For the purposes of this formula, "y" equals the percentage of payback and "x" equals the amount of time."

SECTION 3. To recover the loss of call center employees within the State, the call center employer in partnership with the North Carolina Community College System shall implement a program for the retraining of affected employees who have become unemployed due to the relocation of a call center outside of the State. Each relocating call center employer shall remit retraining tuition for its former employees to the office of the North Carolina Community College System to be used within 18 months of displacement or the tuition will be forfeited.

SECTION 4. No provision of this act shall be construed to permit withholding or denial of payments, compensation, or benefits under any other State law (including State unemployment compensation, disability payments, or worker retraining or adjustment funds) to workers employed by call center employers that relocate outside the State.

SECTION 5. The provisions of this act are severable. If any of its provisions are declared to be invalid under the State or federal constitution, or preempted by federal law or regulation, the validity of the remainder of this act shall not be affected.

SECTION 6. This act is effective when it becomes law and applies to the relocation of call center jobs from this State on or after that date.
