, Inc.,  
39 and all local partnerships shall use competitive bidding practices in contracting for goods and  
40 services on contract amounts as follows:

- 41 (1) For amounts of five thousand dollars (\$5,000) or less, the procedures  
42 specified by a written policy as developed by the Board of Directors of the  
43 North Carolina Partnership for Children, Inc.
- 44 (2) For amounts greater than five thousand dollars (\$5,000), but less than fifteen  
45 thousand dollars (\$15,000), three written quotes.
- 46 (3) For amounts of fifteen thousand dollars (\$15,000) or more, but less than  
47 forty thousand dollars (\$40,000), a request for proposal process.
- 48 (4) For amounts of forty thousand dollars (\$40,000) or more, a request for  
49 proposal process and advertising in a major newspaper.

1           **SECTION 11B.8.(f)** Allocations. – The North Carolina Partnership for Children,  
2 Inc., shall not reduce the allocation for counties with less than 35,000 in population below the  
3 2012-2013 funding level.

4           **SECTION 11B.8.(g)** Performance-Based Evaluation. – The Department of Health  
5 and Human Services shall continue to implement the performance-based evaluation system.

6           **SECTION 11B.8.(h)** Expenditure Restrictions. – The Department of Health and  
7 Human Services and the North Carolina Partnership for Children, Inc., shall ensure that the  
8 allocation of funds for Early Childhood Education and Development Initiatives for the  
9 2017-2019 fiscal biennium shall be administered and distributed in the following manner:

10           (1) Capital expenditures are prohibited for the 2017-2019 fiscal biennium. For  
11 the purposes of this section, "capital expenditures" means expenditures for  
12 capital improvements as defined in G.S. 143C-1-1(d)(5).

13           (2) Expenditures of State funds for advertising and promotional activities are  
14 prohibited for the 2017-2019 fiscal biennium.

15 For the 2017-2019 fiscal biennium, local partnerships shall not spend any State funds on

17 any private funds the local partnerships receive on those activities.

21           **SECTION 11B.9.(a)** Funds allocated to the North Carolina Partnership for  
22 Children, Inc., from the Department of Health and Human Services, shall be used to increase  
23 access to Dolly Parton's Imagination Library, an early literacy program that mails  
24 age-appropriate books on a monthly basis to children registered for the program, with the intent  
25 that, upon full implementation, access to the program shall be statewide.

26           **SECTION 11B.9.(b)** The North Carolina Partnership for Children, Inc., may use  
27 up to two percent (2%) of the funds for program evaluation. Funds appropriated under this  
28 section shall not be subject to administrative costs requirements under Section 11B.8(b) of this  
29 act, nor shall these funds be subject to the child care services funding requirements under

### 38 39 **TANF BENEFIT IMPLEMENTATION**

40           **SECTION 11C.1.(a)** The General Assembly approves the plan titled "North

## 19 **CHILD WELL-BEING TRANSFORMATION COUNCIL**

20 **SECTION 11C.12.(r)** Chapter 143 of the General Statutes is amended by adding a  
21 new Article to read:

### 22 "Article 82.

#### 23 "Child Well-Being Transformation Council.

#### 24 **"§ 143-775. Child Well-Being Transformation Council established; membership; 25 qualifications; vacancies.**

26 (a) Purpose; Findings. – The welfare of North Carolina's children is a priority. There  
27 are many public and private agencies and organizations across the State that are involved with  
28 promoting the welfare of children and protecting them from harm, such as those involving child  
29 care, schools, health care providers, social services agencies, and juvenile justice programs.  
30 Though these agencies and organizations provide important services, they often fail to  
31 collaborate, coordinate, and communicate about those services. A more systematic and  
32 coordinated approach to services will help ensure that the State achieves the best possible  
33 outcomes for children. Therefore, the General Assembly finds that it is essential that a single  
34 body serve as a means for coordination, collaboration, and communication among agencies and  
35 organizations involved in providing public services to children.

36 (b) Creation and Membership. – There is established the North Carolina Child  
37 Well-Being Transformation Council (Council). The Council shall be located administratively in  
38 the General Assembly. The Council shall consist of 17 members serving staggered terms. In  
39 making appointments, each appointing authority shall select members who have appropriate  
40 experience and knowledge of the issues to be examined by the Council and shall strive to

49 three years, one shall be a representative from a child welfare private  
50 provider organization who shall serve for a term of two years, and one shall  
51

1 be a representative from the North Carolina Pediatric Society who shall  
2 serve a one-year term.

3 (2) Four members shall be appointed by the General Assembly upon the  
4 recommendation of the Speaker of the House of Representatives. Of the  
5 members appointed under this subdivision, one shall be a member of the  
6 House of Representatives who shall serve for a term of two years, one shall  
7 be a representative from the Department of Public Instruction who shall  
8 serve for a term of three years, one shall be a representative from Indigent  
9 Defense Services who shall serve for a term of two years, and one shall be a  
10 representative of the Hospital Association who shall serve a one-year term.

11 (3) Nine members shall be appointed by the Governor. Of the members  
12 appointed under this subdivision, one shall be a representative from the  
13 Department of Health and Human Services, Division of Child Development  
14 and Early Education, who shall serve for a term of three years, one shall be a  
15 representative from the Department of Health and Human Services, Division  
16 of Social Services, who shall serve for a term of three years, one shall be a  
17 representative from the Department of Public Safety, Division of Juvenile  
18 Justice, who shall serve for a term of two years, one shall be a representative  
19 from the Department of Health and Human Services, Division of Mental  
20 Health, Developmental Disabilities, and Substance Abuse Services, who  
21 shall serve for a term of three years, one shall be a representative from the  
22 Guardian ad Litem program who shall serve a term of two years, one shall  
23 be a representative from Disability Rights NC who shall serve a one-year  
24 term, one shall be a representative from a local management entity/managed  
25 care organization (LME/MCO) who shall serve a one-year term, one shall be  
26 a representative from the Department of Health and Human Services,  
27 Division of Public Health, with expertise in substance abuse disorders who  
28 shall serve for a term of two years, and one shall be a director of a county  
29 department of social services who shall serve a one-year term.

30 (c) Terms; Vacancies. – Upon the expiration of the terms of the initial Council  
31 members, each member shall be appointed for a term of four years and shall serve until a  
32 successor is appointed. No member may serve more than two consecutive full terms. A vacancy

45 Officer, shall assign professional staff to assist the Council in its work. Upon the direction of  
46 the Legislative Services Commission, the Director of Legislative Assistants of the Senate and  
47 of the House of Representatives shall assign clerical staff to the Council. The expenses for  
48 clerical employees shall be borne by the Council.

