

1 education program at a community college toward a baccalaureate degree in an early childhood
2 education program at a constituent institution for the purposes of the student obtaining teacher
3 licensure in the area of Birth through Kindergarten. The articulation agreement shall apply to
4 all community college campuses and constituent institutions with early childhood education
5 programs. The articulation agreement may include that the community college student
6 transferring credit and enrolling in the constituent institution has a minimum grade point
7 average and a minimum Praxis I score.

8 **SECTION 2.(b)** By April 15, 2018, the Board of Governors of The University of
9 North Carolina and the State Board of Community Colleges shall report to the Joint Legislative
10 Education Oversight Committee on the development of the articulation agreement and the plan
11 for implementation of the articulation agreement at all community college campuses and
12 constituent institutions with early childhood education programs. The systemwide articulation
13 agreement for early childhood education programs entered into between The University of
14 North Carolina and the Community College System shall apply beginning with the 2018-2019
15 academic year.

18 **PART III. UNC/UTEACH PROGRAM**

19 **SECTION 3.(a)** The President, or the President's designee, and the Board of
20 Governors of The University of North Carolina shall jointly consider and evaluate the
21 feasibility of applying for and implementing the UTEACH program as part of the curricula
22 offered by the University of North Carolina System.

23 UTEACH is a model program originally developed by the University of Texas at
24 Austin. It is designed as a secondary STEM (science, technology, engineering, and
25 mathematics) teacher preparation program with the goal of attracting high-caliber students,
26 experienced and successful master teachers, and tenure-track faculty who are interested in
27 STEM education. The UTEACH program is a course of study that combines the requirements
28 for rigorous STEM degrees and for secondary teaching certification without adding time or cost
29 to four-year degrees.

30 **SECTION 3.(b)** In their evaluation of the UTEACH program, the President, or the
31 President's designee, and the Board of Governors may consider the following:

- 32 (1) How the UTEACH program would match up with the curricula currently
33 offered through the University of North Carolina System and what
34 adjustments, if any, would be required for implementation of the UTEACH
35 program.
- 36 (2) Which constituent institutions and which departments and programs at those
37 institutions would participate and collaborate in the UTEACH program if it
38 was implemented.
- 39 (3) The application process and time frame required to develop a UTEACH
40 program tailored to fit within the curricula of the University of North
41 Carolina System.
- 42 (4) The cost of implementing and maintaining a UTEACH program and the
43 alternatives for financing the program.
- 44 (5) Any statutory amendments or other legislative action that would be needed
45 for the implementation of a UTEACH program.
- 46 (6) Any other issues the President, or the President's designee, and the Board of
47 Governors deem relevant in their evaluation of the UTEACH program.

48 **SECTION 3.(c)** The President, or the President's designee, and the Board of
49 Governors of The University of North Carolina shall report to the Joint Legislative Education
50 Oversight Committee by April 1, 2018, their findings and recommendations regarding the

1 feasibility of applying for and implementing the UTEACH program as part of the curricula
2 offered through the University of North Carolina System.
