A DILL TO DE ENTITLED

1	A BILL TO BE ENTITLED
2	AN ACT TO PROVIDE HEALTH COVERAGE TO RESIDENTS OF NORTH CAROLINA
3	UNDER THE NC HEALTH CARE FOR WORKING FAMILIES PROGRAM AND TO
4	ESTABLISH THE NORTH CAROLINA RURAL ACCESS TO HEALTHCARE GRANT
5	PROGRAM.
6	Whereas, there are 1,083,000 citizens in North Carolina who have no health
7	insurance; and
8	Whereas, the majority of these uninsured individuals aged 19 to 64 are employed, but
9	they are either not employed full-time or are not making enough money to afford health insurance
10	coverage; and
11	Whereas, the State is currently incurring the cost of care for these uninsured
12	individuals as they seek uncompensated care at one of the North Carolina hospital emergency
13	departments; and
14	Whereas, because these uninsured individuals cannot afford preventive care, they do
15	not seek care until they are very ill and the cost of care is very high; and
16	Whereas, these uninsured individuals lose time on the job, often become chronically
17	ill, and may suffer advanced or even terminal illness because they are unable to afford early care;
18	and
19	Whereas, the State has the opportunity to develop and implement a unique, carefully
20	controlled program to address this coverage gap; and
21	Whereas, the North Carolina model addressing this coverage gap will include a work
22	requirement for participants; and
23	Whereas, the North Carolina model addressing this coverage gap will be paid for with
24	a combination of participant premiums, intergovernmental transfers, current hospital
25	assessments, gross premiums tax revenue, newly enacted hospital assessments, and federal funds;
26	and
27	Whereas, the North Carolina model addressing this coverage gap will not increase the
28	cost to consumers or tax payers as a result of the increased gross premiums tax revenue and the
29	new hospital assessment; and
30	Whereas, federal law directs that the federal share for the North Carolina model
31	addressing the coverage gap is ninety percent (90%) for calendar year 2020 and each year
32	thereafter under 42 U.S.C. § 1396d(y)(1)(E); and
33	Whereas, the North Carolina model addressing this coverage gap will not add to the
34	national debt; Now, therefore,

1 2	PART I. NC HEALTH CARE FOR WORKING FAMILIES.			
23				
4	SECTION 1. NC Health Care for Working Families. – It is the intent of the General			
	Assembly to facilitate the design of a health care program that addresses the needs of citizens of			
5	North Carolina committed to a healthy lifestyle who are ineligible for Medicaid due to their			
6	income levels, but who are otherwise unable to afford health insurance. To meet these needs, the			
7	Department of Health and Human Services (DHHS) shall design a program to be known as "NC			
8	Health Care for Working Families." DHHS is encouraged to advocate to the federal government			
9	for any changes to the current operations of the Medicaid program at the federal level as may be			
10	needed to obtain approval for the program with the maximum federal financial participation			
11	possible. In designing the NC Health Care for Working Families program, DHHS shall comply			
12	with the components of the program outlined in this act and shall have the authority to determine			
13	specific details relating to each of the program components.			
14	SECTION 2. Population to be covered. – The Department of Health and Human			
15	Services shall provide NC Health Care for Working Families program coverage to residents of			
16	North Carolina who meet all of the following criteria:			
17	(1) The resident meets all federal Medicaid citizenship and immigration			
18	requirements.			
19	(2) The resident is not eligible for Medicaid under the currently established North			
20	Carolina Medicaid program eligibility criteria.			
21	(3) The resident's modified adjusted gross income (MAGI) does not exceed one			
22	hundred thirty-three percent (133%) of the federal poverty level.			
23	(4) The resident is not entitled to or enrolled in Medicare Part A or Medicare Part			
24	B benefits.			
25	(5) The resident is an adult who is no younger than age 19 and no older than age			
26	64.			
27	In defining residency for the purposes of eligibility for the NC Health Care for			
28	Working Families program, the Department of Health and Human Services shall do so in a			
29	manner consistent with the residency requirements under North Carolina's Medicaid State Plan.			
30	SECTION 3. Health care coverage. – The benefit package designed by the			
31	Department of Health and Human Services (DHHS) shall be similar to the coverage provided			
32	under North Carolina's 2017 Essential Health Benefits Benchmark Plan and the Blue Cross and			
33	Blue Shield of North Carolina Blue Options Preferred Provider Organization (PPO) Plan and			
34	shall comply with applicable federal requirements governing Alternative Benefit Plans. The			
35	benefit package designed by DHHS shall also focus on preventive care and participant wellness.			
36	Prepaid Health Plans, as defined under G.S. 108D-1, shall manage the benefits for the population			
37	covered by the NC Health Care for Working Families program through capitated contracts.			
38	SECTION 4. Participant contributions. – NC Health Care for Working Families			
39	program participants shall pay an annual premium, billed monthly, that is set at two percent (2%)			
40	of the participant's household income. Participant contributions shall be utilized to fund the			
41	program as required by Section 7 of this act. Failure of a program participant to make a premium			
42	contribution within 120 days of its due date shall result in the suspension of the program			
43	participant from the program unless that program participant shows that he or she is exempt from			
44	the premium requirements prior to the expiration of that 120-day period. An individual who was			
45	suspended from the program for nonpayment of the monthly premium may reactivate coverage			
46	if that individual meets the eligibility requirements and pays the total amount in previously			
47	unpaid premiums owed by the individual. The Department of Health and Human Services			
48	(DHHS) shall adopt rules related to premium requirements, including exemptions from the			
49	requirements. Exemption from the premium requirements shall include only the following			
50	criteria:			

	General Assembly Of North Carolina	Session 2019
1	(1) The participant's household income is below fifty percent (50%) of the federal
2 3	poverty guidelines.	
	 (2) The participant has a medical hardship. (2) The participant has a financial hardship.
