- 1 (21) Refusing to appear before the Board after having been ordered to do so in
2 writing by the chair.
- 3 (b) Upon proof that an applicant or licensee under this Article has engaged in any of the
4 prohibited actions specified in subsection (a) of this section, the Board may, in lieu of denial,
5 suspension, or revocation, do all of the following:
- 6 (1) Issue a formal reprimand or formally censure the applicant or licensee.
7 (2) Place the applicant or licensee on probation with appropriate conditions as the
8 Board may deem advisable.
- 9 (3) Require examination, remediation, or rehabilitation for the applicant or

21 a revoked or suspended license.
- 22 (c) In lieu of or in connection with any disciplinary proceedings or investigation, the
23 Board may enter into a consent order relative to the discipline, supervision, probation,

- 25 (d) The Board may assess costs of disciplinary action against an applicant or licensee
26 found to be in violation of this Article.
- 27 (e) When considering whether an applicant or licensee is physically or mentally capable
28 of practicing behavior analysis with reasonable skill and safety with patients or clients, the Board
29 may petition a court of competent jurisdiction to order the applicant or licensee to submit to a
30 psychological evaluation by a psychologist to determine psychological status or a physical
31 evaluation by a physician to determine physical condition, or both, upon a showing of probable
32 cause to the Board that the applicant or licensee is not capable of practicing behavior analysis
33 with reasonable skill and safety with patients or clients. The psychologist or physician that
34 conducts an evaluation of the applicant or licensee shall be designated by the court of competent
35 jurisdiction. The Board shall be responsible for the expenses of evaluations ordered under this
36 subsection. If the applicant or licensee raises the issue of mental or physical competence or
37 appeals a decision regarding mental or physical competence, the applicant or licensee shall be
38 permitted to obtain an evaluation at the applicant's or licensee's expense. If the Board suspects
39 the objectivity or adequacy of the evaluation, the Board may compel an evaluation by its
40 designated practitioners at its own expense.
- 41 (f) Except as provided otherwise in this Article, the procedure for revocation, suspension,
42 denial, limitations of the license, or other disciplinary, remedial, or rehabilitative actions shall be
43 in accordance with the provisions of Chapter 150B of the General Statutes. The Board is required
44 to provide the opportunity for a hearing under Chapter 150B of the General Statutes to any
45 applicant whose license is denied or to whom licensure is offered subject to any restrictions,
46 probation, disciplinary action, remediation, or other conditions or limitations or to any licensee
47 before revoking, suspending, or restricting a license or imposing any other disciplinary action or
48 remediation. If the applicant or licensee waives the opportunity for a hearing, the Board's denial,
49 revocation, suspension, or other proposed action becomes final without a hearing having been
50 conducted. Notwithstanding the foregoing, no applicant or licensee is entitled to a hearing for
51 failure to pass an examination.

1 (g) In any proceeding, record of hearing, complaint, notice of charges, or decision before
 2 the Board, the Board may withhold from public disclosure the identity of any clients or patients
 3 who have not consented to the public disclosure of behavior analysis services having been
 4 provided by the licensee or applicant. The Board may close a hearing to the public and receive
 5 in executive session evidence involving or concerning the treatment of or delivery of behavior
 6 analysis services to a client or a patient who has not consented to the public disclosure of
 7 treatment or services as may be necessary for the protection and rights of the patient or client of
 8 the accused applicant or licensee and the full presentation of relevant evidence. All records,
 9 papers, and other documents containing information collected and compiled by or on behalf of
 10 the Board, as a result of investigations, inquiries, or interviews conducted in connection with
 11 licensing or disciplinary matters, will not be considered public records as defined in G.S. 132-1.
 12 However, any notice or statement of charges, notice of hearing, or decision against or to any
 13 licensee or applicant shall be a public record notwithstanding that it may contain information
 14 collected and compiled as a result of an investigation, inquiry, or hearing except that identifying
 15 information concerning the treatment or delivery of services to a patient or client who has not
 16 consented to the public disclosure of treatment or services shall be deleted. If any record, paper,
 17 or other document containing information collected and compiled by or on behalf of the Board
 18 is received and admitted in evidence in any hearing before the Board, it shall be a public record,
 19 subject to any deletions of identifying information concerning the treatment or delivery of
 20 behavior analysis services to a patient or client who has not consented to the public disclosure of
 21 treatment or services.

