33 appropriation per student to the school local current expense fund of less than one hundred
34 percent (100%) of the current expense appropriations per student to the school local current
35 expense fund that the county could provide given the county's wealth and an average effort to
36 fund public schools shall receive funding under this section at the same percentage that the
37 county's appropriation per student to the school local current expense fund is of the current

49 year is less than ninety-five percent (95%) of the average of local current
50 expense appropriations per student for the three prior fiscal years.

(2) The county cannot show (i) that it has remedied the deficiency in funding or (ii) that extraordinary circumstances caused the county to supplant local current expense funds with funds allocated under this section.

The State Board of Education shall adopt rules to implement the requirements of this subsection.

SECTION 7.3.(h) Counties Containing a Base of the Armed Forces. – Notwithstanding any other provision of this section, for the 2021-2023 fiscal biennium, counties containing a base of the Armed Forces of the United States that have an average daily membership of more than 17,000 students shall receive whichever is the higher amount in each fiscal year as follows: either the amount of supplemental funding the county received as a low-wealth county in the 2012-2013 fiscal year or the amount of supplemental funding the county is eligible to receive as a low-wealth county pursuant to the formula for distribution of supplemental funding under the other provisions of this section.

A local school administrative unit shall not become ineligible for funding if either the highest of the first two months' total projected average daily membership for

7 active duty. Eligibility determinations for NC Pre-K participants may continue through local
8 education agencies and local North Carolina Partnership for Children, Inc., partnerships.

9 Other than developmental disabilities or other chronic health issues, the Division shall
10 not consider the health of a child as a factor in determining eligibility for participation in the NC
11 Pre-K program.

12 **SECTION 9C.1.(b) Multiyear Contracts.** – The Division of Child Development and
13 Early Education shall require the NC Pre-K contractor to issue multiyear contracts for licensed

47 to this section be used to increase the salaries of licensed B-K teachers working in private or
48 Head Start NC Pre-K classrooms. These funds shall be used as a means to address disparities in

7

8 **CHILD CARE SUBSIDY RATES**

9 **SECTION 9C.4.(a)** The maximum gross annual income for initial eligibility,
10 adjusted annually, for subsidized child care services shall be determined based on a percentage
11 of the federal poverty level as follows:

12	AGE	INCOME PERCENTAGE LEVEL
13	0 – 5	200%
14	6 – 12	133%

15 The eligibility for any child with special needs, including a child who is 13 years of
16 age or older, shall be two hundred percent (200%) of the federal poverty level.

17 **SECTION 9C.4.(b)** Fees for families who are required to share in the cost of care
18 are established based on nine percent (9%) of gross family income. When care is received at the
19 blended rate, the co-payment shall be eighty-three percent (83%) of the full-time co-payment.
20 Co-payments for part-time care shall be seventy-five percent (75%) of the full-time co-payment.

21 **SECTION 9C.4.(c)** Payments for the purchase of child care services for low-income
22 children shall be in accordance with the following requirements:

- 23 (1) Religious sponsored child care facilities operating pursuant to G.S. 110-106
24 and licensed child care centers that meet the minimum licensing standards that
25 are participating in the subsidized child care program shall be paid the one-star
26 county market rate or the rate they charge privately paying parents, whichever
27 is lower, unless prohibited by subsection (f) of this section.
- 28 (2) Licensed child care centers and homes with three or more stars shall receive
29 the market rate for that rated license level for that age group or the rate they
30 charge privately paying parents, whichever is lower, unless prohibited by
31 subsection (g) of this section.
- 32 (3) No payments shall be made for transportation services charged by child care
33 facilities.
- 34 (4) Payments for subsidized child care services for postsecondary education shall
35 be limited to a maximum of 20 months of enrollment. This shall not be
36 determined before a family's annual recertification period.

37 **SECTION 9C.4.(d)** Provisions of payment rates for child care providers in counties
38 that do not have at least 50 children in each age group for center-based and home-based care are
39 as follows:

- 40 (1) Except as applicable in subdivision (2) of this subsection, payment rates shall
41 be set at the statewide or regional market rate for licensed child care centers
42 and homes.
- 43 (2) If it can be demonstrated that the application of the statewide or regional
44 market rate to a county with fewer than 50 children in each age group is lower
45 than the county market rate and would inhibit the ability of the county to
46 purchase child care for low-income children, then the county market rate may
47 be applied.

