### **HOUSE BILL DRH40375-MG-103**

Short Title:	Down Syndrome Organ Trans. Nondiscrim. Act.	(Public)
Sponsors:	Representative Bradford.	
Referred to:		
A BILL TO BE ENTITLED		
AN ACT PROHIBITING ORGAN TRANSPLANT DISCRIMINATION ON THE BASIS OF		
DISABILITY BY HEALTH CARE PROVIDERS, DONOR MATCHING ENTITIES, AND		
HEALTH INSURERS.		
The General Assembly of North Carolina enacts:		
SECTION 1. This act shall be known and may be cited as the "Down Syndrome		
Organ Transplant Nondiscrimination Act."		
<b>SECTION 2.(a)</b> Article 16 of Chapter 130A of the General Statutes is amended by		
adding a new Part to read:

needs an organ transplant is as worthy and valuable as the life of an individual without a disability		
who needs the same medical service.		
"§ 130A-414.2. Definitions.		

The following definitions apply in this Part:

Page 2 DRH40375-MG-103

- a. <u>Individuals or entities available to support and assist the individual with an anatomical gift or transplantation.</u>
- b. Auxiliary aids or services.
- Reasonable modifications to the policies, practices, or procedures of a covered entity, including modifications to allow for either or both of the following:
  - 1. Communication with one or more individuals or entities available to support or assist with the recipient's care and medication after surgery or transplantation.
  - Consideration of support networks available to the individual, including family, friends, and home and community-based services, including home and community-based services funded through Medicaid, Medicare, another health plan in which the individual is enrolled, or any program or source of funding available to the individual, when determining whether the individual is able to comply with post-transplant medical requirements.

## "§ 130A-413.3. Organ transplant discrimination on the basis of disability prohibited.

- (a) It is unlawful for a covered entity to do any of the following, solely on the basis of an individual's disability:
  - (1) Consider an individual ineligible to receive an anatomical gift or organ transplant.
  - (2) Deny medical services or other services related to organ transplantation, including diagnostic services, evaluation, surgery, counseling, and post-operative treatment and services.
  - (3) Refuse to refer the individual to a transplant center or other related specialist for the purpose of being evaluated for or receiving an organ transplant.
  - (4) Refuse to place a qualified recipient on an organ transplant waiting list.
  - (5) Place a qualified recipient on an organ transplant waiting list at a lower priority position than the position at which the individual would have been placed if the individual did not have a disability.
  - (6) Refuse insurance coverage for any procedure associated with being evaluated for or receiving an anatomical gift or organ transplant, including post-transplantation and post-transfusion care.
- (b) Notwithstanding the provisions of subsection (a) of this section, a covered entity may take an individual's disability into account when making treatment or coverage recommendations or decisions, solely to the extent that the disability has been found by a physician or surgeon, following an individualized evaluation of the individual, to be medically significant to the provision of the anatomical gift.
- (c) If an individual has the necessary support system to assist the individual in complying with post-transplant medical requirements, a covered entity may not consider the individual's inability to independently comply with post-transplant medical requirements to be medically significant for the purposes of subsection (b) of this section.
- (d) A covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, including diagnostic services, surgery, coverage, post-operative treatment, and counseling, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services.
- (e) A covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, including diagnostic services, surgery, post-operative treatment, or counseling, due to the

absence of auxiliary aids or services, unless the covered entity demonstrates that taking these 1 2 steps would fundamentally alter the nature of the medical services or other services related to 3 organ transplantation or would result in an undue burden for the covered entity. 4

- The provisions of this section apply to all stages of the organ transplant process. (f)
- Nothing in this Part shall be construed to require a covered entity to make a referral (g) or recommendation for or perform a medically inappropriate organ transplant.
- "§§ 130A-413.4 through 130A-413.9. Reserved for future codification purposes.

- Whenever it appears that a covered entity has violated or is violating any of the provisions of this Part, the affected individual may commence a civil action for injunctive and other equitable relief against the covered entity for purposes of enforcing compliance with this Part. The action may be brought in the district court for the county where the affected individual resides or resided or was denied the organ transplant or referral.
- In an action brought under this Part, the court shall give priority on its docket and expedited review, and may grant injunctive or other equitable relief, including any of the following:
  - Requiring auxiliary aids or services to be made available for a qualified (1) recipient.
  - Requiring the modification of a policy, practice, or procedure of a covered (2) entity.
  - (3) Requiring facilities be made readily accessible to and usable by a qualified recipient.

The Court may not award compensatory or punitive damages for violations of this Part.

Nothing in this Part is intended to limit or replace available remedies under the Americans with Disabilities Act, 42 U.S.C. § 12102 et seq., as amended, or any other applicable federal or State laws."

**SECTION 2.(b)** This section applies to anatomical gifts that become available for transplantation on or after October 1, 2021.

**SECTION 3.(a)** Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

#### "§ 58-3-256. Coverage related to organ transplants.

- For the purposes of this section, the following definitions apply: (a)
  - Anatomical gift. The donation of all or part of a human body to take effect (1) after the donor's death for the purpose of a transplant.
  - Disability. As defined in the Americans with Disabilities Act of 1990, 42 <u>(2)</u> U.S.C. § 12102 et seq., as amended.
  - Health benefit plan. As defined in G.S. 58-3-167. (3)
  - Insurer. As defined in G.S. 58-3-167. (4)
  - Transplant. The transplantation or transfusion of a part of a human body into (5) the body of another human for the purpose of treating or curing a medical condition.
- No insurer offering a health benefit plan in this State that provides coverage for (b) anatomical gifts, organ transplants, or treatment and services related to anatomical gifts or transplants shall do any of the following:
  - Deny coverage to an insured solely on the basis of that individual's disability. (1)
  - Deny to an individual eligibility, or continued eligibility, to enroll or to renew (2) coverage under the terms of a health benefit plan solely for the purpose of avoiding the requirements of this section.
  - Attempt to induce a health care provider to provide care to an insured in a <u>(3)</u> manner inconsistent with this section by doing either of the following:
