7 TO UPDATE DEFINITIONS AND CROSS REFERENCES.

8 The General Assembly of North Carolina enacts:

9
10 **REMOVE REFERENCES TO RECREATIONAL VEHICLES IN ARTICLE 12 OF**
11 **CHAPTER 20 OF THE GENERAL STATUTES**

12 **SECTION 1.(a)** G.S. 20-286(10) reads as rewritten:

13 "(10) Motor vehicle. – Any motor propelled vehicle, trailer or semitrailer, required
14 to be registered under the laws of this State. This term does not include
15 mopeds, as that term is defined in G.S. 20-4.01. This term does not include
16 recreational vehicles, as defined in Article 19 of this Chapter.

17"

18 **SECTION 1.(b)** G.S. 20-292 reads as rewritten:

19 **"§ 20-292. Dealers may display motor vehicles for sale at retail only at established**
20 **salesrooms.**

21 A new or used motor vehicle dealer may display a motor vehicle for sale at retail only at the
22 dealer's established salesroom, unless the display is of a motor vehicle that meets any of the
23 following descriptions:

- 24 (1) Contains the dealer's name or other sales information and is used by the dealer
25 as a "demonstrator" for transportation purposes.
26 (2) Is displayed at a trade show or exhibit at which no selling activities relating to
27 the vehicle take place.

29 the customer.

1 the manufacturer has satisfied the notice requirements of sub-subdivision c.
2 of this subdivision and the Commissioner has determined, if requested in
3 writing by the dealer within (i) the time period specified in
4 G.S. 20-305(6)c.1.II., III., or IV., as applicable, or (ii) the effective date of the
5 franchise termination specified or proposed by the manufacturer in the notice
6 of termination, whichever period of time is longer, and after a hearing on the
7 matter, that there is good cause for the termination, cancellation, or
8 nonrenewal of the franchise and that the manufacturer has acted in good faith
9 as defined in this act regarding the termination, cancellation or nonrenewal.
10 When such a petition is made to the Commissioner by a dealer for
11 determination as to the existence of good cause and good faith for the
12 termination, cancellation or nonrenewal of a franchise, the Commissioner
13 shall promptly inform the manufacturer that a timely petition has been filed,
14 and the franchise in question shall continue in effect pending the
15 Commissioner's decision. The Commissioner shall try to conduct the hearing
16 and render a final determination within 180 days after a petition has been filed.
17 If the termination, cancellation or nonrenewal is pursuant to
18 G.S. 20-305(6)c.1.III. then the Commissioner shall give the proceeding
19 priority consideration and shall try to render his final determination no later
20 than 90 days after the petition has been filed. Any parties to a hearing by the
21 Commissioner under this section shall have a right of review of the decision
22 in a court of competent jurisdiction pursuant to Chapter 150B of the General
23 Statutes. Any determination of the Commissioner under this section finding
24 that good cause exists for the nonrenewal, cancellation, or termination of any
25 franchise shall automatically be stayed during any period that the affected
26 dealer shall have the right to judicial review or appeal of the determination
27 before the superior court or any other appellate court and during the pendency
28 of any appeal; provided, however, that within 30 days of entry of the
29 Commissioner's order, the affected dealer provide such security as the
30 reviewing court, in its discretion, may deem appropriate for payment of such
31 costs and damages as may be incurred or sustained by the manufacturer by
32 reason of and during the pendency of the stay. Although the right of the
33 affected dealer to such stay is automatic, the procedure for providing such
34 security and for the award of damages, if any, to the manufacturer upon
35 dissolution of the stay shall be in accordance with G.S. 1A-1, Rule 65(d) and
36 (e). No such security provided by or on behalf of any affected dealer shall be
37 forfeited or damages awarded against a dealer who obtains a stay under this
38 subdivision in the event the ownership of the affected dealership is
39 subsequently transferred, sold, or assigned to a third party in accordance with
40 this subdivision or subdivision (4) of this section and the closing on such
41 transfer, sale, or assignment occurs no later than 180 days after the date of
42 entry of the Commissioner's order. Furthermore, unless and until the
43 termination, cancellation, or nonrenewal of a dealer's franchise shall finally
44 become effective, in light of any stay or any order of the Commissioner
45 determining that good cause exists for the termination, cancellation, or
46 nonrenewal of a dealer's franchise as provided in this subdivision, a dealer
47 who receives a notice of termination, cancellation, or nonrenewal from a
48 manufacturer as provided in this subdivision shall continue to have the same
49 rights to assign, sell, or transfer the franchise to a third party under the
50 franchise and as permitted under G.S. 20-305(4) as if notice of the termination
51 had not been given by the manufacturer. Any franchise under notice or threat

of termination, cancellation, or nonrenewal by the manufacturer which is duly transferred in accordance with G.S. 20-305(4) shall not be subject to termination by reason of failure of performance or breaches of the franchise on the part of the transferor.

...

d. Payments.

1. Notwithstanding the terms of any franchise, agreement, or waiver, upon the termination, nonrenewal or cancellation of any franchise by the manufacturer or distributor, the cessation of business or the termination, nonrenewal, or cancellation of any franchise by any new motor vehicle dealer located in this State, or upon any of the occurrences set forth in G.S. 20-305(6)c.1.IV., the manufacturer or distributor shall purchase from and compensate the new motor vehicle dealer for all of the following:

I. Each new and unsold motor vehicle within the new motor vehicle dealer's inventory that has been acquired within 24 months of the effective date of the termination from the manufacturer or distributor or another same line-make dealer in the ordinary course of business, and which has not been substantially altered or damaged to the prejudice of the manufacturer or distributor while in the new motor vehicle dealer's possession, and which has been driven less than 1,000 miles ~~or, for purposes of a recreational vehicle motor home as defined in G.S. 20-4.01(32b)c., less than 1,500 miles following the original date of delivery to the dealer,~~ and for which no certificate of title has been issued. For purposes of this sub-subdivision, the term "ordinary course of business" shall include inventory transfers of all new, same line-make vehicles between affiliated dealerships, or otherwise between dealerships having common or interrelated ownership, provided that the transfer is not intended solely for the purpose of benefiting from the termination assistance described in this sub-subdivision.

...

f. The provisions of sub-subdivision e. above shall not be applicable when the termination, nonrenewal, or cancellation of the franchise agreement by a new motor vehicle dealer is the result of the sale of assets or stock of the motor vehicle dealership. ~~The provisions of sub subdivisions d. and e. above shall not be applicable when the termination, nonrenewal, or cancellation of the franchise agreement is at the initiation of a new motor vehicle dealer of recreational vehicle motor homes, as defined in G.S. 20-4.01(32b)c., provided that at the time of the termination, nonrenewal, or cancellation, the recreational vehicle manufacturer or distributor has paid to the dealer all claims for warranty or recall work, including payments for labor, parts, and other expenses, which were submitted by the dealer 30 days or more prior to the date of termination, nonrenewal, or cancellation.~~

...."

1 **SECTION 1.(d)** G.S. 20-305.1 reads as rewritten:

2 "**§ 20-305.1. Automobile dealer warranty and recall obligations.**

3 ...

4 (b) Notwithstanding the terms of any franchise agreement, it is unlawful for any motor
5 vehicle manufacturer, factory branch, distributor, or distributor branch to fail to perform any of
6 its warranty or recall obligations with respect to a motor vehicle, to fail to fully compensate its
7 motor vehicle dealers licensed in this State for a qualifying used motor vehicle pursuant to
8 subsections (i) and (j) of this section or warranty and recall parts ~~other than parts used to repair~~
9 ~~the living facilities of recreational vehicles, including motor homes, travel trailers, fifth wheel~~
10 ~~trailers, camping trailers, and truck campers as defined in G.S. 20-4.01(32b),~~ at the prevailing
11 retail rate according to the factors in subsection (a) of this section, or, in service in accordance
12 with the schedule of compensation provided the dealer pursuant to subsection (a) of this section,
13 or to otherwise recover all or any portion of its costs for compensating its motor vehicle dealers
14 licensed in this State for warranty or recall parts and service or for payments for a qualifying
15 used motor vehicle pursuant to subsections (i) and (j) of this section either by reduction in the
16 amount due to the dealer, or by separate charge, surcharge, or other imposition, and to fail to
17 indemnify and hold harmless its franchised dealers licensed in this State against any judgment
18 for damages or settlements agreed to by the manufacturer, including, but not limited to, court
19 costs and reasonable attorneys' fees of the motor vehicle dealer, arising out of complaints, claims
20 or lawsuits including, but not limited to, strict liability, negligence, misrepresentation, express or
21 implied warranty, or rescission or revocation of acceptance of the sale of a motor vehicle as defined
22 in G.S. 25-2-608, to the extent that the judgment or settlement relates to the alleged defective
23 negligent manufacture, assembly or design of new motor vehicles, parts or accessories or other
24 functions by the manufacturer, factory branch, distributor or distributor branch, beyond the
25 control of the dealer. Any audit for warranty or recall parts or service compensation, or
26 compensation for a qualifying used motor vehicle in accordance with subsections (i) and (j) of
27 this section shall only be for the 12-month period immediately following the date of the payment
28 of the claim by the manufacturer, factory branch, distributor, or distributor branch. Any audit for
29 sales incentives, service incentives, rebates, or other forms of incentive compensation shall only
30 be for the 12-month period immediately following the date of the payment of the claim by the
31 manufacturer, factory branch, distributor, or distributor branch pursuant to a sales incentives
32 program, service incentives program, rebate program, or other form of incentive compensation
33 program. Provided, however, these limitations shall not be effective in the case of fraudulent
34 claims.

35 ...

36 (j) Definitions – The following definitions apply in this section:

37 ...

38 Nothing in this subsection shall be construed as excluding from the definition of a qualifying
39 used motor vehicle a motor vehicle on which a previously issued notice of recall or a stop-sale
40 or do-not-drive order remains in effect as of the effective date of this subsection, or a motor
41 vehicle that becomes subject to a notice of recall or a stop-sale or do-not drive order on or after
42 the effective date of this subsection, provided that the motor vehicle otherwise meets the criteria
43 for a qualifying used motor vehicle. ~~Subsections (i) and (j) of this section shall not be applicable~~
44 ~~to any manufacturer, factory branch, distributor, or distributor branch that manufactures or~~
45 ~~distributes recreational vehicles.~~

46 "

47 **SECTION 1.(e)** G.S. 20-305.2(a)(7) is repealed.

48 **SECTION 1.(f)** G.S. 20-305.2(b) reads as rewritten:

49 "(b) Subsection (a) of this section does not apply to manufacturers or distributors of trailers
50 or ~~semitrailers that are not recreational vehicles as defined in G.S. 20-4.01~~ semitrailers."

51 **SECTION 1.(g)** G.S. 20-305.5 reads as rewritten:

1 ~~"§ 20-305.5. Recreational vehicle manufacturer warranty recall obligations.~~Certain
2 provisions not applicable to dealers in mobile or manufactured type housing.

