Referred to:

#### April 8, 2019 1 A BILL TO BE ENTITLED 2 AN ACT TO MAKE VARIOUS CHANGES TO THE STATUTES GOVERNING THE 3 WILDLIFE RESOURCES COMMISSION. 4 The General Assembly of North Carolina enacts: 5 6 **REQUIRE PLACEMENT OF VALIDATION DECALS ON BOTH SIDES OF VESSELS** 7 SECTION 1. G.S. 75A-5 reads as rewritten: 8 "§ 75A-5. Application for certificate of number; fees; reciprocity; change of ownership; 9 conformity with federal regulations; records; award of certificates; renewal of certificates; transfer of partial interest; destroyed or junked vessels; 10 11 abandonment; change of address; duplicate certificates; display. Application for Certificate of Number. - The owner of each vessel requiring 12 (a) numbering by this State shall file an application for a certificate of number with the Commission. 13 The Commission shall furnish application forms and shall prescribe the information contained in 14 the application form. The application shall be signed by the owner of the vessel or the owner's 15 agent and shall be accompanied by a fee, as set out in subsection (a1) of this section. The fee 16 17 does not apply to vessels owned and operated by nonprofit rescue squads if they are operated exclusively for rescue purposes, including rescue training. The owner shall have the option of 18 19 selecting a one-year numbering period or a three-year numbering period. Upon receipt of the 20 application in approved form, the Commission shall enter the application in its records and issue 21 the owner a certificate of number stating the identification number awarded to the vessel and the 22 name and address of the owner, and a validation decal indicating the expiration date of the 23 certificate of number. The owner shall paint on or attach to each side of the bow of the vessel the 24 identification number and validation decals in such manner as may be prescribed by rules of the 25 Commission in order that it may be clearly visible. The identification number shall be maintained 26 in legible condition. The validation decal shall be displayed on the starboard bow of the vessel immediately following the number. The certificate of number shall be pocket size and shall be 27 28 available for inspection on the vessel for which the certificate is issued at all times the vessel is 29 in operation. Any person charged with failing to so carry a certificate of number shall not be 30 convicted if the person produces in court a certificate of number previously issued to the owner that was valid at the time of the alleged violation. 31 32 . . . . "

#### **General Assembly Of North Carolina** 1 Recognizing the inestimable importance to the State and its people of conserving the (a) 2 wildlife resources of North Carolina, and for the purpose of providing the opportunity for citizens 3 and residents of the State to invest in the future of its wildlife resources, there is created the North 4 Carolina Wildlife Endowment Fund, the income and principal of which shall be used only for 5 the purpose of supporting wildlife conservation programs of the State in accordance with this 6 section. This fund shall also be known as the Eddie Bridges Fund. 7 There is created the Board of Trustees of the Wildlife Endowment Fund of the (b) 8 Wildlife Resources Commission, with full authority over the administration of the Wildlife 9 Endowment Fund, whose ex officio chairman, vice-chairman, and members shall be the 10 chairman, vice-chairman, and members of the Wildlife Resources Commission. The State 11 Treasurer shall be the custodian of the Wildlife Endowment Fund and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and 147-69.3. 12 The assets of the Wildlife Endowment Fund shall be derived from the following: 13 (c) 14 (1)The proceeds of any gifts, grants and contributions to the State which are 15 specifically designated for inclusion in the fund; fund. The proceeds from the sale of lifetime sportsman combination licenses issued 16 (2)17 pursuant to G.S. 113-270.1D: G.S. 113-270.1D. 18 (3) The proceeds from the sale of lifetime hunting and lifetime fishing licenses 19 pursuant to G.S. 113-270.2(c)(2) and G.S. 113-271(d)(3);G.S. 113-270.2 and 20 G.S. 113-271. 21 <u>(3a)</u> The proceeds from the sale of lifetime trapping licenses pursuant to G.S. 113-270.5(b). 22 23 The proceeds of lifetime subscriptions to the magazine Wildlife in North (4) 24 Carolina at such rates as may be established from time to time by the Wildlife 25 Resources Commission; Commission. 26 (5) Any amount in excess of the statutory fee for a particular lifetime license or 27 lifetime subscription shall become an asset of the fund and shall qualify as a 28 tax exempt donation to the State; State. 29 The proceeds from the sale of lifetime combination hunting and fishing (5a) 30 licenses for disabled residents pursuant to 31 G.S. 113-270.1C(b)(4);G.S. 113-270.1C. 32 The Wildlife Resources Commission's portion of the proceeds from the sale (5b) 33 of lifetime unified licenses pursuant to G.S. 113-351. 34 (6) Such other sources as may be specified by law. 35 The Wildlife Endowment Fund is declared to constitute a special trust derived from a (d) 36 contractual relationship between the State and the members of the public whose investments 37 contribute to the fund. In recognition of such special trust, the following limitations and 38 restrictions are placed on expenditures from the funds: 39 Any limitations or restrictions specified by the donors on the uses of the (1)40 income derived from gifts, grants and voluntary contributions shall be respected but shall not be binding. 41 42 No expenditures or disbursements from the income from the proceeds derived (2)43 from the sale of Infant Lifetime Sportsman or Youth Lifetime Sportsman 44 Licenses pursuant to G.S. 113-270.1D(b)(1) or (2) shall be made for any 45 purpose until the respective holders of such licenses attain the age of 16 years. 46 The State Treasurer, as custodian of the fund, shall determine actuarially from 47 time to time the amount of income within the fund which remains encumbered 48 by and which is free of this restriction. For such purpose, the executive 49 director shall cause deposits of proceeds and related investment income from 50 Infant Lifetime Sportsman Licenses to be distinguished and deposits of