48 **SECTION 9C.4.(e)** A market rate shall be calculated for child care centers and
49 homes at each rated license level for each county and for each age group or age category of
50 enrollees and shall be representative of fees charged to parents for each age group of enrollees

1 within the county. The Division of Child Development and Early Education shall also calculate
2 a statewide rate and regional market rate for each rated license level for each age category.

3 **SECTION 9C.4.(f)** The Division of Child Development and Early Education shall
4 continue implementing policies that improve the quality of child care for subsidized children,
5 including a policy in which child care subsidies are paid, to the extent possible, for child care in
6 the higher quality centers and homes only. The Division shall define higher quality, and subsidy
7 funds shall not be paid for one- or two-star rated facilities. For those counties with an inadequate
8 number of four- and five-star rated facilities, the Division shall continue a transition period that
9 allows the facilities to continue to receive subsidy funds while the facilities work on the increased
10 star ratings. The Division may allow exemptions in counties where there is an inadequate number
11 of four- and five-star rated facilities for non-star rated programs, such as religious programs.

12 **SECTION 9C.4.(g)** Facilities licensed pursuant to Article 7 of Chapter 110 of the
13 General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program
14 that provides for the purchase of care in child care facilities for minor children of needy families.
15 Except as authorized by subsection (f) of this section, no separate licensing requirements shall
16 be used to select facilities to participate. In addition, child care facilities shall be required to meet
17 any additional applicable requirements of federal law or regulations. Child care arrangements
18 exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall
19 meet the requirements established by other State law and by the Social Services Commission.

20 County departments of social services or other local contracting agencies shall not
21 use a provider's failure to comply with requirements in addition to those specified in this
22 subsection as a condition for reducing the provider's subsidized child care rate.

23 **SECTION 9C.4.(h)** Payment for subsidized child care services provided with
24 Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations
25 and policies issued by the Division of Child Development and Early Education for the subsidized
26 child care program.

27 **SECTION 9C.4.(i)** Noncitizen families who reside in this State legally shall be
28 eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions
29 of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for
30 child care subsidies only if at least one of the following conditions is met:

- 31 (1) The child for whom a child care subsidy is sought is receiving child protective
32 services or foster care services.
- 33 (2) The child for whom a child care subsidy is sought is developmentally delayed
34 or at risk of being developmentally delayed.
- 35 (3) The child for whom a child care subsidy is sought is a citizen of the United
36 States.

37 **SECTION 9C.4.(j)** The Department of Health and Human Services, Division of
38 Child Development and Early Education, shall require all county departments of social services
39 to include on any forms used to determine eligibility for child care subsidy whether the family
40 waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

41 **SECTION 9C.4.(k)** Department of Defense-certified child care facilities licensed
42 pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that
43 provides for the purchase of care in child care facilities for minor children in needy families,
44 provided that funds allocated from the State-subsidized child care program to Department of
45 Defense-certified child care facilities shall supplement and not supplant funds allocated in
46 accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose
47 Department of Defense-certified child care facilities and who are eligible to receive subsidized
48 child care shall be as set forth in this section.

49 **CHILD CARE ALLOCATION FORMULA**

1 **SECTION 9C.5.(a)** The Department of Health and Human Services, Division of
2 Child Development and Early Education (Division), shall allocate child care subsidy voucher
3 funds to pay the costs of necessary child care for minor children of needy families. The
4 mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation
5 under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy
6 allocation. The Department of Health and Human Services shall use the following method when
7 allocating federal and State child care funds, not including the aggregate mandatory thirty percent
8 (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

9 (1) Funds shall be allocated to a county based upon the projected cost of serving
10 children under age 11 in families with all parents working who earn less than
11 the applicable federal poverty level percentage set forth in Section 9C.4(a) of
12 this act.

13 (2) The Division may withhold up to two percent (2%) of available funds from
14 the allocation formula for (i) preventing termination of services throughout
15 the fiscal year and (ii) repayment of any federal funds identified by counties
16 as overpayments, including overpayments due to fraud. The Division shall
17 allocate to counties any funds withheld before the end of the fiscal year when
18 the Division determines the funds are not needed for the purposes described
19 in this subdivision. The Division shall submit a report to the Joint Legislative
20 Oversight Committee on Health and Human Services and the Fiscal Research
21 Division, which report shall include each of the following:

- 22 a. The amount of funds used for preventing termination of services and
23 the repayment of any federal funds.
24 b. The date the remaining funds were distributed to counties.
25 c. As a result of funds withheld under this subdivision and after funds
26 have been distributed, any counties that did not receive at least the
27 amount the counties received the previous year and the amount by
28 which funds were decreased.