49 **"§ 143-776. Powers and duties.**

50 (a) Upon its establishment, the Council shall direct its initial focus on the following  
51 initiatives:

1           (1) Mapping the network of child-serving agencies and organizations in the  
2           State.

3           (2) Cataloging examples of failures in coordination, collaboration, and  
4           communication in the context of child protective services.

6           to identify promising practices and focus areas for the Council's work.

7           (b) Beginning July 1, 2020, the Council shall focus on promoting coordination,  
8 collaboration, and communication of child-serving agencies involved with the child protective

11           (2) Monitor the process of child welfare reform.

12           (3) Recommend changes in law, policy, or practice necessary to remedy gaps in  
13 coordination, collaboration, and communication between the new regional  
14 social services departments and other agencies and organizations involved  
15 with the same populations.

16           (c) By 2022, and thereafter, the Council shall expand the scope of its work to  
17 encompass evaluation of child-centered programs and services beyond the child protective  
18 services system. The Council shall take appropriate steps to identify gaps in coordination,  
19 collaboration, and communication and recommend changes in law, policy, or practice  
20 necessary to remedy remaining gaps. The Council's authority extends to any publicly funded  
21 program that serves children.

22           (d) The Council shall submit a report to the chairs of the Senate Appropriations  
23 Committee on Health and Human Services, the chairs of the House of Representatives  
24 Appropriations Committee on Health and Human Services, the Joint Legislative Oversight  
25 Committee on Health and Human Services, and the Fiscal Research Division by June 30 of  
26 each year. The report shall include a summary of the Council's work for the previous year, any

30           **SECTION 11C.12.(s)** Of the funds appropriated in this act to the Department of  
31 Health and Human Services, the sum of twelve thousand six hundred ninety-two dollars  
32 (\$12,692) in nonrecurring funds for the 2018-2019 fiscal year shall be allocated to the  
33 Legislative Services Commission for purposes of assisting the Child Well-Being  
34 Transformation Council established pursuant to subsection (r) of this section.

### 35 36 **DRIVERS LICENSE PILOT PROJECT**

37           **SECTION 11C.12.(t)** The General Assembly recognizes that not having a drivers  
38 license is a barrier to education, employment, health care, and other community-based activities  
39 for older youth in foster care, as defined in G.S. 131D-10.2(9), working toward independence.  
40 One of the biggest barriers to accessing a drivers license for such youth is the ability to obtain  
41 insurance. Therefore, to assist in this effort, the Department of Health and Human Services,  
42 Division of Social Services, shall establish a two-year pilot program that shall reimburse, on a  
43 first-come, first-served basis, youth and caregivers' costs associated with drivers license  
44 education, drivers license fees, insurance costs, and any other costs associated with obtaining a  
45 drivers license. The Division shall take appropriate steps to ensure proper advertising of the  
46 pilot program.

47           The Division of Social Services shall report on the pilot project to the Joint Legislative  
48 Oversight Committee on Health and Human Services by March 1, 2018.

49           **SECTION 11C.12.(u)** Of the funds appropriated in this act to the Department of  
50 Health and Human Services, Division of Social Services, the sum of seventy-five thousand  
51 dollars (\$75,000) for the 2017-2018 fiscal year and the sum of seventy-five thousand dollars

1 (\$75,000) for the 2018-2019 fiscal year shall be used to conduct the pilot project established  
2 pursuant to subsection (t) of this section.

#### 3 4 **PILOT WAIVER FOR IAFT FOSTER PARENTS**

5 **SECTION 11C.12.(v)** The General Assembly has determined that in an effort to  
6 maximize funding, local management entities/managed care organizations (LME/MCOs) are  
7 utilizing Intensive Alternative Family Treatment (IAFT), which is a means of cost-effective,  
8 specialized foster care treatment service that is being used for many youth who would have  
9 previously been treated in Medicaid congregate care, such as psychiatric residential treatment  
10 facilities. The General Assembly finds that these higher-need youth are often (i) suspended or  
11 expelled from school or day programs and (ii) require multiple appointments on a weekly basis  
12 to address needs, such as therapy, medication management, and school individual education  
13 plans (IEPs). Further, in accordance with rules, foster parents are required to maintain outside  
14 employment while providing foster care, but the constant demands of meeting the needs of  
15 these foster youth often lead to disruption in placement as the foster parent is unable to meet  
16 those needs while maintaining the parent's employment obligations.

17 **SECTION 11C.12.(w)** To that end, the Department of Health and Human Services,  
18 Division of Social Services (Division), shall establish a pilot program that will allow the  
19 Division to waive the employment requirement for foster parents with children utilizing the  
20 Intensive Alternative Family Treatment (IAFT). The Division shall solicit participation in the  
21 pilot program from interested local management entities/managed care organizations  
22 (LME/MCOs). The participating LME/MCOs shall conduct comparison measures between  
23 existing IAFT outcomes and those of pilots to determine any impact the waiver may have on  
24 outside employment. LME/MCOs shall measure progress of the pilot waivers based on the  
25 expectation of meeting the following outcomes:

- 26 (1) Improved placement stability with less than twenty percent (20%) of moves  
27 of youth occurring due to therapeutic foster parent request.  
28 (2) Seventy-five percent (75%) of youth and families meeting their treatment  
29 goals within the projected time frame.  
30 (3) No more than a ten percent (10%) increase in higher-level hospital bed days.

31 **SECTION 11C.12.(x)** LME/MCOs participating in the IAFT pilot waiver program  
32 shall provide a report on the outcomes of the pilots, along with any recommendations, to the  
33 Division. The Division shall then submit a report on the pilot waiver program to the Joint  
34 Legislative Oversight Committee on Health and Human Services by December 1, 2018.

#### 35 36 **TERMINATION OF PARENTAL RIGHTS/APPEALS**

37 **SECTION 11C.12.(y)** G.S. 7B-1001, as amended by Section 4 of S.L. 2017-7,  
38 reads as rewritten:

##### 39 **"§ 7B-1001. Right to appeal.**

40 (a) In a juvenile matter under this Subchapter, appeal of a final order of the court ~~in a~~  
41 ~~juvenile matter~~ shall be made directly to the Court of Appeals ~~unless otherwise~~  
42 ~~specified.~~ Appeals. Only the following juvenile matters may be appealed:

45 ~~preserved, as follows:~~  
46 a. ~~The Court of Appeals shall review the order eliminating reunification~~  
47 ~~as a permanent plan if all of the following apply:~~  
48 1. ~~A motion or petition to terminate the parent's rights is heard~~  
49 ~~and granted.~~  
50 2. ~~The order terminating parental rights is appealed in a proper~~  
51 ~~and timely manner.~~

**TIME FRAME FOR LICENSURE APPROVAL/FOSTER CARE**

**SECTION 11C.12.(z)** G.S. 131D-10.3 is amended by adding a new subsection to read:

8 purpose, whichever is earlier.