22 (h) A license issued under this Article is suspended automatically by operation of law
 23 after failure to renew a license for a period of more than 60 days after the renewal date. The
 24 Board may reinstate a license suspended under this subsection upon payment of a fee as specified
 25 in G.S. 90-726.13 and may require that the applicant file a new application, furnish references,
 26 update credentials, or submit to examination for reinstatement. Notwithstanding any provision to
 27 the contrary, the Board retains full jurisdiction to investigate alleged violations of this Article by
 28 any individual whose license is suspended under this subsection, and, upon proof of any violation
 29 of this Article by any individual, the Board may take disciplinary action as authorized by this
 30 section.

31 (i) An individual whose license has been denied or revoked may reapply to the Board for
 32 licensure after the passage of one calendar year from the date of the denial or revocation.

33 (j) A licensee may voluntarily relinquish a license at any time with the consent of the
 34 Board. The Board may delay or refuse granting consent as necessary in order to investigate any
 35 pending complaint, allegation, or issue regarding violation of any provision of this Article by the
 36 licensee. Notwithstanding any provision to the contrary, the Board retains full jurisdiction to
 37 investigate alleged violations of this Article by any individual whose license is relinquished under
 38 this subsection, and, upon proof of any violation of this Article by any individual, the Board may
 39 take disciplinary action as authorized by this section.

40 (k) The Board may adopt rules to interpret and implement the provisions of this section.

41 **"§ 90-726.13. Fees.**

42 The Board may collect fees established by its rules, but those fees shall not exceed the
 43 amounts listed below:

44 (1)	<u>Application fee for licensure.....</u>	<u>\$250.00.</u>
45 (2)	<u>License renewal.....</u>	<u>\$200.00.</u>
46 (3)	<u>Late renewal fee.....</u>	<u>\$50.00.</u>
47 (4)	<u>Reciprocal license application.....</u>	<u>\$250.00.</u>
48 (5)	<u>Temporary license application.....</u>	<u>\$100.00.</u>

49 **"§ 90-726.14. Criminal history record checks of applicants for licensure.**

50 (a) All applicants for licensure shall consent to a criminal history record check. Refusal
 51 to consent to a criminal history record check may constitute grounds for the Board to deny

1 licensure to an applicant. The Board shall ensure that each applicant has completed a criminal
2 history record check and fingerprinting by the North Carolina Department of Justice, consenting
3 to the criminal history record check and the use of fingerprints and other identifying information
4 required by the State or National Repositories, and any additional information required by the
5 Department of Justice. The Board shall keep all information obtained in accordance with this
6 section confidential.

7 (b) The cost of the criminal history record check and the fingerprinting shall be paid by
8 the applicant. The Board may collect any fees required by the Department of Justice and may
9 remit the fees to the Department of Justice for expenses associated with conducting the criminal
10 history record check.

11 (c) If an applicant's criminal history record reveals one or more criminal convictions, the
12 conviction shall not automatically bar licensure. The Board shall consider all of the following
13 factors regarding the conviction:

14 (1) The level of seriousness of the crime.

15 (2) The date of the crime.

16 (3) The age of the individual at the time of conviction.

17 (4) The circumstances surrounding the commission of the crime, if known.

18 (5) The nexus between the criminal conduct of the individual and the job duties
19 of the position to be filled.

20 (6) The applicant's prison, jail, probation, parole, rehabilitation, and employment
21 records since the date the crime was committed.

22 (d) If, after reviewing the factors, the Board determines that any of the grounds to deny
23 licensure exist, the Board may deny licensure of the applicant. The Board may disclose to the
24 applicant information contained in the criminal history record that is relevant to the denial if
25 disclosure of the information is permitted by applicable State and federal law. The Board shall
26 not provide a copy of the criminal history to the applicant. The applicant shall have the right to
27 appear before the Board to appeal the Board's decision. An appearance before the full Board shall
28 constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the
29 General Statutes.

30 (e) The Board, its officers, and employees, acting in good faith and in compliance with
31 this section, shall be immune from civil liability for denying licensure to an applicant based on
32 information provided in the applicant's criminal history record.

33 **"§ 90-726.15. Exemptions from licensure.**

34 An individual is exempt from the requirements of this Article if any of the following
35 conditions are met:

36 (1) The individual is a licensed psychologist or psychological associate in this
37 State or provides ancillary services in accordance with G.S. 90-270.154.

38 (2) The individual is a behavior technician delivering applied behavior analysis
