SENATE BILL DRS15044-MKf-8 (10/18)

Short Title: Access to Sports/Extracurr. for All Students. (Public)

Sponsors: Senators Hise, Daniel, and Barefoot (Primary Sponsors).

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PERMIT STUDENTS WHO ATTEND A PUBLIC SCHOOL, PRIVATE SCHOOL, OR HOME SCHOOL WITHOUT AN INTERSCHOLASTIC ATHLETICS PROGRAM IN A GIVEN SPORT OR PARTICULAR EXTRACURRICULAR ACTIVITY TO PARTICIPATE IN THAT ACTIVITY AT A PUBLIC HIGH SCHOOL.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-12 reads as rewritten:

"§ 115C-12. Powers and duties of the Board generally.

The general supervision and administration of the free public school system shall be vested in the State Board of Education. The State Board of Education shall establish policy for the system of free public schools, subject to laws enacted by the General Assembly. The powers and duties of the State Board of Education are defined as follows:

...
(23a) Permit Certain Students to Participate in Interscholastic Athletics Programs. – The State Board of Education shall adopt rules governing high school students who attend schools that do not have interscholastic athletics programs in any given sport as follows:

- a. A public high school student may participate in the sport at the high school closest to the student's school that has a program in that sport, subject to the terms and conditions applicable to a regularly enrolled member of that school's student body, except that the public high school may charge a reasonable fee for participation to a student who is not enrolled in the school as established by the local board of education in accordance with G.S. 115C-47(6).
- b. A private school or home school student may participate in the sport at the base public high school for the student's address, subject to the terms and conditions applicable to a regularly enrolled member of that school's student body. If the student's base school does not have a program in that sport, the student may participate in the sport at the public high school closest to the student's base school that has a program in that sport, subject to the terms and conditions applicable to a regularly enrolled member of that school's student body. In any of the circumstances under this sub-subdivision, the public high school may charge a reasonable fee for participation to a student who is not enrolled in the school as established by the local board of education in accordance with G.S. 115C-47(6).

2 SECTION 2. G.S. 115C-47 reads as rewritten:

3 "§ 115C-47. Powers and duties generally.

4 In addition to the powers and duties designated in G.S. 115C-36, local boards of education
5 shall have the power or duty:

6 ...

7 (4) To Regulate Extracurricular Activities. – Local boards of education shall make
8 all rules and regulations necessary for the conducting of extracurricular
9 activities in the schools under their supervision, including a program of
10 athletics, where desired, without assuming liability therefor; provided, that all
11 interscholastic athletic activities shall be conducted in accordance with rules
12 and regulations prescribed by the State Board of Education. The local board of
13 education's rules and regulations shall include that a high school student who
14 attends a home school or private school that does not offer a particular
15 extracurricular activity shall be permitted to participate in the extracurricular
16 activity at the base public high school for the student's address or, if the base
17 school does not offer the activity, at the public high school offering that activity
18 closest to the student's base public high school. A public high school student
19 shall be permitted to participate in an extracurricular activity not offered at the
20 student's school at a public high school offering the activity that is closest to the
21 student's school. The terms and conditions applicable to a student regularly
22 enrolled at the public high school shall also apply to students who participate in
23 an extracurricular activity at the school as provided by this subdivision, except
24 that the public high school may charge a reasonable fee for participation to a
25 student who is not enrolled in the school as established by the local board of
26 education in accordance with subdivision (6) of this section.

27 ...

28 (6) To Regulate Fees, Charges and Solicitations. – Local boards of education shall
29 adopt rules and regulations governing solicitations of, sales to, and fund-raising
30 activities conducted by, the students and faculty members in schools under their
31 jurisdiction, and no fees, charges, or costs shall be collected from students and
32 school personnel without approval of the board of education as recorded in the
33 minutes of said board; provided, this subdivision shall not apply to such
34 textbooks fees as are determined and established by the State Board of
35 Education. All schedules of fees, charges and solicitations approved by local
36 boards of education, including fees established to allow students not
37 enrolled in a particular public high school to participate in sports and other
38 extracurricular activities, shall be reported to the Superintendent of Public
39 Instruction.