29 The Division shall submit a report in each year of the 2021-2023 fiscal
30 biennium 30 days after the funds withheld pursuant to this subdivision are
31 distributed but no later than April 1 of each respective year.

32 (3) The Division shall set aside four percent (4%) of child care subsidy allocations
33 for vulnerable populations, which include a child identified as having special
34 needs and a child whose application for assistance indicates that the child and
35 the child's family is experiencing homelessness or is in a temporary living
36 situation. A child identified by this subdivision shall be given priority for
37 receiving services until such time as set-aside allocations for vulnerable
38 populations are exhausted.

39 **SECTION 9C.5.(b)** The Division may reallocate unused child care subsidy voucher
40 funds in order to meet the child care needs of low-income families. Any reallocation of funds
41 shall be based upon the expenditures of all child care subsidy voucher funding, including North
42 Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service
43 levels within the funds allocated to the counties. A county with a spending coefficient over one
44 hundred percent (100%) shall submit a plan to the Division for managing the county's allocation
45 before receiving any reallocated funds.

46 **SECTION 9C.5.(c)** When implementing the formula under subsection (a) of this
47 section, the Division shall include the market rate increase in the formula process rather than
48 calculating the increases outside of the formula process. Additionally, the Department shall do
49 the following:

- 50 (1) Implement the final one-third change in a county's allocation beginning fiscal
51 year 2020-2021. A county's initial allocation shall be the county's expenditure

1 in the previous fiscal year or a prorated share of the county's previous fiscal
2 year expenditures if sufficient funds are not available.

- 3 (2) Effective immediately following the next new decennial census data release,
4 implement (i) one-third of the change in a county's allocation in the year
5 following the data release, (ii) an additional one-third of the change in a
6 county's allocation beginning two years after the initial change under this
7 subdivision, and (iii) the final one-third change in a county's allocation
8 beginning the following two years thereafter.
9

10 SMART START INITIATIVES

11 **SECTION 9C.6.(a) Policies.** – The North Carolina Partnership for Children, Inc.,

14 age. North Carolina Partnership for Children, Inc.-funded activities shall include assisting child
15 care facilities with (i) improving quality, including helping one-, two-, and three-star-rated
16 facilities increase their star ratings, and (ii) implementing prekindergarten programs. State
17 funding for local partnerships shall also be used for evidence-based or evidence-informed
18 programs for children from birth to 5 years of age that do the following:

- 19 (1) Increase children's literacy.
20 (2) Increase the parents' ability to raise healthy, successful children.
21 (3) Improve children's health.
22 (4) Assist four- and five-star-rated facilities in improving and maintaining quality.

23 **SECTION 9C.6.(b) Administration.** – Administrative costs shall be equivalent to,
24 on an average statewide basis for all local partnerships, not more than eight percent (8%) of the
25 total statewide allocation to all local partnerships. For purposes of this subsection, administrative
26 costs shall include costs associated with partnership oversight, business and financial
27 management, general accounting, human resources, budgeting, purchasing, contracting, and
28 information systems management. The North Carolina Partnership for Children, Inc., shall
29 continue using a single statewide contract management system that incorporates features of the
30 required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local
31 partnerships are required to participate in the contract management system and, directed by the
32 North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with
33 other local partnerships to increase efficiency and effectiveness.

34 **SECTION 9C.6.(c) Salaries.** – The salary schedule developed and implemented by
35 the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds
36 that may be used for the salary of the Executive Director of the North Carolina Partnership for
37 Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for
38 Children, Inc., shall base the schedule on the following criteria:

- 39 (1) The population of the area serviced by a local partnership.
40 (2) The amount of State funds administered.
41 (3) The amount of total funds administered.
42 (4) The professional experience of the individual to be compensated.
43 (5) Any other relevant factors pertaining to salary, as determined by the North
44 Carolina Partnership for Children, Inc.

45 The salary schedule shall be used only to determine the maximum amount of State
46 funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit
47 a local partnership from using non-State funds to supplement an individual's salary in excess of
48 the amount set by the salary schedule established under this subsection.