3 (a) ~~It is unlawful for any manufacturer, factory branch, distributor, or distributor branch~~
4 ~~that manufactures or distributes recreational vehicles to fail to fully compensate its dealers~~
5 ~~located in this State in accordance with this section for warranty or recall work performed by the~~
6 ~~dealers related to the living facilities of the vehicle, including all labor and parts used to repair~~
7 ~~such living facilities and any equipment, plumbing, appliances, and other options included by the~~
8 ~~manufacturer, factory branch, distributor, or distributor branch in the purchase price paid by the~~
9 ~~dealer for the vehicle. For purposes of this section, the term "recreational vehicle" includes motor~~
10 ~~homes, travel trailers, fifth wheel trailers, camping trailers, and truck campers as defined by~~
11 ~~G.S. 20-4.01(32b). With respect to those portions of the living facilities of recreational vehicles~~
12 ~~and any equipment, plumbing, appliances, and other options that are part of such living facilities~~
13 ~~and that are included by the recreational vehicle manufacturer, factory branch, distributor, or~~
14 ~~distributor branch in the purchase price paid by the dealer for the vehicle, the term "warrantor"~~
15 ~~shall mean any manufacturer or distributor of such living facilities or any equipment, plumbing,~~
16 ~~appliances, and other options that are part of such living facilities that offers a warranty in writing~~
17 ~~to either the recreational vehicle dealer or to the ultimate purchaser of the recreational vehicle.~~
18 ~~The term "warrantor" does not include a person that provides a service contract, mechanical or~~
19 ~~other insurance, or an extended warranty sold for separate consideration by a dealer or other~~
20 ~~person not controlled by a warrantor. Notwithstanding the terms or conditions of any contract or~~
21 ~~agreement, it is unlawful for any recreational vehicle manufacturer, factory branch, distributor,~~
22 ~~or distributor branch to fail to fully and timely compensate any of its franchised recreational~~
23 ~~vehicle dealers located in this State in accordance with this section for all parts and labor used~~
24 ~~by such franchised dealers in making warranty or recall repairs to such living facilities of~~
25 ~~recreational vehicles, including any equipment, plumbing, appliances, and other options included~~
26 ~~by the recreational vehicle manufacturer, factory branch, distributor, or distributor branch in the~~
27 ~~purchase price paid by the dealer for the vehicle, to the extent that the individual components of~~
28 ~~such living facilities are not separately warranted by the manufacturers or distributors of such~~
29 ~~components. Notwithstanding the terms or conditions of any warranty, contract, or agreement, it~~
30 ~~is unlawful for any warrantor, as defined in this subdivision, to fail to fully and timely compensate~~
31 ~~any franchised recreational vehicle dealer located in this State in accordance with this section for~~
32 ~~all parts and labor used by such franchised recreational vehicle dealer in making warranty or~~
33 ~~recall repairs to any component parts of the living facilities of recreational vehicles manufactured~~
34 ~~or distributed by such warrantor, including any equipment, plumbing, appliances, and other~~
35 ~~options included by a recreational vehicle manufacturer, factory branch, distributor, or distributor~~
36 ~~branch in the purchase price paid by the dealer for the vehicle.~~

37 (b) ~~Each warrantor as defined in this subdivision and each recreational vehicle~~
38 ~~manufacturer, factory branch, distributor, and distributor branch that sells or distributes~~
39 ~~recreational vehicles in this State shall specify in writing to each recreational vehicle dealer~~
40 ~~licensed in this State who sells products manufactured or distributed by such warrantor or such~~
41 ~~recreational vehicle manufacturer, factory branch, distributor, or distributor branch, the~~
42 ~~recreational vehicle dealer's obligations for preparation, delivery, and warranty and recall service~~
43 ~~on its products, the schedule of compensation to be paid such dealers for parts, work, and service~~
44 ~~in connection with warranty or recall service, and the time allowances for the performance of~~
45 ~~such work and service. In no event shall such schedule of compensation fail to include reasonable~~
46 ~~compensation for diagnostic work and associated administrative requirements as well as repair~~
47 ~~service, labor, and transportation provided by the dealer to transport a recreational vehicle to and~~
48 ~~from a location at which the repairs can be made. Provided, however, that with respect to~~
49 ~~reimbursement for a recreational vehicle dealer's transportation expenses, the dealer is required~~
50 ~~to obtain the prior written authorization of the affected warrantor before incurring any~~
51 ~~transportation expenses, which authorization shall not be unreasonably denied by the warrantor,~~

1 and provided further that any such request for transportation reimbursement must be denied by
2 the warrantor within 5 business days of the warrantor's receipt of the dealer's request for
3 reimbursement or the request shall be deemed authorized and allowed. Time allowances for the
4 performance of warranty work and service shall be reasonable and adequate for the work to be
5 performed. The compensation which must be paid under this section must be reasonable;
6 provided, however, that under no circumstances may the reasonable compensation under this
7 section be in an amount less than the recreational vehicle dealer's current retail labor rate for
8 nonwarranty work of like kind, provided such amount is competitive with the retail rates charged
9 for parts and labor by other franchised recreational dealers within the dealer's market.

10 (e) A warrantor may not require a dealer to establish the rate customarily charged by the
11 recreational vehicle dealer for labor by an unduly burdensome or time-consuming method or by
12 requiring information that is unduly burdensome or time-consuming to provide, including, but
13 not limited to, part by part or transaction by transaction calculations.

14 (d) For any part, equipment, plumbing system or device, or appliance or option, a
15 warrantor shall reimburse the dealer the cost of the part, equipment, plumbing system or device,
16 appliance or option, plus a minimum of a thirty percent (30%) handling charge and pay the cost,
17 if any, of freight to return the part, equipment, appliance, or option to the warrantor.

18 (e) If a warrantor furnishes a part or component to a dealer, at reduced or no cost, to use
19 in performing repairs under a warranty or recall repair, the warrantor shall compensate the dealer
20 for the part or component in the same manner as warranty parts compensation under this section,
21 by compensating the dealer on the basis of a thirty percent (30%) handling charge for the part or
22 component as listed in the warrantor's price schedule less the cost for the part or component.

23 (f) Notwithstanding the terms of any warranty, contract, or agreement, all claims made
24 by recreational dealers pursuant to this section for compensation for delivery, preparation,
25 warranty and recall work, and transportation costs, including labor, parts, and other expenses,
26 shall be paid by the affected warrantor within 30 days after receipt of claim from the dealer.
27 When any claim is disapproved, the dealer shall be notified in writing of the grounds for
28 disapproval. Any claim not specifically disapproved in writing within 30 days after receipt shall
29 be considered approved and payment is due immediately. No claim which has been approved
30 and paid may be charged back to the dealer unless it can be shown that the claim was false or
31 fraudulent, that the repairs were not properly made or were unnecessary to correct the defective
32 condition, or the dealer failed to reasonably substantiate the claim either in accordance with the
33 manufacturer's reasonable written procedures or by other reasonable means. A warrantor shall
34 not deny a claim or reduce the amount to be reimbursed to the dealer as long as the dealer has
35 provided reasonably sufficient documentation that the dealer (i) made a good faith attempt to
36 perform the work in compliance with the written policies and procedures of the warrantor and
37 (ii) actually performed the work.

38 Notwithstanding the foregoing, a warrantor shall not fail to fully compensate a dealer for
39 warranty or recall work or make any chargeback to the dealer's account based on the dealer's
40 failure to comply with the warrantor's claim documentation procedure or procedures unless both
41 of the following requirements have been met:

42 (1) The dealer has, within the previous 12 months, failed to comply with the same
43 specific claim documentation procedure or procedures.

44 (2) The warrantor has, within the previous 12 months, provided a written warning
45 to the dealer by certified United States mail, return receipt requested,
46 identifying the specific claim documentation procedure or procedures violated
47 by the dealer.

48 (g) Every recreational vehicle manufacturer, factory branch, distributor, or distributor
49 branch that manufactures or distributes recreational vehicles for sale in this State shall designate
50 at least one of its employees knowledgeable in warranty administration who shall be the
51 designated warranty contact person with whom its franchised dealers licensed in this State can

1 communicate to assist them in filing and getting paid on warranty claims related to all component
2 parts of all recreational vehicles such recreational vehicle manufacturer, factory branch,
3 distributor, or distributor branch sells or distributes in this State. Each recreational vehicle
4 manufacturer, factory branch, distributor, or distributor branch shall promptly notify, in writing,
5 all of its franchised recreational vehicle dealers licensed in this State, the Commissioner, and the
6 North Carolina Automobile Dealers Association, Incorporated, of the identity and contact
7 information of the designated warranty contact person and any changes in this information. A
8 recreational vehicle manufacturer or distributor that represents multiple suppliers or multiple
9 line-makes of vehicles shall be permitted to designate a single individual as the designated
10 warranty contact person for all such suppliers and line-makes of vehicles represented by such
11 recreational vehicle manufacturer or distributor.

12 (h) It shall be unlawful for any warrantor or for any recreational vehicle manufacturer,
13 factory branch, distributor, or distributor branch to recover or attempt to recover all or any portion
14 of its costs for compensating recreational vehicle dealers licensed in this State for warranty or
15 recall parts and service either by reduction in the amount due to the dealer or by separate charge,
16 surcharge, or other imposition.

17 (i) It shall be unlawful for any recreational vehicle manufacturer, factory branch,
18 distributor, or distributor branch to fail to indemnify and hold harmless its franchised dealers
19 licensed in this State against any judgment for damages or settlements agreed to by the
20 manufacturer, including, but not limited to, court costs and reasonable attorneys' fees of the
21 recreational vehicle dealer, arising out of complaints, claims, or lawsuits, including, but not
22 limited to, strict liability, negligence, misrepresentation, express or implied warranty, or
23 rescission or revocation of acceptance of the sale of a vehicle as defined in G.S. 25-2-608, to the
24 extent that the judgment or settlement relates to the alleged defective or negligent manufacture,
25 assembly, or design of new recreational vehicles, parts, or accessories or other functions by the
26 manufacturer, factory branch, distributor, or distributor branch beyond the control of the dealer.
27 It shall be unlawful for any warrantor to fail to indemnify and hold harmless any recreational
28 vehicle dealer located in this State who sold one or more products warranted by such warrantor
29 against any judgment for damages or settlements agreed to by the warrantor, including, but not
30 limited to, court costs and reasonable attorneys' fees of the recreational vehicle dealer, arising
31 out of complaints, claims, or lawsuits, including, but not limited to, strict liability, negligence,
32 misrepresentation, express or implied warranty, or rescission or revocation of acceptance of the
33 sale of a vehicle or vehicle part, component, or accessory, as defined in G.S. 25-2-608, to the
34 extent that the judgment or settlement relates to the alleged defective or negligent manufacture,
35 assembly, or design of a product warranted by the warrantor or other functions of the warrantor
36 beyond the control of the dealer. Any audit for warranty or recall parts or service compensation
37 shall only be for the 12-month period immediately following the date of the payment of the claim
38 by the manufacturer, factory branch, distributor, distributor branch, or warrantor. Any audit for
39 sales incentives, service incentives, rebates, or other forms of incentive compensation shall only
40 be for the 12-month period immediately following the date of the payment of the claim by the
41 manufacturer, factory branch, distributor, distributor branch, or warrantor. Provided, however,
42 these limitations shall not be effective in the case of fraudulent claims.

43 (j) It shall be unlawful for any warrantor or for any recreational vehicle manufacturer,
44 factory branch, distributor, or distributor branch to direct or encourage any owner or purchaser
45 of a recreational vehicle to have warranty or recall service work or other repairs on a recreational
46 vehicle made by a repair facility other than either the franchised dealer that sold the vehicle owner
47 the recreational vehicle or the franchised dealer closest in proximity to such recreational vehicle
48 owner or purchaser, provided that the recreational vehicle dealer who sold the vehicle to the
49 owner or purchaser or who is located in closest proximity to such recreational vehicle owner or
50 purchaser has sufficiently trained personnel and the necessary tools and equipment to make the
51 required repairs to the vehicle, has not expressly stated in writing its desire to have the repairs

1 made elsewhere, and is willing to make the repairs within a reasonable period of time after the
2 necessary parts have been supplied to the dealer.

3 ~~(k) In the event there is a dispute between a recreational vehicle dealer and a warrantor
4 or a recreational vehicle manufacturer, factory branch, distributor, or distributor branch, with
5 relating to any matter referred to in this section, either party may petition the Commissioner in
6 writing, within 30 days after either party has given written notice of the dispute to the other, for
7 a hearing on the subject and the decision of the Commissioner shall be binding on the parties,
8 subject to rights of judicial review and appeal as provided in Chapter 150B of the General
9 Statutes; provided, however, that nothing contained herein shall give the Commissioner any
10 authority as to the content of any warrantor's warranty. Upon the filing of a petition before the
11 Commissioner under this subsection, any chargeback to or any payment required of a recreational
12 vehicle dealer by a warrantor or by a recreational vehicle manufacturer, factory branch,
13 distributor, or distributor branch relating to warranty or recall parts or service compensation, or
14 to sales incentives, service incentives, rebates, other forms of incentive compensation, or the
15 withholding or chargeback of other compensation or support that a dealer would otherwise be
16 eligible to receive, shall be stayed during the pendency of the determination by the
17 Commissioner.~~

18 ~~(l) The provisions of G.S. 20-305(4) through G.S. 20-305(28) and G.S. 20-305.2 to
19 G.S. 20-305.4 shall not apply to manufacturers of or dealers in mobile or manufactured type
20 housing or who sell or distribute only nonmotorized recreational trailers; provided, however, that
21 unless specifically exempted, each of these provisions shall be applicable to all recreational
22 vehicle manufacturers, factory branches, distributors, and distributor branches who sell or
23 distribute any motorized recreational vehicles in this State. trailers. The provisions of
24 G.S. 20-305.1 shall not apply to manufacturers of or dealers in mobile or manufactured type
25 housing.~~

26 ~~(m) To the extent not expressly inconsistent with the provisions of this section, all of the
27 terms and provisions of G.S. 20-305.1 shall be applicable to recreational vehicle dealers and to
28 recreational vehicle manufacturers, factory branches, distributors, and distributor branches under
29 this section. For purposes of this section and Article 12 of Chapter 20 of the General Statutes of
30 North Carolina, the relationship between a recreational vehicle manufacturer or recreational
31 vehicle distributor, on the one part, and a recreational vehicle dealer that is located within this
32 State, on the other part, pursuant to which the recreational vehicle dealer purchases and resells
33 new recreational vehicles from the recreational vehicle manufacturer or recreational vehicle
34 distributor, shall be considered a "franchise", as this term is defined in G.S. 20-286(8a), whether
35 or not the rights and responsibilities of the parties have been delineated in a written agreement or
36 contract."~~

(a) Vehicles. – A dealer must keep a record of all recreational vehicles received by the dealer and all vehicles sold by the dealer. The records must contain the information that the Division requires and be made available for inspection by the Division within a reasonable period of time after being requested by the Division. A dealer may satisfy the record-keeping requirements contained in this subsection either by (i) keeping and maintaining written or paper records at the dealership facility where the recreational vehicles were sold or at another site within this State provided that the location and the name of a designated contact agent are provided to the Division or (ii) maintaining electronic copies of the records required by this subsection, provided that the Division shall have access to these electronic records from a location within this State. For purposes of this section, the location where dealership written or electronic records are kept and maintained may be owned and operated by a party other than the dealer.

