### NEW MOTOR VEHICLE DEALER PLATE NUMBERING

**SECTION 3.(a)** G.S. 20-79(c) reads as rewritten:

Form and Duration. – A dealer license plate is subject to G.S. 20-63, except for the requirement that the plate display the registration number of a motor vehicle and the requirement that the plate be a "First in Flight" plate, a "First in Freedom" plate, or a "National/State Mottos" plate. A dealer license plate must have a distinguishing symbol identifying the plate as a dealer license plate. The symbol may vary depending upon the classification of dealer license plate issued. The Division must provide suitably reduced sized license plates for motorcycle dealers and manufacturers.

Notwithstanding G.S. 20-52.1, 20-72, and 20-75, nothing contained in those sections

A dealer license plate issued to a new motor vehicle dealer, as that term is defined in G.S. 20-286, shall bear a unique number for each licensed new motor vehicle dealer followed by a hyphen and then by the numbers "001" for the first dealer plate issued to that dealer and thereafter numbered sequentially for the remainder of the dealer plates issued to that dealer.

A dealer license plate is issued for a period of one year. The Division shall vary the expiration dates of dealer registration renewals so that an approximately equal number expires at the end of each month, quarter, or other period consisting of one or more months. A dealer license plate may be transferred from one vehicle to another. When the Division issues a dealer plate, it may issue a registration that expires at the end of any monthly interval. When one of the following occurs, a dealer must surrender to the Division all dealer license plates issued to the dealer:

- The dealer surrenders the license issued to the dealer under Article 12 of this (1)
- The Division suspends or revokes the license issued to the dealer under Article (2) 12 of this Chapter.
- (3) The Division rescinds the dealer license plates because of a violation of the restrictions on the use of a dealer license plate.

To obtain a dealer license plate after it has been surrendered, the dealer must file a new application for a dealer license plate and pay the required fee for the plate."

**SECTION 3.(b)** This section becomes effective October 1, 2021, and applies to dealer plates issued on or after this date.