50	limited-purpose and limited-time permits that may be issued without charge	to cover particular

1 activities and other actions that may be administratively required in the reasonable 2 implementation of the objectives of this Subchapter. 3 If the Executive Director deems it administratively appropriate and convenient to do (e) 4 so, in the interests of simplifying the administration of licensing requirements, he the Executive 5 Director may grant particular licensees under this section the privilege of utilizing assistants in taking, transporting, or possessing wildlife resources who themselves are not licensed. Any 6 7 assistants so taking, transporting, or possessing wildlife resources must-shall have readily 8 available for inspection a written authorization from the licensee to engage in the activity in 9 question. The written authorization must shall contain information administratively required by 10 the Executive Director, and a copy of the authorization must be placed in the mail addressed to 11 the Executive Director or his designated agent submitted to the Wildlife Resources Commission before any assistant acts under the authorization. In his discretion the The Executive Director 12 13 may refuse to issue, refuse to renew, or revoke the privilege conferred in this subsection. If this 14 is done, each individual engaged in taking, transporting, or possessing wildlife resources under this section must shall meet all applicable licensing and permit requirements." 15

16

**SECTION 6.**(*l*) G.S. 113-272.5 reads as rewritten:

17 "§ 113-272.5. Captivity license.

In the interests of humane treatment of wild animals and wild birds that are lawfully 18 (a) 19 taken, crippled, tame, or unfit for immediate release into their natural habitat, the The Wildlife 20 Resources Commission may license qualified individuals to hold at a specified location location 21 wild animals and wild birds that are lawfully taken, crippled, tame, or unfit for immediate release into their natural habitat, or one or more of any particular species of wild animal or wild bird 22 23 alive in captivity for scientific, educational, exhibition, or other purposes. Before issuing this 24 license, the Executive Director must satisfy himself determine that issuance of the license is 25 appropriate under the objectives of this Subchapter, and that the wild animal or wild bird was not 26 acquired unlawfully or merely as a pet. Upon refusing to issue the captivity license, the Executive 27 Director may either take possession of the wild animal or wild bird for appropriate disposition or 28 issue a captivity permit under G.S. 113-274(c)(1b) for a limited period until the holder makes 29 proper disposition of the wild animal or wild bird.

(b) Unless a shorter time is set for a license upon its issuance under the provisions of
subsection (c), captivity licenses are annual licenses issued beginning January 1 each year and
running until the following December 31. This license is issued upon payment of five dollars
(\$5.00) The captivity license for holding shall be issued upon payment of fifty dollars (\$50.00)
and the captivity license for rehabilitation shall be issued upon payment of ten dollars (\$10.00)
to the Wildlife Resources Commission.

