A BILL TO BE ENTITLED
AN ACT TO ESTABLISH AND FUND THE STREAMFLOW REHABILITATION ASSISTANCE PROGRAM AND TO PROVIDE ADDITIONAL FUNDING FOR THE COMMUNITY CONSERVATION ASSISTANCE PROGRAM.
The General Assembly of North Carolina enacts:

PART I. ESTABLISHMENT AND FUNDING OF STREAMFLOW REHABILITATION ASSISTANCE PROGRAM

SECTION 1.1.(a) Chapter 139 of the General Statutes is amended by adding a new Article to read:

"Article 6.
"Streamflow Rehabilitation Assistance Program.

§ 139-65. Streamflow Rehabilitation Assistance Program.

(a) Program Established. – The Streamflow Rehabilitation Assistance Program is established. The purpose of the Program shall be to assist an eligible grantee in protecting and restoring the integrity of drainage infrastructure through routine maintenance to existing streams and drainage ways by removing blockages caused by accumulated debris or sediment. Program funds may also be used to provide nonfederal match for related disaster recovery activities funded by the federal government. For purposes of this section, an "eligible grantee" shall include any of the following:

(1) A Soil and Water Conservation District established under this Chapter.
(2) A political subdivision, including a city, a county, a water or sewer authority established under Chapter 162A of the General Statutes, a metropolitan or county water or sewer district established under Chapter 162A of the General Statutes, a county service district established under Chapter 153A of the General Statutes, a sanitary district established under Chapter 130A of the General Statutes, and a drainage district established under Chapter 156 of the General Statutes.
(3) A nonprofit organization.

(b) Program Administration. – The Soil and Water Conservation Commission shall supervise and administer the Streamflow Rehabilitation Assistance Program as provided in this section.

(c) Program Functions. – Under the Streamflow Rehabilitation Assistance Program, the Soil and Water Conservation Commission shall do the following:
Within funds available for this Program, State funding shall be limited to a maximum of fifty thousand dollars ($50,000) per project, to be matched by an eligible grantee based on the economic development tier status, as defined in G.S. 143B-437.08, of the county where the project is located, as follows:

a. Eligible grantees in economic development tier one counties shall provide one dollar ($1.00) for every three dollars ($3.00) in State funds.

b. Eligible grantees in economic development tier two counties shall provide one dollar ($1.00) for every two dollars ($2.00) in State funds.

c. Eligible grantees in economic development tier three counties shall provide one dollar ($1.00) for every dollar ($1.00) in State funds.

For purposes of this subdivision, eligible grantees with projects located in more than one county shall be considered to be in the county with the lower-numbered development tier.

Establish criteria to allocate funds to eligible grantees.

Develop a process for soliciting and reviewing applications and for selecting applicants to participate in the Program.

Adopt temporary and permanent rules as necessary to implement this Program.

Restriction on Funded Activities. – The Commission shall ensure that debris removed from streams with funds provided under this Article are either removed from the 100-year floodplain or processed in such a manner that the debris would not pose a risk of blockage or significant impairment of normal streamflow during a subsequent flood event. For purposes of this subsection, "100-year floodplain" means any area subject to inundation by the one percent (1%) annual chance flood event, as indicated on the most recent Flood Insurance Rate Map prepared by the Federal Emergency Management Agency under the National Flood Insurance Program.

For purposes of this subsection, "100-year floodplain" means any area subject to inundation by the one percent (1%) annual chance flood event, as indicated on the most recent Flood Insurance Rate Map prepared by the Federal Emergency Management Agency under the National Flood Insurance Program.

No later than January 31 of each year, the Division of Soil and Water Conservation of the Department of Agriculture and Consumer Services shall prepare a comprehensive report on the implementation of this section. The report shall be submitted to the Environmental Review Commission and the Fiscal Research Division as a part of the report required by G.S. 106-850(e)."

"(d3) Subsection (a) of this section does not apply to an application for or the receipt of a grant under the Agriculture Cost Share Program for Nonpoint Source Pollution Control created pursuant to Article 72 of Chapter 106 of the General Statutes, the Community Conservation Assistance Program created pursuant to Article 73 of Chapter 106 of the General Statutes, or the Agricultural Water Resources Assistance Program created pursuant to Article 5 of Chapter 139 of the General Statutes an exempted public program by a member of the Soil and Water Conservation Commission if the requirements of G.S. 139-4(e) are met, and does not apply to a district supervisor of a soil and water conservation district if the requirements of G.S. 139-8(b) are met. For purposes of this subsection, an exempted public program is any of the following:

(1) The Agriculture Cost Share Program for Nonpoint Source Pollution Control created pursuant to Article 72 of Chapter 106 of the General Statutes.

(2) The Community Conservation Assistance Program created pursuant to Article 73 of Chapter 106 of the General Statutes.

(3) The Agricultural Water Resources Assistance Program created pursuant to Article 5 of Chapter 139 of the General Statutes.

(4) The Streamflow Rehabilitation Assistance Program created pursuant to Article 6 of Chapter 139 of the General Statutes."