12 any portion of the State and county funds allocated to the DSS for each year of the 2017-2019  
13 fiscal biennium for the purpose of this section for any other purpose.

14 **SECTION 11C.13.(e)** Nothing in this section shall be construed as an obligation  
15 by the General Assembly to appropriate funds for the purpose of this section, or as an  
16 entitlement by any facility, resident of a facility, or other person to receive temporary financial  
17 assistance under this section.

26 Secretary shall immediately meet with that LME/MCO for the purpose of evaluating the  
27 reasons for the LME/MCO's vulnerable financial position, including reasons attributable to  
28 trends in performance management and utilization of services. Within 30 days after meeting  
29 with an LME/MCO pursuant to this section, the Secretary shall submit a written report of its  
30 evaluation to the LME/MCO. By October 1, 2017, the Secretary shall submit an initial report to

35 and submit to the Secretary, in writing, a proposed plan of corrective action with specific  
36 initiatives and actions to be implemented by the LME/MCO in order to bring its financial  
37 position into compliance with the approved solvency standards, along with a projected time line  
38 for completing each identified initiative or action and a deadline for achieving full compliance  
39 with the approved solvency standards. At a minimum, the proposed plan of corrective action  
40 shall address (i) rates paid to the LME/MCO and its providers for services, contracts, and  
41 administrative costs; (ii) utilization of services; (iii) management of the operations of the  
42 LME/MCO; and (iv) financial risk to the State.

43 Within 14 days after receiving the LME/MCO's proposed plan of corrective action,

46 solvency standards and submit a final, Secretary-approved plan of corrective action to the  
47 LME/MCO, the Joint Legislative Oversight Committee on Health and Human Services, and the

12 being utilized while demand for services at the State psychiatric hospitals has not decreased, or  
13 (ii) the LME/MCO has failed to comply with the prompt payment provisions of subsection (c)  
14 of this section, the Department may contract with another LME/MCO to manage the beds or

## 16 **PREPAYMENT CLAIMS REVIEW MODIFICATIONS**

17 **SECTION 11H.19.(a)** G.S. 108C-7 reads as rewritten:

18 "**§ 108C-7. Prepayment claims review.**

19 (a) In order to ensure that claims presented by a provider for payment by the  
 20 Department meet the requirements of federal and State laws and regulations and medical  
 21 necessity criteria, a provider may be required to undergo prepayment claims review by the  
 22 Department. Grounds for being placed on prepayment claims review shall include, but shall not  
 23 be limited to, receipt by the Department of credible allegations of fraud, identification of  
 24 aberrant billing practices as a result of ~~investigations or investigations,~~ data analysis performed  
 25 by the Department. ~~Department, the failure of the provider to timely respond to a request for~~  
 26 documentation made by the Department or one of its authorized representatives, or other  
 27 grounds as defined by the Department in rule.

28 (b) Providers shall not be entitled to payment prior to claims review by the Department.  
 29 The Department shall notify the provider in writing of the decision and the process for  
 30 submitting claims for prepayment claims review ~~no less than 20 calendar days prior to~~  
 31 instituting prepayment claims review. The written notice shall be deposited, first-class postage  
 32 prepaid, in the United States mail and addressed to the most recent address given by the  
 33 provider to the Department. The prepayment claims review shall be instituted no less than 20  
 34 calendar days from the date of the mailing of written notification. The notice shall contain all of  
 35 the following:

36 ...

37 (4) A specific list of all supporting documentation that the provider will need to  
 38 submit ~~contemporaneously with the~~ to the prepayment review vendor for all  
 39 claims that will be ~~are~~ subject to the prepayment claims review.

40 ...

41 (d) The Department shall process all clean claims submitted for prepayment review  
 42 within 20 calendar days of ~~submission by the provider receipt of the supporting documentation~~  
 43 for each claim by the prepayment review vendor. To be considered by the Department, the  
 44 documentation submitted must be complete, legible, and clearly identify the provider to which  
 45 the documentation applies. If the provider failed to provide any of the specifically requested  
 46 supporting documentation necessary to process a claim pursuant to this section, the Department  
 47 shall send to the provider written notification of the lacking or deficient documentation within  
 48 15 calendar days of ~~receipt of such claim~~ the due date of requested supporting documentation.  
 49 The Department shall have an additional 20 days to process a claim upon receipt of the  
 50 documentation.  
 51

1 (e) The provider shall remain subject to the prepayment claims review process until the  
2 provider achieves three consecutive months with a minimum seventy percent (70%) clean  
3 claims ~~rate~~, provided that the number of claims submitted per month is no less than fifty  
4 percent (50%) of the provider's average monthly submission of Medicaid claims for the  
5 three-month period prior to the provider's placement on prepayment review. If a provider does  
6 not submit any claims following placement on prepayment review in any given month, then the  
7 claims accuracy rating shall be zero percent (0%) for each month in which no claims were  
8 submitted. If the provider does not meet ~~this standard~~ the seventy percent (70%) clean claims  
9 rate minimum requirement for three consecutive months within six months of being placed on  
10 prepayment claims review, the Department may implement sanctions, including termination of  
11 the applicable Medicaid Administrative Participation Agreement, or continuation of  
12 prepayment review for an additional six-month period. The Department shall give  
13 adequate advance notice of any modification, suspension, or termination of the Medicaid  
14 Administrative Participation Agreement. ~~In no instance shall prepayment claims review~~  
15 ~~continue longer than 12 months.~~

16 Prepayment claims review shall not continue longer than 24 consecutive months unless the  
17 Department has initiated the termination or other sanction of the provider and the provider has  
18 appealed that termination or sanction. If the Department has initiated the termination or other  
19 sanction of the provider and the provider has appealed that termination or sanction, then the  
20 provider shall remain on prepayment review until the final disposition of the Department's  
21 termination or other sanction of the provider.

