12 "**§ 160A-439.1. Vacant building receivership.**

1 (5) Any owner or partial owner of a vacant building, structure, or dwelling, with
2 or without the consent of other owners of the property, submits a request to
3 the governing body in the form of a sworn affidavit requesting the governing
4 body to petition the superior court for appointment of a receiver for the
5 property pursuant to this section.

6 (b) Petition for Appointment of Receiver. – The petition for the appointment of a receiver
7 shall include all of the following: (i) a copy of the original violation notice or order issued by the
8 city or, in the case of an owner request to the governing body for a petition for appointment of a
9 receiver, a verified pleading that avers that at least one owner consents to the petition; (ii) a
10 verified pleading that avers that the required rehabilitation or demolition has not been completed;
11 and (iii) the names of the respondents, which shall include the owner of the property, as recorded
12 with the register of deeds, any mortgagee with a recorded interest in the property, and all other
13 parties in interest, as defined in G.S. 160A-442(5). If the petition fails to name a respondent as
14 required by this subsection, the proceeding may continue, but the receiver's lien for expenses
15 incurred in rehabilitating, demolishing, or selling the vacant building, structure, or dwelling, as
16 authorized by subsection (f) of this section, shall not have priority over the lien of that respondent.

17 (c) Notice of Proceeding. – Within 10 days after filing the petition, the city shall give
18 notice of the pendency and nature of the proceeding by regular and certified mail to the last
19 known address of all owners of the property, as recorded with the register of deeds, any
20 mortgagee with a recorded interest in the property, and all other parties in interest, as defined in
21 G.S. 160A-442(5). Within 30 days of the date on which the notice was mailed, an owner of the
22 property, as recorded with the register of deeds, any mortgagee with a recorded interest in the
23 property, and all other parties in interest, as defined in G.S. 160A-442(5), may apply to intervene
24 in the proceeding and to be appointed as receiver. If the city fails to give notice to any owner of
25 the property, as recorded with the register of deeds, any mortgagee with a recorded interest in the
26 property, and all other parties in interest, as defined in G.S. 160A-442(5), as required by this
27 subsection, the proceeding may continue, but the receiver's lien for expenses incurred in
28 rehabilitating, demolishing, or selling the vacant building, structure, or dwelling, as authorized
29 by subsection (f) of this section, shall not have priority over the lien of that owner, as recorded
30 with the register of deeds, any mortgagee with a recorded interest in the property, and all other
31 parties in interest, as defined in G.S. 160A-442(5).

32 (d) Appointment of Receiver. – The court shall appoint a qualified receiver if the
33 provisions of subsections (b) and (c) of this section have been satisfied. If the court does not
34 appoint a person to rehabilitate or demolish the property pursuant to subsection (e) of this section,
35 or if the court dismisses such an appointee, the court shall appoint a qualified receiver for the
36 purpose of rehabilitating and managing the property, demolishing the property, or selling the
37 property to a buyer. To be considered qualified, a receiver must demonstrate to the court (i) the
38 financial ability to complete the purchase or rehabilitation of the property; (ii) the knowledge of,
39 or experience in, the rehabilitation of vacant real property; (iii) the ability to obtain any necessary
40 insurance; and (iv) the absence of any building code violations issued by the city on other real
41 property owned by the person or any member, principal, officer, major stockholder, parent,
42 subsidiary, predecessor, or others affiliated with the person or the person's business. No member
43 of the petitioning city's governing body or a public officer of the petitioning city is qualified to
44 be appointed as a receiver in that action. If, at any time, the court determines that the receiver is
45 no longer qualified, the court may appoint another qualified receiver.

46 (e) Rehabilitation Not by Receiver. – The court may, instead of appointing a qualified
47 receiver to rehabilitate or sell a vacant building, structure, or dwelling, appoint an owner,
48 mortgagee, or other parties in interest in the property, as defined in G.S. 160A-442, to rehabilitate
49 or demolish the property if that person (i) demonstrates the ability to complete the rehabilitation
50 or demolition within a reasonable time, (ii) agrees to comply with a specified schedule for
51 rehabilitation or demolition, and (iii) posts a bond in an amount determined by the court as

1 security for the performance of the required work in compliance with the specified schedule.
2 After the appointment, the court shall require the person to report to the court on the progress of
3 the rehabilitation or demolition, according to a schedule determined by the court. If, at any time,
4 it appears to the city or its delegated commission that the owner, mortgagee, or other person
5 appointed under this subsection is not proceeding with due diligence or in compliance with the
6 court-ordered schedule, the city or its delegated commission may apply to the court for immediate
7 revocation of that person's appointment and for the appointment of a qualified receiver. If the
8 court revokes the appointment and appoints a qualified receiver, the bond posted by the owner,
9 mortgagee, or other person shall be applied to the receiver's expenses in rehabilitating,
10 demolishing, or selling the vacant building, structure, or dwelling.