(b) Inspection. – The Division may inspect the pertinent books, records, letters, and contracts of a licensee relating to any written complaint made to the Division against the licensee.

(c) Records Format. – Any record required to be kept and maintained under this section may be converted to electronic form and retained by a dealer in electronic form without retention of the original or any copies of the record in paper or other nonelectronic form.

"§ 20-442. Franchise-related form agreements.

(a) All franchise-related form agreements, as defined in this subsection, offered to a recreational vehicle dealer in this State shall provide that all terms and conditions in the agreement inconsistent with any of the laws or rules of this State are of no force and effect. For purposes of this section, the term "franchise-related form agreements" means one or more contracts between a franchised recreational vehicle dealer and a manufacturer, factory branch, distributor, or distributor branch, including a written communication from a manufacturer or distributor in which a duty is imposed on the franchised recreational vehicle dealer under which:

- (1) The franchised recreational vehicle dealer is granted the right to sell and service new recreational vehicles manufactured or distributed by the manufacturer or distributor or only to service recreational vehicles under the contract and a manufacturer's warranty;
- (2) The franchised recreational vehicle dealer is a component of the manufacturer or distributor's distribution system as an independent business;

- 1 (3) The franchised recreational vehicle dealer is substantially associated with the
2 manufacturer or distributor's trademark, trade name, and commercial symbol;
3 (4) The franchised recreational vehicle dealer's business substantially relies on the
4 manufacturer or distributor for a continued supply of recreational vehicles,
5 parts, and accessories; or
6 (5) Any right, duty, or obligation granted or imposed by this Chapter is affected.
7 (b) Notwithstanding the terms of any franchise or agreement, it shall be unlawful for any
8 manufacturer, factory branch, distributor, or distributor branch to offer to a dealer, revise, modify,
9 or replace a franchise-related form agreement, as defined above in this section, which agreement,
10 modification, or replacement may adversely affect or alter the rights, obligations, or liability of
11 a recreational vehicle dealer or may adversely impair the sales, service obligations, investment,
12 or profitability of any recreational vehicle dealer located in this State, unless:
13 (1) The manufacturer, factory branch, distributor, or distributor branch provides
14 prior written notice by registered or certified mail to each affected dealer, the
15 Commissioner, and the North Carolina Automobile Dealers Association, Inc.,
16 of the modification or replacement in the form and within the time frame set
17 forth within this section and in subsection (c) of this section; and
18 (2) If a protest is filed under this section, the Commissioner approves the
19 modification or replacement.
20 (c) The notice required by subdivision (b)(1) of this section shall:
21 (1) Be given not later than the sixtieth day before the effective date of the
22 modification or replacement;
23 (2) Contain on its first page a conspicuous statement that reads: "NOTICE TO
24 DEALER: YOU MAY BE ENTITLED TO FILE A PROTEST WITH THE
25 COMMISSIONER OF THE NORTH CAROLINA DIVISION OF
26 RECREATIONAL VEHICLES AND HAVE A HEARING IN WHICH YOU
27 MAY PROTEST THE PROPOSED INITIAL OFFERING,
28 MODIFICATION, OR REPLACEMENT OF CERTAIN
29 FRANCHISE-RELATED FORM AGREEMENTS UNDER THE TERMS
30 OF THE RECREATIONAL VEHICLE DEALERS AND
31 MANUFACTURERS LICENSING LAW, IF YOU OPPOSE THIS
32 ACTION"; and
33 (3) Contain a separate letter or statement that identifies all substantive
34 modifications or revisions and the principal reasons for each such
35 modification or revision.
36 (d) A franchised dealer may file a protest with the Commissioner of the offering,
37 modification, or replacement pursuant to this section not later than the latter of:
38 (1) The sixtieth day after the date of the receipt of the notice; or
39 (2) The time specified in the notice.
40 (e) After a protest is filed, the Commissioner shall determine whether the manufacturer,
41 factory branch, distributor, or distributor branch has established by a preponderance of the
42 evidence that there is good cause for the proposed offering, modification, or replacement. The
43 prior franchise-related form agreement, if any, continues in effect until the Commissioner
44 resolves the protest.
45 (f) The Commissioner is authorized and directed to investigate and prevent violations of
46 this section, including inconsistencies of any franchise-related form agreement with the
47 provisions of this Article.
48 (g) Nothing contained in this section shall in any way limit a dealer's rights under any
49 other provision of this Article or other applicable law.

50 § 20-443. Insurance.

1 It shall be unlawful for any dealer or salesperson or any employee of any dealer, to coerce or
2 offer anything of value to any purchaser of a recreational vehicle to provide any type of insurance
3 coverage on said recreational vehicle. No dealer, salesperson, or representative of either shall
4 accept any policy as collateral on any vehicle sold by him or her to secure an interest in such
5 vehicle in any company not qualified under the insurance laws of this State: provided, nothing in
6 this Article shall prevent a dealer or his or her representative from requiring adequate insurance
7 coverage on a recreational vehicle which is the subject of an installment sale.

8 **"§ 20-444. Acts of officers, directors, partners, salespeople, and other representatives.**

9 (a) If a licensee is a copartnership or a corporation, it shall be sufficient cause for the
10 denial, suspension, or revocation of a license that any officer, director, or partner of the
11 copartnership or corporation has committed any act or omitted any duty which would be cause
12 for refusing, suspending, or revoking a license to such party as an individual. Each licensee shall
13 be responsible for the acts of any or all of his or her salespeople while acting as an agent.

14 (b) Every licensee who is a manufacturer or a factory branch shall be responsible for the
15 acts of any or all of its agents and representatives while acting in the conduct of said licensee's
16 business whether or not such licensee approved, authorized, or had knowledge of such acts.

17 **"§ 20-445. Appeals from actions of Commissioner.**

18 Appeals from actions of the Commissioner shall be governed by the provisions of Chapter
19 150B of the General Statutes.

20 **"§ 20-446. Powers of Commissioner.**

21 (a) The Commissioner shall promote the interests of the retail buyer of recreational
22 vehicles.

23 (b) The Commissioner shall have power to prevent unfair methods of competition and
24 unfair or deceptive acts or practices and other violations of this Article. Any franchised new
25 recreational vehicle dealer who believes that a manufacturer, factory branch, distributor, or
26 distributor branch with whom the dealer holds a currently valid franchise has violated or is
27 currently violating any provision of this Article may file a petition before the Commissioner
28 setting forth the factual and legal basis for such violations. The Commissioner shall promptly
29 forward a copy of the petition to the named manufacturer, factory branch, distributor, or
30 distributor branch requesting a reply to the petition within 30 days. Allowing for sufficient time
31 for the parties to conduct discovery, the Commissioner or his designee shall then hold an
32 evidentiary hearing and render findings of fact and conclusions of law based on the evidence
33 presented. Any parties to a hearing by the Commissioner concerning the establishment or
34 relocating of a new recreational vehicle dealer shall have a right of review of the decision in a
35 court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.

36 (c) The Commissioner shall have the power in hearings arising under this Article to enter
37 scheduling orders and limit the time and scope of discovery; to determine the date, time, and
38 place where hearings are to be held; to subpoena witnesses; to take depositions of witnesses; and
39 to administer oaths.

40 (d) The Commissioner may, whenever the Commissioner shall believe from evidence
41 submitted that any person has been or is violating any provision of this Article, in addition to any
42 other remedy, bring an action in the name of the State against that person and any other persons
43 concerned or in any way participating in, or about to participate in practices or acts so in violation,
44 to enjoin any persons from continuing the violations.

45 (e) The Commissioner may issue rules and regulations to implement the provisions of
46 this section and to establish procedures related to administrative proceedings commenced under
47 this section.

48 (f) In the event that a dealer, who is permitted or required to file a notice, protest, or
49 petition before the Commissioner within a certain period of time in order to adjudicate, enforce,
50 or protect rights afforded the dealer under this Article, voluntarily elects to appeal a policy,
51 determination, or decision of the manufacturer through an appeals board or internal grievance

1 procedure of the manufacturer, or to participate in or refer the matter to mediation, arbitration, or
2 other alternative dispute resolution procedure or process established or endorsed by the
3 manufacturer, the applicable period of time for the dealer to file the notice, protest, or petition
4 before the Commissioner under this Article shall not commence until the manufacturer's appeal
5 board or internal grievance procedure, mediation, arbitration, or appeals process of the
6 manufacturer has been completed and the dealer has received notice in writing of the final
7 decision or result of the procedure or process. Nothing, however, contained in this subsection
8 shall be deemed to require that any dealer exhaust any internal grievance or other alternative
9 dispute process required or established by the manufacturer before seeking redress from the
10 Commissioner as provided in this Article.

11 (g) Notwithstanding any other statute, regulation, or rule or the existence of a pending
12 legal or administrative proceeding in any other forum, any franchised new recreational vehicle
13 dealer or any manufacturer, factory branch, distributor, or distributor branch may elect to file a
14 petition before the Commissioner for resolution of any dispute that may arise with respect to any
15 of the rights or obligations of the dealer or of the manufacturer, factory branch, distributor, or
16 distributor branch related to a franchise or franchise-related form agreement. The Commissioner
17 shall have the authority to apply principles of law, equity, and good faith in determining such
18 matters. The filing of a petition by a dealer or a manufacturer, factory branch, distributor, or
19 distributor branch pursuant to this section shall not preclude the party filing the petition from
20 pursuing any other form of recourse it may have, either before the Commissioner or in another
21 form, including any damages and injunctive relief. The Commissioner shall have the authority to
22 receive and evaluate the facts in the matter of controversy and render a decision by entering an
23 order which shall thereafter become binding and enforceable with respect to the parties, subject
24 to the right of review of the decision in a court of competent jurisdiction pursuant to Chapter
25 150B of the General Statutes.

26 **"§ 20-447. Notice of additional charges against dealer's account; informal appeals**
27 **procedure.**

28 (a) Notwithstanding the terms of any contract, franchise, novation, or agreement, it shall
29 be unlawful for any manufacturer, factory branch, distributor, or distributor branch to charge or
30 assess one of its franchised recreational vehicle dealers located in this State, or to charge or debit
31 the account of the franchised recreational vehicle dealer for merchandise, tools, or equipment, or
32 other charges or amounts which total more than five thousand dollars (\$5,000), other than the
33 published cost of new recreational vehicles, and merchandise, tools, or equipment specifically
34 ordered by the franchised recreational vehicle dealer, unless the franchised recreational vehicle
35 dealer receives a detailed itemized description of the nature and amount of each charge in writing
36 at least 10 days prior to the date the charge or account debit is to become effective or due. For
37 purposes of this subsection, the prior written notice required pursuant to this subsection includes,
38 but is not limited to, all charges or debits to a dealer's account for advertising or advertising
39 materials; advertising or showroom displays; customer informational materials; computer or
40 communications hardware or software; special tools; equipment; dealership operation guides;
41 Internet programs; and any additional charges or surcharges made or proposed for merchandise,
42 tools, or equipment previously charged to the dealer; and any other charges or amounts which
43 total more than five thousand dollars (\$5,000). If the franchised new recreational vehicle dealer
44 disputes all or any portion of an actual or proposed charge or debit to the dealer's account, the
45 dealer may proceed as provided in G.S. 20-446(b) and G.S. 20-464. Upon the filing of a petition
46 pursuant to G.S. 20-446(b) or a civil action pursuant to G.S. 20-464, the affected manufacturer,
47 factory branch, distributor, or distributor branch shall not require payment from the dealer, or
48 debit or charge the dealer's account, unless and until a final judgment supporting the payment or
49 charge has been rendered by the Commissioner or court.