22 (e1) Failure of a provider to meet the seventy percent (70%) clean claims rate minimum  
23 requirement may result in a termination action. A termination action taken shall reflect the  
24 failure of the provider to meet the seventy percent (70%) clean claims rate minimum  
25 requirement and shall result in exclusion of the provider from future participation in the  
26 Medicaid program. If a provider fails to meet the seventy percent (70%) clean claims rate  
27 minimum requirement and subsequently requests a voluntary termination, the termination shall  
28 reflect the provider's failure to successfully complete prepayment claims review and shall result  
29 in exclusion of the provider from future participation in the Medicaid program.

30 (e2) A provider shall not withhold claims to avoid the claims review process. Any claims  
31 for services provided during the period of prepayment review may still be subject to review  
32 prior to payment regardless of the date the claims are submitted and regardless of whether the  
33 provider has been taken off of prepayment review for any reason, including attaining a  
34 minimum of seventy percent (70%) clean claims rate for three consecutive months, the  
35 expiration of the 24-month time limit, or the termination of the provider.

36 (f) The decision to place or maintain a provider on prepayment claims review does not  
37 constitute a contested case under Chapter 150B of the General Statutes. A provider may not  
38 appeal or otherwise contest a decision of the Department to place or maintain a provider on  
39 prepayment review.

40 (g) If a provider elects to appeal the Department's decision to impose sanctions on the  
41 provider as a result of the prepayment review process to the Office of Administrative Hearings,  
42 then the provider shall have 45 days from the date that the appeal is filed to submit any  
43 documentation or records that address or challenge the findings of the prepayment review. The  
44 Department shall not review, and the administrative law judge shall not admit into evidence,  
45 any documentation or records submitted by the provider after the 45-day deadline. In order for  
46 a provider to meet its burden of proof under G.S. 108C-12(d) that a prior claim denial should  
47 be overturned, the provider must prove that (i) all required documentation was provided at the  
48 time the claim was submitted and was available for review by the prepayment review vendor  
49 and (ii) the claim should not have been denied at the time of the vendor's initial review."

1           **SECTION 11H.19.(b)** This section becomes effective October 1, 2017, and applies  
2 to providers who are placed on prepayment review on or after that date and written notices  
3 provided to providers on or after that date.

12 by Section 211 of the Protecting Access to Medicare Act of 2014, P.L. 113-93, and Section 220  
13 of the Medicare Access and CHIP Reauthorization Act of 2015, P.L. 114-10, then  
14 G.S. 108A-57 reads as rewritten:

### 15 **"§ 108A-57. Subrogation rights; withholding of information a misdemeanor.**

16 (a) As used in this section, the term "beneficiary" means (i) the beneficiary of medical  
17 assistance, including a minor beneficiary, (ii) the medical assistance beneficiary's parent, legal  
18 guardian, or personal representative, (iii) the medical assistance beneficiary's heirs, and (iv) the  
19 administrator or the executor of the medical assistance beneficiary's estate.

20 Notwithstanding any other provisions of the law, to the extent of payments under this Part,  
21 the State shall be subrogated to all rights of recovery, contractual or otherwise, of ~~the a~~  
22 ~~beneficiary of this assistance, or of the beneficiary's personal representative, heirs, or the~~  
23 ~~administrator or executor of the estate,~~ against any person. A personal injury or wrongful death  
24 claim brought by a ~~medical assistance~~ beneficiary against a third party shall include a claim for  
25 all medical assistance payments for health care items or services furnished to the ~~medical~~  
26 ~~assistance~~ beneficiary as a result of the injury, hereinafter referred to as the "Medicaid claim."  
27 Any personal injury or wrongful death claim brought by a ~~medical assistance~~ beneficiary  
28 against a third party that does not state the Medicaid claim shall be deemed to include the  
29 Medicaid claim.

30 (a1) ~~If the amount of the Medicaid claim does not exceed one third of the medical~~  
31 ~~assistance beneficiary's gross recovery, it is presumed that the gross recovery includes~~  
32 ~~compensation for the full amount of the Medicaid claim. If the amount of the Medicaid claim~~  
33 ~~exceeds one third of the medical assistance beneficiary's gross recovery, it is presumed that~~  
34 ~~one third of the gross recovery represents compensation for the Medicaid claim. The Medicaid~~  
35 ~~claim shall be a lien upon any recovery that a beneficiary obtains. The amount of the lien shall~~  
36 ~~be equal to the total amount of the Medicaid claim but shall not exceed one-third of the gross~~  
37 ~~amount of the recovery obtained.~~

38 If a beneficiary has claims against more than one third party related to the same injury, then  
39 the payment of the Medicaid lien on any individual recovery shall reduce the total balance of  
40 the Medicaid claim. The remaining balance of the Medicaid claim shall be applied as a lien on  
41 any subsequent recovery, provided that the lien on each recovery shall not exceed one-third of  
42 the gross amount of each recovery obtained.

43 (a2) ~~A medical assistance beneficiary may dispute the presumptions established in~~  
44 ~~subsection (a1) of this section by applying to the court in which the medical assistance~~  
45 ~~beneficiary's claim against the third party is pending, or if there is none, then to a court of~~  
46 ~~competent jurisdiction, for a determination of the portion of the beneficiary's gross recovery~~  
47 ~~that represents compensation for the Medicaid claim. An application under this subsection shall~~  
48 ~~be filed with the court and served on the Department pursuant to the Rules of Civil Procedure~~  
49 ~~no later than 30 days after the date that the settlement agreement is executed by all parties and,~~  
50 ~~if required, approved by the court, or in cases in which judgment has been entered, no later than~~  
51 ~~30 days after the date of entry of judgment. The court shall hold an evidentiary hearing no~~

1 sooner than 30 days after the date the action was filed. All of the following shall apply to the  
2 court's determination under this subsection:

3 (1) ~~The medical assistance beneficiary has the burden of proving by clear and  
4 convincing evidence that the portion of the beneficiary's gross recovery that  
5 represents compensation for the Medicaid claim is less than the portion  
6 presumed under subsection (a1) of this section.~~

7 (2) ~~The presumption arising under subsection (a1) of this section is not rebutted  
8 solely by the fact that the medical assistance beneficiary was not able to  
9 recover the full amount of all claims.~~

10 (3) ~~If the beneficiary meets its burden of rebutting the presumption arising under  
11 subsection (a1) of this section, then the court shall determine the portion of  
12 the recovery that represents compensation for the Medicaid claim and shall  
13 order the beneficiary to pay the amount so determined to the Department in  
14 accordance with subsection (a5) of this section. In making this  
15 determination, the court may consider any factors that it deems just and  
16 reasonable.~~

17 (4) ~~If the beneficiary fails to rebut the presumption arising under subsection (a1)  
18 of this section, then the court shall order the beneficiary to pay the amount  
19 presumed pursuant to subsection (a1) of this section to the Department in  
20 accordance with subsection (a5) of this section.~~