49 **SECTION 9C.6.(d) Match Requirements.** – The North Carolina Partnership for
50 Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred
51 percent (100%) of the amount budgeted for the program in each fiscal year of the base budget

1 for the 2021-2023 biennium. Of the funds the North Carolina Partnership for Children, Inc., and
2 the local partnerships are required to match, contributions of cash shall be equal to at least thirteen
3 percent (13%) and in-kind donated resources shall be equal to no more than six percent (6%) for
4 a total match requirement of nineteen percent (19%) for each year of the 2021-2023 fiscal
5 biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in
6 excess of the required match for a fiscal year in order to meet the match requirement of the
7 succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the
8 in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the
9 purpose of the match requirement of this subsection. Volunteer services that qualify as
10 professional services shall be valued at the fair market value of those services. All other volunteer
11 service hours shall be valued at the statewide average wage rate as calculated from data compiled
12 by the Division of Employment Security of the Department of Commerce in the Employment
13 and Wages in North Carolina Annual Report for the most recent period for which data are
14 available. Expenses, including both those paid by cash and in-kind contributions, incurred by
15 other participating non-State entities contracting with the North Carolina Partnership for
16 Children, Inc., or the local partnerships also may be considered resources available to meet the
17 required private match. In order to qualify to meet the required private match, the expenses shall:

- 18 (1) Be verifiable from the contractor's records.
- 19 (2) If in-kind, other than volunteer services, be quantifiable in accordance with
20 generally accepted accounting principles for nonprofit organizations.
- 21 (3) Not include expenses funded by State funds.
- 22 (4) Be supplemental to and not supplant preexisting resources for related program
23 activities.
- 24 (5) Be incurred as a direct result of the Early Childhood Initiatives Program and
25 be necessary and reasonable for the proper and efficient accomplishment of
26 the Program's objectives.
- 27 (6) Be otherwise allowable under federal or State law.
- 28 (7) Be required and described in the contractual agreements approved by the
29 North Carolina Partnership for Children, Inc., or the local partnership.
- 30 (8) Be reported to the North Carolina Partnership for Children, Inc., or the local
31 partnership by the contractor in the same manner as reimbursable expenses.

32 Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the
33 2021-2023 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for the
34 Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be
35 responsible for compiling information on the private cash and in-kind contributions into a report
36 that is submitted to the Joint Legislative Oversight Committee on Health and Human Services in
37 a format that allows verification by the Department of Revenue. The same match requirements
38 shall apply to any expansion funds appropriated by the General Assembly.

39 **SECTION 9C.6.(e)** Bidding. – The North Carolina Partnership for Children, Inc.,
40 and all local partnerships shall use competitive bidding practices in contracting for goods and
41 services on contract amounts as follows:

43 by a written policy as developed by the Board of Directors of the North
44 Carolina Partnership for Children, Inc.
- 45 (2) For amounts greater than five thousand dollars (\$5,000), but less than fifteen
46 thousand dollars (\$15,000), three written quotes.

48 thousand dollars (\$40,000), a request for proposal process.
- 49 (4) For amounts of forty thousand dollars (\$40,000) or more, a request for
50 proposal process and advertising in a major newspaper.

1 **SECTION 9C.6.(f)** Allocations. – The North Carolina Partnership for Children, Inc.,
2 shall not reduce the allocation for counties with less than 35,000 in population below the
3 2012-2013 funding level.

4 **SECTION 9C.6.(g)** Performance-Based Evaluation. – The Department of Health
5 and Human Services shall continue to implement the performance-based evaluation system.

6 **SECTION 9C.6.(h)** Expenditure Restrictions. – Except as provided in subsection (i)
7 of this section, the Department of Health and Human Services and the North Carolina Partnership
8 for Children, Inc., shall ensure that the allocation of funds for Early Childhood Education and
9 Development Initiatives for the 2021-2023 fiscal biennium shall be administered and distributed
10 in the following manner:

11 (1) Capital expenditures are prohibited for the 2021-2023 fiscal biennium. For the
12 purposes of this section, "capital expenditures" means expenditures for capital
13 improvements as defined in G.S. 143C-1-1(d)(5).

14 (2) Expenditures of State funds for advertising and promotional activities are
15 prohibited for the 2021-2023 fiscal biennium.