50 (b) Any franchised new recreational vehicle dealer who seeks to challenge an actual or
51 proposed charge, debit, payment, reimbursement, or credit to the franchised new recreational

1 vehicle dealer or to the franchised new recreational vehicle dealer's account in an amount less
2 than or equal to ten thousand dollars (\$10,000) and that is in violation of this Article or contrary
3 to the terms of the franchise may, prior to filing a formal petition before the Commissioner as
4 provided in G.S. 20-446(b) or a civil action in any court of competent jurisdiction under
5 G.S. 20-464, request and obtain a mediated settlement conference as provided in this subsection.
6 Unless objection to the timeliness of the franchised new recreational vehicle dealer's request for
7 mediation under this subsection is waived in writing by the affected manufacturer, factory
8 branch, distributor, or distributor branch, a franchised new recreational vehicle dealer's request
9 to mediate must be sent to the Commissioner within 75 days after the franchised new recreational
10 vehicle dealer's receipt of written notice from a manufacturer, factory branch, distributor, or
11 distributor branch of the charges, debits, payments, reimbursements, or credits challenged by the
12 franchised new recreational vehicle dealer. If the franchised new recreational vehicle dealer has
13 requested in writing that the manufacturer, factory branch, distributor, or distributor branch
14 review the questioned charges, debits, payments, reimbursements, or credits, a franchised new
15 recreational vehicle dealer's request to mediate must be sent to the Commissioner within 30 days
16 after the franchised new recreational vehicle dealer's receipt of the final written determination on
17 the issue from the manufacturer, factory branch, distributor, or distributor branch.

18 (1) It is the policy and purpose of this subsection to implement a system of
19 settlement events that are designed to reduce the cost of litigation under this
20 Article to the general public and the parties, to focus the parties' attention on
21 settlement rather than on trial preparation, and to provide a structured
22 opportunity for settlement negotiations to take place.

23 (2) The franchised new recreational vehicle dealer shall send a letter to the
24 Commissioner by certified or registered mail, return receipt requested,
25 identifying the actual or proposed charges the franchised new recreational
26 vehicle dealer seeks to challenge and the reason or basis for the challenge. The
27 charges, debits, payments, reimbursements, or credits challenged by the
28 franchised new recreational vehicle dealer need not be related, and multiple
29 issues may be resolved in a single proceeding. The franchised new
30 recreational vehicle dealer shall send a copy of the letter to the affected
31 manufacturer, factory branch, distributor, or distributor branch, addressed to
32 the current district, zone, or regional manager in charge of overseeing the
33 dealer's operations, or the registered agent for acceptance of legal process in
34 this State. Upon the mailing of a letter to the Commissioner and the
35 manufacturer, factory branch, distributor, or distributor branch pursuant to this
36 subsection, any chargeback to or any payment required of a franchised new
37 recreational vehicle dealer by a manufacturer, factory branch, distributor, or
38 distributor branch shall be stayed during the pendency of the mediation. Upon
39 the mailing of a letter to the Commissioner and manufacturer, factory branch,
40 distributor, or distributor branch pursuant to this subsection, any statute of
41 limitation or other time limitation for filing a petition before the
42 Commissioner or civil action shall be tolled during the pendency of the
43 mediation.

44 (3) Upon receipt of the written request of the franchised new recreational vehicle
45 dealer, the Commissioner shall appoint a mediator and send notice of that
46 appointment to the parties. A person is qualified to serve as mediator as
47 provided by this subdivision if the person is certified to serve as a mediator
48 under Rule 8 of the North Carolina Rules Implementing Statewide Mediated
49 Settlement Conferences in Superior Court Civil Actions and does not
50 represent recreational vehicle dealers or manufacturers, factory branches,
51 distributors, or distributor branches. A mediator acting pursuant to this

1 subdivision shall have judicial immunity in the same manner and to the same
2 extent as a judge of the General Court of Justice.

3 (4) The parties shall by written agreement select a venue and schedule for the
4 mediated settlement conference conducted under this subsection. If the parties
5 are unable to agree on a venue and schedule, the mediator shall select a venue
6 and schedule. Except by written agreement of all parties, a mediation
7 proceeding and mediated settlement conference under this subsection shall be
8 held in North Carolina.

9 (5) In this subsection, "mediation" means a nonbinding forum in which an
10 impartial person, the mediator, facilitates communication between parties to
11 promote reconciliation, settlement, or understanding among them. A mediator
12 may not impose his or her own judgment on the issues for that of the parties.

13 (6) At least 10 days prior to the mediated settlement conference, the affected
14 manufacturer, factory branch, distributor, or distributor branch shall, by
15 certified or registered mail, return receipt requested, send the mediator and the
16 franchised new recreational vehicle dealer a detailed response to the
17 allegations raised in the franchised new recreational vehicle dealer's written
18 request. The mediation may be conducted by officers or employees of the
19 parties themselves without the appearance of legal counsel. However, at least
20 10 days prior to the mediated settlement conference, either party may give
21 notice to the other and to the mediator of its intention to appear at the
22 mediation with legal counsel, in which event either party may appear at the
23 mediation with legal counsel.

24 (7) A mediation proceeding conducted pursuant to this subsection shall be
25 complete not later than the sixtieth day after the date of the Commissioner's
26 notice of the appointment of the mediator; this deadline may be extended by
27 written agreement of the parties. The parties shall be solely responsible for the
28 compensation and expenses of the mediator on a 50/50 basis. The
29 Commissioner is not liable for the compensation paid or to be paid a mediator
30 employed pursuant to this subsection.

31 (8) A party may attend a mediated settlement conference telephonically in lieu of
32 personal appearance. If a party or other person required to attend a mediated
33 settlement conference fails to attend without good cause, the Commissioner
34 may impose upon the party or person any appropriate monetary sanction,
35 including the payment of fines, attorneys' fees, mediator fees, expenses, and
36 loss of earnings incurred by persons attending the conference.

37 (9) If the mediation fails to result in a resolution of the dispute, the franchised
38 new recreational vehicle dealer may proceed as provided in G.S. 20-446(b)
39 and G.S. 20-464. Upon the filing of a petition pursuant to G.S. 20-446(b) or a
40 civil action pursuant to G.S. 20-464, the affected manufacturer, factory
41 branch, distributor, or distributor branch shall not require payment from the
42 dealer, or debit or charge the dealer's account, unless and until a final judgment
43 supporting the payment or charge has been rendered by the Commissioner or
44 court. All communications made during a mediation proceeding, including,
45 but not limited to, those communications made during a mediated settlement
46 conference are presumed to be made in compromise negotiation and shall be
47 governed by Rule 408 of the North Carolina Rules of Evidence.

48 **"§ 20-448. Rules and regulations.**

49 The Commissioner may make such rules and regulations, not inconsistent with the provisions
50 of this Article, as the Commissioner shall deem necessary or proper for the effective
51 administration and enforcement of this Article, provided that the Commissioner shall make a

1 copy of such rules and regulations available on a Web site maintained by the Division or the
2 Department of Transportation 30 days prior to the effective date of such rules and regulations.

3 **"§ 20-449. Installment sales to be evidenced by written instrument; statement to be**
4 **delivered to buyer.**

5 (a) Every retail installment sale shall be evidenced by one or more instruments in writing,
6 which shall contain all the agreements of the parties and shall be signed by the buyer.

7 (b) For every retail installment sale, prior to or about the time of the delivery of the
8 recreational vehicle, the seller shall deliver to the buyer a written statement describing clearly the
9 recreational vehicle sold to the buyer, the cash sale price thereof, the cash paid down by the
10 buyer, the amount credited the buyer for any trade-in and a description of the recreational vehicle
11 traded, the amount of the finance charge, the amount of any other charge specifying its purpose,
12 the net balance due from the buyer, the terms of the payment of such net balance, and a summary
13 of any insurance protection to be effected. The written statement shall be signed by the buyer.

14 **"§ 20-450. Coercion of retail dealer by manufacturer or distributor in connection with**
15 **installment sales contract prohibited.**

16 (a) It shall be unlawful for any manufacturer, wholesaler, or distributor, or any officer,
17 agent or representative thereof, to coerce, or attempt to coerce, any retail recreational vehicle
18 dealer or prospective retail recreational vehicle dealer in this State to sell, assign, or transfer any
19 retail installment sales contract, obtained by such dealer in connection with the sale by the dealer
20 in this State of recreational vehicles manufactured or sold by such manufacturer, wholesaler, or
21 distributor, to a specified finance company or class of such companies, or to any other specified
22 persons, by any of the acts or means hereinafter set forth, namely:

23 (1) By any statement, suggestion, promise, or threat that such manufacturer,
24 wholesaler, or distributor will in any manner benefit or injure such dealer,
25 whether such statement, suggestion, threat, or promise is expressed or implied,
26 or made directly or indirectly.

27 (2) By any act that will benefit or injure such dealer.

28 (3) By any contract, or any expressed or implied offer of contract, made directly
29 or indirectly to such dealer, for handling recreational vehicles, on the
30 condition that such dealer sell, assign, or transfer his or her retail installment
31 sales contract thereon, in this State, to a specified finance company or class of
32 such companies, or to any other specified person.

33 (4) By any expressed or implied statement or representation, made directly or
34 indirectly, that such dealer is under any obligation whatsoever to sell, assign,
35 or transfer any of his or her retail sales contracts, in this State, on recreational
36 vehicles manufactured or sold by such manufacturer, wholesaler, or
37 distributor to such finance company, or class of companies, or other specified
38 person, because of any relationship or affiliation between such manufacturer,
39 wholesaler, or distributor and such finance company or companies or such
40 other specified person or persons.

41 (b) Any such statements, threats, promises, acts, contracts, or offers of contracts, when
42 the effect thereof may be to lessen or eliminate competition, or tend to create a monopoly, are
43 declared unfair trade practices and unfair methods of competition and against the public policy
44 of this State, and are unlawful and are hereby prohibited.

45 **"§ 20-451. Manufacturer and dealer agreements; designated territories; alteration of an**
46 **agreement.**

47 (a) A manufacturer or distributor may not sell a recreational vehicle in this State to or
48 through a dealer without having first entered into a manufacturer and dealer agreement with a
49 dealer which has been signed by both parties.

50 (b) The manufacturer shall designate the area of sales responsibility exclusively assigned
51 to a dealer in the manufacturer and dealer agreement and may not change such area or contract

1 with another dealer for sale of the same line-make in the designated area for the duration of the
2 agreement. If, subsequent to entering into a manufacturer and dealer agreement, a dealer enters
3 into an agreement to sell any competing recreational vehicle product, or enters into an agreement
4 to increase its pre-existing commitment to sell any competing recreational vehicle product, a
5 manufacturer may revise the area of sales responsibility designated in the manufacturer and
6 dealer agreement if the market penetration of the manufacturer's product is jeopardized by the
7 dealer's subsequent agreement.

8 (c) The area of sales responsibility may be reviewed or changed with the consent of both
9 parties not less than 12 months after the execution of the manufacturer and dealer agreement.

10 (d) A recreational vehicle dealer may not sell a new recreational vehicle in this State
11 without having first entered into a manufacturer and dealer agreement with a manufacturer or
12 distributor which has been signed by both parties.

13 **"§ 20-452. Termination, cancellation, nonrenewal, and alteration of a manufacturer and**
14 **dealership agreement by a manufacturer.**

15 (a) A manufacturer or distributor, directly or through any authorized officer, agent, or
16 employee, may terminate, cancel, or fail to renew a manufacturer and dealer agreement with or
17 without good cause.

18 (1) If the manufacturer or distributor terminates, cancels, or fails to renew the
19 manufacturer and dealer agreement without good cause, the manufacturer or
20 distributor must comply with G.S. 20-454.

21 (2) If the manufacturer or distributor terminates, cancels, or fails to renew the
22 manufacturer and dealer agreement with good cause, G.S. 20-454 does not
23 apply.

24 (b) The manufacturer or distributor has the burden of showing good cause for
25 terminating, canceling, or failing to renew a manufacturer and dealer agreement with a dealer.
26 For purposes of determining whether there is good cause, any of the following factors may be
27 considered:

28 (1) The extent of the affected dealer's penetration in the area of sales
29 responsibility.

30 (2) The nature and extent of the dealer's investment in its business.

31 (3) The adequacy of the dealer's service facilities, equipment, parts, supplies, and
32 personnel.

33 (4) The effect of the proposed action on the community.

34 (5) The extent and quality of the dealer's service under recreational vehicle
35 warranties.

