"SECTION 1. The Legislative Research Commission shall study the issue of whether or not to register or license interior designer In its study the Commission may consider the following:

- (1) What is considered the scope of practice of interior design.
- (2) The need for registration or licensing of interior design professionals.
- (3) Educational requirements and opportunities for interior design.
- (4) Other types of registration or licensing of professionals.
- (5) Trends in other states regarding the practice of interior design professionals.
- (6) Whether the registration or licensing of interior design professionals contributes to the health, safety, and welfare of the public.
- (7) Potential criteria for registration or licensing of interior design professionals, including any requirements that may better accommodate the practice of interior design.
- (8) Potential structure of the board or other body that would provide oversight and enforcement of violations of the practice of interior design.
- (9) Any other relevant topic or issue to the registration or licensing of interior design professionals.

SECTION 2. The Legislative Research Commission may make an interim report to the 2018 General Assembly when it reconvenes in 2018 and shall make its final report to the