21 (a3) ~~Notwithstanding the presumption arising pursuant to subsection (a1) of this section,  
22 the medical assistance beneficiary and the Department may reach an agreement on the portion  
23 of the recovery that represents compensation for the Medicaid claim. If such an agreement is  
24 reached after an application has been filed pursuant to subsection (a2) of this section, a  
25 stipulation of dismissal of the application signed by both parties shall be filed with the court.~~

26 (a4) ~~Within 30 days of receipt of the proceeds of a settlement or judgment related to a  
27 claim described in subsection (a) of this section, the medical assistance beneficiary or any  
28 attorney retained by the beneficiary shall notify the Department of the receipt of the proceeds.~~

29 (a5) ~~The medical assistance~~ Within 30 days of receipt of the proceeds of a settlement or  
30 judgment related to a claim described in subsection (a) of this section, a beneficiary or any

**SECTION 11L.1.(b)** Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

**SECTION 11L.1.(c)** Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall develop a plan to adjust the Block Grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2017-2018 and 2018-2019, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care in four- or five-star rated facilities for four-year-old children and shall not be used to supplant State funds.

1 Prior to allocating the change in federal fund availability, the proposed allocation  
2 must be approved by the Office of State Budget and Management. If the Department adjusts the  
3 allocation of any Block Grant due to changes in federal fund availability, then a report shall be  
4 made to the Joint Legislative Oversight Committee on Health and Human Services and the  
5 Fiscal Research Division.

6 **SECTION 11L.1.(d)** Except as otherwise provided, appropriations from federal

8 according to the schedule enacted for State fiscal years 2017-2018 and 2018-2019 or until a  
9 new schedule is enacted by the General Assembly.

11 or contingency funds and other grants related to existing Block Grants administered by the  
12 Department of Health and Human Services that are not specifically addressed in this section  
13 shall be approved by the Office of State Budget and Management, and the Office of State  
14 Budget and Management shall consult with the Joint Legislative Oversight Committee on  
15 Health and Human Services for review prior to implementing the changes. The report shall

17 allocations. All changes to the budgeted allocations to the Block Grants shall be reported  
18 immediately to the Joint Legislative Oversight Committee on Health and Human Services and  
19 the Fiscal Research Division. This subsection does not apply to Block Grant changes caused by  
20 legislative salary increases and benefit adjustments.

21 **SECTION 11L.1.(f)** Except as otherwise provided, the Department of Health and  
22 Human Services shall have flexibility to transfer funding between the Temporary Assistance  
23 for Needy Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block  
24 Grant so long as the total allocation for the line items within those block grants remains the

36 facilities for use by the Division, such facilities to be either of a permanent type of construction  
37 or of a temporary or movable type as the Division may find most advantageous to the particular

39 State as to facilitate individualization of treatment designed to prepare them for lawful living in  
40 the community where they are most likely to reside after their release from prison. For this  
41 purpose, the Division may purchase or lease sites and suitable lands adjacent thereto and erect  
42 necessary buildings thereon, or purchase or lease existing facilities, all within the limits of

25 facilities only when there are no available facilities in this State within the State prison system  
26 to appropriately house those prisoners. Any contract made under the authority of this  
27 subsection shall be approved by the Department of Administration before the contract is

29 **SECTION 16D.4.(f)** G.S. 7B-2507 reads as rewritten:

30 **"§ 7B-2507. Delinquency history levels.**

31 (a) Generally. – The delinquency history level for a delinquent juvenile is determined  
 32 by calculating the sum of the points assigned to each of the juvenile's prior adjudications or  
 33 convictions and to the juvenile's probation status, if any, that the court finds to have been  
 34 proved in accordance with this section. For the purposes of this section, a prior adjudication is  
 35 an adjudication of an offense that occurs before the adjudication of the offense before the court.

36 (b) Points. – Points are assigned as follows:

- 37 (1) For each prior adjudication of a Class A through E felony offense, 4 points.
- 38 (2) For each prior adjudication of a Class F through I felony offense or Class A1  
 39 misdemeanor offense, 2 points.
- 40 (2a) For each prior conviction of a Class A through E felony, 2 points.
- 41 (2b) For each prior conviction of a Class F through I felony or Class A1  
 42 misdemeanor offense, excluding conviction of the motor vehicle laws, 2  
 43 points.
- 44 (2c) For each prior misdemeanor conviction of impaired driving (G.S. 20-138.1),  
 45 impaired driving in a commercial vehicle (G.S. 20-138.2), and misdemeanor  
 46 death by vehicle (G.S. 20-141.4(a2)), 2 points.
- 47 (3) For each prior adjudication of a Class 1, 2, or 3 misdemeanor offense, 1  
 48 point.
- 49 (3a) For each prior conviction of a Class 1, 2, or 3 misdemeanor offense,  
 50 excluding conviction for violation of the motor vehicle laws, 1 point.
- 51 (4) If the juvenile was on probation at the time of offense, 2 points.

1 No points shall be assigned for a prior adjudication that a juvenile is in direct contempt of  
2 court or indirect contempt of court.

3 (c) Delinquency History Levels. – The delinquency history levels are:

4 (1) Low – No more than 1 point.

5 (2) Medium – At least 2, but not more than 3 points.

6 (3) High – At least 4 points.

7 In determining the delinquency history level, the classification of a prior offense is the  
8 classification assigned to that offense at the time the juvenile committed the offense for which  
9 disposition is being ordered.

10 (d) Multiple Prior Adjudications or Convictions Obtained in One Court Session. – For  
11 purposes of determining the delinquency history level, if a juvenile is adjudicated delinquent or  
12 convicted for more than one offense in a single session of district court, only the adjudication  
13 or conviction for the offense with the highest point total is used.

14 (e) Classification of Prior Adjudications or Convictions From Other Jurisdictions. –  
15 Except as otherwise provided in this subsection, an adjudication or conviction occurring in a  
16 jurisdiction other than North Carolina is classified as a Class I felony if the jurisdiction in  
17 which the offense occurred classifies the offense as a felony, or is classified as a Class 3  
18 misdemeanor if the jurisdiction in which the offense occurred classifies the offense as a  
19 misdemeanor. If the juvenile proves by the preponderance of the evidence that an offense  
20 classified as a felony in the other jurisdiction is substantially similar to an offense that is a  
21 misdemeanor in North Carolina, the adjudication or conviction is treated as that class of  
22 misdemeanor for assigning delinquency history level points. If the State proves by the  
23 preponderance of the evidence that an offense classified as either a misdemeanor or a felony in  
24 the other jurisdiction is substantially similar to an offense in North Carolina that is classified as  
25 a Class I felony or higher, the adjudication or conviction is treated as that class of felony for  
26 assigning delinquency history level points. If the State proves by the preponderance of the  
27 evidence that an offense classified as a misdemeanor in the other jurisdiction is substantially  
28 similar to an offense classified as a Class A1 misdemeanor in North Carolina, the adjudication  
29 or conviction is treated as a Class A1 misdemeanor for assigning delinquency history level  
30 points.

