23 NEW MOTOR VEHICLE DEALER PLATE NUMBERING

24 **SECTION 3.(a)** G.S. 20-79(c) reads as rewritten:

25 "(c) Form and Duration. – A dealer license plate is subject to G.S. 20-63, except for the
26 requirement that the plate display the registration number of a motor vehicle and the requirement
27 that the plate be a "First in Flight" plate, a "First in Freedom" plate, or a "National/State Mottos"
28 plate. A dealer license plate must have a distinguishing symbol identifying the plate as a dealer
29 license plate. The symbol may vary depending upon the classification of dealer license plate
30 issued. The Division must provide suitably reduced sized license plates for motorcycle dealers
31 and manufacturers.

32 A dealer license plate issued to a new motor vehicle dealer, as that term is defined in
33 G.S. 20-286, shall bear a unique number for each licensed new motor vehicle dealer followed by
34 a hyphen and then by the numbers "001" for the first dealer plate issued to that dealer and
35 thereafter numbered sequentially for the remainder of the dealer plates issued to that dealer.

36 A dealer license plate is issued for a period of one year. The Division shall vary the expiration
37 dates of dealer registration renewals so that an approximately equal number expires at the end of
38 each month, quarter, or other period consisting of one or more months. A dealer license plate
39 may be transferred from one vehicle to another. When the Division issues a dealer plate, it may
40 issue a registration that expires at the end of any monthly interval. When one of the following
41 occurs, a dealer must surrender to the Division all dealer license plates issued to the dealer:

- 42 (1) The dealer surrenders the license issued to the dealer under Article 12 of this
43 Chapter.
- 44 (2) The Division suspends or revokes the license issued to the dealer under Article
45 12 of this Chapter.
- 46 (3) The Division rescinds the dealer license plates because of a violation of the
47 restrictions on the use of a dealer license plate.

48 To obtain a dealer license plate after it has been surrendered, the dealer must file a new
49 application for a dealer license plate and pay the required fee for the plate."

50 **SECTION 3.(b)** This section becomes effective October 1, 2021, and applies to
51 dealer plates issued on or after this date.
