1 A BILL TO BE ENTITLED
2 AN ACT ESTABLISHING A PILOT PROGRAM TO EXPAND THE VETERANS JUSTICE
3 INTERVENTION PROGRAM AND APPROPRIATING FUNDS FOR THE PROGRAM.

4 Whereas, veterans suffer from unique mental health and substance abuse issues which
5 may exceed the capabilities of many local communities, especially law enforcement; and

6 Whereas, the Veterans Justice Intervention (VJI) program works to avoid the
7 unnecessary criminalization of mental illness and extended incarceration among veterans by
8 ensuring that eligible, justice-involved veterans have timely access to Veterans Health
9 Administration (VHA) services; and

10 Whereas, "justice-involved veterans" are veterans who have crisis encounters with
11 law enforcement in the community, are jailed for relatively brief periods of time for offenses that
12 do not result in prison time, and/or are adjudicated or monitored by either local criminal courts
13 or specialty treatment courts, such as drug and mental health courts, usually for extended periods
14 of time; and

15 Whereas, VJI Specialists provide direct outreach, assessment, and case management
16 for justice-involved veterans in local courts and jails and liaison with local justice system
17 partners. VJI Specialists also serve as a liaison to Veterans Treatment Courts, Crisis Intervention
18 Teams in police departments, and probation and parole officers; and

19 Whereas, the VJI program also helps to prevent homelessness among justice-involved
20 veterans; and

21 Whereas, a pilot program to evaluate the expansion of the VJI program in North
22 Carolina would be beneficial to the State's veterans; Now, therefore,
23 The General Assembly of North Carolina enacts:

32 and VJI implementation in each of the designated departments.
