21 **SECTION 1.** The General Assembly authorizes the Department of Natural and
22 Cultural Resources to add the Dan River Trail in Stokes and Rockingham Counties to the State
23 Parks System as a State trail, as provided in G.S. 143B-135.54(b). The Department shall support,
24 promote, encourage, and facilitate the establishment of trail segments on State park lands and on
25 lands of other federal, State, local, and private landowners. On segments of the Dan River State
26 Trail that cross property controlled by agencies or owners other than the Department's Division
27 of Parks and Recreation, the laws, rules, and policies of those agencies or owners shall govern
28 the use of the property. The requirement of G.S. 143B-135.54(b) that additions be accompanied
29 by adequate appropriations for land acquisition, development, and operations shall not apply to
30 the authorization set forth in this section; provided, however, that the State may receive donations
31 of appropriate land and may purchase other needed lands for the Dan River State Trail with
32 existing funds in the Land and Water Fund, the Parks and Recreation Trust Fund, the federal
33 Land and Water Conservation Fund, and other available sources of funding.

34 **SECTION 2.** This act is effective when it becomes law.