31 (f) ~~Proof of Prior Adjudications.~~ Adjudications or Convictions. – A prior adjudication or  
32 conviction shall be proved by any of the following methods:

33 (1) Stipulation of the parties.

34 (2) An original or copy of the court record of the prior ~~adjudication.~~ adjudication  
35 or conviction.

36 (3) A copy of records maintained by the Department of Public Safety or by the  
37 Division.

38 (4) Any other method found by the court to be reliable.

39 The State bears the burden of proving, by a preponderance of the evidence, that a prior  
40 adjudication or conviction exists and that the juvenile before the court is the same person as the  
41 juvenile named in the prior ~~adjudication.~~ adjudication or conviction. The original or a copy of  
42 the court records or a copy of the records maintained by the Department of Public Safety or of  
43 the Division, bearing the same name as that by which the juvenile is charged, is prima facie  
44 evidence that the juvenile named is the same person as the juvenile before the court, and that  
45 the facts set out in the record are true. For purposes of this subsection, "a copy" includes a  
46 paper writing containing a reproduction of a record maintained electronically on a computer or  
47 other data processing equipment, and a document produced by a facsimile machine. The  
48 prosecutor shall make all feasible efforts to obtain and present to the court the juvenile's full  
49 record. Evidence presented by either party at trial may be utilized to prove prior  
50 ~~adjudications.~~ adjudications or convictions. If asked by the juvenile, the prosecutor shall furnish  
51 the juvenile's prior adjudications or convictions to the juvenile within a reasonable time

1 sufficient to allow the juvenile to determine if the record available to the prosecutor is  
2 accurate."

23 **DOT/OUTSOURCING AND PROJECT DELIVERY REPORTS**

24 **SECTION 34.13.** Article 1 of Chapter 136 of the General Statutes is amended by  
25 adding a new section to read:

26 **"§ 136-12.3. Outsourcing and project delivery reports.**

27 (a) Intent. – It is the intent of the General Assembly to take all steps necessary to assist  
28 the Department of Transportation in accelerating project delivery and reducing costs incurred  
29 by the State. The General Assembly finds that shifting more control over projects to each of the  
30 Highway Divisions can assist in achieving this intent. Further, the General Assembly  
31 encourages each Highway Division to increase its outsourcing of preconstruction activities to  
32 private contractors to sixty percent (60%) of the total cost of preconstruction activities  
33 performed by the Highway Division, with the belief that increased outsourcing will also assist  
34 in achieving this intent. Therefore, in order to assess the results from shifting project control  
35 and increasing the use of outsourcing, and to determine what adjustments may be necessary to  
36 improve upon the results, the General Assembly finds that reports are necessary to collect  
37 baseline data to establish appropriate targets.

38 (b) Outsourcing Report. – For each Highway Division, the Department shall provide a  
39 detailed biannual report on all payments made to private contractors for preconstruction  
40 activities. In order to compare internal costs incurred with payments made to private  
41 contractors, and except as otherwise provided in this subsection, the Department shall include  
42 project-specific expenses incurred by division, regional, or central staff. The Department shall  
43 not include expenses incurred for central business units that support and oversee outsourcing  
44 functions. The information in the first report submitted under this subsection shall be used to  
45 establish a baseline to use for setting future preconstruction outsourcing targets. The  
46 Department shall submit the reports required under this subsection to the Joint Legislative  
47 Transportation Oversight Committee by September 1 and March 1 of each year.

48 (c) Project Delivery Report. – For each Highway Division, the Department shall  
49 provide a detailed annual report in accordance with the following requirements:

- 1           (1) The report shall detail the progress of the following types of projects in the  
2 State Transportation Improvement Program current for the period covered  
3 by the report:  
4           a. Bridge projects with a cost in excess of ten million dollars  
5 (\$10,000,000).  
6           b. Interstate highway projects.  
7           c. Rural highway projects.  
8           d. Urban highway projects.  
9           (2) For each project, the report shall indicate the status of all of the following  
10 phases:  
11           a. Planning a design in progress.  
12           b. Right-of-way acquisition in progress.  
13           c. Project let for construction.  
14           d. Construction substantially complete and traffic using facility.  
15           (3) For each project, and as applicable, the report shall include an indication and  
16 explanation for project stages that are delayed during the period covered by  
17 the report, and the delay has been for more than one year.  
18           (4) For each project, the report shall include the planned and actual completion  
19 date for any required environmental documentation.  
20           (5) The Department shall submit the report required under this subsection to the  
21 Joint Legislative Transportation Oversight Committee by March 1 of each  
22 year.

23           (d) Combined Report. – The Department may combine the reports required to be  
24 submitted by March 1 under subsections (b) and (c) of this section into a single report.

25           (e) Consultation Required. – If a Highway Division fails to meet the established  
26 preconstruction outsourcing target in two consecutive reports submitted under subsection (b) of  
27 this section, or if a report submitted under subsection (c) of this section identifies a Highway  
28 Division as having three or more project stages delayed for more than one year, the Division  
29 Engineer of the Highway Division identified in the report shall consult with the Joint  
30 Legislative Transportation Oversight Committee. The Division Engineer shall submit a request  
31 for consultation to (i) all members of the Committee and (ii) the Fiscal Research Division of the  
32 General Assembly. The request for consultation shall consist of a written report providing (i) an  
33 explanation for the failure or delay and (ii) a plan for remedying the failure or delay. If the  
34 Committee does not hold a meeting to hear the consultation required by this subsection within  
35 90 days after the consultation request has been submitted, the consultation requirement is  
36 satisfied."  
37

50 (Program). The Program shall include the following components:

1 (1) Responsiveness. – The Department shall structure the Program to gather

25 month immediately preceding the monthly report, the number of citizen

45 on its expenditures on transportation goods during the 2015-2016 fiscal year.  
46 Beginning January 1, 2016, no Highway Division shall exceed a ten percent  
47 (10%) variance over a baseline unit price set for that year in accordance with  
48 this subdivision. The Department of Transportation shall institute quarterly

## 1 MARKET-BASED SOURCING

2 SECTION 38.7.(a) G.S. 105-130.4 reads as rewritten:

## 3 "§ 105-130.4. Allocation and apportionment of income for corporations.

4 ...