16 For the 2021-2023 fiscal biennium, local partnerships shall not spend any State funds

20 Carolina Partnership for Children, Inc., and local partnerships may use up to one percent (1%) of
21 State funds for fund-raising activities. The North Carolina Partnership for Children, Inc., shall
22 include in its annual report required under G.S. 143B-168.12(d) a report on the use of State funds
23 for fund-raising. The report shall include the following:

24 (1) The amount of funds expended on fund-raising.

25 (2) Any return on fund-raising investments.

26 (3) Any other information deemed relevant.

27 28 **SMART START VISITING PROGRAMS**

29 **SECTION 9C.7.** Funds allocated to the North Carolina Partnership for Children,
30 Inc., from the Department of Health and Human Services, shall be used for evidence based,
31 family strengthening and home visiting programs and other evidence-based or
32 evidence-informed early childhood initiatives. Funds appropriated under this section shall not be
33 subject to the child care services funding requirements under G.S. 143B-168.15(b), child care
34 subsidy expansion requirements under G.S. 143B-168.15(g), or the match requirements under
35 Section 9C.6(d) of this act.

45 **SECTION 9C.9.(a)** The Department of Health and Human Services, Division of
46 Child Development and Early Education shall facilitate the alignment of existing policies and
47 efforts around educator and program bias and reducing or eliminating preschool expulsion and
48 exclusionary practices. The Division shall then create and appoint a Design Team to (i) study
49 issues related to implicit bias in early education settings and (ii) make recommendations and
50 implementation plans to reduce educator and program bias and reduce or eliminate preschool
51 expulsion and exclusionary practices.

1 by the reconciliation component under subsection (c) of this section, and then multiplying that
2 amount by the private hospital historical assessment share, and lastly dividing by the total
3 hospital costs of all private acute care hospitals.

4 **SECTION 9D.14.(g)** The reconciliation component is a positive or a negative
5 number that results from subtracting the actual amount of public hospital assessment and private

7 aggregate assessment collection amount calculated under G.S. 108A-146.5 for the assessment
8 quarter beginning October 1, 2021, with the adjustment required in accordance with subsection

11 with this section. If the reconciliation component is a negative number, then the aggregate
12 assessment collection amount shall be reduced by the reconciliation component in accordance
13 with this section.

14 **SECTION 9D.14.(h)** Notwithstanding the definition of federal medical assistance

24 Human Services, the Senate Appropriations Committee on Health and Human Services, and the
25 Fiscal Research Division with a proposed replacement of the market basket percentage inflation
26 factor to take effect July 1, 2026. It is the intent of the General Assembly to enact legislation
27 before the start of the 2026-2027 fiscal year to adjust the inflation factor as needed to reflect
28 changes in the Medicaid reimbursement environment since the start of Medicaid managed care.
29 If the General Assembly takes no action before July 1, 2026, the market basket percentage

1 Budget and Management shall not approve funding for new programs or activities not
2 appropriated in this act.

3 If the Congress of the United States decreases the federal fund availability for any of
4 the Block Grants or contingency funds and other grants related to existing Block Grants
5 administered by the Department of Health and Human Services from the amounts appropriated
6 in this act, the Department shall develop a plan to adjust the Block Grants based on reduced
7 federal funding.

8 Notwithstanding the provisions of this subsection, for fiscal years 2021-2022 and

12 not be used to supplant State funds.

13 Prior to allocating the change in federal fund availability, the proposed allocation
14 must be approved by the Office of State Budget and Management. If the Department adjusts the

"§ 87-98. Bernard Allen Memorial Emergency Drinking Water Fund

...
(c) The Department shall disburse monies from the Fund based on financial need and on the risk to public health posed by groundwater contamination and shall give priority to the provision of services under this section to instances when an alternative source of funds is not available. The Fund shall not be used to provide alternative water supply to households with incomes greater than three hundred percent (300%) of the current federal poverty ~~level.~~ level except that this income limitation shall not apply in cases where perfluoroalkyl substances or polyfluoroalkyl substances are present. The Fund may be used to provide alternative drinking water supplies if the Department determines that the concentration of one or more ~~contaminants~~ contaminants, or emerging contaminants such as polyfluoroalkyl substances and perfluoroalkyl substances, in the private drinking water well or improved spring exceeds the federal maximum contaminant level, or the federal drinking water action level as defined in 40 Code of Federal Regulations § 141.1 through § 141.571 (1 July 2007) and 40 Code of Federal Regulations § 143.3 (1 July 2007). For a contaminant for which a federal maximum contaminant level or drinking water action level has not been established, the State groundwater standard established by the Environmental Management Commission for the concentration of that contaminant shall be used to determine whether the Fund may be used to provide alternative drinking water supplies. The Fund may also be used to provide alternative drinking water supplies as provided in this section if the Department determines that the concentration of one or more contaminants in a private drinking water well is increasing over time and that there is a significant risk that the concentration of a contaminant will exceed the federal maximum contaminant level or drinking water action level, or the State groundwater standard. A determination of the concentration of a contaminant shall be based on a sample of water collected from the private drinking water well within the past 12 months.