36 The Wildlife Resources Commission may require standards of caging and care and (c) 37 reports to and supervision by employees of the Wildlife Resources Commission as necessary to 38 insure humane treatment and in furtherance of the objectives of this Subchapter. The Executive 39 Director in implementing the provisions of this section may administratively impose through 40 responsible agents and employees restrictions upon the mode of captivity that he deems deemed necessary, including prescribing methods of treatment and handling designed, if possible, to 41 42 enable the wild animal or wild bird to become self sufficient and requiring that the wild animal 43 or wild bird be set free when self sufficiency is attained, handling. To this end, the Executive 44 Director may issue the captivity license with an expiration date earlier than December 31 and 45 may also act to terminate any captivity license earlier than the expiration date for good cause. 46 ...."

40 47

**SECTION 6.(m)** G.S. 113-273 reads as rewritten:

### 48 "§ 113-273. Dealer licenses. Other licenses.

49 (a) "Dealer" Defined; All Licenses Annual. As used in this section, the word "dealer"
 50 includes all persons or individuals required to be licensed under the terms of this section. Except

<b>General Assembly</b>	Of North	Carolina
-------------------------	----------	----------

when indicated otherwise, dealer otherwise indicated, licenses in this section are annual licenses
 issued beginning January 1 each year running until the following December 31.

3 (b) License Required; Rules Governing Licensee. —Except as otherwise provided, no 4 person may engage in any activity for which a dealer-license is provided under this section 5 without first having procured a current and valid dealer-license for that activity. In implementing 6 the provisions of this section, the Wildlife Resources Commission may by rule govern every 7 aspect of the licensee's dealings in wildlife resources. Specifically, these rules may require 8 dealers-licensees to:

- 9 (1) Implement a system of tagging or otherwise identifying and controlling 10 species regulated under the license and pay a reasonable fee, not to exceed 11 two dollars and twenty five cents (\$2.25), for each tag furnished by the 12 Wildlife Resources Commission;Commission to defray costs;
  - (2) Keep records and statistics in record books furnished by the Wildlife Resources Commission, and pay a reasonable charge to defray the cost of furnishing the books;
- 15 16

(3)

- (5) Post performance bonds payable to the Wildlife Resources Commission conditioned upon faithful compliance with provisions of law; and
  - (6) Otherwise comply with reasonable rules and administrative requirements that may be imposed under the authority of this section.

Be subject to inspection at reasonable hours and audit of wildlife resources

24 (f) Fur-Dealer License. – Except as otherwise provided in this subsection, any individual 25 in this State who deals in furs must obtain an appropriate fur-dealer license. For the purposes of 26 this subsection, "dealing in furs" is engaging in the business of buying or selling fur-bearing 27 animals or other wild animals that may lawfully be sold, the raw furs, pelts, or skins of those 28 animals, or the furs, pelts, or skins of wild animals which may not themselves be sold but whose 29 fur, pelt, or skin may lawfully be sold. A hunter or trapper who has lawfully taken wild animals 30 whose fur, pelt, or skin is permitted to be sold under this subsection is not considered a fur dealer 31 if he exclusively sells the animals or the furs, pelts, and skins, as appropriate, to licensed fur 32 dealers. All fur-dealer licenses are annual licenses issued beginning July 1 each year running 33 until the following June 30. Fur-dealer licenses issued by the Wildlife Resources Commission 34 are as follows: 35

(3) Fur-dealer station license, one hundred twenty dollars (\$120.00). Authorizes a person or individual to deal in furs at an established location where fur dealings occur under the supervision of a responsible individual manager named in the license. Individual employees of the business dealing in furs solely at the established location under the supervision of the manager need not acquire an individual license. Any employee who also deals in furs outside the established location <del>must shall</del> obtain the appropriate individual license. Individuals dealing in furs at an established location may elect to do so under their individual licenses.

The Executive Director may administratively provide for reissuance of a station license without charge for the remainder of the year when either a business continues at an established location under a new supervising manager or the business changes to a new location. Before reissuing the license, however, the Executive Director must satisfy himself shall determine that there is a continuation of essentially the same business previously licensed and that any new supervising manager meets the qualifications imposed by