5 (l) ~~(4) The Sales Factor.~~ – The sales factor is a fraction, the numerator of which is the  
6 total sales of the corporation in this State during the income year, and the denominator of which  
7 is the total sales of the corporation everywhere during the income year. Notwithstanding any  
8 other provision under this Part, the receipts from any casual sale of property shall be excluded  
9 from both the numerator and the denominator of the sales factor. Where a corporation is not  
10 taxable in another state on its apportionable income but is taxable in another state only because  
11 of nonapportionable income, all sales shall be treated as having been made in this State.

12 Receipts are in this State if the taxpayer's market for the receipts is in this State. If the  
13 market for a receipt cannot be determined, the state or states of assignment shall be reasonably  
14 approximated. In a case in which a taxpayer cannot ascertain the state or states to which  
15 receipts of a sale are to be assigned through the use of a method of reasonable approximation,  
16 the receipts must be excluded from the denominator of a taxpayer's sales factor. Except as  
17 otherwise provided by this section, a taxpayer's market for receipts is in this State as provided  
18 below:

19 (1) In the case of sale, rental, lease, or license of real property, if and to the  
20 extent the property is located in this State.

21 (2) ~~Sales of tangible personal property are in this State if the property is~~  
22 ~~received in this State by the purchaser. In the case of delivery of goods by~~  
23 ~~common carrier or by other means of transportation, including transportation~~  
24 ~~by the purchaser, the place at which the goods are ultimately received after~~  
25 ~~all transportation has been completed shall be considered as the place at~~  
26 ~~which the goods are received by the purchaser. Direct delivery into this State~~  
27 ~~by the taxpayer to a person or firm designated by a purchaser from within or~~  
28 ~~without the State shall constitute delivery to the purchaser in this State.~~In the  
29 case of rental, lease, or license of tangible personal property, if and to the  
30 extent the property is located in this State.

31 (3) ~~Other sales are in this State if:~~In the case of sale of tangible personal  
32 property, if and to the extent the property is received in this State by the  
33 purchaser. In the case of delivery of goods by common carrier or by other  
34 means of transportation, including transportation by the purchaser, the place  
35 at which the goods are ultimately received after all transportation has been  
36 completed is considered the place at which the goods are received by the  
37 purchaser. Direct delivery into this State by the taxpayer to a person or firm  
38 designated by a purchaser from within or without the State constitutes  
39 delivery to the purchaser in this State.

40 a. ~~The receipts are from real or tangible personal property located in~~  
41 ~~this State; or~~

42 b. ~~The receipts are from intangible property and are received from~~  
43 ~~sources within this State; or~~

44 e. ~~The receipts are from services and the income-producing activities~~  
45 ~~are in this State.~~

46 (4) In the case of sale of a service, if and to the extent the service is delivered to  
47 a location in this State.

48 (5) In the case of intangible property that is rented, leased, or licensed, if and to  
49 the extent the property is used in this State. Intangible property utilized in  
50 marketing a good or service to a consumer is "used in this State" if that good  
51 or service is purchased by a consumer who is in this State.

1           (6) In the case of intangible property that is sold, if and to the extent the  
2 property is used in this State. A contract right, government license, or similar  
3 intangible property that authorized the holder to conduct a business activity  
4 in a specific geographic area is "used in this State" if the geographic area  
5 includes all or part of this State. Receipts from a sale of intangible property  
6 that is contingent on the productivity, use, or disposition of the intangible  
7 property shall be treated as receipts from the rental, lease, or licensing of the  
8 intangible property as provided under subdivision (5) of this subsection. All  
9 other receipts from a sale of intangible property shall be excluded from the  
10 numerator and denominator of the sales factor.

11       (11) Banks. – A bank's market for receipts is in this State as provided in  
12 G.S. 105-130.4A. For purposes of this section, the term "bank" has the same meaning as  
13 defined in G.S. 105-130.4A.

14       ...."

45           (9) Merchant discount. – The fee, or negotiated discount, charged to a merchant  
46 by the taxpayer for the privilege of participating in a program whereby a  
47 credit, debit, or similar type of card is accepted in payment for merchandise

50 to another for charges or purchases made by its cardholder.

- 1           (10) Participation. – An extension of credit in which an undivided ownership  
2 interest is held on a prorated basis in a single loan or pool of loans and  
3 related collateral. In a loan participation, the credit originator initially makes

13 acquired in lieu of or pursuant to a foreclosure.
- 14           (13) Syndication. – An extension of credit in which two or more persons fund and

25 their own power as well as any equipment or containers attached to such  
26 property. Examples of transportation property include aircraft, trains, water  
27 vessels, motor vehicles, rolling stock, barges, and trailers.

28           (b) General Rule. – The receipts factor of a bank is a fraction, the numerator of which is  
29 the total receipts of the taxpayer in this State during the income year, and the denominator of  
30 which is the total receipts of the taxpayer everywhere during the income year. The method of  
31 calculating receipts for purposes of the denominator is the same as the method used in  
32 determining receipts for purposes of the numerator. The receipts factor includes only those  
33 receipts described herein that are apportionable income for the taxable year. Notwithstanding  
34 any other provision under this Part, the receipts from the following are excluded from both the  
35 numerator and the denominator of the receipts factor:

- 36           (1) Receipts from a casual sale of property.  
37           (2) Receipts exempt from taxation.  
38           (3) The portion of receipts realized from the sale or maturity of securities or  
39 other obligations that represents a return of principal.  
40           (4) Receipts in the nature of dividends subtracted under G.S. 105-130.5(b)(3a)  
41 and (3b) and dividends excluded for federal tax purposes.  
42           (5) The portion of receipts from financial swaps and other similar financial  
43 derivatives that represent the notional principal amount that generates the  
44 cash flow traded in the swap agreement.

45           (c) Receipts From the Sale, Lease, or Rental of Real Property. – The numerator of the  
46 receipts factor includes receipts from the sale, lease, or rental of real property owned by the  
47 taxpayer if the property is located within this State or receipts from the sublease of real  
48 property if the property is located within this State.