...
(e4) ~~The Department may use up to one hundred thousand dollars (\$100,000) annually of the monies in the Fund to pay the personnel and other direct costs associated with the implementation of this section."~~

(1b) Process for Allocating Funds from the Unforeseen Costs Reserve. – The Office of State Budget and Management (OSBM) shall set out the process for applying for funds from the Unforeseen Costs Reserve, together with the criteria for assessing such applications, in a Budget Memo. OSBM may allocate funds from the Unforeseen Costs Reserve only when it is satisfied that the conditions set out under these criteria have been met. Once agreed, funds may only be drawn down as needed, in line with project cashflow requirements.

1 (2) Special Allocation Provisions. – In determining the use of the proceeds of public
2 improvement bonds and notes, including premium thereon, if any, set forth in
3 subdivision (1) of this subsection, the following special allocation provisions apply:

4 a. The proceeds of public improvement bonds and notes, including
5 premium thereon, if any, for public instruction for public schools
6 capital assistance, as provided in subdivision (1) of this subsection,
7 shall be allocated as follows:

- 8 1. One billion dollars (\$1,000,000,000) of such proceeds shall be
9 allocated equally to each county. Each county's allocation shall
10 be distributed to the local school administrative units located
11 in whole or in part in the county based on the average daily
12 membership of the county's students in the school units.
- 13 2. Three hundred seventy-five million dollars (\$375,000,000) of
14 such proceeds shall be allocated among local school
15 administrative units located in counties whose wealth is less
16 than the State average wealth. The allocation shall have a
17 numerator of the 2020-2021 low wealth allotment specific to
18 that local school administrative unit with a denominator of the
19 total 2020-2021 low wealth allotment, and then multiplied by
20 the total allocation in this sub-division.
- 21 3. One billion one hundred twenty-five million dollars
22 (\$1,125,000,000) of such proceeds shall be allocated among
23 local school administrative by on the basis of average daily
24 membership for Fiscal Year 2020-2021 where the numerator is
25 average daily membership for the local administrative unit and
26 the denominator is the total average daily membership for the
27 state for FY 2020-2021.
- 28 4. Bond proceeds for a county for any designation require no
29 local match if any portion of the proceeds results from
30 low-wealth county receiving funds in sub subdivision 2. Any
31 other county receiving bond proceeds allocated shall provide
32 local matching funds from county funds, other non-State funds,
33 or a combination of these sources for such proceeds. The
34 amount of matching funds shall be (i) one dollar (\$1.00) of
35 local matching funds for every three dollars (\$3.00) of such
36 proceeds for a local school administrative unit located in a
37 county that is a development tier one area, as defined in
38 G.S. 143B-437.08, (ii) one dollar (\$1.00) of local matching
39 funds for every two dollars (\$2.00) of such proceeds for a local
40 school administrative unit located in a county that is a
41 development tier two area, as defined in G.S. 143B-437.08,
42 and (iii) one dollar (\$1.00) of local matching funds for every
43 one dollar (\$1.00) of such proceeds for a local school
44 administrative unit located in a county that is a development
45 tier three area, as defined in G.S. 143B-437.08. The match
46 requirement may be satisfied by non-State expenditures for
47 public school facilities made on or after January 1, 2017. If a
48 debt has been incurred since January 1, 2017, for the general
49 purpose of public school facilities, then the face amount of the
50 debt shall be considered as a non-State expenditure for public
51 school facilities for the purpose of the match. No other