### **General Assembly Of North Carolina**

1 (k) Taxidermy License. – Any individual who engages in taxidermy taxidermy, including 2 the tanning of hides, involving wildlife for any compensation, including reimbursement for the 3 cost of materials, must first procure a taxidermy license. This license is an annual license issued 4 by the Wildlife Resources Commission for ten dollars (\$10.00). The Wildlife Resources 5 Commission must require a licensee to keep records concerning any wildlife taken or possessed by him; to keep records of the names and addresses of persons bringing him wildlife, the names 6 7 and addresses of persons taking the wildlife if different, and other information concerning the 8 origin of the wildlife; to inspect any applicable licenses or permits pertaining to the taking and 9 possession of wildlife brought to him; to restrict him to taxidermy upon lawfully acquired 10 wildlife; and to keep other pertinent records. fifty dollars (\$50.00). In addition to a taxidermy 11 license, license holders engaging in taxidermy of any species of the family Cervidae must also obtain a taxidermy cervid certification issued by the Wildlife Resources Commission for five 12 dollars (\$5.00). The Wildlife Resources Commission is authorized by rule to set standards and 13 14 reporting requirements for taxidermy licenses and certifications. No taxidermist subject to license requirements may sell any game or game fish in which he deals except that a taxidermist may 15 acquire a valid possessory lien upon game or game fish under the terms of Chapter 44A of the 16 17 General Statutes and, with a trophy sale permit from the Executive Director, Wildlife Resources 18 Commission, may sell the game or game fish under the procedure authorized in Chapter 44A. 19 Wildlife acquired by a taxidermist is deemed "personal property" for the purposes of Chapter 20 44A. 21 Wildlife Control Agent License. - Any individual who engages in wildlife damage (l)control or wildlife removal activities, including bat eviction, for compensation, including 22 23 reimbursement for the cost of materials, shall first procure a wildlife control agent license. This 24 is an annual license issued by the Wildlife Resources Commission for fifty dollars (\$50.00). This 25 license shall not be required for licensed trappers taking wild animals during the established 26 trapping season for that species. The Wildlife Resources Commission is authorized by rule to set 27 standards for and to license wildlife control agents. 28 (m) Alligator Control Agent Certification. - In addition to the wildlife control agent 29 license, any individual who engages in alligator damage control or removal activities for 30 compensation, including reimbursement for the cost of materials, shall first procure an alligator control agent certification. This is an annual certification issued by the Wildlife Resources 31 32 Commission for twenty-five dollars (\$25.00). The Wildlife Resources Commission is authorized 33 by rule to set standards for and to certify alligator control agents. This certification does not 34 include privileges conveyed with an endangered species permit. The endangered species permit 35 shall be obtained prior to conducting activities under the authorization of this certification." 36 SECTION 6.(n) G.S. 113-274 reads as rewritten: 37 "§ 113-274. Permits. 38 As used in this Article, the word "permit" refers to a written authorization issued (a) 39 without charge by an employee or agent of the Wildlife Resources Commission to an individual 40 or a person to conduct some activity over which the Wildlife Resources Commission has jurisdiction. Unless otherwise specified, permits are issued at no cost. When a more limited 41 42 duration period is not set by the Executive Director, permits are valid through December 31 in any calendar year. When sale of wildlife resources is permitted, rules or the directives of the 43 44 Executive Director may require the retention of invoices or copies of invoices in lieu of a permit. 45 Except as otherwise specifically provided, no one may engage in any activity for (b) 46 which a permit is required without having first procured a current and valid permit. 47 The Wildlife Resources Commission may issue the following permits: (c) 48 . . . 49 (1c)Possession Permit. Permit – (\$10.00). Authorizes the possession of dead 50 wildlife or other wildlife resources lawfully acquired. The Wildlife Resources Commission may by rule implement the issuance and supervision of this 51

