A BILL TO BE ENTITLED

AN ACT TO ADJUST THE PER TRANSACTION RATES FOR CERTAIN VEHICLE REGISTRATION SERVICES AND PROVIDE FOR COLLABORATION BETWEEN THE DIVISION OF MOTOR VEHICLES AND LICENSE PLATE AGENTS WHEN DETERMINING COMPENSATION FOR TASKS NOT SUBJECT TO THE PER TRANSACTION RATES.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 20-63(h) reads as rewritten:

"(h) Commission Contracts for Issuance of Plates and Certificates. – All registration plates, registration certificates, and certificates of title issued by the Division, outside of those issued from the office of the Division located in Wake, Cumberland, or Mecklenburg Counties and those issued and handled through the United States mail, shall be issued insofar as practicable and possible through commission contracts entered into by the Division for the issuance of the plates and certificates in localities throughout North Carolina, including military installations within this State, with persons, firms, corporations or governmental subdivisions of the State of North Carolina. The Division shall make a reasonable effort in every locality, except as noted above, to enter into a commission contract for the issuance of the plates and certificates and a record of these efforts shall be maintained in the Division. In the event the Division is unsuccessful in making commission contracts, it shall issue the plates and certificates through the regular employees of the Division. Whenever registration plates, registration certificates, and certificates of title are issued by the Division through commission contract arrangements, the Division shall provide proper supervision of the distribution. Nothing contained in this subsection allows or permits the operation of fewer outlets in any county in this State than are now being operated.

The terms of a commission contract entered under this subsection shall specify the duration of the contract and either include or incorporate by reference standards by which the Division may supervise and evaluate the performance of the commission contractor. The duration of an initial commission contract may not exceed eight years and the duration of a renewal commission contract may not exceed two years. The Division may award monetary performance bonuses, not to exceed an aggregate total of ninety thousand dollars (\$90,000) annually, to commission contractors based on their performance.

The amount of compensation payable to a commission contractor is determined on a per transaction basis. The collection of a civil penalty imposed by G.S. 20-311 for a lapse in financial responsibility is a separate transaction for which