49           (d) Receipts From the Sale, Lease, or Rental of Tangible Personal Property. – The  
50 method for calculating receipts from the sale, lease, or rental of tangible personal property is as  
51 follows:

1           (1) Tangible personal property. – Except as provided in subdivision (2) of this  
2 subsection, the numerator of the receipts factor includes receipts from the  
3 sale, lease, or rental of tangible personal property owned by the taxpayer if  
4 the property is located within this State when it is first placed in service by  
5 the lessee.

6           (2) Transportation property. – Receipts from the lease or rental of transportation  
7 property owned by the taxpayer are included in the numerator of the receipts  
8 factor to the extent that the property is used in this State. The extent an  
9 aircraft will be deemed to be used in this State and the amount of receipts  
10 that is to be included in the numerator of this State's receipts factor is  
11 determined by multiplying all the receipts from the lease or rental of the  
12 aircraft by a fraction, the numerator of which is the number of landings of  
13 the aircraft in this State, and the denominator of which is the total number of  
14 landings of the aircraft. If the extent of the use of any transportation property  
15 within this State cannot be determined, then the property will be deemed to  
16 be used wholly in the state in which the property has its principal base of  
17 operations. A motor vehicle will be deemed to be used wholly in the state in  
18 which it is registered.

19           (e) Interest, Fees, and Penalties From Loans Secured by Real Property. – The  
20 numerator of the receipts factor includes interest, fees, and penalties from loans secured by real  
21 property if the property is located within this State. If the property is located both within this  
22 State and one or more other states, the receipts described in this subsection are included in the  
23 numerator of the receipts factor if more than fifty percent (50%) of the fair market value of the  
24 real property is located within this State. If more than fifty percent (50%) of the fair market  
25 value of the real property is not located within any one state, then the receipts described in this  
26 subsection are included in the numerator of the receipts factor if the borrower is located in this  
27 State. The determination of whether the real property securing a loan is located within this State  
28 is made as of the time the original agreement was made, and any and all subsequent  
29 substitutions of collateral are disregarded.

30           (f) Interest, Fees, and Penalties From Loans Not Secured by Real Property. – The  
31 numerator of the receipts factor includes interest, fees, and penalties from loans not secured by  
32 real property if the borrower is located in this State.

33           (g) Net Gains From the Sale of Loans. – The numerator of the receipts factor includes  
34 net gains from the sale of loans. Net gains from the sale of loans include income recorded under  
35 the coupon stripping rules of section 1286 of the Code. The amount of net gains from the sale  
36 of loans that is included in the numerator is determined as follows:

37           (1) Secured by real property. – The amount of net gains, but not less than zero,  
38 from the sale of loans secured by real property is determined by multiplying  
39 the net gains by a fraction, the numerator of which is the amount included in  
40 the numerator of the receipts factor pursuant to subsection (e) of this section,  
41 and the denominator of which is the total amount of interest, fees, and  
42 penalties from loans secured by real property.

43           (2) Not secured by real property. – The amount of net gains, but not less than  
44 zero, from the sale of loans not secured by real property is determined by  
45 multiplying the net gains by a fraction, the numerator of which is the amount  
46 included in the numerator of the receipts factor pursuant to subsection (f) of  
47 this section, and the denominator of which is the total amount of interest,  
48 fees, and penalties from loans not secured by real property.

49           (h) Receipts From Interest, Fees, and Penalties From Card Holders. – The numerator of  
50 the receipts factor includes interest, fees, and penalties charged to credit, debit, or similar card  
51 holders, including annual fees and overdraft fees, if the card holder is located in this State.

1        (i) Receipts From ATM Fees. – The numerator of the receipts factor includes receipts  
2 from fees from the use of an ATM owned or rented by the taxpayer, if the ATM is located in  
3 this State. The receipts factor includes all ATM fees that are not forwarded directly to another  
4 bank. Receipts from ATM fees that are not sourced under this subsection are sourced pursuant  
5 to subsection (l) of this section.

6        (j) Net Gains From the Sale of Credit Card Receivables. – The numerator of the  
7 receipts factor includes net gains, but not less than zero, from the sale of credit card receivables  
8 multiplied by a fraction, the numerator of which is the amount included in the numerator of the  
9 receipts factor pursuant to subsection (h) of this section, and the denominator of which is the  
10 taxpayer's total amount of interest, fees, and penalties charged to card holders.

11        (k) Miscellaneous Receipts. – The numerator of the receipts factor includes all of the  
12 following:

13            (1) Card issuer's reimbursement fees. – Receipts from card issuer's  
14 reimbursement fees if the payor is located in this State.

15            (2) Receipts from merchant's discount. – Receipts from a merchant discount if  
16 the payor is located in this State.

17            (3) Loan servicing fees. – Receipts from loan servicing fees if the payor is  
18 located in this State.

19            (4) Receipts from services. – Receipts from services not otherwise apportioned  
20 under this section if the payor is located in this State.

21            (5) Receipts from investment assets and activities and trading assets and  
22 activities. – Receipts from one or more of the following:

23            a. Interest and dividends from investment assets and activities and  
24 trading assets and activities if the payor is located in this State.

25            b. Net gains and other income, but not less than zero, from investment  
26 assets and activities and trading assets and activities multiplied by a  
27 fraction, the numerator of which is the amount included in the  
28 numerator of the receipts factor pursuant to sub-subdivision a. of this  
29 subdivision, and the denominator of which is the taxpayer's total  
30 amount of interest and dividends from investment assets and  
31 activities and trading assets and activities.

32        (l) All Other Receipts. – All other receipts not specifically enumerated in this section  
33 are included in the numerator of the receipts factor if the payor is located in this State."

34        **SECTION 38.7.(c)** As directed by Section 38.4(a) of S.L. 2016-94, the Department  
35 of Revenue adopted rules regarding the implementation and administration of market-based  
36 sourcing principles as if the statutory changes in that section, as set forth again in this section,

41 Rules is directed to enter the rules approved by the Rules Review Commission at its meeting on  
42 February 16, 2017, into the Administrative Code.

43        **SECTION 38.7.(d)** As directed by Section 38.4(d) of S.L. 2016-94, the Utilities  
44 Commission shall adjust the rates for public utilities, excluding water public utilities with less  
45 than two hundred thousand dollars (\$200,000) in annual operating revenues, for the tax changes  
46 in this section. Each utility shall calculate the cumulative net effect of the tax changes and file  
47 the calculations with proposed rate changes to reflect the net prospective tax changes in utility  
48 customer rates within 60 days of the enactment of this act. Any adjustments required to existing  
49 tax assets or liabilities reflected in the utility's books and records required by the tax changes  
50 shall be deferred and reflected in customer rates either in the utility's next rate case or earlier if  
51 deemed appropriate by the Commission.
