14 provider offering an exclusive provider benefit plan is terminated by the provider or by the
15 insurer, or benefits or coverage provided by the insurer are terminated because of a change in the
16 terms of provider participation in an insurer's exclusive provider benefit plan and (ii) an insured
17 is undergoing treatment from the provider for an ongoing special condition on the date of
18 termination, then the following shall apply:

19 (1) Upon termination of the contract by the insurer or upon receipt by the insurer
20 of written notification of termination by the provider, the insurer shall notify
21 the insured on a timely basis of the termination and of the insured's right to

34 enrollment, an insurer shall notify the newly covered insured of the right to elect continuation of
35 coverage of treatment by a provider that is not contracted with the exclusive provider benefit plan
36 and, subject to subsection (h) of this section, the insurer shall permit the newly covered insured
37 to elect to continue to be covered with respect to the treatment by the provider of the ongoing
38 special condition during a transitional period, as provided under this section.

40 length of a transitional period provided under this subsection shall be determined by the treating
41 health care provider, so long as it does not exceed 90 days after the date of the notice to the

43 described in subsection (c) of this section.

44 (e) Transitional Period: Scheduled Surgery, Organ Transplantation, or Inpatient Care. –

46 individual was on an established waiting list for surgery, organ transplantation, or other inpatient
47 care, before the date of the notice required under subdivision (b)(1) of this section or the date of

49 subsection with respect to the surgery, transplantation, or other inpatient care shall extend
50 through the date of discharge of the individual after completion of the surgery, transplantation,

1 or other inpatient care, and through post-discharge follow-up care related to the surgery,
2 transplantation, or other inpatient care occurring within 90 days after the date of discharge.

3 (f) Transitional Period: Pregnancy. – If an individual has entered the second trimester of
4 pregnancy on or before the date of the notice required under subdivision (b)(1) of this section or
5 the date of enrollment in a new plan described in subsection (c) of this section, and the provider
6 was treating the pregnancy before the date of the notice, or the date of enrollment in the plan,
7 then the transitional period with respect to the provider's treatment of the pregnancy shall extend
8 through the provision of 60 days of postpartum care.

9 (g) Transitional Period: Terminal Illness. – If an individual was determined to be
10 terminally ill at the time of a provider's termination of participation under subsection (b) of this
11 section or at the time of enrollment in the plan under subsection (c) of this section, and the
12 provider was treating the terminal illness before the date of the termination or enrollment in the
13 plan, then the transitional period shall extend for the remainder of the individual's life with respect
14 to care directly related to the treatment of the terminal illness or its medical manifestations.

15 (h) Permissible Terms and Conditions. – An insurer may condition coverage of continued
16 treatment by a provider under subsection (b) or (c) of this section upon the following terms and
17 conditions:

18 (1) When care is provided pursuant to subsection (b) of this section, the provider
19 agrees to accept reimbursement from the insurer and, with respect to
20 cost-sharing, from the insured involved at the rates applicable before the start
21 of the transitional period as payment in full.

22 (2) When care is provided pursuant to subsection (c) of this section, the provider
23 agrees to accept the prevailing rate based on contracts the insurer has with the
24 same or similar providers in the same or similar geographic area, plus the
25 applicable copayment from the newly covered insured, as reimbursement in
26 full from the insurer and the insured for all covered services.

27 (3) The provider agrees to comply with the quality assurance programs of the
28 insurer responsible for payment under this subsection and to provide to the
29 insurer necessary medical information related to the care provided. The
30 insurer's quality assurance programs shall not override the professional or
31 ethical responsibility of the provider or interfere with the provider's ability to
32 provide information or assistance to the insured.

33 (4) The provider agrees to adhere to the insurer's established policies and
34 procedures for participating providers, including procedures regarding
35 referrals and obtaining prior authorization, providing services pursuant to a
36 treatment plan approved by the insurer, and member hold harmless provisions.

37 (5) The receipt of notification from the insured within 45 days of the date of the
38 notice described in subdivision (b)(1) of this section or the new enrollment
39 described in subsection (c) of this section, that the insured elects to continue
40 receiving treatment by the provider.

41 (6) The provider agrees to discontinue providing services at the end of the
42 transition period and to assist the insured in an orderly transition to a network
43 provider. Nothing in this section shall prohibit the insured from continuing to
44 receive services from the provider at the insured's expense.

45 (i) Construction. – Nothing in this section shall do any of the following:

46 (1) Require the coverage of benefits that would not have been covered if the
47 provider involved remained a participating provider or, in the case of a newly
48 covered insured, require the coverage of benefits not provided under the
49 policy in which the newly covered insured is enrolled.

50 (2) Require an insurer to offer a transitional period when the insurer terminates a
51 provider's contract for reasons relating to quality of care or fraud. Refusal by

1 an insurer to offer a transitional period under these circumstances is not
2 subject to the grievance review provisions of G.S. 58-50-62.

3 (3) Prohibit an insurer from extending any transitional period beyond that
4 specified in this section.

5 (4) Prohibit an insurer from terminating the continuing services of a provider
6 when the insurer has determined that the provider's continued provision of
7 services may result in, or is resulting in, a serious danger to the health or safety
8 of the insured. A termination for these reasons shall be in accordance with the
9 contract provisions that the provider would otherwise be subject to if the
10 provider's contract were still in effect.

11 (j) Disclosure of Right to Transitional Period. – Each insurer shall include a clear
12 description of an insured's rights under this section in its evidence of coverage and summary plan
13 description."