1 expenditures made or debts incurred before January 1, 2017,
2 may be used to satisfy the match requirement. As counties
3 satisfy the match requirements of this subsection, they shall
4 document the extent to which they have done so in periodic
5 reports to the State Board of Education. These reports shall
6 include any information and documentation required by the
7 State Board of Education. The State Board of Education shall
8 certify to the State Treasurer from time to time the extent to
9 which the match requirements of this subsection have been met
10 with respect to each county. Bond proceeds shall be distributed
11 for expenditure only as, and to the extent, the matching
12 requirement of this section are satisfied, as certified by the
13 State Board of Education. The State Board of Education shall
14 also require counties to report annually on the impact of funds
15 provided under this act on the property tax rate for that year.
16 These reports shall be public documents and shall be furnished
17 to any citizen upon request. If the State Board of Education
18 determines that a county has not met the matching requirement
19 set forth in this sub-subdivision by January 1, 2028, the State
20 Board of Education shall certify that fact to the State Treasurer
21 by March 1, 2028. The State Board of Education shall
22 reallocate unmatched funds in the following manner:

- 23 I. Proceeds allocated under sub subdivision (1) shall be
24 reallocated to local administrative units receiving funds
25 under sub subdivision (1) for which the State Board of
26 Educated has certified matching funds.
- 27 II. Proceeds allocated under sub subdivision (2) shall be
28 reallocated to local administrative units receiving funds
29 under sub subdivision (2) for which the State Board of
30 Educated has certified matching funds.
- 31 III. Proceeds allocated under sub subdivision (2) shall be
32 reallocated to local administrative units receiving funds
33 under sub subdivision (2) for which the State Board of
34 Educated has certified matching funds.

35 5. A local school administrative unit that receives proceeds under
36 this section shall ensure that such proceeds are used:

- 37 I. For acquisition of real property and construction,
38 acquisition, reconstruction, enlargement, renovation,
39 or replacement of buildings and other structures, and
- 40 II. To supplement local funds for public school capital
41 outlay projects and shall not decrease local funds for
42 those projects from one fiscal year to the next fiscal
43 year, as measured by the most recent five-year annual
44 average capital outlay expenditure.

45 b. The proceeds of public improvement bonds and notes, including
46 premium thereon, if any, for NC Community Colleges, as provided in
47 subdivision (1) of this subsection for new construction, repairs, and
48 renovations, shall be used for new construction or rehabilitation of
49 existing facilities and repairs and renovations. Any items purchased
50 with such proceeds and installed or replaced as part of a renovation or
51 rehabilitation must have a useful life of at least 10 years or must extend

1 the life of the facility by at least 10 years once renovated or
2 rehabilitated. In order to receive the proceeds under this
3 sub-subdivision for projects for new construction, the community
4 college receiving the proceeds shall provide local matching funds from
5 county funds, other non-State funds, or a combination of these sources
6 for such proceeds. The amount of matching funds shall be (i) one
7 dollar (\$1.00) of local matching funds for every three dollars (\$3.00)
8 of such proceeds for a community college project located in a
9 development tier one area, as defined in G.S. 143B-437.08, (ii) one
10 dollar (\$1.00) of local matching funds for every two dollars (\$2.00) of
11 such proceeds for a community college project located in a
12 development tier two area, as defined in G.S. 143B-437.08, and (iii)
13 one dollar (\$1.00) of local matching funds for every one dollar (\$1.00)
14 of such proceeds for a community college project located in a
15 development tier three area, as defined in G.S. 143B-437.08.
16 Community colleges are not required to match bond proceeds
17 allocated in this section for rehabilitation of existing facilities and
18 repairs and renovations.

20 (1) Public improvement bonds. – The proceeds of public improvement bonds and
21 notes, including premium thereon, if any, except the proceeds of bonds the
22 issuance of which has been anticipated by bond anticipation notes or the
23 proceeds of refunding bonds or notes, shall be placed by the State Treasurer
24 in a special fund to be designated "Public Improvement Bonds Fund," which
25 may include such appropriate special accounts therein as may be determined
26 by the State Treasurer and shall be disbursed as provided in this section.
27 Monies in the Public Improvement Bonds Fund shall be allocated and
28 expended as provided in this section.

29 Any additional monies that may be received by means of a grant or grants
30 from the United States of America or any agency or department thereof or
31 from any other source for deposit to the Public Improvement Bonds Fund may
32 be placed in the Public Improvement Bonds Fund or in a separate account or
33 fund and shall be disbursed, to the extent permitted by the terms of the grant

38 to the State or held in the State treasury, except with respect to grant money
39 to the extent otherwise directed by the terms of the grant. Investment earnings,

42 to the Public Improvement Bonds Fund, (ii) used to pay debt service on the
43 bonds authorized by this section, (iii) used to satisfy compliance with
44 applicable requirements of the federal tax law, or (iv) transferred to the
45 General Fund of the State.