#### **General Assembly Of North Carolina** Session 2019 Inspectors and protectors have jurisdiction to enforce the provisions of Article 19B of 1 (c1) 2 Chapter 106 of the General Statutes pursuant to and within the parameters of a formal agreement 3 entered into under G.S. 106-202.15(10). 4 ...." 5 6 **BEAVER MANAGEMENT ASSISTANCE PROGRAM CHANGES** 7 SECTION 9. G.S. 113-291.10 reads as rewritten: 8 "§ 113-291.10. Beaver Damage Control Advisory Board. 9 There is established the Beaver Damage Control Advisory Board. The Board shall 10 consist of nine members, as follows: 11 The Executive Director of the North Carolina Wildlife Resources (1)12 Commission, or his designee, who shall serve as chair; 13 The Commissioner of Agriculture, or a designee; (2) The Assistant Commissioner of the North Carolina Forest Service of the 14 (3) Department of Agriculture and Consumer Services, or a designee; 15 The Director of the Division of Soil and Water Conservation of the 16 (4) 17 Department of Agriculture and Consumer Services, or a designee; 18 (5) The Director of the North Carolina Cooperative Extension Service, or a 19 designee; A representative of the North Carolina Association of County 20 Commissioners; 21 The Secretary of Transportation, or a designee; (6) The State Director of the Wildlife Services Division of the Animal and Plant 22 (7)23 Health Inspection Service, U.S. Department of Agriculture, or a designee; 24 (8) The President of the North Carolina Farm Bureau Federation, Inc., or a 25 designee, representing private landowners; and 26 (9) A representative of the North Carolina Forestry Association. 27 (b) The Beaver Damage Control Advisory Board shall develop a statewide program to 28 control beaver damage on private and public lands. The Beaver Damage Control Advisory Board 29 shall act in an advisory capacity to the Wildlife Resources Commission in the implementation of 30 the program. In developing the program, the Board shall: 31 Orient the program primarily toward public health and safety and toward (1)landowner assistance, providing some relief to landowners through beaver 32 33 control and management rather than eradication; 34 (2)Develop a priority system for responding to complaints about beaver damage; 35 Develop a system for documenting all activities associated with beaver (3)36 damage control, so as to facilitate evaluation of the program; 37 (4) Provide educational activities as a part of the program, such as printed 38 materials, on-site instructions, and local workshops; and 39 Provide for the hiring of personnel necessary to implement beaver damage (5) 40 control activities, administer the program, and set salaries of personnel. No later than March 15-December 1 of each year, the Board shall issue a report to the Wildlife 41 42 Resources Commission, the Senate and House Appropriations Subcommittees on Natural and 43 Economic Resources, and the Fiscal Research Division on the results of the program during the 44 preceding year. 45 The Wildlife Resources Commission shall implement the program, and may enter a (c) 46 cooperative agreement with the Wildlife Services Division of the Animal and Plant Health 47 Inspection Service, United States Department of Agriculture, to accomplish the program. 48 Notwithstanding G.S. 113-291.6(d) or any other law, it is lawful to use snares when (d) 49 trapping beaver pursuant to the beaver damage control program developed pursuant to this section. The provisions of Chapter 218 of the 1975 Session Laws; Chapter 492 of the 1951 50 Session Laws, as amended by Chapter 506 of the 1955 Session Laws; and Chapter 1011 of the 51

	General Assembly Of North Carolina Session 2019
	1983 Session Laws do not apply to trapping carried out in implementing the beaver damage
	control program developed pursuant to this section.
	(e) In case of any conflict between G.S. 113-291.6(a) and G.S. 113-291.6(b) and this
	section, this section prevails.
	(f) Each county that <u>volunteers wishes</u> to participate in this program for a given <u>State</u>
	fiscal year shall provide written notification of its wish to participate no later than September 30
	of that year May 1 of the preceding fiscal year and shall commit-remit the sum of four six
	thousand dollars (\$4,000) (\$6,000) in local funds no later than September 30 of that year. July
	<u>31 of the fiscal year for which enrollment is sought.</u> Funds, as appropriated for this program each
	fiscal year of the biennium, shall be paid from funds available to the Wildlife Resources
	Commission to provide the State share necessary to support this program, provided the sum of at
	least twenty-five thousand dollars (\$25,000) in federal funds is available each fiscal year of the
b	biennium to provide the federal share."
	CHANGES TO REGULATION OF CERTAIN REPTILES
	SECTION 10.(a) G.S. 14-417 reads as rewritten:
	"§ 14-417. Regulation of ownership or use of venomous reptiles.
	(a) It shall be unlawful for any person to own, possess, use, transport, or traffic in any venomous reptile that is not housed in a sturdy and secure enclosure. Permanent enclosures
	1 4
	Enclosures shall be designed to be escape-proof, bite-proof, and have an operable lock. Transport containers shall be designed to be escape proof and bite proof.
	(b) Each enclosure shall be clearly and visibly labeled "Venomous Reptile Inside" with
	scientific name, common name, appropriate antivenin, and owner's identifying information noted
	on the container. A written bite protocol that includes emergency contact information, local
	animal control office, the name and location of suitable antivenin, first aid procedures, and
	treatment guidelines, as well as an escape recovery plan must be within sight of permanent
	nousing, and a copy must accompany the transport of any venomous reptile.
	(c) In the event of an escape of a venomous reptile, the owner or possessor of the
۲	venomous reptile shall immediately notify local law enforcement."
	<b>SECTION 10.(b)</b> G.S. 14-417.1 reads as rewritten:
	"§ 14-417.1. Regulation of ownership or use of large constricting snakes.
	(a) As used in this Article, large constricting snakes shall mean: Reticulated Python,
	Python reticulatus; Burmese Python, Python molurus; African Rock Python, Python sebae;
	Amethystine Python, Morelia amethistina; and Green Anaconda, Eunectes murinus; or any of
	their subspecies or hybrids.
	(b) It shall be unlawful for any person to own, possess, use, transport, or traffic in any of
	the large constricting snakes that are not housed in a sturdy and secure enclosure. Permanent
	enclosures Enclosures shall be designed to be escape-proof and shall have an operable lock.
	Transport containers shall be designed to be escape-proof.
	(c) Each enclosure shall be labeled clearly and visibly with the scientific name, common
	name, number of specimens, and owner's identifying information. A written safety protocol and
	escape recovery plan shall be within sight of permanent housing, and a copy shall accompany
	the transport of any of the large constricting snakes. The safety protocol shall include emergency
	contact information, identification of the local animal control office, and first aid procedures.
	(d) In the event of an escape of a large constricting snake, the owner or possessor shall
	immediately notify local law enforcement."
	SECTION 10.(c) G.S. 14-417.2 reads as rewritten:
	"§ 14-417.2. Regulation of ownership or use of crocodilians.
	(a) All crocodilians, excluding the American alligator, shall be regulated under this Article. It shall be unlawful for any person to own possess, use transport or traffic in any
	Article. It shall be unlawful for any person to own, possess, use, transport, or traffic in any crocodilian that is not housed in a sturdy and secure enclosure. Permanent enclosures shall be
	crocodilian that is not housed in a sturdy and secure enclosure. Permanent enclosures shall be

