S553-ABD-17 [v.4]

(b) Licensing by Reciprocity. – Any individual holding a current license for the practice of architecture from another state or territory, and holding a certificate of qualification certified record issued by the National Council of Architectural Registration Boards, NCARB, may upon application and within the discretion of the Board be licensed without written examination. The Board may, in its discretion, waive the requirement for National Council of Architectural Registration Boards (NCARB) registration certified record if the qualifications, examination and licensing requirements of the state in which the applicant is licensed are substantially equivalent to those of this State and the applicant otherwise meets the requirements of this Chapter."

SECTION 27.5(d) G.S 83A-11 reads as rewritten:

Certificates must be renewed on or before the first day of July in each year. No less than 30 days prior to the renewal date, a renewal application shall be mailed transmitted to each individual and corporate licensee. The completed application together with the required renewal fee shall be returned to the Board on or before the renewal date. When the Board is satisfied as to the continuing competency of an architect, it shall issue a renewal of the certificate. Upon failure to renew within 30 days after the date set for expiration, the license shall be automatically revoked but such license may be renewed at any time within one year following the expiration date upon proof of continuing competency and payment of the renewal fee plus a late renewal fee. After one year from the date of revocation, reinstatement may be made by the Board, or in its discretion, the application may be treated as new subject to reexamination and qualification requirements as in the case of new applications.".