36 (6) The dealer's failure to follow agreed-upon procedures or standards related to
37 the overall operation of the dealership.

38 (7) The dealer's performance under the terms of its manufacturer and dealer
39 agreement.

40 (c) Except as otherwise provided in this section, a manufacturer or distributor shall
41 provide a dealer with at least 90 days' prior written notice of termination, cancellation, or
42 nonrenewal of the manufacturer and dealer agreement in the event the dealer is being terminated
43 for good cause.

44 (1) The notice must state all reasons for the proposed termination, cancellation,
45 or nonrenewal and must further state that if, within 30 days following receipt
46 of the notice, the dealer provides to the manufacturer or distributor a written
47 notice of intent to cure all claimed deficiencies, the dealer will then have 90
48 days following receipt of the original notice to rectify the deficiencies.

49 (2) If the deficiencies are rectified within 90 days, the manufacturer's or
50 distributor's notice is voided. If the dealer fails to provide the notice of intent
51 to cure the deficiencies in the prescribed time period or fails to cure the

1 deficiencies in the time period provided, the termination, cancellation, or
2 nonrenewal takes effect 30 days after the dealer's receipt of the original notice.
3 If the dealer has new and untitled inventory on hand, it may be sold pursuant
4 to G.S. 20-454.

5 (3) The notice period may be reduced to 30 days if the manufacturer's or
6 distributor's grounds for termination, cancellation, or nonrenewal are due to
7 any of the following good cause factors:

8 a. A dealer or one of its owners being convicted of or entering a plea of
9 nolo contendere to a felony.

10 b. The abandonment or closing of the business operations of the dealer
11 for 10 consecutive business days unless the closing is due to an act of
12 God, strike, labor difficulty, or other cause over which the dealer has
13 no control.

14 c. A significant misrepresentation by the dealer materially affecting the
15 business relationship.

16 d. A suspension or revocation of the dealer's license or refusal to renew
17 the dealer's license by the department.

18 e. A material violation of this Article which is not cured within 30 days
19 after the written notice by the manufacturer.

20 f. A failure by the dealer to notify in writing any manufacturer with
21 whom the dealer has a manufacturer and dealer agreement at least 30
22 days prior to entering into any additional manufacturer and dealer
23 agreement with the manufacturer of a competing line-make of
24 recreational vehicles.

25 (d) The notice provisions of subsection (c) of this section do not apply if the reason for
26 termination, cancellation, or nonrenewal is the dealer's insolvency, the occurrence of an
27 assignment for the benefit of creditors, or bankruptcy.

28 **§ 20-453. Termination, cancellation, nonrenewal, and alteration of a manufacturer and**
29 **dealership agreement by a dealer.**

30 (a) A dealer may terminate or cancel its manufacturer and dealer agreement with a
31 manufacturer or distributor with or without good cause by giving 30 days' written notice.

32 (1) If the termination or cancellation is for good cause, the notice must state all
33 reasons for the proposed termination or cancellation and must further state that
34 if, within 30 days following receipt of the notice, the manufacturer or
35 distributor provides to the dealer a written notice of intent to cure all claimed
36 deficiencies, the manufacturer or distributor will then have 90 days following
37 receipt of the original notice to rectify the deficiencies.

38 (2) If the deficiencies are rectified within 90 days, the dealer's notice is voided. If
39 the manufacturer or distributor fails to provide the notice of intent to cure the
40 deficiencies or fails to cure the deficiencies in the time period prescribed in
41 the original notice, the termination or cancellation shall take effect as provided
42 in the original notice.

43 (b) If the dealer terminates, cancels, or fails to renew the manufacturer and dealer
44 agreement without good cause, the terms of G.S. 20-454 do not apply. If the dealer terminates,
45 cancels, or fails to renew the manufacturer and dealer agreement with good cause, G.S. 20-454
46 does apply. The dealer has the burden of showing good cause. Any of the following items shall
47 be deemed "good cause" for the proposed termination, cancellation, or nonrenewal action by a
48 dealer:

49 (1) A manufacturer being convicted of or entering a plea of nolo contendere to a
50 felony.

- 1 (2) The business operations of the manufacturer have been abandoned or closed
2 for 10 consecutive business days, unless the closing is due to an act of God,
3 strike, labor difficulty, or other cause over which the manufacturer has no
4 control.
- 5 (3) A significant misrepresentation by the manufacturer materially affecting the
6 business relationship.
- 7 (4) A material violation of this Article which is not cured within 30 days after
8 written notice by the dealer.
- 9 (5) A declaration by the manufacturer of bankruptcy, insolvency, or the
10 occurrence of an assignment for the benefit of creditors or bankruptcy.

11 **§ 20-454. Repurchase of inventory.**

12 (a) If the manufacturer and dealer agreement is terminated, canceled, or not renewed by
13 the manufacturer or distributor without good cause under G.S. 20-452(a)(1), or if the dealer
14 terminates or cancels the manufacturer and dealer agreement for good cause under
15 G.S. 20-453(a)(1) and the manufacturer fails to provide notice or cure the claimed deficiencies
16 under G.S. 20-453(a)(2), the manufacturer shall at the dealer's option and within 45 days after
17 termination, cancellation, or nonrenewal, repurchase:

- 18 (1) All new, untitled recreational vehicles that were acquired from the
19 manufacturer or distributor within 12 months before the effective date of the
20 notice of termination, cancellation, or nonrenewal that have not been used,
21 except for demonstration purposes, and that have not been altered or damaged,
22 at one hundred percent (100%) of the net invoice cost, including
23 transportation, less applicable rebates and discounts to the dealer.
- 24 (2) In the event any of the vehicles repurchased are damaged, but do not trigger a
25 consumer disclosure requirement, the amount due the dealer shall be reduced
26 by the cost to repair the vehicle. Damage prior to delivery to the dealer that is
27 disclosed at the time of delivery will not disqualify repurchase under this
28 subsection. All undamaged accessories and proprietary parts sold to the dealer
29 for resale within the 12 months prior to termination, cancellation, or
30 nonrenewal, if accompanied by the original invoice, at one hundred and five
31 percent (105%) of the original net price paid to the manufacturer or distributor
32 to compensate the dealer for handling, packing, and shipping the parts.
- 33 (3) Any properly functioning diagnostic equipment, special tools, current
34 signage, or other equipment and machinery which was purchased by the dealer
35 upon the manufacturer or distributor's request within five years prior to the
36 termination, cancellation, or nonrenewal and which can no longer be used in
37 the normal course of the dealer's ongoing business at one hundred percent
38 (100%) of the dealer's net cost plus freight.

39 (b) Sale of remaining inventory after termination.

- 40 (1) A dealer is not prohibited from selling the remaining in-stock inventory of a
41 particular line-make after a dealer agreement has been terminated or not
42 renewed under G.S. 20-452.
- 43 (2) If recreational vehicles of a line-make subject to the terminated agreement are
44 not repurchased or required to be repurchased by the manufacturer or
45 distributor, the dealer may continue to sell such recreational vehicles that are
46 subject to the terminated dealer agreement and are currently in stock until
47 those recreational vehicles are no longer in the dealer's inventory.

48 **§ 20-455. Transfer of dealership; family succession.**

49 (a) If a dealer desires to make a change in ownership by the sale of the business assets,
50 stock transfer, or otherwise, the dealer shall give the manufacturer or distributor written notice at
51 least 15 business days before the closing, including all supporting documentation as may be

1 reasonably required by the manufacturer or distributor to determine if an objection to the transfer
2 may be made. In the absence of a breach by the transferor dealer of its dealer agreement or this
3 Article, the manufacturer or distributor shall not object to the proposed change in ownership
4 unless any of the following apply to the prospective transferee:

- 5 (1) Has previously been terminated by the manufacturer for breach of its
6 manufacturer and dealer agreement.
- 7 (2) Has been convicted of a felony or any crime of fraud, deceit, or moral
8 turpitude.
- 9 (3) Lacks any license required by law.
- 10 (4) Does not have an active line of credit sufficient to purchase a manufacturer's
11 product.
- 12 (5) Has undergone in the last 10 years bankruptcy, insolvency, a general
13 assignment for the benefit of creditors, or the appointment of a receiver,
14 trustee, or conservator to take possession of the transferee's business or
15 property.

16 (b) If the manufacturer or distributor objects to a proposed change of ownership, the
17 manufacturer or distributor shall give written notice of its reasons to the dealer within 10 business
18 days after receipt of the dealer's notification and complete documentation. The manufacturer or
19 distributor has the burden of proof with regard to its objection. If the manufacturer or distributor
20 does not give timely notice of its objection, the change or sale shall be deemed approved.

21 (c) It is unlawful for a manufacturer or distributor to fail to provide a dealer an
22 opportunity to designate, in writing, a family member as a successor to the dealership in the event
23 of the death, incapacity, or retirement of the dealer. It is unlawful to prevent or refuse to honor
24 the succession to a dealership by a family member of the deceased, incapacitated, or retired dealer
25 unless the manufacturer or distributor has provided to the dealer written notice of its objections
26 within 10 days after receipt of the dealer's modification of the dealer's succession plan. In the
27 absence of a breach of the manufacturer and dealer agreement, the manufacturer may object to
28 the succession for the following reasons only:

- 29 (1) Conviction of the successor of a felony or any crime of fraud, deceit, or moral
30 turpitude.
- 31 (2) Bankruptcy or insolvency of the successor during the past 10 years.
- 32 (3) Prior termination by the manufacturer of the successor for breach of a
33 manufacturer and dealer agreement.
- 34 (4) Successor does not have an active line of credit sufficient to purchase the
35 manufacturer's product.
- 36 (5) Successor lacks any license required by law.

37 The manufacturer or distributor has the burden of proof regarding its objection.

38 (d) A family member may not succeed to a dealership if the succession involves, without
39 the manufacturer's or distributor's consent, a relocation of the business or an alteration of the
40 terms and conditions of the manufacturer and dealer agreement.

41 **"§ 20-456. Warranty obligations.**

42 (a) It is unlawful for any manufacturer, factory branch, distributor, or distributor branch
43 that manufactures or distributes recreational vehicles to fail to fully compensate its dealers
44 located in this State in accordance with this section for warranty or recall work performed by the
45 dealers related to the living facilities of the vehicle, including all labor and parts used to repair
46 such living facilities and any equipment, plumbing, appliances, and other options included by the
47 manufacturer, factory branch, distributor, or distributor branch in the purchase price paid by the
48 dealer for the vehicle. With respect to those portions of the living facilities of recreational
49 vehicles and any equipment, plumbing, appliances, and other options that are part of such living
50 facilities and that are included by the recreational vehicle manufacturer, factory branch,
51 distributor, or distributor branch in the purchase price paid by the dealer for the vehicle, the term

1 "warrantor" shall mean any manufacturer or distributor of such living facilities or any equipment,
2 plumbing, appliances, and other options that are part of such living facilities that offer a warranty
3 in writing to either the recreational vehicle dealer or to the ultimate purchaser of the recreational
4 vehicle. The term "warrantor" does not include a person that provides a service contract,
5 mechanical or other insurance, or an extended warranty sold for separate consideration by a
6 dealer or other person not controlled by a warrantor. Notwithstanding the terms or conditions of
7 any contract or agreement, it is unlawful for any recreational vehicle manufacturer, factory
8 branch, distributor, or distributor branch to fail to fully and timely compensate any of its
9 franchised recreational vehicle dealers located in this State in accordance with this section for all
10 parts and labor used by such franchised dealers in making warranty or recall repairs to such living
11 facilities of recreational vehicles, including any equipment, plumbing, appliances, and other
12 options included by the recreational vehicle manufacturer, factory branch, distributor, or
13 distributor branch in the purchase price paid by the dealer for the vehicle, to the extent that the
14 individual components of such living facilities are not separately warranted by the manufacturers
15 or distributors of such components. Notwithstanding the terms or conditions of any warranty,
16 contract, or agreement, it is unlawful for any warrantor, as defined in this subdivision, to fail to
17 fully and timely compensate any franchised recreational vehicle dealer located in this State in
18 accordance with this section for all parts and labor used by such franchised recreational vehicle
19 dealer in making warranty or recall repairs to any component parts of the living facilities of
20 recreational vehicles manufactured or distributed by such warrantor, including any equipment,
21 plumbing, appliances, and other options included by a recreational vehicle manufacturer, factory
22 branch, distributor, or distributor branch in the purchase price paid by the dealer for the vehicle.

