HOUSE BILL DRH10377-MK-192A

Short Title: myFutureNC/Postsecondary Attainment Goal. (Public)

Sponsors: Representative Fraley.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH AN EDUCATIONAL ATTAINMENT GOAL FOR THE STATE.

3 Whereas, the State of North Carolina is one of nine states in the country that does not
4 have a shared postsecondary attainment goal and has less than half the 25- to 44-year-old
5 workforce with a postsecondary degree or certificate; and

6 Whereas, the myFutureNC Commission, a statewide group of business, education,
7 and government leaders, recently studied North Carolina's evolving workforce needs and the
8 alignment between future demands and trends in educational attainment; and

9 Whereas, based on that study, the myFutureNC Commission developed an
10 educational attainment goal that will ensure North Carolina remains economically competitive
11 now and into the future; and

12 Whereas, to make progress towards that goal, the North Carolina higher education
13 community must improve student outcomes, reduce the time to graduation, and create
14 opportunities that meet the needs of today's students; and

15 Whereas, increasing on-time graduation rates at institutions of higher education and
16 expanding access to high-quality workforce training places more graduates into the workforce
17 more quickly, reduces student debt, and increases the supply of skilled workers in North Carolina,
18 making the State more attractive to businesses to start, expand, or relocate; Now, therefore,
19 The General Assembly of North Carolina enacts:

20 **SECTION 1.(a)** G.S. 116C-1 through G.S. 116C-5 are designated as Article 1 of
21 Chapter 116C of the General Statutes, which is entitled "Education Cabinet."

22 **SECTION 1.(b)** Chapter 116C of the General Statutes is amended by adding a new
23 Article to read:

24 "Article 2.

25 "North Carolina Postsecondary Attainment Goal.

26 **"§ 116C-10. North Carolina postsecondary attainment goal.**

27 (a) Findings. – The General Assembly finds it necessary to set a goal for postsecondary
28 attainment for North Carolina residents to ensure that the State remains economically competitive
29 now and into the future.

30 (b) Postsecondary Attainment Goal. – The State shall make significant efforts to increase
31 access to learning and improve the education of more North Carolinians so that, by the year 2030,
32 at least 2,000,000 residents between the ages of 25 and 44 will have completed a high-quality
33 credential or postsecondary degree.

34 (c) Rights Not Created. – The attainment goal established in this section is not to the
35 exclusion of any other goals and does not confer a right or create a claim for any person."