11 (f) Receiver Authority Exclusive. – Upon the appointment of a receiver under subsection
12 (d) of this section and after the receiver records a notice of receivership in the county in which
13 the property is located that identifies the property, all other parties are divested of any authority
14 to collect rents or other income from or to rehabilitate, demolish, or sell the building, structure,
15 or dwelling subject to the receivership. Any party other than the appointed receiver who actively
16 attempts to collect rents or other income from or to rehabilitate, demolish, or sell the property
17 may be held in contempt of court and shall be subject to the penalties authorized by law for that
18 offense. Any costs or fees incurred by a receiver appointed under this section and set by the court
19 shall constitute a lien against the property, and the receiver's lien shall have priority over all other
20 liens and encumbrances, except taxes or other government assessments.

21 (g) Receiver's Authority to Rehabilitate or Demolish. – In addition to all necessary and
22 customary powers, a receiver appointed to rehabilitate or demolish a vacant building, structure,
23 or dwelling shall have the right of possession with authority to do all of the following:

- 24 (1) Contract for necessary labor and supplies for rehabilitation or demolition.
- 25 (2) Borrow money for rehabilitation or demolition from an approved lending
26 institution or through a governmental agency or program, using the receiver's
27 lien against the property as security.
- 28 (3) Manage the property prior to rehabilitation or demolition and pay operational
29 expenses of the property, including taxes, insurance, utilities, general
30 maintenance, and debt secured by an interest in the property.
- 31 (4) Collect all rents and income from the property, which shall be used to pay for
32 current operating expenses and repayment of outstanding rehabilitation or
33 demolition expenses.
- 34 (5) Manage the property after rehabilitation, with all the powers of a landlord, for
35 a period of up to two years and apply the rent received to current operating
36 expenses and repayment of outstanding rehabilitation or demolition expenses.
- 37 (6) Foreclose on the receiver's lien or accept a deed in lieu of foreclosure.

38 (h) Receiver's Authority to Sell. – In addition to all necessary and customary powers, a
39 receiver appointed to sell a vacant building, structure, or dwelling shall have the authority to do
40 all of the following: (i) sell the property to the highest bidder at public sale, following the same
41 presale notice provisions that apply to a mortgage foreclosure under Article 2A of Chapter 45 of
42 the General Statutes, and (ii) sell the property privately for fair market value if no party to the
43 receivership objects to the amount and procedure. In the notice of public sale authorized under
44 this subsection, it shall be sufficient to describe the property by a street address and reference to
45 the book and page or other location where the property deed is registered. Prior to any sale under
46 this subsection, the applicants to bid in the public sale or the proposed buyer in the private sale
47 shall demonstrate the ability and experience needed to rehabilitate the property within a
48 reasonable time. After deducting the expenses of the sale, the amount of outstanding taxes and
49 other government assessments, and the amount of the receiver's lien, the receiver shall apply any
50 remaining proceeds of the sale first to the city's costs and expenses, including reasonable

1 attorneys' fees, and then to the liens against the property in order of priority. Any remaining
2 proceeds shall be remitted to the property owner.

3 (i) Receiver Forecloses on Lien. – A receiver may foreclose on the lien authorized by
4 subsection (f) of this section by selling the property subject to the lien at a public sale, following
5 public notice and notice to interested parties in the manner as a mortgage foreclosure under
6 Article 2A of Chapter 45 of the General Statutes. After deducting the expenses of the sale and
7 the amount of any outstanding taxes and other government assessments, the receiver shall apply
8 the proceeds of the sale to the liens against the property, in order of priority. In lieu of foreclosure,
9 and only if the receiver has rehabilitated the property, an owner may pay the receiver's costs,
10 fees, including reasonable attorneys' fees, and expenses or may transfer his or her ownership in
11 the property to either the receiver or an agreed upon third party for an amount agreed to by all
12 parties to the receivership as being the property's fair market value.