SECTION 1.1.(c) G.S. 139-4(d) reads as rewritten:
In addition to the duties and powers hereinafter conferred upon the Soil and Water Conservation Commission, it shall have the following duties and powers:

... (9) To create, implement, and supervise the Agriculture Cost Share Program for Nonpoint Source Pollution Control created pursuant to Article 72 of Chapter 106 of the General Statutes, the Community Conservation Assistance Program created pursuant to Article 73 of Chapter 106 of the General Statutes, and the Agricultural Water Resources Assistance Program created pursuant to Article 139 of Chapter 106 of the General Statutes, the Streamflow Rehabilitation Assistance Program created pursuant to Article 6 of this Chapter.

(10) To review and approve or disapprove the application of a district supervisor for a grant under the Agriculture Cost Share Program for Nonpoint Source Pollution Control, the Community Conservation Assistance Program, or the Agricultural Water Resources Assistance Program as provided by G.S. 139-8(b).

SECTION 1.1.(d) G.S. 139-4(e) reads as rewritten:

"(e) A member of the Commission or an organization or unit of local government of which the member is an employee, officer, or elected member of the governing body may apply for and receive a grant under the Agriculture Cost Share Program for Nonpoint Source Pollution Control, the Community Conservation Assistance Program, or the Agricultural Water Resources Assistance Program, or the Streamflow Rehabilitation Assistance Program if:

1. The member does not vote on the application or attempt to influence the outcome of any action on the application; and

2. The application is approved by the Commissioner of Agriculture."

SECTION 1.1.(e) G.S. 139-8(b) reads as rewritten:

"(b) A district supervisor or an organization or unit of local government of which the supervisor is an employee, officer, or elected member of the governing body may apply for and receive a grant under the Agriculture Cost Share Program for Nonpoint Source Pollution Control created pursuant to Article 72 of Chapter 106 of the General Statutes, the Community Conservation Assistance Program created pursuant to Article 73 of Chapter 106 of the General Statutes, or the Agricultural Water Resources Assistance Program created pursuant to Article 6 of this Chapter if:

1. The district supervisor does not vote on the application or attempt to influence the outcome of any action on the application; and

2. The application is approved by the Commission."

SECTION 1.2.(a) All remaining funds in the Coronavirus Relief Reserve created under Section 2.1 of S.L. 2020-4, not to exceed five million dollars ($10,000,000) are transferred to the Coronavirus Relief Fund created under Section 2.2 of S.L. 2020-4.

SECTION 1.2(b). The total amount of funds remaining in the Coronavirus Relief Fund as of the effective date of this act, not to exceed five million dollars ($5,000,000), in nonrecurring funds for the 2021-2022 fiscal year and five million dollars ($5,000,000), in nonrecurring funds for the 2022-2023 fiscal year is appropriated to the Department of Agriculture and Consumer Services for the Soil and Water Conservation Commission for cost-sharing grants under the Streamflow Rehabilitation Assistance Program established in Section 1.1 of this act.

In each fiscal year, the Commission shall ensure that fifty thousand dollars ($50,000) is available to eligible grantees from each county. If there is not enough eligible grantees from a county to use the fifty thousand dollars ($50,000) reserved for recipients in that county during the initial round of grants, the Commission may award such unused funds to an eligible grantee in another county having the same economic development tier ranking, as defined in G.S. 143B-437.08. For
purposes of this section, eligible grantees located in more than one county shall be considered to be in the county with the lower-numbered development tier.

SECTION 1.2.(c) If the appropriation under subsection (b) of this section does not total five million dollars ($5,000,000), in nonrecurring funds for the 2021-2022 fiscal year and five million dollars ($5,000,000), in nonrecurring funds for the 2022-2023 fiscal year, then the remaining funds necessary to achieve a total of five million dollars in each year of the 2021-2023 fiscal biennium shall be appropriated from the General Fund in nonrecurring funds for the 2021-2023 fiscal biennium as allocated in this subsection.

PART II. SUPPLEMENTAL FUNDING FOR COMMUNITY CONSERVATION ASSISTANCE PROGRAM

SECTION 2.1. The sum of one million five hundred thousand dollars ($1,500,000) in nonrecurring funds for the 2021-2022 fiscal year is appropriated from the General Fund to the Department of Agriculture and Consumer Services for the Soil and Water Conservation Commission to support the Community Conservation Assistance Program (CCAP) created pursuant to Article 73 of Chapter 106 of the General Statutes. The Commission shall use the funds appropriated by this section to provide cost-share funding through CCAP for the installation of stormwater best management practices by nonagricultural landowners and land users.

PART III. NONREVERT AND EFFECTIVE DATE

SECTION 3. Funds appropriated by Sections 1.2 and 2.1 of this act shall not revert, but remain available for expenditure for the purposes set forth herein.

SECTION 4. Sections 1.2 and 2.1 of this act become effective July 1, 2021. The remainder of this act is effective when it becomes law.
