6 **SECTION 6A.2.(a)** More than 18 months after Hurricane Matthew, there continues

8 inadequate to provide relief to individuals, local governments, and businesses in the impacted
9 areas.

10 **SECTION 6A.2.(b)** The State of North Carolina has continued to assess and
11 determine the scope of the unmet needs associated with the damages caused by Hurricane
12 Matthew. The current estimate of unmet needs is at least nine hundred one million dollars
13 (\$901,000,000). The State of North Carolina will continue to work with our federal agencies and
14 appropriators to ensure that the maximum level of funding is secured for reimbursement of State
15 funds for any eligible federal expenditures already incurred as well as additional support for the
16 overall recovery efforts in the State.

17 **SECTION 6A.2.(c)** It is the intent of the General Assembly that the benefits of the
18 projects and programs authorized by this part are for the common good and collective recovery
19 of the people of this State following devastating natural disasters directly affecting a large portion
20 of the State and indirectly affecting the entire State. The entire State faces a major economic loss
21 if the counties that bore the major impact of these disasters are not offered the assistance provided
22 by this act. The purpose of this part is to provide a net public benefit to the State through a
23 successful recovery initiative.

24 **SECTION 6A.2.(d)** The General Assembly finds that the State and federal disaster
25 relief initiatives are intended to assist the affected areas in recovering from the damage caused
26 by Hurricane Matthew.

27 **SECTION 6A.3.** The North Carolina counties that were declared in any of the
28 following:

5 allocations to the Golden L.E.A.F. (Long-Term Economic Advancement
6 Foundation), Inc., a nonprofit corporation, to provide grants to local
7 governments and to 501(c)(3) nonprofit corporations for assistance and relief
8 from Hurricane Matthew, the western wildfires, and Tropical Storms Julia and

16 allocations provided to the North Carolina Department of Commerce, for the
17 purpose of providing forgivable loans or related assistance to small businesses
18 and eligible entities in areas affected by Hurricane Matthew, the western
19 wildfires, or Tropical Storms Julia and Hermine. The Department of
20 Commerce is also authorized to budget the residual unobligated balance of
21 two hundred thirty-five thousand eight hundred sixty-four dollars (\$235,864)

37 (7) Required Matching Funds for federal Disaster Assistance Programs.

38 **SECTION 6A.6.** Limitations on Fund Use. – Consistent with the provisions of this
39 act, the Governor shall spend monies appropriated to or otherwise transferred to the State
40 Emergency Response and Disaster Relief Fund to assist entities within the counties referenced
41 in this act. Savings shall be effected where the total amount appropriated is not required to
42 implement this act. Savings in one program area may be used to support additional needs in a

46 funds appropriated in this act.

47 **SECTION 6A.8.(a)** No State funds appropriated in this part may be expended for

9 part-time and full-time personnel positions to implement this act. Positions established under this
10 section are time limited and exempt from the State Human Resources Act.

11 **SECTION 6A.10.** It is the intent of the General Assembly that, during this time of
12 rebuilding and relief efforts, each State agency should strive to acquire goods and services from
13 historically underutilized business vendors, whether directly as principal contractors or indirectly
14 as subcontractors or otherwise.

15 **SECTION 6A.11.** The General Assembly finds that the magnitude of the devastation
16 caused by Hurricane Matthew and the urgency of the need for immediate State recovery
17 assistance require expeditious actions by State agencies. Delay could (i) cause serious and
18 unforeseen threats to the public health, safety, or welfare; (ii) result in the loss of federal revenues
19 for the recovery effort; or (iii) increase the likelihood of fraud and abuse in recovery programs.
20 Therefore, every agency, as defined in G.S. 150B-2, may adopt temporary rules necessary to
21 implement the provisions of this act. Except as provided in this section, temporary rules to
22 implement the provisions of this part shall be adopted as provided in G.S. 150B-21.1.

27 temporary rule adopted to implement the provisions of this part shall specify the date on which
28 the rule will expire and shall continue in effect until that date. Any agency that adopts a temporary
29 rule to implement the provisions of this part shall report the text of the rule and the agency's
30 written statement of its findings of the need for the rule to the Joint Legislative Administrative
31 Procedure Oversight Committee within 30 days of the adoption of the temporary rule. This
32 section applies to the adoption of temporary rules by the Department of Administration under
33 G.S. 113A-11(a) and to the adoption of temporary rules that establish minimum criteria by any
34 State agency, as defined in G.S. 113A-9, under G.S. 113A-11(b).

38 the State and federal income tax treatment of the funds or property disbursed.

40 read:

"GENERAL PROVISIONS

"SECTION 11L.1.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

"SECTION 11L.1.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall develop a plan to adjust the Block Grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2017-2018 and 2018-2019, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care in four- or five-star rated facilities for four-year-old children and shall not be used to supplant State funds.

1 Prior to allocating the change in federal fund availability, the proposed allocation must be
2 approved by the Office of State Budget and Management. If the Department adjusts the allocation
3 of any Block Grant due to changes in federal fund availability, then a report shall be made to the
4 Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research
5 Division.

6 **"SECTION 11L.1.(d)** Except as otherwise provided, appropriations from federal Block
7 Grant funds are made for each year of the fiscal biennium ending June 30, 2019, according to the
8 schedule enacted for State fiscal years 2017-2018 and 2018-2019 or until a new schedule is
9 enacted by the General Assembly.

10 **"SECTION 11L.1.(e)** All changes to the budgeted allocations to the Block Grants or
11 contingency funds and other grants related to existing Block Grants administered by the
12 Department of Health and Human Services that are not specifically addressed in this section shall
13 be approved by the Office of State Budget and Management, and the Office of State Budget and
14 Management shall consult with the Joint Legislative Oversight Committee on Health and Human
15 Services for review prior to implementing the changes. The report shall include an itemized
16 listing of affected programs, including associated changes in budgeted allocations. All changes
17 to the budgeted allocations to the Block Grants shall be reported immediately to the Joint
18 Legislative Oversight Committee on Health and Human Services and the Fiscal Research
19 Division. This subsection does not apply to Block Grant changes caused by legislative salary
20 increases and benefit adjustments.

21 **"SECTION 11L.1.(f)** Except as otherwise provided, the Department of Health and Human
22 Services shall have flexibility to transfer funding between the Temporary Assistance for Needy
23 Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block Grant so
24 long as the total allocation for the line items within those block grants remains the same.
