26 reinspected at the same station at any time within 60 days of the failed inspection without paying  
27 another inspection fee.

28 The inspection fee for an emissions and safety inspection set out in this subsection is the  
29 maximum amount that an inspection station or an inspection mechanic may charge for an  
emissions and safety inspection of a vehicle. An inspection station or an inspection mechanic  
may charge the maximum amount or any lesser amount for an emissions and safety inspection