23 (b) Each warrantor and each recreational vehicle manufacturer, factory branch,
24 distributor, and distributor branch that sells or distributes recreational vehicles in this State shall
25 specify in writing to each recreational vehicle dealer licensed in this State who sells products
26 manufactured or distributed by such warrantor or such recreational vehicle manufacturer, factory
27 branch, distributor, or distributor branch, the recreational vehicle dealer's obligations for
28 preparation, delivery, and warranty and recall service on its products, the schedule of
29 compensation to be paid such dealers for parts, work, and service in connection with warranty or
30 recall service, and the time allowances for the performance of such work and service. In no event
31 shall such schedule of compensation fail to include reasonable compensation for diagnostic work
32 and associated administrative requirements as well as repair service, labor, and transportation
33 provided by the dealer to transport a recreational vehicle to and from a location at which the
34 repairs can be made. Provided, however, that with respect to reimbursement for a recreational
35 vehicle dealer's transportation expenses, the dealer is required to obtain the prior written
36 authorization of the affected warrantor before incurring any transportation expenses, which
37 authorization shall not be unreasonably denied by the warrantor, and provided further that any
38 such request for transportation reimbursement must be denied by the warrantor within five
39 business days of the warrantor's receipt of the dealer's request for reimbursement or the request
40 shall be deemed authorized and allowed. Time allowances for the performance of warranty work
41 and service shall be reasonable and adequate for the work to be performed. The compensation
42 which must be paid under this section must be reasonable; provided, however, that under no
43 circumstances may the reasonable compensation under this section be in an amount less than the
44 recreational vehicle dealer's current retail labor rate for nonwarranty work of like kind, provided
45 such amount is competitive with the retail rates charged for parts and labor by other franchised
46 recreational dealers within the dealer's market.

47 (c) A warrantor may not require a dealer to establish the rate customarily charged by the
48 recreational vehicle dealer for labor by an unduly burdensome or time-consuming method or by
49 requiring information that is unduly burdensome or time-consuming to provide, including, but
50 not limited to, part by part or transaction by transaction calculations.

1 (d) For any part, equipment, plumbing system or device, or appliance or option, a
2 warrantor shall reimburse the dealer the cost of the part, equipment, plumbing system or device,
3 appliance or option, plus a minimum of a thirty percent (30%) handling charge and pay the cost,
4 if any, of freight to return the part, equipment, appliance, or option to the warrantor.

5 (e) If a warrantor furnishes a part or component to a dealer, at reduced or no cost, to use
6 in performing repairs under a warranty or recall repair, the warrantor shall compensate the dealer
7 for the part or component in the same manner as warranty parts compensation under this section,
8 by compensating the dealer on the basis of a thirty percent (30%) handling charge for the part or
9 component as listed in the warrantor's price schedule less the cost for the part or component.

10 (f) Notwithstanding the terms of any warranty, contract, or agreement, all claims made
11 by recreational vehicle dealers pursuant to this section for compensation for delivery,
12 preparation, warranty and recall work, and transportation costs, including labor, parts, and other
13 expenses, shall be paid by the affected warrantor within 30 days after receipt of claim from the
14 dealer. When any claim is disapproved, the dealer shall be notified in writing of the grounds for
15 disapproval. Any claim not specifically disapproved in writing within 30 days after receipt shall
16 be considered approved, and payment is due immediately. No claim which has been approved
17 and paid may be charged back to the dealer unless it can be shown that the claim was false or
18 fraudulent, that the repairs were not properly made or were unnecessary to correct the defective
19 condition, or the dealer failed to reasonably substantiate the claim either in accordance with the
20 manufacturer's reasonable written procedures or by other reasonable means. A warrantor shall
21 not deny a claim or reduce the amount to be reimbursed to the dealer as long as the dealer has
22 provided reasonably sufficient documentation that the dealer (i) made a good-faith attempt to
23 perform the work in compliance with the written policies and procedures of the warrantor and
24 (ii) actually performed the work.

25 Notwithstanding the foregoing, a warrantor shall not fail to fully compensate a dealer for
26 warranty or recall work or make any chargeback to the dealer's account based on the dealer's
27 failure to comply with the warrantor's claim documentation procedure or procedures unless both
28 of the following requirements have been met:

29 (1) The dealer has, within the previous 12 months, failed to comply with the same
30 specific claim documentation procedure or procedures.

31 (2) The warrantor has, within the previous 12 months, provided a written warning
32 to the dealer by certified United States mail, return receipt requested,
33 identifying the specific claim documentation procedure or procedures violated
34 by the dealer.

35 (g) Every recreational vehicle manufacturer, factory branch, distributor, or distributor
36 branch that manufactures or distributes recreational vehicles for sale in this State shall designate
37 at least one of its employees knowledgeable in warranty administration who shall be the
38 designated warranty contact person with whom its franchised dealers licensed in this State can
39 communicate to assist them in filing and getting paid on warranty claims related to all component
40 parts of all recreational vehicles such recreational vehicle manufacturer, factory branch,
41 distributor, or distributor branch sells or distributes in this State. Each recreational vehicle
42 manufacturer, factory branch, distributor, or distributor branch shall promptly notify, in writing,
43 all of its franchised recreational vehicle dealers licensed in this State, the Commissioner, and the
44 North Carolina Automobile Dealers Association, Inc., of the identity and contact information of
45 the designated warranty contact person and any changes in this information. A recreational
46 vehicle manufacturer or distributor that represents multiple suppliers or multiple line-makes of
47 vehicles shall be permitted to designate a single individual as the designated warranty contact
48 person for all such suppliers and line-makes of vehicles represented by such recreational vehicle
49 manufacturer or distributor.

50 (h) It shall be unlawful for any warrantor or for any recreational vehicle manufacturer,
51 factory branch, distributor, or distributor branch to recover or attempt to recover all or any portion

1 of its costs for compensating recreational vehicle dealers licensed in this State for warranty or
2 recall parts and service either by reduction in the amount due to the dealer or by separate charge,
3 surcharge, or other imposition.

4 (i) It shall be unlawful for any recreational vehicle manufacturer, factory branch,
5 distributor, or distributor branch to fail to indemnify and hold harmless its franchised dealers
6 licensed in this State against any judgment for damages or settlements agreed to by the
7 manufacturer, including, but not limited to, court costs and reasonable attorneys' fees of the
8 recreational vehicle dealer, arising out of complaints, claims, or lawsuits, including, but not
9 limited to, strict liability, negligence, misrepresentation, express or implied warranty, or
10 rescission or revocation of acceptance of the sale of a vehicle as defined in G.S. 25-2-608, to the
11 extent that the judgment or settlement relates to the alleged defective or negligent manufacture,
12 assembly, or design of new recreational vehicles, parts, or accessories or other functions by the
13 manufacturer, factory branch, distributor, or distributor branch beyond the control of the dealer.
14 It shall be unlawful for any warrantor to fail to indemnify and hold harmless any recreational
15 vehicle dealer located in this State who sold one or more products warranted by such warrantor
16 against any judgment for damages or settlements agreed to by the warrantor, including, but not
17 limited to, court costs and reasonable attorneys' fees of the recreational vehicle dealer, arising
18 out of complaints, claims, or lawsuits, including, but not limited to, strict liability, negligence,
19 misrepresentation, express or implied warranty, or rescission or revocation of acceptance of the
20 sale of a vehicle or vehicle part, component, or accessory, as defined in G.S. 25-2-608, to the
21 extent that the judgment or settlement relates to the alleged defective or negligent manufacture,
22 assembly, or design of a product warranted by the warrantor or other functions of the warrantor
23 beyond the control of the dealer. Any audit for warranty or recall parts or service compensation
24 shall only be for the 12-month period immediately following the date of the payment of the claim
25 by the manufacturer, factory branch, distributor, distributor branch, or warrantor. Any audit for
26 sales incentives, service incentives, rebates, or other forms of incentive compensation shall only
27 be for the 12-month period immediately following the date of the payment of the claim by the
28 manufacturer, factory branch, distributor, distributor branch, or warrantor. Provided, however,
29 these limitations shall not be effective in the case of fraudulent claims.

30 (j) It shall be unlawful for any warrantor or for any recreational vehicle manufacturer,
31 factory branch, distributor, or distributor branch to direct or encourage any owner or purchaser
32 of a recreational vehicle to have warranty or recall service work or other repairs on a recreational
33 vehicle made by a repair facility other than either the franchised dealer that sold the vehicle owner
34 the recreational vehicle or the franchised dealer closest in proximity to such recreational vehicle
35 owner or purchaser, provided that the recreational vehicle dealer who sold the vehicle to the
36 owner or purchaser or who is located in closest proximity to such recreational vehicle owner or
37 purchaser has sufficiently trained personnel and the necessary tools and equipment to make the
38 required repairs to the vehicle, has not expressly stated in writing its desire to have the repairs
39 made elsewhere, and is willing to make the repairs within a reasonable period of time after the
40 necessary parts have been supplied to the dealer.

41 (k) In the event there is a dispute between a recreational vehicle dealer and a warrantor
42 or a recreational vehicle manufacturer, factory branch, distributor, or distributor branch, relating
43 to any matter referred to in this section, either party may petition the Commissioner in writing,
44 within 30 days after either party has given written notice of the dispute to the other, for a hearing
45 on the subject and the decision of the Commissioner shall be binding on the parties, subject to
46 rights of judicial review and appeal as provided in Chapter 150B of the General Statutes;
47 provided, however, that nothing contained herein shall give the Commissioner any authority as
48 to the content of any warrantor's warranty. Upon the filing of a petition before the Commissioner
49 under this subsection, any chargeback to or any payment required of a recreational vehicle dealer
50 by a warrantor or by a recreational vehicle manufacturer, factory branch, distributor, or
51 distributor branch relating to warranty or recall parts or service compensation, or to sales

1 incentives, service incentives, rebates, other forms of incentive compensation, or the withholding
2 or chargeback of other compensation or support that a dealer would otherwise be eligible to
3 receive, shall be stayed during the pendency of the determination by the Commissioner.

4 **"§ 20-457. Indemnification.**

5 (a) Notwithstanding the terms of any manufacturer and dealer agreement, it is a violation
6 of this Article for a warrantor to fail to indemnify and hold harmless its new recreational vehicle
7 dealer against any losses or damages to the extent that the losses or damages are caused by the
8 negligence or willful misconduct of the warrantor subject to the following:

9 (1) A new recreational vehicle dealer may not be denied indemnification for
10 failing to discover, disclose, or remedy a defect in the design or manufacturing
11 of a new recreational vehicle or new recreational trailer.

12 (2) A new recreational vehicle dealer may be denied indemnification if the new
13 recreational vehicle dealer fails to remedy a known and announced defect in
14 accordance with the written instructions of a warrantor for whom the new
15 recreational vehicle dealer is obligated to perform warranty service.

16 (3) A new recreational vehicle dealer shall provide to a warrantor a copy of any
17 pending law suit in which allegations are made that are covered by the
18 provisions of this subsection within 10 days after receiving such suit.
19 Notwithstanding anything to the contrary, this subdivision shall continue to
20 apply even after the new recreational vehicle is titled.

21 (b) Notwithstanding the terms of any manufacturer and dealer agreement, it is a violation
22 of this Article for a new recreational vehicle dealer to fail to indemnify and hold harmless its
23 warrantor against any losses or damages to the extent that the losses or damages are caused by
24 the negligence or willful misconduct of the new recreational vehicle dealer; provided a warrantor
25 shall provide to a new recreational vehicle dealer a copy of any pending law suit or similar
26 proceeding in which allegations are made that come within the provisions of this subsection
27 within 10 days after receiving such suit. Notwithstanding anything to the contrary, this subsection
28 shall continue to apply even after the new recreational vehicle is titled.

29 **"§ 20-458. Inspection and rejection by the dealer.**

30 (a) Whenever a new recreational vehicle is damaged prior to transit to the dealer or is
31 damaged in transit to the dealer when the carrier or means of transportation has been selected by
32 the manufacturer or distributor, the dealer shall notify the manufacturer or distributor of the
33 damage within the time frame specified in the manufacturer and dealer agreement and do either
34 of the following:

35 (1) Request from the manufacturer or distributor authorization to replace the
36 components, parts, and accessories damaged or otherwise correct the damage.

37 (2) Reject the vehicle within the time frame set forth in subsection (d) of this
38 section.

39 (b) If the manufacturer or distributor refuses or fails to authorize repair of such damage
40 within 10 days after receipt of notification, or if the dealer rejects the recreational vehicle because
41 of damage, ownership of the new recreational vehicle shall revert to the manufacturer or
42 distributor.

43 (c) The dealer shall exercise due care in custody of the damaged recreational vehicle, but
44 the dealer shall have no other obligations, financial or otherwise, with respect to that recreational
45 vehicle.