46 The proceeds of public improvement bonds and notes, including premium
47 thereon, if any, may be used with any other monies made available by the
48 General Assembly for funding the projects authorized by this section,
49 including the proceeds of any other State bond issues, whether heretofore
50 made available or that may be made available at the session of the General
51 Assembly at which this section is ratified or any subsequent sessions. The

1 proceeds of public improvement bonds and notes, including premium thereon,
 2 if any, shall be expended and disbursed under the direction and supervision of
 3 the Director of the Budget. The funds provided by this section shall be
 4 disbursed for the purposes provided in this section upon warrants drawn on
 5 the State Treasurer by the State Controller, which warrants shall not be drawn
 6 until requisition has been approved by the Director of the Budget and which
 7 requisition shall be approved only after full compliance with the State Budget
 8 Act, Chapter 143C of the General Statutes.

9 (2) Tracking of bond proceeds. – The State Treasurer or the State Treasurer's
 10 designee is hereby authorized and directed to set up a comprehensive system
 11 of tracking the proceeds of the public improvement bonds and notes, including
 12 premium thereon, if any, to the extent necessary to enable the State Treasurer
 13 or the State Treasurer's designee to properly account for the use of such

47 hereby authorized to borrow money and to execute and issue notes of
48 the State for the same, but only in the following circumstances and
49 under the following conditions:

1. For anticipating the sale of bonds, the issuance of which the Council of State has approved, if the State Treasurer considers it advisable to postpone the issuance of the bonds;
 2. For the payment of interest on or any installment of principal of any bonds then outstanding, if there are not sufficient funds in the State treasury with which to pay the interest or installment of principal as they respectively become due;

The proceeds from the sale of any refunding bonds or notes shall be applied to the immediate payment and retirement of the bonds or notes being refunded or, if not required for the immediate payment of the bonds or notes being refunded, the proceeds shall be deposited in trust to provide for the payment and retirement of the bonds or notes being refunded and to pay any expenses incurred in connection with the refunding. Money in a trust fund may be invested in (i) direct obligations of the United States government, (ii) obligations the principal of and interest on which are guaranteed by the United States government, (iii) obligations of any agency or instrumentality of the United States government if the timely payment of principal and interest on the obligations is unconditionally guaranteed by the United States government, or (iv) certificates of deposit issued by a bank or trust company located in the State if the certificates are secured by a pledge of any of the obligations described in (i), (ii), or (iii) above having an aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. 9 be authorized by law.

10 (8) Faith and credit. – The faith and credit and taxing power of the State are hereby
11 pledged for the payment of the principal of and the interest on bonds and notes.
12 The State expressly reserves the right to amend any provision of this section
13 to the extent it does not impair any contractual right of a bond owner.

14 (9) Other agreements. – The State Treasurer may authorize, execute, obtain, or
15 otherwise provide for bond insurance, investment contracts, credit and
16 liquidity facilities, interest-rate swap agreements and other derivative products,

28 finding and determination by the State Treasurer that the absence of a credit
29 facility will not materially and adversely affect the financial position of the
30 State and the marketing of the bonds or notes at a reasonable interest cost to
31 the State;
- 32 (2) Be additionally supported by a credit facility;
- 33 (3) Be made subject to redemption or a mandatory tender for purchase prior to

- 39 (5) Be made the subject of a remarketing agreement whereby an attempt is made
40 to remarket bonds or notes to new purchasers prior to their presentment for
41 payment to the provider of the credit facility or to the State.

42 If the aggregate principal amount payable by the State under a credit facility is in
43 excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether
44 as a result of the inclusion in the credit facility of a provision for the payment of interest for a
45 limited period of time or the payment of a redemption premium or for any other reason, then the
46 amount of authorized but unissued bonds or notes during the term of such credit facility shall not
47 be less than the amount of such excess, unless the payment of such excess is otherwise provided
48 for by agreement of the State executed by the State Treasurer.

- (4) Inconsistent provisions. – Insofar as the provisions of this section are inconsistent with the provisions of any general, special, or local laws, or parts thereof, the provisions of this section shall be controlling.
- (5) Severability. – If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.