13 (j) Deed After Sale. – Following the court's ratification of the sale of the property under
14 this section, the receiver shall sign a deed conveying title to the property to the buyer, free and
15 clear of all encumbrances, other than restrictions that run with the land. Upon the sale of the
16 property, the receiver shall at the same time file with the court a final accounting and a motion
17 to dismiss the action.

18 (k) Receiver's Tenure. – The tenure of a receiver appointed to rehabilitate, demolish, or
19 sell a vacant building, structure, or dwelling shall extend no longer than two years after the
20 rehabilitation, demolition, or sale of the property. Any time after the rehabilitation, demolition,
21 or sale of the property, any party to the receivership may file a motion to dismiss the receiver
22 upon the payment of the receiver's outstanding costs, fees, and expenses. Upon the expiration of
23 the receiver's tenure, the receiver shall file a final accounting with the court that appointed the
24 receiver.

25 (l) Administrative Fee Charged. – The city may charge the owner of the building,
26 structure, or dwelling subject to the receivership an administrative fee that is equal to five percent
27 (5%) of the profits from the sale of the building, structure, or dwelling or one hundred dollars
28 (\$100.00), whichever is less."

29 **SECTION 1.(b)** Part 4 of Article 18 of Chapter 153A of the General Statutes is
30 amended by adding a new section to read as follows:

31 **"§ 153A-372.2. Vacant building receivership.**

32 (a) Petition to Appoint a Receiver. – The governing body of a county or its delegated
33 commission may petition the superior court for the appointment of a receiver to rehabilitate,
34 demolish, or sell a vacant building, structure, or dwelling upon the occurrence of any of the
35 following, each of which is deemed a nuisance per se:

36 (1) The owner fails to comply with an order issued pursuant to G.S. 153A-369,
37 related to building or structural conditions that constitute a fire or safety
38 hazard or render the building or structure dangerous to life, health, or other
39 property, from which no appeal has been taken.

40 (2) The owner fails to comply with an order of the board of commissioners
41 following an appeal of an inspector's order issued pursuant to G.S. 153A-369.

42 (3) The governing body of the county adopts any ordinance pursuant to
43 subdivision (f)(1) of G.S. 153A-372.1, related to nonresidential buildings or
44 structures that fail to meet minimum standards of maintenance, sanitation, and
45 safety, and orders a public officer to continue enforcement actions prescribed
46 by the ordinance with respect to the named nonresidential building or
47 structure. The public officer may submit a petition on behalf of the governing
48 body to the superior court for the appointment of a receiver, and if granted by
49 the superior court, the petition shall be considered an appropriate means of
50 complying with the ordinance. In the event the superior court does not grant

1 the petition, the public officer and the governing body may take action
2 pursuant to the ordinance in any manner authorized in G.S. 153A-369.

3 (4) The owner fails to comply with an order to repair, alter, or improve, remove,
4 or demolish a dwelling issued under G.S. 160A-443, related to dwellings that
5 are unfit for human habitation.

6 (5) Any owner or partial owner of a vacant building, structure, or dwelling, with
7 or without the consent of other owners of the property, submits a request to
8 the governing body in the form of a sworn affidavit requesting the governing
9 body to petition the superior court for appointment of a receiver for the
10 property pursuant to this section.

11 (b) Petition for Appointment of Receiver. – The petition for the appointment of a receiver
12 shall include all of the following: (i) a copy of the original violation notice or order issued by the
13 county or, in the case of an owner request to the governing body for a petition for appointment
14 of a receiver, a verified pleading that avers that at least one owner consents to the petition; (ii) a
15 verified pleading that avers that the required rehabilitation or demolition has not been completed;
16 and (iii) the names of the respondents, which shall include the owner of the property, as recorded
17 with the register of deeds, any mortgagee with a recorded interest in the property, and all other
18 parties in interest, as defined in G.S. 160A-442(5). If the petition fails to name a respondent as
19 required by this subsection, the proceeding may continue, but the receiver's lien for expenses
20 incurred in rehabilitating, demolishing, or selling the vacant building, structure, or dwelling, as
21 authorized by subsection (f) of this section, shall not have priority over the lien of that respondent.