46 (d) The time frame for inspection and rejection by the dealer must be part of the
47 manufacturer and dealer agreement and may not be less than two business days after the physical
48 delivery of the recreational vehicle.

49 (e) Any recreational vehicle that has, at the time of delivery to the dealer, an unreasonable
50 amount of miles on its odometer, as determined by the dealer, may be subject to rejection by the
51 dealer and reversion of the vehicle to the manufacturer or distributor. In no instance shall a dealer

1 deem an amount less than the distance between the dealer and the manufacturer's factory or a
2 distributor's point of distribution, plus 100 miles, as unreasonable.

3 **"§ 20-459. Coercion of dealer prohibited.**

4 A manufacturer or distributor may not coerce or attempt to coerce a dealer to do any of the
5 following:

- 6 (1) Purchase a product that the dealer did not order.
- 7 (2) Enter into an agreement with the manufacturer or distributor.
- 8 (3) Enter into an agreement that requires the dealer to submit its disputes to
9 binding arbitration or otherwise waive rights or responsibilities provided
10 under this Article.

11 **"§ 20-460. Mediation.**

12 (a) A dealer, manufacturer, or warrantor injured by another party's violation of this
13 Article may bring a civil action to recover actual damages. The court shall award attorneys' fees
14 and costs to the prevailing party in such an action. Venue for any civil action authorized by this
15 section shall be in any county in this State in which the dealer's business is located. In an action
16 involving more than one dealer, venue may be in any county in this State in which any dealer
17 that is party to the action has a business location.

18 (b) Prior to bringing suit under this section, the party bringing suit for an alleged violation
19 shall serve a written demand for mediation upon the offending party.

- 20 (1) The demand for mediation shall be served upon the other party via certified
21 mail at the address stated within the manufacturer and dealer agreement
22 between the parties.
- 23 (2) The demand for mediation shall contain a brief statement of the dispute and
24 the relief sought by the party filing the demand.
- 25 (3) Within 20 days after the date a demand for mediation is served, the parties
26 shall mutually select an independent certified mediator and meet with that
27 mediator for the purpose of attempting to resolve the dispute. The meeting
28 place shall be in this State in a location selected by the mediator. The mediator
29 may extend the date of the meeting for good cause shown by either party or
30 upon stipulation of both parties.
- 31 (4) The service of a demand for mediation under this section shall toll the time
32 for the filing of any complaint, petition, protest, or other action under this
33 Article until representatives of both parties have met with a mutually selected
34 mediator for the purpose of attempting to resolve the dispute. If a complaint,
35 petition, protest, or other action is filed before that meeting, the court shall
36 enter an order suspending the proceeding or action until the mediation meeting
37 has occurred and may, upon written stipulation of all parties to the proceeding
38 or action that they wish to continue to mediate under this section, enter an
39 order suspending the proceeding or action for as long a period as the court
40 considers appropriate.
- 41 (5) The parties to the mediation shall bear their own costs for attorneys' fees and
42 divide equally the cost of the mediator.

43 (c) In addition to the remedies provided in this section and notwithstanding the existence
44 of any additional remedy at law, a manufacturer, or warrantor, or a dealer is authorized to make
45 application to a court for the grant, upon a hearing and for cause shown, of a temporary or
46 permanent injunction, or both, restraining any person from acting as a dealer without being
47 properly licensed, from violating or continuing to violate any of the provisions of this Article, or
48 from failing or refusing to comply with the requirements of this Article. Such injunction shall be
49 issued without bond. A single act in violation of the provisions of this Article shall be sufficient
50 to authorize the issuance of an injunction.

51 **"§ 20-461. Article applicable to existing and future franchises and contracts.**

1 The provisions of this Article shall be applicable to all franchises and contracts existing
2 between recreational vehicle dealers and manufacturers, factory branches, and distributors at the
3 time of its ratification, and to all such future franchises and contracts.

4 **"§ 20-462. Jurisdiction.**

5 A franchisee who is substantially and primarily engaged in the sale of recreational vehicles
6 or parts, materials, or components of recreational vehicles, including batteries, tires,
7 transmissions, mufflers, painting, lubrication, or tune-ups may bring suit against any franchisor,
8 engaged in commerce, in the General Court of Justice in the State of North Carolina that has
9 proper venue.

10 **"§ 20-463. Penalties.**

11 Any person violating any of the provisions of this Article shall be guilty of a Class 1
12 misdemeanor.

13 **"§ 20-464. Civil actions for violations.**

14 (a) Notwithstanding the terms, provisions, or conditions of any agreement or franchise
15 or other terms or provisions of any novation, waiver, or other written instrument, any recreational
16 vehicle dealer who is or may be injured by a violation of a provision of this Article, or any party
17 to a franchise who is so injured in business or property by a violation of a provision of this Article
18 relating to that franchise, or an arrangement which, if consummated, would be in violation of this
19 Article may, notwithstanding the initiation or pendency of, or failure to initiate an administrative
20 proceeding before the Commissioner concerning the same parties or subject matter, bring an
21 action for damages and equitable relief, including injunctive relief, in any court of competent
22 jurisdiction with regard to any matter not within the jurisdiction of the Commissioner or that
23 seeks relief wholly outside the authority or jurisdiction of the Commissioner to award.

24 (b) Where the violation of a provision of this Article can be shown to be willful,
25 malicious, or wanton, or if continued multiple violations of a provision or provisions of this
26 Article occur, the court may award punitive damages, attorneys' fees and costs in addition to any
27 other damages under this Article.

28 (c) A new recreational vehicle dealer, who has not suffered any loss of money or
29 property, may obtain final equitable relief if it can be shown that the violation of a provision of
30 this Article by a manufacturer or distributor may have the effect of causing a loss of money or
31 property.

32 (d) Any association that is comprised of a minimum of 400 new recreational vehicle
33 dealers, substantially all of whom are new recreational vehicle dealers located within North
34 Carolina, and which represents the collective interests of its members, shall have standing to file
35 a petition before the Commissioner or a cause of action in any court of competent jurisdiction for
36 itself, or on behalf of any or all of its members, seeking declaratory and injunctive relief. Prior
37 to bringing an action, the association and manufacturer, factory branch, distributor, or distributor
38 branch shall initiate mediation as set forth in G.S. 20-460. An action brought pursuant to this
39 subsection may seek a determination whether one or more manufacturers, factory branches,
40 distributors, or distributor branches doing business in this State have violated any of the
41 provisions of this Article, or for the determination of any rights created or defined by this Article,
42 so long as the association alleges an injury to the collective interest of its members cognizable
43 under this section. A cognizable injury to the collective interest of the members of the association
44 shall be deemed to occur if a manufacturer, factory branch, distributor, or distributor branch
45 doing business in this State has engaged in any conduct or taken any action which actually harms
46 or affects all of the franchised new motor vehicle dealers holding franchises with that
47 manufacturer, factory branch, distributor, or distributor branch in this State. With respect to any
48 administrative or civil action filed by an association pursuant to this subsection, the relief granted
49 shall be limited to declaratory and injunctive relief and in no event shall the Commissioner or
50 court enter an award of monetary damages.

51 **"§ 20-465. Applicability of this Article.**

1 (a) Any person who engages directly or indirectly in purposeful contacts within this State
2 in connection with the offering or advertising for sale, or has business dealings, with respect to a
3 new recreational vehicle sale within this State, shall be subject to the provisions of this Article
4 and shall be subject to the jurisdiction of the courts of this State.

5 (b) The applicability of this Article shall not be affected by a choice of law clause in any
6 franchise, agreement, waiver, novation, or any other written instrument.

7 (c) Any provision of any agreement, franchise, waiver, novation, or any other written
8 instrument which is in violation of any section of this Article shall be deemed null and void and
9 without force and effect.

10 (d) It shall be unlawful for a manufacturer or distributor to use any subsidiary corporation,
11 affiliated corporation, or any other controlled corporation, partnership, association, or person to
12 accomplish what would otherwise be illegal conduct under this Article on the part of the
13 manufacturer or distributor.

14 (e) The provisions of this Article shall apply to all written agreements between a
15 manufacturer, wholesaler, or distributor with a recreational vehicle dealer including, but not
16 limited to, the franchise offering; the franchise agreement; sales of goods, services, or
17 advertising; leases or deeds of trust of real or personal property; promises to pay; security
18 interests; pledges; insurance contracts; advertising contracts; construction or installation
19 contracts; servicing contracts; and all other such agreements between a recreational vehicle dealer
20 and a manufacturer, wholesaler, or distributor."

22 **ADD CROSS REFERENCES TO NEW ARTICLE 19 OF CHAPTER 20 OF THE**
23 **GENERAL STATUTES**

24 **SECTION 4.(a)** G.S. 20-52.1(d) reads as rewritten:

25 "(d) When a manufacturer's statement of origin or an existing certificate of title on a motor
26 vehicle is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter and a
27 recreational vehicle dealer licensed under Article 19 of this Chapter may also transfer title to a
28 vehicle currently titled in this State to another by certifying in writing in a sworn statement to the
29 Division signed by the dealer principal, general manager, general sales manager, controller, or
30 owner of the dealership that, to the best of the signatory's knowledge and information as of the
31 date of sworn certification, all prior perfected liens on the vehicle that are known or reasonably
32 ascertainable by the signatory have been paid and that the ~~motor vehicle~~ dealer, despite having
33 used reasonable diligence, is unable to obtain the vehicle's statement of origin or certificate of
34 title. For purposes of this subsection, a dealer may certify that the dealer is unable to obtain the
35 vehicle's statement of origin or certificate of title because the statement of origin or certificate of
36 title was either (i) not delivered to the dealer or (ii) lost or misplaced. The Division is authorized
37 to require any information it deems necessary for the transfer of the vehicle and shall develop a
38 form for this purpose. The knowing and intentional filing of a false sworn certification with the
39 Division pursuant to this subsection shall constitute a Class H felony. A dealer principal, owner,
40 or manager who is not a signatory of the sworn certification under this subsection may only be
41 charged for a criminal violation for filing a false certification under this subsection by another
42 dealership employee if the dealer principal, owner, or manager had actual knowledge of the
43 falsity of the sworn certification at the time the sworn certification was submitted to the Division.
44 The dealer shall hold harmless and indemnify the consumer-purchaser from any damages arising
45 from the use of the procedure authorized by this subsection. No person shall have a cause of
46 action against the Division or Division contractors arising from the transfer of a vehicle by a
47 sworn certification pursuant to this section."

48 **SECTION 4.(b)** G.S. 20-72(b) reads as rewritten:

49 "(b) In order to assign or transfer title or interest in any motor vehicle registered under the
50 provisions of this Article, the owner shall execute in the presence of a person authorized to
51 administer oaths an assignment and warranty of title on the reverse of the certificate of title in

1 form approved by the Division, including in such assignment the name and address of the
2 transferee; and no title to any motor vehicle shall pass or vest until such assignment is executed
3 and the motor vehicle delivered to the transferee. The provisions of this section shall not apply
4 to any foreclosure or repossession under a chattel mortgage or conditional sales contract or any
5 judicial sale. The provisions of this subsection shall not apply to (i) any transfer to an insurer
6 pursuant to G.S. 20-109.1(b)(2) or (ii) any transfer to a used motor vehicle dealer pursuant to
7 G.S. 20-109.1(e1).

8 When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle
9 is unavailable, a motor vehicle dealer licensed under Article 12 of this Chapter and a recreational
10 vehicle dealer licensed under Article 19 of this Chapter may also transfer title to a vehicle
11 currently titled in this State to another by certifying in writing in a sworn statement to the Division
12 that is signed by the dealer principal, general manager, general sales manager, controller, or
13 owner of the dealership that, to the best of the signatory's knowledge and information as of the
14 date of the sworn certification, all prior perfected liens on the vehicle that are known or
15 reasonably ascertainable by the signatory have been paid and that the ~~motor vehicle~~ dealer,
16 despite having used reasonable diligence, was unable to obtain the vehicle's statement of origin
17 or certificate of title. For purposes of this subsection, a dealer may certify that the dealer is unable
18 to obtain the vehicle's statement of origin or certificate of title if the statement of origin or
19 certificate of title has either (i) not been delivered to the dealer or (ii) has been lost or misplaced.
20 The Division is authorized to request any information it deems necessary to transfer the vehicle
21 and shall develop a form for this purpose. The knowing and intentional filing of a false sworn
22 certification with the Division pursuant to this subsection shall constitute a Class H felony. A
23 dealer principal, owner, or manager of a motor vehicle dealership who is not a signatory of the
24 sworn certification required under this subsection may only be charged for a criminal violation
25 for filing a false certification under this subsection by another dealership employee if the dealer
26 principal, owner, or manager had actual knowledge of the falsity of the sworn certification at the
27 time the sworn certification was submitted to the Division.

