SECTION 4.2.(a) Program. – Of the funds appropriated in this act from the Coronavirus Relief Fund, the sum of one hundred twenty-five million dollars (\$125,000,000) is allocated to the Office of State Budget and Management for Golden LEAF to provide grants to entities for the purpose of making emergency loans to assist small businesses with business needs during periods of economic hardship occasioned by the COVID-19 epidemic. It is the intent of the General Assembly for an equitable portion of funds allocated in this section to be used for the benefit of historically underutilized small businesses. The following shall apply to the program and loans made under the program:

- (1) Golden LEAF shall require a lender to provide assistance to, or direct to an appropriate entity that provides assistance to, a qualifying business with applying for available federal assistance.
- (2) Golden LEAF shall require a lender to prioritize loans for establishments (i) with 100 or fewer full-time equivalent employees determined as of the State of Emergency (ii) that are independently owned by a qualifying business.
- (3) Golden LEAF shall work with the N.C. Small Business Center Network, the Office of Historically Underutilized Businesses within the Department of Administration, the N.C. Small Business and Technology Development Center, the Institute of Minority Economic Development, Inc., and other similar entities with the goal of ensuring all qualifying businesses are aware of the program.
- (4) The loan shall have an interest rate of up to four percent (4%) before the date of a triggering event and an interest rate of at least five and one-half percent (5.5%) on and after the date of a triggering event.
- (5) The term of the loan shall not exceed 66 months and shall be amortized over the term of the loan.
- (6) A qualifying business shall certify in writing that it will use a loan provided under the program for employee compensation, mortgage, rent, utilities, and other operating costs and expenses incurred on behalf of a business located in this State.
- (7) A loan provided under the program is limited to no more than fifty thousand dollars (\$50,000) per qualifying business.
- (8) Upon the occurrence of a triggering event, repayment of the loan shall commence. A triggering event occurs six months following the closing of a loan made under the program.
- (9) Loans are made pursuant to an agreement with a qualifying business that includes at least the following:

 - c. A provision requiring the qualifying business to first repay the loan amount with any federal assistance received by the business that represents a duplication of benefits; provided that, the repayment does not disqualify or impair the federal assistance available to the business.
 - d. A provision requiring the loan is secured through a Uniform Commercial Code financing statement.

1 e. A provision requiring recapture of loans funds if a business fails to
2 comply with the requirements of the program. The lender shall