22 (c) Notice of Proceeding. – Within 10 days after filing the petition, the county shall give
23 notice of the pendency and nature of the proceeding by regular and certified mail to the last
24 known address of all owners of the property, as recorded with the register of deeds, any
25 mortgagee with a recorded interest in the property, and all other parties in interest, as defined in
26 G.S. 160A-442(5). Within 30 days of the date on which the notice was mailed, an owner of the
27 property, as recorded with the register of deeds, any mortgagee with a recorded interest in the
28 property, and all other parties in interest, as defined in G.S. 160A-442(5), may apply to intervene
29 in the proceeding and to be appointed as receiver. If the county fails to give notice to any owner
30 of the property, as recorded with the register of deeds, any mortgagee with a recorded interest in
31 the property, and all other parties in interest, as defined in G.S. 160A-442(5), as required by this
32 subsection, the proceeding may continue, but the receiver's lien for expenses incurred in
33 rehabilitating, demolishing, or selling the vacant building, structure, or dwelling, as authorized
34 by subsection (f) of this section, shall not have priority over the lien of that owner, as recorded
35 with the register of deeds, any mortgagee with a recorded interest in the property, and all other
36 parties in interest, as defined in G.S. 160A-442(5).

37 (d) Appointment of Receiver. – The court shall appoint a qualified receiver if the
38 provisions of subsections (b) and (c) of this section have been satisfied. If the court does not
39 appoint a person to rehabilitate or demolish the property pursuant to subsection (e) of this section,
40 or if the court dismisses such an appointee, the court shall appoint a qualified receiver for the
41 purpose of rehabilitating and managing the property, demolishing the property, or selling the
42 property to a buyer. To be considered qualified, a receiver must demonstrate to the court (i) the
43 financial ability to complete the purchase or rehabilitation of the property; (ii) the knowledge of,
44 or experience in, the rehabilitation of vacant real property; (iii) the ability to obtain any necessary
45 insurance; and (iv) the absence of any building code violations issued by the county on other real
46 property owned by the person or any member, principal, officer, major stockholder, parent,
47 subsidiary, predecessor, or others affiliated with the person or the person's business. No member
48 of the petitioning county's governing body or a public officer of the petitioning county is qualified
49 to be appointed as a receiver in that action. If, at any time, the court determines that the receiver
50 is no longer qualified, the court may appoint another qualified receiver.

1 (e) Rehabilitation Not by Receiver. – The court may, instead of appointing a qualified
2 receiver to rehabilitate or sell a vacant building, structure, or dwelling, appoint an owner,
3 mortgagee, or other parties in interest in the property, as defined in G.S. 160A-442, to rehabilitate
4 or demolish the property if that person (i) demonstrates the ability to complete the rehabilitation
5 or demolition within a reasonable time, (ii) agrees to comply with a specified schedule for
6 rehabilitation or demolition, and (iii) posts a bond in an amount determined by the court as
7 security for the performance of the required work in compliance with the specified schedule.
8 After the appointment, the court shall require the person to report to the court on the progress of
9 the rehabilitation or demolition, according to a schedule determined by the court. If, at any time,
10 it appears to the county or its delegated commission that the owner, mortgagee, or other person
11 appointed under this subsection is not proceeding with due diligence or in compliance with the
12 court-ordered schedule, the county or its delegated commission may apply to the court for
13 immediate revocation of that person's appointment and for the appointment of a qualified
14 receiver. If the court revokes the appointment and appoints a qualified receiver, the bond posted
15 by the owner, mortgagee, or other person shall be applied to the receiver's expenses in
16 rehabilitating, demolishing, or selling the vacant building, structure, or dwelling.

17 (f) Receiver Authority Exclusive. – Upon the appointment of a receiver under subsection
18 (d) of this section and after the receiver records a notice of receivership in the county in which
19 the property is located that identifies the property, all other parties are divested of any authority
20 to collect rents or other income from or to rehabilitate, demolish, or sell the building, structure,
21 or dwelling subject to the receivership. Any party other than the appointed receiver who actively
22 attempts to collect rents or other income from or to rehabilitate, demolish, or sell the property
23 may be held in contempt of court and shall be subject to the penalties authorized by law for that
24 offense. Any costs or fees incurred by a receiver appointed under this section and set by the court
25 shall constitute a lien against the property, and the receiver's lien shall have priority over all other
26 liens and encumbrances, except taxes or other government assessments.