28 Any person transferring title or interest in a motor vehicle shall deliver the certificate of title
29 duly assigned in accordance with the foregoing provision to the transferee at the time of
30 delivering the vehicle, except when a certificate of title is unavailable as provided in this
31 subsection or in G.S. 20-72.1, and except that where a security interest is obtained in the motor
32 vehicle from the transferee in payment of the purchase price or otherwise, the transferor shall
33 deliver the certificate of title to the lienholder and the lienholder shall forward the certificate of
34 title together with the transferee's application for new title and necessary fees to the Division
35 within 20 days. If the title to a vehicle is unavailable and the dealer transfers the vehicle on a
36 sworn certification pursuant to this section or G.S. 20-52.1, and the title is subsequently received
37 or found by the dealer, the dealer shall retain a copy for its records and submit the title to the
38 Division. Any person who delivers or accepts a certificate of title assigned in blank shall be guilty
39 of a Class 2 misdemeanor. No person shall have a cause of action against the Division or Division
40 contractors arising from the transfer of a vehicle by a sworn certification pursuant to this section.

41 The title to a salvage vehicle shall be forwarded to the Division as provided in G.S. 20-109.1,
42 except with respect to the title of any salvage vehicle transferred pursuant to G.S. 20-109.1(b)(2)
43 or G.S. 20-109.1(e1)."

44 **SECTION 4.(c)** G.S. 20-72.1(a) reads as rewritten:

45 "(a) Notwithstanding any other provision in this Article, when a manufacturer's statement
46 of origin or an existing certificate of title on a motor vehicle is unavailable, a motor vehicle dealer
47 licensed under Article 12 of this Chapter and a recreational vehicle dealer licensed under Article
48 19 of this Chapter shall deliver the manufacturer's statement of origin or certificate of title to the
49 Division within 20 days of receipt of the title, but no later than 60 days following the later of the
50 date of the sale or transfer of the vehicle or the date of the creation of a security interest in the
51 vehicle pursuant to G.S. 20-58(b). The dealer may offer the vehicle for sale provided that the

1 purchaser is given written notice prior to sale that the dealer is not in possession of the
2 manufacturer's statement of origin or certificate of title and that the purchaser may be entitled to
3 liquidated damages pursuant to subsection (b) of this section if the dealer fails to deliver the
4 manufacturer's statement of origin or certificate of title to the Division in accordance with this
5 subsection. For purposes of this subsection, a vehicle's manufacturer's statement of origin or
6 existing certificate of title shall be considered unavailable under either of the following
7 circumstances:

- 8 (1) The manufacturer's statement of origin or certificate of title has not been
9 actually delivered to the dealer on or prior to the date the dealer sold or
10 transferred the vehicle.
- 11 (2) The manufacturer's statement of origin or certificate of title was lost or
12 misplaced on or prior to the date the dealer sold or transferred the vehicle. If
13 the motor vehicle being sold or transferred is a used motor vehicle, the dealer
14 is required to make application to the Division for a duplicate title within five
15 working days of the date of the sale or transfer of the vehicle. If the vehicle
16 being sold or transferred is a new motor vehicle, the dealer is required to
17 request a new or duplicate manufacturer's statement of origin from the
18 applicable manufacturer or distributor within five working days of the date of
19 the sale or transfer of the vehicle."

20 **SECTION 4.(d)** G.S. 20-75 reads as rewritten:

21 **"§ 20-75. When transferee is a charitable organization, dealer, or insurance company.**

22 A transferee of a vehicle registered under this Article is not required to register the vehicle or
23 forward the certificate of title to the Division as provided in G.S. 20-73 when the transferee is
24 any of the following:

- 25 (1) A dealer who is licensed under Article 12 or Article 19 of this Chapter and
26 who holds the vehicle for resale.
- 27 (2) An insurance company taking the vehicle for sale or disposal for salvage
28 purposes where the title is taken or requested as a part of a bona fide claim
29 settlement transaction and only for the purpose of resale.
- 30 (3) A charitable organization operating under section 501(c)(3) of the Internal
31 Revenue Code (26 U.S.C. § 501(c)(3)) and the vehicle was donated to the
32 charitable organization solely for purposes of resale by the charitable
33 organization.

34 To assign or transfer title or interest in the vehicle, the charitable organization, dealer, or
35 insurance company shall execute, in the presence of a person authorized to administer oaths, a
36 reassignment and warranty of title on the reverse of the certificate of title in the form approved
37 by the Division, which shall include the name and address of the transferee. The title to the
38 vehicle shall not pass or vest until the reassignment is executed and the motor vehicle delivered
39 to the transferee.

40 The dealer transferring title or interest in a motor vehicle shall deliver the certificate of title
41 duly assigned in accordance with the foregoing provision to the transferee at the time of
42 delivering the vehicle, except:

- 43 (1) Where a security interest in the motor vehicle is obtained from the transferee
44 in payment of the purchase price or otherwise, the dealer shall deliver the
45 certificate of title to the lienholder and the lienholder shall forward the
46 certificate of title together with the transferee's application for new certificate
47 of title and necessary fees to the Division within 20 days; or
- 48 (2) Where the transferee has the option of cancelling the transfer of the vehicle
49 within 10 days of delivery of the vehicle, the dealer shall deliver the certificate
50 of title to the transferee at the end of that period. Delivery need not be made

1 if the contract for sale has been rescinded in writing by all parties to the
 2 contract.

3 Any person who delivers or accepts a certificate of title assigned in blank shall be guilty of a
 4 Class 2 misdemeanor.

5 The title to a salvage vehicle shall be forwarded to the Division as provided in G.S. 20-109.1,
 6 except with respect to the title of any salvage vehicle transferred pursuant to G.S. 20-109.1(b)(2)
 7 or G.S. 20-109.1(e1)."

8 **SECTION 4.(e)** G.S. 20-79 reads as rewritten:

9 **"§ 20-79. Dealer license plates.**

10 (a) **How to Get a Dealer Plate.** – The Division may issue a person licensed under Article
 11 12 or Article 19 of this Chapter the appropriate classification of dealer license plate. A person
 12 eligible for a dealer license plate may obtain one by filing an application with the Division and
 13 paying the required fee. An application must be filed on a form provided by the Division. The
 14 required fee is the amount set by G.S. 20-87(7).

15 (b) **Number of Plates.** – A dealer who was licensed under Article 12 or Article 19 of this
 16 Chapter for the previous 12-month period ending December 31 may obtain the number of dealer
 17 license plates allowed by the following table; the number allowed is based on the number of
 18 motor vehicles the dealer sold during the relevant 12-month period and the average number of
 19 qualifying sales representatives the dealer employed during that same 12-month period:

<u>Vehicles Sold In Relevant</u>	<u>Maximum Number of Plates</u>
<u>12-Month Period</u>	
Fewer than 12	3
At least 12 but less than 25	6
At least 25 but less than 37	7
At least 37 but less than 49	8
49 or more	At least 8, but no more than 5 times the average number of qualifying sales representatives employed by the dealer during the relevant 12-month period

31 A dealer who was not licensed under Article 12 or Article 19 of this Chapter for part or all of
 32 the previous 12-month period ending December 31 may obtain the number of dealer license
 33 plates that equals four times the number of qualifying sales representatives employed by the
 34 dealer on the date the dealer files the application. A "qualifying sales representative" is a sales
 35 representative who works for the dealer at least 25 hours a week on a regular basis and is
 36 compensated by the dealer for this work.

37 A dealer who sold fewer than 49 motor vehicles the previous 12-month period ending
 38 December 31 but has sold at least that number since January 1 may apply for additional dealer
 39 license plates at any time. The maximum number of dealer license plates the dealer may obtain
 40 is the number the dealer could have obtained if the dealer had sold at least 49 motor vehicles in
 41 the previous 12-month period ending December 31.

42 A dealer who applies for a dealer license plate must certify to the Division the number of
 43 motor vehicles the dealer sold in the relevant period. Making a material misstatement in an
 44 application for a dealer license plate is grounds for the denial, suspension, or revocation of a
 45 dealer's license under ~~G.S. 20-294~~.G.S. 20-294 or G.S. 20-438.

46 A dealer engaged in the alteration and sale of specialty vehicles may apply for up to two
 47 dealer plates in addition to the number of dealer plates that the dealer would otherwise be entitled
 48 to under this section.

49 This subsection does not apply to manufacturers licensed under Article 12 of this Chapter.

50 (c) **Form and Duration.** – A dealer license plate is subject to G.S. 20-63, except for the
 51 requirement that the plate display the registration number of a motor vehicle and the requirement

1 that the plate be a "First in Flight" plate, a "First in Freedom" plate, or a "National/State Mottos"
2 plate. A dealer license plate must have a distinguishing symbol identifying the plate as a dealer
3 license plate. The symbol may vary depending upon the classification of dealer license plate
4 issued. The Division must provide suitably reduced sized license plates for motorcycle dealers
5 and manufacturers.

6 A dealer license plate is issued for a period of one year. The Division shall vary the expiration
7 dates of dealer registration renewals so that an approximately equal number expires at the end of
8 each month, quarter, or other period consisting of one or more months. A dealer license plate
9 may be transferred from one vehicle to another. When the Division issues a dealer plate, it may
10 issue a registration that expires at the end of any monthly interval. When one of the following
11 occurs, a dealer must surrender to the Division all dealer license plates issued to the dealer:

- 12 (1) The dealer surrenders the license issued to the dealer under Article 12 or
13 Article 19 of this Chapter.
- 14 (2) The Division suspends or revokes the license issued to the dealer under Article
15 12 or Article 19 of this Chapter.
- 16 (3) The Division rescinds the dealer license plates because of a violation of the
17 restrictions on the use of a dealer license plate.

18 To obtain a dealer license plate after it has been surrendered, the dealer must file a new
19 application for a dealer license plate and pay the required fee for the plate.

20 ...

21 (h) Definition. – For purposes of this section, the term "dealer" means a person who is
22 licensed under Article 12 or Article 19 of this Chapter."

23 **SECTION 4.(f)** G.S. 20-79.01(a) reads as rewritten:

24 "(a) Application. – A dealer who is licensed under Article 12 or Article 19 of this Chapter
25 and who agrees to loan to another for use at a special sports event a vehicle that could display a
26 dealer license plate if driven by an officer or employee of the dealer may obtain a temporary
27 special sports event license plate for that vehicle by filing an application with the Division and
28 paying the required fee. A "special sports event" is a sports event that is held no more than once
29 a year and is open to the public. An application must be filed on a form provided by the Division
30 and contain the information required by the Division. The fee for a temporary special sports event
31 license plate is five dollars (\$5.00)."

32 **SECTION 4.(g)** G.S. 20-79.02(a) reads as rewritten:

33 "(a) Application; Fee. – A franchised motor vehicle dealer, as defined in G.S. 20-286(8b)
34 and licensed in accordance with Article 12 of this Chapter, or a recreational vehicle dealer
35 licensed in accordance with Article 19 of this Chapter who agrees to loan, with or without charge,
36 a new motor vehicle owned by the dealer to a customer of the dealer who is having his or her
37 vehicle serviced by the dealer, may obtain a Loaner/Dealer "LD" license plate for the vehicle by
38 filing an application with the Division and paying the required fee. Receipt by a franchised motor
39 vehicle dealer of compensation or other consideration from a manufacturer, distributor,
40 manufacturer branch, distributor branch, third-party warranty, maintenance or service contract
41 company, or other third-party source related to a vehicle, including, but not limited to, incentive
42 compensation or reimbursement for maintenance, repairs, or other work performed on the
43 vehicle, does not prevent the franchised motor vehicle dealer from receiving an LD license plate
44 for the vehicle. An application must be filed on a form provided by the Division and contain the
45 information required by the Division. The annual fee for an LD license plate is two hundred
46 dollars (\$200.00) per 12 calendar months."

47 **SECTION 4.(h)** G.S. 20-79.1A(a)(1) reads as rewritten:

- 48 "(1) A person who applies, either directly or through a dealer licensed under
49 Article 12 or Article 19 of this Chapter, for a title to a motor vehicle and a
50 registration plate for the vehicle and who submits payment for the applicable
51 title and registration fees but does not submit payment for any municipal

1 corporation property taxes on the vehicle. A person who submits payment for
2 municipal corporation property taxes receives an annual registration plate."

4 **EFFECTIVE DATE**

5 **SECTION 5.** This act is effective when it becomes law and applies to all agreements
6 entered into on or after the date 12 months after the effective date.
