1 A BILL TO BE ENTITLED 2 AN ACT TO MAKE CHANGES TO THE TRANSPORTATION LAWS OF THE STATE. 3 The General Assembly of North Carolina enacts: 4 5 PART I. DEPARTMENT OF TRANSPORTATION 6 7 DOT PROPERTY ACQUISITIONS/RIGHT-OF-WAY CLAIM REPORT 8 SECTION 1.(a) G.S. 136-19.6 reads as rewritten: 9 "§ 136-19.6. Appraisal waiver valuation.Right-of-Way Claim Report. 10 Intent. - It is the intent of the General Assembly to provide the Department of (a) Transportation with the resources and flexibility necessary to accelerate the time in which 11 projects are completed while maintaining fairness to affected property owners and other citizens 12 of this State. It is the belief of the General Assembly that providing the Department with the 13 flexibility allowed under subsection (b) of this section will help toward achieving this intent. 14 15 Therefore, the Department is encouraged to utilize the flexibility provided in subsection (b) of this section for all acquisitions of land in which the value estimate of the acquisition is estimated 16 at-ten thousand dollars (\$10,000) or less. 17 18 (b) Permissive Exception to Appraisal. - When the Department acquires land, and except as otherwise required by federal law, an appraisal is not required if the Department determines 19 20 that the anticipated value of estimates that the proposed acquisition is estimated at forty thousand 21 dollars (\$40,000) or less, based on a review of data available to the Department at the time the Department begins the acquisition process. If the Department determines that an appraisal is 22 23 unnecessary, estimates the acquisition to be forty thousand dollars (\$40,000) or less, the 24 Department may prepare an appraisal waiver valuation a Right-of-Way Claim Report instead of an appraisal. The owner of the land to be acquired may request the Department provide an 25 appraisal for any right-of-way claim of ten thousand dollars (\$10,000) or more. The Department 26 may contract with a qualified third party to prepare an appraisal waiver valuation. a Right-of-Way 27 Claim Report. Any person performing an appraisal waiver valuation preparing a Right-of-Way 28 Claim Report must have a sufficient understanding of the local real estate market to be qualified 29 30 to perform the appraisal waiver valuation.market. 31" 32 **SECTION 1.(b)** G.S. 93E-1-3 reads as rewritten: "§ 93E-1-3. 1		reports no later than 15 business days after the date the report is received. The
2		Department shall determine, in its discretion, whether a citizen report is
3		safety-related or non-safety-related. The Department shall transmit
4		information received about potholes or other problems on roads not
5		maintained by the State to the appropriate locality within two business days
6		of receiving the citizen report. The Department shall provide post a monthly
7		report to all of the following to the Department's performance dashboard Web
8		site on the number of citizen reports received under this subdivision for the
9		month immediately preceding the monthly report, the number of citizen
10		reports fully addressed within the time frames set forth in this subdivision for
1		the month immediately preceding the monthly report, the number of citizen
12		reports addressed outside of the time frames set forth in this subdivision for
13		the month immediately preceding the monthly report, and the number of
14		citizen reports not fully addressed for the month immediately preceding the

18		c. The chairs of the House of Representatives Appropriations Committee
19		on Transportation.
20		d. The chairs of the Senate Appropriations Committee on the Department
21		of Transportation.
22	(1a)	Efficiency The Department shall adopt procedures in all stages of the
23		construction process to streamline project delivery, including consolidating
24		environmental review processes, expediting multiagency reviews,
25		accelerating right-of-way acquisitions, and pursuing design build and other
26		processes to collapse project stages. By December 1, 2015, the Department
27 28		shall establish a baseline unit pricing structure for transportation goods used
28 29		in highway maintenance and construction projects and set annual targets for three years based on its unit pricing. In forming the baseline unit prices and
30		future targets, the Department shall collect data from each Highway Division
31		on its expenditures on transportation goods during the 2015-2016 fiscal year.
32		Beginning January 1, 2016, no Highway Division shall exceed a ten percent
33		(10%) variance over a baseline unit price set for that year in accordance with
34		this subdivision. The Department of Transportation shall institute quarterly
35		<u>annual</u> tracking to monitor pricing variances. The ten percent (10%) maximum
36		variance set under this subdivision is intended to account for regional
37		differences requiring varying product mixes. If a Highway Division exceeds
38		the unit pricing threshold, the Department shall <u>submit a</u> report to the Joint
39		Legislative Transportation Oversight Committee, the Fiscal Research
10		Division of the General Assembly, the chairs of the House of Representatives
1		Appropriations Committee on Transportation, and the chairs of the Senate
12		Appropriations Committee on the Department of Transportation no later than
13		the fifteenth day of February following the end of the quarter calendar year on
14		why the variance occurred and what steps are being taken to bring the
15		Highway Division back into compliance. In order to drive savings, unit pricing
16		may be reduced annually as efficiencies are achieved.
