Amends Title [NO]
Second Edition

Date _____, 2019

Senator Smith

1 moves to amend the bill on page 1, lines 8-10, by rewriting those lines to read:

2
3 "(a) When practicable, local boards of education shall offer advanced learning
4 opportunities in mathematics in grades three through five, and advanced courses in mathematics
5 in all grades ~~three-six~~ and higher. For the purposes of this section, advanced learning
6 opportunities are those services and curricular modifications in mathematics for academically or
7 intellectually gifted students approved as part of the local plan, as required by G.S. 115C-150.7.

8 (a1) When advanced learning opportunities are offered in mathematics in grades three
9 through five, any student scoring at the highest level on the end-of-grade test shall, for the next
10 school year, be provided advanced learning opportunities in mathematics approved for that
11 student's grade level. No student who qualifies under this subsection shall be removed from the
12 advanced learning opportunity provided to the student unless a parent or guardian of the student
13 provides written consent for the student to be excluded or removed after being adequately
14 informed that the student's placement was determined by the student's achievement on the
15 previous end-of-grade test.

16 (b) When advanced courses are offered in ~~mathematics,~~ mathematics in grades six and
17 higher, any student scoring a level five";

18
19 and on page 1, line 23, by replacing the word "October" with the word "December".
