1 A BILL TO BE ENTITLED  
2 AN ACT TO MAKE VARIOUS CHANGES TO THE LAWS AFFECTING  
3 MUNICIPALITIES.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** G.S. 105-373 is amended by adding a new subsection to read:

6 "(i) Relief from Collecting Unpaid Taxes After 10 Years. – The governing body of any  
7 taxing unit may, in its discretion, relieve the tax collector of the charge of taxes owed that are 10  
8 or more years past due when it appears to the governing body that such taxes are uncollectible."

9 **SECTION 2.(a)** G.S. 105-472(b) reads as rewritten:

10 "(b) **Distribution Between Counties and Cities.** – The Secretary shall divide the amount  
11 allocated to each taxing county among the county and its municipalities in accordance with the  
12 method determined by the county. The board of county commissioners shall, by resolution,  
13 choose one of the following methods of distribution:

14 (1) **Per Capita Method.** – The net proceeds of the tax collected in a taxing county  
15 shall be distributed to that county and to the municipalities in the county on a  
16 per capita basis according to the total population of the taxing county, plus the  
17 total population of the municipalities in the county. In the case of a  
18 municipality located in more than one county, only that part of its population  
19 living in the taxing county is considered its "total population". In order to  
20 make the distribution, the Secretary shall determine a per capita figure by  
21 dividing the amount allocated to each taxing county by the total population of  
22 that county plus the total population of all municipalities in the county. The  
23 Secretary shall then multiply this per capita figure by the population of the  
24 taxing county and by the population of each municipality in the county; each  
25 respective product shall be the amount to be distributed to the county and to  
26 each municipality in the county. To determine the population of each county  
27 and each municipality, the Secretary shall use the most recent annual estimate  
28 of population certified by the State Budget Officer.

29 (2) **Ad Valorem Method.** – The net proceeds of the tax collected in a taxing county  
30 shall be distributed to that county and the municipalities in the county in  
31 proportion to the total amount of ad valorem taxes levied by each on property  
32 having a tax situs in the taxing county during the fiscal year next preceding  
33 the distribution. For purposes of this section, the amount of the ad valorem  
34 taxes levied by a county or municipality includes ad valorem taxes levied by  
35 the county or municipality in behalf of a taxing district and collected by the

1 county or municipality. In addition, the amount of taxes levied by a county  
2 includes ad valorem taxes levied by a merged school administrative unit  
3 described in G.S. 115C-513 in the part of the unit located in the county. In  
4 computing the amount of tax proceeds to be distributed to each county and  
5 municipality, the amount of any ad valorem taxes levied but not substantially  
6 collected shall be ignored. Each county and municipality receiving a  
7 distribution of the proceeds of the tax levied under this Article shall in turn  
8 immediately share the proceeds with each district in behalf of which the  
9 county or municipality levied ad valorem taxes in the proportion that the  
10 district levy bears to the total levy of the county or municipality. Any county  
11 or municipality that fails to provide the Department of Revenue with  
12 information concerning ad valorem taxes levied by it adequate to permit a  
13 timely determination of its appropriate share of tax proceeds collected under  
14 this Article may be excluded by the Secretary from each monthly distribution  
15 with respect to which the information was not provided in a timely manner,  
16 and those tax proceeds shall then be distributed only to the remaining counties  
17 or municipalities, as appropriate. For the purpose of computing the  
18 distribution of the tax under this subsection to any county and the  
19 municipalities located in the county for any month with respect to which the  
20 property valuation of a public service company is the subject of an appeal and  
21 the Department of Revenue is restrained by law from certifying the valuation  
22 to the county and the municipalities in the county, the Department shall use  
23 the last property valuation of the public service company that has been  
24 certified.

25 The board of county commissioners in each taxing county shall, by ~~resolution adopted during~~  
26 ~~the month of April of each year, resolution,~~ determine which of the two foregoing methods of  
27 distribution shall be in effect in the county during the next succeeding fiscal year. In order for  
28 the resolution to be effective, a certified copy of it must be delivered to the Secretary in Raleigh  
29 within 15 calendar days after its adoption. If the board fails to adopt a resolution choosing a  
30 method of distribution not then in effect in the county, or if a certified copy of the resolution is  
31 not timely delivered to the Secretary, the method of distribution then in effect in the county shall  
32 continue in effect for the following fiscal year. Provided, if a board of county commissioners  
33 changes the method of distribution from the prior fiscal year, such change from the prior fiscal  
34 year shall not become effective unless written notice is provided to the affected municipalities  
35 before February 15 in the year of such change and copies of such written notice are submitted to  
36 the Secretary. The method of distribution in effect on the first of July of each fiscal year shall  
37 apply to every distribution made during that fiscal year."

38 **SECTION 2.(b)** This section is effective when it becomes law and applies to  
39 resolutions determining the method of distribution adopted on or after that date.

40 **SECTION 3.** G.S. 75-41(e) reads as rewritten:

41 "(e) A violation of this section renders the automatic renewal clause void and  
42 unenforceable. Nothing in this section creates liability for any public officer or employee of a  
43 political subdivision of the State for disbursement of public funds pursuant to a contract rendered  
44 void under this subsection."

45 **SECTION 4.(a)** G.S. 143B-135.56(b)(2) reads as rewritten:

46 "(2) Thirty percent (30%) to provide matching funds to local governmental units  
47 or public authorities as defined in G.S. 159-7 on a dollar-for-dollar basis for  
48 local park and recreation ~~purposes.~~ purposes, to local governmental units  
49 identified as a tier one area as defined in G.S. 143B-437.08, or to a local  
50 governmental unit located within a tier one area as defined in  
51 G.S. 143B-437.08. The appraised value of land that is donated to a local

1 government unit or public authority may be applied to the matching  
2 requirement of this subdivision. These funds shall be allocated by the North  
3 Carolina Parks and Recreation Authority based on criteria patterned after the  
4 Open Project Selection Process established for the Land and Water  
5 Conservation Fund administered by the National Park Service of the United  
6 States Department of the Interior."

7 **SECTION 4.(b)** This section becomes effective July 1, 2019, and applies to  
8 allocations on or after that date.