	General Assembly Of North CarolinaSession 2019
l	designed to be escape-proof and have a fence of sufficient strength to prevent contact between
2	an observer and the crocodilian and shall have an operable lock. Transport containers shall be
3	designed to be escape-proof.escape-proof and shall be locked.
1	(b) A written safety protocol and escape recovery plan shall be within sight of permanent
5	housing, and a copy must accompany the transport of any crocodilian.
	(c) In the event of the escape of a crocodilian, the owner or possessor shall immediately
	notify local law enforcement."
	SECTION 10.(d) G.S. 14-419 reads as rewritten:
	"§ 14-419. Investigation of suspected violations; seizure and examination of reptiles;
	disposition of reptiles.
	(a) In any case in which <u>any a</u> law-enforcement officer or animal control officer has
	probable cause to believe that any of the provisions of this Article have been or are about to be violated, it shall be the duty of the officer and the officer is authorized, empeyaged, and directed
	violated, it shall be the duty of the officer and the officer is authorized, empowered, and directed
	<u>authorized and empowered</u> to immediately investigate the violation or impending violation and to consult with representatives of the North Carolina Museum of Natural Sciences or the North
	Carolina Zoological Park or a designated representative of either the Museum or Zoological Park
	the North Carolina Department of Natural and Cultural Resources to identify the species, assist
	with determining interim disposition, and recommend appropriate and safe methods to handle
	and seize the reptile or reptiles involved, to seize the reptile or reptiles involved, and the officer
	is authorized and directed to deliver: (i) a reptile believed to be venomous to the North Carolina
	State Museum of Natural Sciences or to its designated representative for examination for the
	purpose of ascertaining whether the reptile is regulated under this Article; and, (ii) a reptile
	believed to be a large constricting snake or crocodilian to the North Carolina Zoological Park or
	to its designated representative for the purpose of ascertaining whether the reptile is regulated
	under this Article. In any case in which a law enforcement officer or animal control officer
	involved. In the case of escape, or if an officer, with probable cause to believe that reptile is being
	owned, possessed, used, transported, or trafficked in violation of this Article, determines that
	there is an immediate risk to officer safety or public safety, the officer shall not be required to
	consult with representatives of the North Carolina Museum of Natural Sciences or the North
	Carolina Zoological Park as provided by this subsection and may kill the reptile.
	(b) If If, based on available information, the officer, the Museum or Museum, the
	Zoological Park or their designated representatives find a designated representative of the
	Department of Natural and Cultural Resources finds that a seized reptile is a venomous reptile,
	large constricting snake, or crocodilian regulated under this Article, the Museum or the
	Zoological Park or their designated representative a designated representative of the Department
	of Natural and Cultural Resources shall determine assist the officer with determining an interim
	disposition of the reptile in a manner consistent with the safety of the public, until a final
	disposition is determined by a court of competent jurisdiction. In the case of a venomous reptile
	for which antivenin approved by the United States Food and Drug Administration is not readily
	available, the reptile may be euthanized unless the species is protected under the federal
	Endangered Species Act of 1973. Where the Museum or the Zoological Park or their designated
	representative determines euthanasia is determined to be the appropriate interim disposition, or
	where a reptile seized pursuant to this Article dies of natural or unintended causes, the Museum,
	the Zoological Park, or their designated representatives parties involved shall not be liable to the
	reptile's owner.
	(b1) Upon conviction of any offense contained in this Article, the court shall order a final