27 (g) Receiver's Authority to Rehabilitate or Demolish. – In addition to all necessary and
28 customary powers, a receiver appointed to rehabilitate or demolish a vacant building, structure,
29 or dwelling shall have the right of possession with authority to do all of the following:

- 30 (1) Contract for necessary labor and supplies for rehabilitation or demolition.
- 31 (2) Borrow money for rehabilitation or demolition from an approved lending
32 institution or through a governmental agency or program, using the receiver's
33 lien against the property as security.
- 34 (3) Manage the property prior to rehabilitation or demolition and pay operational
35 expenses of the property, including taxes, insurance, utilities, general
36 maintenance, and debt secured by an interest in the property.
- 37 (4) Collect all rents and income from the property, which shall be used to pay for
38 current operating expenses and repayment of outstanding rehabilitation or
39 demolition expenses.
- 40 (5) Manage the property after rehabilitation, with all the powers of a landlord, for
41 a period of up to two years and apply the rent received to current operating
42 expenses and repayment of outstanding rehabilitation or demolition expenses.
- 43 (6) Foreclose on the receiver's lien or accept a deed in lieu of foreclosure.

44 (h) Receiver's Authority to Sell. – In addition to all necessary and customary powers, a
45 receiver appointed to sell a vacant building, structure, or dwelling shall have the authority to do
46 all of the following: (i) sell the property to the highest bidder at public sale, following the same
47 presale notice provisions that apply to a mortgage foreclosure under Article 2A of Chapter 45 of
48 the General Statutes, and (ii) sell the property privately for fair market value if no party to the
49 receivership objects to the amount and procedure. In the notice of public sale authorized under
50 this subsection, it shall be sufficient to describe the property by a street address and reference to
51 the book and page or other location where the property deed is registered. Prior to any sale under

1 this subsection, the applicants to bid in the public sale or the proposed buyer in the private sale
2 shall demonstrate the ability and experience needed to rehabilitate the property within a
3 reasonable time. After deducting the expenses of the sale, the amount of outstanding taxes and
4 other government assessments, and the amount of the receiver's lien, the receiver shall apply any
5 remaining proceeds of the sale first to the county's costs and expenses, including reasonable
6 attorneys' fees, and then to the liens against the property in order of priority. Any remaining
7 proceeds shall be remitted to the property owner.

8 (i) Receiver Forecloses on Lien. – A receiver may foreclose on the lien authorized by
9 subsection (f) of this section by selling the property subject to the lien at a public sale, following
10 public notice and notice to interested parties in the manner as a mortgage foreclosure under
11 Article 2A of Chapter 45 of the General Statutes. After deducting the expenses of the sale and
12 the amount of any outstanding taxes and other government assessments, the receiver shall apply
13 the proceeds of the sale to the liens against the property, in order of priority. In lieu of foreclosure,
14 and only if the receiver has rehabilitated the property, an owner may pay the receiver's costs,
15 fees, including reasonable attorneys' fees, and expenses or may transfer his or her ownership in
16 the property to either the receiver or an agreed upon third party for an amount agreed to by all
17 parties to the receivership as being the property's fair market value.

18 (j) Deed After Sale. – Following the court's ratification of the sale of the property under
19 this section, the receiver shall sign a deed conveying title to the property to the buyer, free and
20 clear of all encumbrances, other than restrictions that run with the land. Upon the sale of the
21 property, the receiver shall at the same time file with the court a final accounting and a motion
22 to dismiss the action.

23 (k) Receiver's Tenure. – The tenure of a receiver appointed to rehabilitate, demolish, or
24 sell a vacant building, structure, or dwelling shall extend no longer than two years after the
25 rehabilitation, demolition, or sale of the property. Any time after the rehabilitation, demolition,
26 or sale of the property, any party to the receivership may file a motion to dismiss the receiver
27 upon the payment of the receiver's outstanding costs, fees, and expenses. Upon the expiration of
28 the receiver's tenure, the receiver shall file a final accounting with the court that appointed the
29 receiver.

30 (l) Administrative Fee Charged. – The county may charge the owner of the building,
31 structure, or dwelling subject to the receivership an administrative fee that is equal to five percent
