5 The General Assembly of North Carolina enacts:

6 SECTION 1. Article I of the North Carolina Constitution is amended by adding a  
7 new section to read:

8 "**Sec. 39. Right to inverse condemnation for business closed during state of emergency.**

9 (1) Cause of action. An order issued by the Governor or a unit of local government due  
10 to a state of emergency declared by the Governor that requires a business to partially or  
11 completely close is a public use. An owner of a business partially or completely closed as  
12 described in this subsection may bring an action in the superior court of the county where the  
13 business is located to compel the State or unit of local government to commence condemnation  
14 proceedings and payment of just compensation for all of the following:

15 (a) Loss of income during, and for a reasonable period of time after, a temporary  
16 partial or complete closure of the business that would not have occurred but  
17 for compliance with the order described in this subsection.

18 (b) Loss of going concern, including the loss of real property, if the closure of the  
19 business results in the owner going out of business and the owner would not  
20 have gone out of business but for compliance with the order described in this  
21 subsection.

22 (2) Burden of proof. The owner of the business has the burden of proving that the loss is  
23 due to the order described in subsection (1) of this section and proving the amount of the  
24 compensation for losses. An owner bringing an action under this section may petition the court  
25 for reimbursement of reasonable costs and expenses, including reasonable attorney fees,  
26 appraisal fees, and costs actually incurred in bringing the action.

27 (3) Limitation. A petition for just compensation brought under this section must be filed  
28 within one year of the expiration of the order that resulted in the business closure.

29 (4) Implementation. The General Assembly may prescribe general laws to further define  
30 and implement this section."

31 SECTION 2. The amendment set out in Section 1 of this act shall be submitted to  
32 the qualified voters of the State at the general election held in 2020, which election shall be  
33 conducted under the laws then governing elections in the State. The question to be used in the  
34 voting systems and ballots shall be:

2 condemnation action if the owner's business is partially or completely closed by an order issued

4 Governor."

5 **SECTION 3.** If a majority of votes cast on the question are in favor of the amendment  
6 set out in Section 1 of this act, the State Board of Elections shall certify the amendment to the  
7 Secretary of State. The Secretary of State shall enroll the amendment so certified among the  
8 permanent records of that office. The amendment set out in Section 1 of this act becomes  
9 effective upon certification and applies to business closures on or after that date.