(b1) Upon conviction of any offense contained in this Article, the court shall order a final disposition of the confiscated venomous reptiles, large constricting snakes, or crocodilians, which may include the transfer of title to the State of North Carolina and <u>shall include</u> reimbursement <u>by the owner</u> for the necessary expenses incurred in the seizure, delivery, and storage thereof.

#### **General Assembly Of North Carolina** Session 2019 1 If the Museum or the Zoological Park or their designated representatives find that the (c) 2 reptile is not a venomous reptile, large constricting snake, or crocodilian regulated under this 3 Article, and either no criminal warrants criminal citations, warrants, or indictments are initiated 4 against the owner in connection with the reptile within 10 days of initial seizure, or a court of 5 law determines that the reptile is not being owned, possessed, used, transported, or trafficked in 6 violation of this Article, then it shall be the duty of the law enforcement officer to return the 7 reptile or reptiles to the person from whom they were seized within 15 days.days of the seizure." 8 **SECTION 10.(e)** G.S. 14-420 is repealed. 9 10 **DEFINE BAITED AREA FOR PURPOSES OF WILD TURKEY HUNTING** 11 SECTION 11. G.S. 113-291.1 reads as rewritten: "§ 113-291.1. Manner of taking wild animals and wild birds. 12 13 . . . 14 (b) No wild animals or wild birds may be taken: 15 (2) With the use or aid of any artificial light, net, trap, snare, electronic or recorded 16 17 animal or bird call, or fire, except as may be otherwise provided by statute[;] provided, however, that the Wildlife Resources Commission may adopt rules 18 19 prescribing seasons and the manner of taking of wild animals and wild birds 20 with the use of artificial light and electronic calls. No wild birds may be taken with the use or aid of salt, grain, fruit, or other bait. No black bear may be 21 taken with the use or aid of any salt, salt lick, grain, fruit, honey, sugar-based 22 23 material, animal parts or products, or other bait, except as provided by the 24 rules of the Wildlife Resources Commission. However, no rule established by 25 the Wildlife Resources Commission shall allow for the taking of a black bear 26 with the use and aid of bear bait attractants, including scented sprays, aerosols, 27 scent balls, and scent powders, and no rule established by the Wildlife 28 Resources Commission shall allow for the taking of a black bear while it is 29 consuming bait. No wild turkey may knowingly be taken from an area within 30 <u>300 yards of any place</u> in which bait has been placed until the expiration of 10 days after the bait has been consumed or otherwise removed. The taking of 31 32 wild animals and wild birds with poisons, drugs, explosives, and electricity is 33 governed by G.S. 113-261, G.S. 113-262, and Article 22A of this Subchapter. 34 Upon finding that the placement of processed food products in areas 35 frequented by black bears is detrimental to the health of individual black bears 36 or is attracting and holding black bears in an area to the extent that the natural 37 pattern of movement and distribution of black bears is disrupted and bears' 38 vulnerability to mortality factors, including hunting, is increased to a level that 39 causes concern for the population, the Wildlife Resources Commission may 40 adopt rules to regulate, restrict, or prohibit the placement of those products and prescribe time limits during which hunting is prohibited in areas where 41 42 those products have been placed. 43 Any person who is convicted of unlawfully taking bear with the use or aid 44 of any type of bait as provided by this subsection or by rules adopted pursuant 45 to this subsection is punishable as provided by G.S. 113-294(c1). 46 ...." 47 48 **EFFECTIVE DATE** 49 **SECTION 12.** Sections 1 through 6 of this act become effective August 1, 2019.
